Item 8.01 Other Events.

On August 13, 2007, William N. Hahne, Executive Vice President- Chief Operating Officer of Petrohawk Energy Corporation (Petrohawk), made the first disposition of 40,000 shares of Petrohawk common stock under his recently adopted pre-arranged stock trading plan to sell a portion of his Petrohawk common stock over an approximately nine month period. The plan anticipates the sale of approximately 40,000 shares per month. The stock trading plan was adopted in accordance with the guidelines specified under Rule 10b5-1 of the Securities Exchange Act of 1934, as amended. Under the plan, Mr. Hahne may sell up to 277,000 shares of Petrohawk common stock between August 13, 2007 and April 30, 2008.

Rule 10b5-1 allows corporate officers and directors to adopt written, pre-arranged stock trading plans when they are not in possession of material, non-public information. Using these plans, insiders can gradually diversify their investment portfolios, by spreading stock trades out over an extended period of time to reduce any market impact, while avoiding concerns about the initiation of stock transactions when in possession of material non-public information. The transactions under this plan are to be disclosed publicly through Form 144 and Form 4 filings with the Securities and Exchange Commission.
