Item 1.01. Entry into a Material Definitive Agreement.

General

As previously reported on Form 8-K, on July 17, 2007, SemGroup Energy Partners, L.P. (the Partnership) entered into an Underwriting Agreement (the Underwriting Agreement) with SemGroup, L.P. (SemGroup), SemGroup Holdings G.P., L.L.C., SemGroup Holdings, L.P. (Holdings), SemGroup Energy Partners G.P., L.L.C. (the General Partner), SemGroup Energy Partners Operating, L.L.C and the underwriters named therein (the Underwriters) providing for the offer and sale in a firm commitment underwritten offering (the Offering) of 12,500,000 common units representing limited partner interests in the Partnership (Common Units) at a price of \$22.00 per Common Unit (\$20.6525 per Common Unit, net of underwriting discount). Pursuant to the Underwriting Agreement, the Partnership granted the Underwriters a 30-day over-allotment option to purchase up to an additional 1,875,000 Common Units at the same price. The transactions contemplated by the Underwriting Agreement, including the exercise in full of the Underwriters' over-allotment option, closed on July 23, 2007.

In the Underwriting Agreement, the Partnership agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

Credit Agreement

On July 20, 2007, the Partnership entered into a credit agreement (the Credit Agreement) with a syndicate of lenders and financial institutions named therein as parties thereto and Wachovia Bank, National Association, as Administrative Agent, L/C Issuer and Swing Line Lender and Bank of America, N.A., as Syndication Agent.

The new credit facility under the Credit Agreement consists of a five year \$250 million revolving credit facility, of which approximately \$137.5 million was drawn in connection with the closing. The Partnership used proceeds from the exercise in full of the Underwriters' over-allotment option to repay approximately \$37.0 million under the revolving credit facility. Borrowings under the Credit Agreement are secured by substantially all of the Partnership's assets and all of the assets of the Partnership's restricted subsidiaries. Under the Credit Agreement, the revolving credit facility currently bears interest at the Partnership's option, at either (i) the higher of Wachovia Bank, National Association's prime rate or the federal funds rate plus 0.5%, plus an applicable margin that ranges from 0.25% to 1.25%, depending on the Partnership's total leverage ratio, or (ii) LIBOR plus an applicable margin that ranges from 1.25% to 2.25%, depending on the Partnership's total leverage ratio.

The Credit Agreement prohibits the Partnership from making distributions of available cash to unitholders if any default or event of default (as defined in the Credit Agreement) exists. Such events of default include, among others, the failure to make payments when due, a change of control of the Partnership or SemGroup and noncompliance with covenants contained in the Credit Agreement. In addition, the Credit Agreement contains covenants limiting the Partnership's ability to, among other things, grant liens, incur additional indebtedness, engage in

a merger, consolidation or dissolution, enter into transactions with affiliates, sell or otherwise dispose of its assets, businesses and operations, and make acquisitions, investments and capital expenditures. The Partnership is also subject to financial covenants which include a leverage ratio and an interest coverage ratio.

This description of the Credit Agreement is qualified in its entirety by reference to the Credit Agreement, a copy of which is filed as Exhibit 10.1 to this Form 8-K and is incorporated in this Item 1.01 by reference.

Closing Contribution, Conveyance, Assignment and Assumption Agreement

The description of the Closing Contribution, Conveyance, Assignment and Assumption Agreement (the *Closing Contribution Agreement*) described under Item 2.01 is incorporated in this Item 1.01 by reference. A copy of the Closing Contribution Agreement is filed as Exhibit 10.2 to this Form 8-K and is incorporated in this Item 1.01 by reference.

Omnibus Agreement

On July 20, 2007, the Partnership entered into an omnibus agreement (the *Omnibus Agreement*) with SemGroup, SemManagement, L.L.C. and the General Partner. As more fully described in the Partnership's final prospectus (the *Prospectus*), dated July 17, 2007 (File No. 333-141196) and filed on July 18, 2007 with the Securities and Exchange Commission pursuant to Rule 424(b)(4) under the Securities Act of 1933, as amended, the Omnibus Agreement governs the Partnership's relationship with SemGroup and its affiliates regarding the following matters:

- (i) reimbursement of certain general and administrative expenses;
- (ii) indemnification for certain environmental liabilities, tax liabilities, right-of-way defects and any liabilities associated with the failure to obtain certain consents and governmental permits; and
- (iii) a license for the use of certain intellectual property including the SemGroup name and mark.

A copy of the Omnibus Agreement is filed as Exhibit 10.3 to this Form 8-K and is incorporated in this Item 1.01 by reference.

Throughput Agreement

On July 20, 2007, the Partnership entered into a throughput agreement (the *Throughput Agreement*) with SemGroup Energy Partners, L.L.C., SemCrude, L.P., Eaglwing, L.P. and SemGroup. A substantial majority of the Partnership's revenues will be derived from services provided pursuant to the Throughput Agreement. As more fully described in the Prospectus, under the Throughput Agreement, the Partnership will provide the following services:

- (i) gathering and transportation services, including services related to the gathering of crude oil, pipeline transportation services, delivery services and trucking services; and
- (ii) terminalling and storage services, including services related to the receipt, storage, throughput and delivery of crude oil into and out of tanks.

Under the Throughput Agreement, the gathering services and pipeline transportation services the Partnership provides (other than gathering and pipeline transportation services provided on the Partnership's Longview system) will be subject to minimum throughput requirements each month, regardless of the amount of such services actually used in a given month. The Throughput Agreement also provides that the Partnership's trucking services will be utilized at a minimum of 80% of the Partnership's historical average volume of trucking services and that its terminalling and storage services will be utilized at a minimum of 80% of the Partnership's total storage capacity. If any of these services are utilized in excess of these minimum throughput, trucking or storage requirements, the Partnership will be entitled to a fee for such services equal to at least 110% of the per barrel base charge for the applicable services under the Throughput Agreement. However, the Partnership may also contract with other customers for services in excess of these minimum commitments and it is not obligated to provide any services in excess of the minimum requirements under the Throughput Agreement.

The Throughput Agreement contains a Consumer Price Index adjustment that may offset a portion of any increased costs that the Partnership incurs. If new laws or regulations that affect these services generally are enacted that require the Partnership to make substantial and unanticipated capital expenditures, it will have the right to negotiate an upfront payment or monthly surcharge for the use of its services to cover the pro rata portion of the cost of complying with these laws or regulations, after it has made efforts to mitigate their effect. The parties to the Throughput Agreement are obligated to negotiate in good faith to agree on the level of the monthly surcharge. The surcharge will not apply in respect of routine capital expenditures.

The obligations under the Throughput Agreement may be temporarily suspended during the occurrence of a force majeure event that renders performance of services impossible with respect to an asset for at least 30 consecutive days. If a force majeure event results in a diminution in the services the Partnership is able to provide pursuant to the Throughput Agreement, the minimum service usage commitment would be reduced proportionately for the duration of the force majeure event. If such a force majeure event continues for twelve consecutive months or more, the rights and obligations with respect to the affected services may be terminated.

The Throughput Agreement has an initial term of seven years with additional automatic one-year renewals unless it is terminated upon one year's prior notice.

A copy of the Throughput Agreement is filed as Exhibit 10.4 to this Form 8-K and is incorporated in this Item 1.01 by reference.

Long-Term Incentive Plan

In connection with the Offering, the board of directors of the General Partner adopted the SemGroup Energy Partners G.P., L.L.C. Long-Term Incentive Plan (the Plan) for employees, consultants and directors of the General Partner and its affiliates, including SemGroup, who perform services for the Partnership. The Plan provides for the grant of unit awards, restricted units, phantom units, unit options, unit appreciation rights, distribution equivalent rights and substitute awards. Subject to adjustment for certain events, an aggregate of 1,250,000 Common Units may be delivered pursuant to awards under the Plan.

The board of directors of the General Partner may initiate, terminate, suspend or discontinue the Plan at any time with respect to any award that has not yet been granted. The General Partner's board of directors also has the right to alter or amend the Plan, or any part of the Plan, from time to time, including increasing the number of common units that may be granted, subject to unitholder approval as required by the exchange upon which the common units are listed at that time. However, no change in any outstanding grant may be made that would materially impair the rights of a participant without the participant's consent.

A copy of the Plan is filed as Exhibit 10.5 to this Form 8-K and is incorporated in this Item 1.01 by reference.

Relationships

Each of the Partnership, the General Partner and the other parties to the Closing Contribution Agreement, the Omnibus Agreement and the Throughput Agreement are direct or indirect subsidiaries of SemGroup. As a result, certain individuals, including officers and directors of SemGroup and the General Partner, serve as officers and/or directors of more than one of such entities. As described in Item 2.01 below, the General Partner holds a 2% general partner interest and incentive distribution rights in the Partnership.

Certain of the Underwriters and their affiliates have performed investment banking, commercial banking and advisory services for SemGroup for which they have received customary fees and expenses. The Underwriters and their affiliates may in the future perform investment banking and advisory services for SemGroup, the Partnership and its affiliates from time to time for which they may in the future receive customary fees and expenses. Affiliates of Citigroup Global Markets Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, Lehman Brothers, Inc., RBC Capital Markets Corporation and Wachovia Capital Markets, LLC are lenders under the Partnership's Credit Agreement and affiliates of Citigroup Global Markets Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, RBC Capital Markets Corporation, Wachovia Capital Markets, LLC and BOSC, Inc., a subsidiary of BOK Financial Corp., are lenders under SemGroup's credit facility.
