USE OF PROCEEDS

Unless we indicate otherwise in the applicable prospectus supplement, we will use the net proceeds from the sale of the securities for general corporate purposes, including the repayment of existing indebtedness, future acquisitions, capital expenditures and additions to working capital.

RATIOS OF EARNINGS TO FIXED CHARGES

The ratios of our earnings to our fixed charges for each of the periods indicated are as follows:

	Fiscal Year Ended(1)					26 Weeks
	2004	2005	2006	2007	2008	Ended December 27, 2008
Ratios of Earnings to Fixed Charges	3.6	3.3	1.5	2.3	1.6	3.9

(1) Our fiscal year ends on the Saturday nearest June 30.

The ratio of earnings to fixed charges is calculated by dividing earnings by fixed charges. Earnings includes income from continuing operations before income taxes adjusted for (i) minority interest of majority owned subsidiaries, (ii) amortization of capitalized interest, (iii) undistributed income or losses from minority owned companies, (iv) interest expense, and (v) a portion of interest expense we believe is representative of the interest factor. Fixed charges include interest expense (including interest capitalized during the period) plus the portion of rent expense we believe is representative of the interest factor.

We did not have any preferred stock outstanding for the periods presented. Therefore, the ratios of earnings to combined fixed charges and preferred stock dividends would be the same as the ratios of earnings to fixed charges presented above.

DESCRIPTION OF DEBT SECURITIES

We will issue the debt securities under an Indenture dated as of October 2, 1990 between us and The Bank of New York Mellon Trust Company, N.A., as successor to Continental Bank, N.A., as trustee. We have summarized selected provisions of the indenture below. This summary is subject to, and qualified by reference to, all of the provisions of the indenture. If you would like more information on the provisions of the indenture, you should review the indenture, which we have incorporated by reference as an exhibit to the registration statement for the securities of which this prospectus is a part.

In the summary, we have included references to section numbers of the indenture so that you can easily locate these provisions. Capitalized terms used in the summary and not otherwise defined have the meanings specified in the indenture.

General

The debt securities:

will be unsecured;

will rank equally with all of our existing and future unsecured and unsubordinated indebtedness; and

will be effectively junior to our secured indebtedness.

The debt securities will be our obligations exclusively, and not the obligation of any of our subsidiaries. Our rights and the rights of any holder of debt securities (or other of our creditors) to participate in the assets of any subsidiary upon that subsidiary's liquidation or recapitalization will be subject to the prior claims of the subsidiary's creditors, except to the extent that we may be a creditor with recognized claims against the subsidiary.

The indenture does not limit the amount of debt securities or other indebtedness that we may issue. The covenants contained in the indenture would not necessarily afford the holders of debt securities protection in the event of a highly leveraged transaction or other transaction involving us that may adversely affect holders of debt securities.

The indenture permits us to issue debt securities in one or more series. Each series of debt securities may have different terms. The terms of any series of debt securities will be set forth in a resolution of our board of directors or in a supplement to the indenture relating to that series, or determined in accordance with a board resolution and set forth in an officers' certificate that we deliver to the trustee. (Section 2.4)

A supplement to this prospectus will describe all material terms relating to the debt securities being offered that are not described herein. These terms will include some or all of the following:

the title of the series of debt securities;

the total principal amount and authorized denominations;

the date or dates on which principal is payable;

the public offering price;

Edgar Filing: Sara Lee Corp - Form S-3ASR

the interest rate or rates, if any (which may be fixed or floating), record and interest payment dates and/or the method by which such rate or rates or dates may be determined;

the currency or currencies in which payment of the offering price and/or principal and interest may be made;

the manner of payment of principal and interest and where the debt securities may be exchanged or transferred;

Table of Contents

whether (and if so, when and on what terms) the debt securities can be redeemed by us or the holder;

under what circumstances, if any, we will pay additional amounts on the debt securities to non-U.S. holders in respect of taxes;

whether (and if so, when and on what terms) the debt securities may be convertible into or exchangeable for other securities;

whether there will be a sinking fund; and

any other terms of the series permitted by the indenture. (Section 2.4)

Each series of debt securities will be a new issue with no established trading market. Unless otherwise described in the applicable prospectus supplement, we will not list the debt securities on any securities exchange. We cannot assure you that there will be a liquid trading market for the debt securities.

We may purchase debt securities at any price in the open market or otherwise. Debt securities we purchase may, in our discretion, be held or resold, canceled or used to satisfy any sinking fund or redemption requirements.

Debt securities bearing no interest or interest at a rate which, at the time of issuance, is below the prevailing market rate will be sold at a discount below their stated principal amount. Special U.S. federal income tax considerations applicable to any of these discounted debt securities (or to certain other debt securities issued at par which are treated as having been issued at a discount for U.S. federal income tax purposes) will be described in a prospectus supplement.

We will also describe in the applicable prospectus supplement any material U.S. federal income tax considerations applicable to debt securities denominated in a foreign currency or currency unit or in respect of which we may pay principal, premium, if any, and interest in a foreign currency or currency unit.

Conversion Rights

We will describe in the applicable prospectus supplement the particular terms and conditions, if any, on which debt securities may be convertible into other securities. These terms will include the conversion price, the conversion period, provisions as to whether conversion will be at our option or the option of the holder, events requiring an adjustment of the conversion price and provisions affecting conversion in the event of the redemption of the debt securities. If we issue convertible debt securities, we will need to supplement the indenture to add applicable provisions regarding conversion.

Form and Exchange of Debt Securities

Unless otherwise described in a prospectus supplement, all debt securities will be fully registered and will be in either book-entry form or in definitive form.

Debt securities issued in definitive certificated form will be transferable or exchangeable at the agency maintained for such purpose as we may designate from time to time. (Section 2.9 and Section 3.2) We may not impose any service charge, other than any required tax or governmental charge, on the transfer or exchange of any debt securities. (Section 2.9)

Debt securities issued in book-entry form will be issued in the form of one or more fully registered global securities. For purposes of this prospectus, Global Security refers to the global security or securities representing the entire issue of each series of debt securities. Each Global Security will be deposited with the trustee as custodian for The Depository Trust Company (DTC) and registered in the name of DTC or its nominee. A Global Security may be transferred, in whole and not in part, only to DTC or another nominee of DTC and their successors.

Table of Contents

We understand as follows with respect to the rules and operating procedures of DTC (the rules that apply to DTC are on file with the SEC):

DTC is a limited purpose trust company organized under the New York Banking Law, a banking organization within the meaning of the New York Banking Law, a member of the Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code and a clearing agency registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC was created to hold securities for its participants (Participants) and to facilitate the clearance and settlement of securities transactions, such as transfers and pledges, between Participants through electronic computerized book-entry changes in the accounts of its Participants, thereby eliminating the need for physical movement of certificates. Participants include securities brokers and dealers, banks, trust companies and clearing corporations and may include certain other organizations. DTC is owned by a number of Participants and by The New York Stock Exchange, Inc., The American Stock Exchange LLC and the National Association of Securities Dealers, Inc. Indirect access to the DTC system also is available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Participant, either directly or indirectly (Indirect Participants).

Persons who are not Participants may beneficially own debt securities held by DTC only through Participants or Indirect Participants. Beneficial ownership of debt securities may be reflected:

for investors who are Participants, in the records of DTC;

for investors holding through a Participant, in the records of such Participant, whose aggregate interests on behalf of all investors holding through such Participant will be reflected in turn in the records of DTC; or

for investors holding through an Indirect Participant, in the records of such Indirect Participant, whose aggregate interests on behalf of all investors holding through such Indirect Participant will be reflected in turn in the records of a Participant.

Accordingly, transfers of beneficial ownership in a Global Security can only be effected through DTC, a Participant or an Indirect Participant.

Interests in a Global Security will be shown on, and transfers thereof will be effected only through, records maintained by DTC and its Participants. The laws of some states require that certain persons take physical delivery in definitive form of securities. Consequently, the ability to transfer beneficial interests in a Global Security to such persons may be limited.

So long as DTC or its nominee is the registered owner of a Global Security, DTC or its nominee, as the case may be, for all purposes will be considered the sole holder of the applicable series of debt securities under the indenture. Except as provided below, owners of beneficial interests in a Global Security will not be entitled to have debt securities registered in their names, will not receive or be entitled to receive physical delivery of debt securities in definitive form and will not be considered the holders thereof under the indenture. Accordingly, any person owning a beneficial interest in a Global Security must rely on the procedures of DTC and, if such person is not a Participant in DTC, on the procedures of the Participant through which such person, directly or indirectly, owns its interest, to exercise any rights of a holder of debt securities.

Because DTC can only act on behalf of Participants, who in turn act on behalf of Indirect Participants and certain banks, the ability of an owner of a beneficial interest in the debt securities to pledge such debt securities to persons or entities that do not participate in the DTC system, or otherwise take actions in respect of such debt securities, may be affected by the lack of a physical certificate for such debt securities.

Table of Contents

Payment of principal of and interest on the debt securities will be made to DTC's nominee, as the registered owner of each Global Security. Neither we nor the trustee will have any responsibility or liability for any aspects of the records relating to or payments made on account of beneficial ownership interests in a Global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

We understand that upon receipt of any payment of principal of or interest on a Global Security, it is the practice of DTC to credit the Participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of that Global Security as shown on the records of DTC. Payments by Participants to owners of beneficial interests in a Global Security held through such Participants will be the responsibility of such Participants, as is now the case with securities held for the accounts of customers registered in street name.

We have been advised that if any series of debt securities are redeemable by us, and if we redeem less than all of the debt securities of a series, it is DTC's practice to determine by lot the amount of interest of each participant in such series of debt securities to be redeemed.

We understand that under existing industry practices, if we request holders of debt securities to take action, or if an owner of a beneficial interest in a debt security desires to take any action which a holder is entitled to take under the indenture, then (1) DTC would authorize the Participants holding the relevant beneficial interests to take such action, and (2) such Participants would authorize the beneficial owners owning through such Participants to take such action or would otherwise act upon the instructions of beneficial owners owning through them.

Although DTC has agreed to the foregoing procedures in order to facilitate transfers of debt securities among its Participants, it is under no obligation to perform or continue to perform such procedures and such procedures may be discontinued at any time. Neither we nor the trustee will have any responsibility for the performance by DTC or its Participants or Indirect Participants of their respective obligations under the rules and procedures governing their operations.

We will issue debt securities of any series then represented by Global Securities in definitive form in exchange for those Global Securities if:

an Event of Default (as defined below) has occurred and is continuing and all principal and accrued interest in respect of the applicable series of the debt securities shall have become immediately due and payable;

DTC is at any time unwilling, unable or ineligible to continue as depository for any Global Security and a successor depository is not appointed by us within 60 days; or

we determine not to require all of the debt securities of a series to be represented by a Global Security.

In any such instance, an owner of a beneficial interest in a Global Security will be entitled to physical delivery of individual certificated debt securities in definitive form equal in principal amount to such beneficial interest in such Global Security and to have all such certificated debt securities registered in its name. Individual certificated debt securities so issued in definitive form will be issued in denominations of \$2,000 and integral multiples thereof and will be issued in registered form only, without coupons.

Certain Restrictions

The restrictions summarized in this section will apply to debt securities unless the applicable prospectus supplement indicates otherwise. Certain terms used in the following description of these restrictions are defined under the caption "Certain Definitions" at the end of this section. The following description is not complete. The full text of these restrictions is included in the indenture.

Table of Contents

Restrictions on Secured Debt

The debt securities will not be secured. If we or one of our Domestic Subsidiaries incur debt secured by an interest in any Principal Domestic Property or any shares of capital stock or debt of a Domestic Subsidiary and the total principal amount of our secured debt (with certain exceptions, including those listed in the next paragraph), together with our Attributable Debt in respect of sale and leaseback transactions involving Principal Domestic Properties, would exceed 10% of Consolidated Stockholders' Equity, we are required to secure the then outstanding debt securities equally and ratably with (or prior to) our other secured debt.

The indenture permits us and our Domestic Subsidiaries to create certain liens without securing the debt securities. (Section 3.6) Among the permitted liens are:

purchase money mortgages, including conditional sales and other title retention agreements;

liens securing certain construction and improvement loans;

existing liens on newly acquired property, including property acquired through merger or consolidation;

liens in connection with U.S. government contracts;

liens securing indebtedness of a Domestic Subsidiary outstanding at the time it became a Domestic Subsidiary;

liens securing indebtedness of a Domestic Subsidiary to us or to another Domestic Subsidiary; and

refinancings of certain permitted liens.

Limitations on Sale and Leaseback Transactions

Neither we nor our Domestic Subsidiaries may sell or transfer any Principal Domestic Property with the intention of entering into a lease of such facility for a term of more than five years, unless:

such property has not been in full operation for more than 120 days prior to such sale or transfer;

the Attributable Debt in respect of all such sale and leaseback transactions involving Principal Domestic Properties, together with our secured debt, does not exceed 10% of Consolidated Stockholders' Equity;

within 120 days of such sale or transfer, we apply the net proceeds of the sale to the retirement of our funded debt (defined as indebtedness having a maturity of, or extendable or renewable for, a period of more than 12 months from the date of determination) in an amount not less than the greater of such net proceeds or the fair value of the Principal Domestic Property so leased; or

Edgar Filing: Sara Lee Corp - Form S-3ASR

the sale and leaseback transaction is between us and a Domestic Subsidiary or between any of our Domestic Subsidiaries. (Section 3.7)

Consolidation, Merger or Sale of Assets

We may not consolidate or merge with or into any other corporation, or sell or transfer all or substantially all of our property and assets to any other corporation unless the surviving or successor corporation assumes our obligations under the indenture and is not in default under the indenture immediately after the consummation of the transaction. (Section 9.1)

If we sell or transfer substantially all of our assets and the purchaser assumes our obligations under the indenture, we will be discharged from all obligations under the indenture and the debt securities. (Section 9.2)

Table of Contents

Certain Definitions

The following terms (except Principal Domestic Property) are defined in Section 1.1 of the indenture.

Attributable Debt means, at the time of the determination, the present value (discounted at the applicable rate of interest compounded annually) of the lessee's obligation for rental payments during the remaining term of the lease (including any period the lease has been, or may, at the option of the lessor, be extended). The term **applicable rate** means the yield to maturity of the U. S. Treasury constant maturity which most closely approximates the weighted average of the remaining terms of all leases, plus 1.5%.

Consolidated Stockholders' Equity means the common and preferred stockholders' equity and minority interests of Sara Lee Corporation and its consolidated Subsidiaries, as shown on our consolidated balance sheet in our latest quarterly or annual report to stockholders.

Domestic Subsidiary means a Subsidiary of Sara Lee Corporation, other than a Subsidiary which neither transacts a substantial portion of its business nor regularly maintains a substantial portion of its fixed assets within the United States or a Subsidiary which engages primarily in financing our consolidated operations.

Principal Domestic Property means any facility (together with the land on which it is erected and the fixtures comprising a part thereof) used primarily for manufacturing, processing or distribution located within the United States, owned or leased by Sara Lee Corporation or any Subsidiary and having a gross book value (without deduction of depreciation reserves) in excess of \$50,000,000, other than any such facility or portion of such facility that, in the opinion of our board of directors, is not of material importance to the business conducted by Sara Lee Corporation and its Subsidiaries, as an entirety.

Subsidiary means any corporation of which Sara Lee Corporation or one or more Subsidiaries (individually or collectively) directly or indirectly own a majority of the outstanding voting stock of said corporation.

Events of Default

Event of Default means, with respect to any series of debt securities, any of the following:

failure to pay interest or any additional amounts that continues for a period of 30 days after payment is due;

failure to make any principal payment when due (except when such failure results from mistake, oversight or transfer difficulties and does not continue for more than three business days);

failure to make any sinking fund payment when due (except when such failure results from mistake, oversight or transfer difficulties and does not continue for more than three business days);

failure to comply with any of our other agreements contained in the indenture or in the debt securities for 90 days after notice to us of such failure from the trustee (or to us and the trustee from the holders of at least 25% in principal amount of the outstanding debt securities affected by such failure); and

certain events of bankruptcy, insolvency or reorganization of Sara Lee Corporation. (Section 5.1)

In general, the trustee is required to give notice of a default with respect to a series of debt securities to the holders of that series within 90 days after the occurrence of a default. The trustee may withhold notice of any default (except a default in payment of principal of or interest on any debt security) if the trustee in good faith determines it is in the interest of the holders of that series to do so. (Section 5.11)

An Event of Default for a particular series of debt securities does not necessarily constitute an Event of Default for other series of debt securities.

Table of Contents

If there is a continuing Event of Default, then the trustee or the holders of at least 25% in principal amount of each outstanding series of debt securities affected by the Event of Default (voting as separate classes) may require us to repay the principal and accrued interest on the affected series immediately. Subject to certain conditions, the requirement to pay with respect to a series of debt securities may be annulled, and past defaults may be waived (except a continuing default in payment of principal of, or premium, interest or additional amounts, if any, on debt securities), by the holders of a majority in principal amount of that series. If an Event of Default applies to all outstanding debt securities, then the holders of the debt securities will be treated as a single class without regard to whether there are several outstanding series. (Section 5.1 and Section 5.10)

Prior to an Event of Default, the trustee is required to perform only the specific duties stated in the indenture, and after an Event of Default which has not been cured or waived, the trustee must exercise the same degree of care as a prudent individual would exercise or use under the circumstances in the conduct of his or her own affairs. (Section 6.1)

The trustee may refuse to enforce the indenture or the debt securities unless it first receives satisfactory security or indemnity. Subject to certain limitations specified in the indenture, the holders of a majority in principal amount of the debt securities of an affected series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee. (Section 5.9)

Satisfaction and Discharge of Indenture

We will be discharged from certain of our obligations relating to the outstanding debt securities of a series if we deposit with the trustee money or the equivalent in securities of the government which issued the currency in which the debt securities are denominated sufficient for payment of all principal of and interest and additional amounts, if any, on those debt securities when due. (Section 10.1) In that event, holders of those debt securities will only be able to look to the trust fund for payment of the principal of and interest and additional amounts, if any, on their debt securities until maturity.

Modification of Indenture

Under the indenture, subject to certain exceptions, we may change our rights and obligations and the rights of the holders of a series of debt securities with the consent of the holders of at least 50% in aggregate principal amount of the outstanding debt securities of that series. However, we may not, among other things, change the terms of payment of principal or interest, reduce any amount payable upon redemption, reduce the amount of the principal of a discount security to be paid upon an acceleration of maturity upon an Event of Default or reduce the percentage required for changes to the indenture without the consent of the holder of each debt security affected by such change. (Section 8.2)

In certain circumstances, we may amend the indenture without the consent of the holders of outstanding debt securities to evidence a merger of Sara Lee Corporation, the replacement of the trustee or for other specified purposes. (Section 8.1)

Reports to Trustee

We are required to provide the trustee with an officers' certificate each fiscal year stating whether, to the knowledge of the certifying officers in the course of performance of their duties as officers, we are in compliance with the requirements of the indenture and no default exists, and if a default has occurred, identifying the nature of the default of which the officers are aware. (Section 3.5)

Regarding the Trustee

We maintain ordinary banking relationships and credit facilities with a number of banks, including the trustee, The Bank of New York Mellon Trust Company N.A.

We have summarized selected provisions of the form of debt warrant agreement below. This summary is subject to, and qualified by reference to, all of the provisions of the debt warrant agreement. If you would like more information on the provisions of a debt warrant agreement, you should review the form of debt warrant agreement, including the debt warrant certificate, which we have incorporated by reference as an exhibit to the registration statement for the securities of which this prospectus is a part.

General

A supplement to this prospectus will describe all material terms relating to the debt warrants being offered that are not described herein. These terms will include some or all of the following:

the offering price of the debt warrants, if any;

the title, total principal amount and authorized denominations of the series of debt securities purchasable upon exercise of the debt warrants;

the manner in which debt warrants may be exercised;

the amount of debt warrants then outstanding;

the title and terms of any related debt securities with which the debt warrants are issued and the number of debt warrants issued with each debt security;

the date, if any, on or after which the debt warrants may be transferred separately from the related debt security;

the principal amount of debt securities purchasable upon exercise of each debt warrant and the exercise price;

the date on which the right to exercise the debt warrants commences and the expiration date;

whether we will issue the debt warrant certificates in registered or bearer form; and

any other terms of the debt warrants.

Debt warrants may be exercisable for debt securities bearing no interest or interest at a rate which, at the time of issuance, is below the prevailing market rate. Material U.S. federal income tax considerations applicable to any of these discounted debt securities will be described in a prospectus supplement.

Prior to the exercise of their debt warrants, holders of debt warrants will not have any of the rights of holders of the debt securities purchasable upon such exercise and will not be entitled to payments of principal of, and premium and interest, if any, on those debt securities.

Exercise of Debt Warrants

Each debt warrant will entitle its holder to purchase for cash the principal amount of debt securities at the exercise price set forth in the applicable prospectus supplement. Commencing on the date the debt warrants become exercisable, holders may exercise their debt warrants at any time up to the close of business on the expiration date, after which time any unexercised debt warrants will become void.

Upon receipt of the exercise price and the debt warrant certificate properly completed and executed, we will forward to the holder, as soon as practicable, the debt securities purchased upon such exercise. If less than all the debt warrants represented by a certificate are exercised, we will issue a new debt warrant certificate for the remaining amount of debt warrants.

DESCRIPTION OF COMMON STOCK WARRANTS

DESCRIPTION OF CURRENCY WARRANTS

We may issue, separately or together with debt securities or debt warrants, currency warrants entitling the holder to receive from us the cash value in U.S. dollars of the right to purchase (currency call warrants) or sell (currency put warrants) a specified amount of a designated foreign currency. We will issue the currency warrants under currency warrant agreements to be entered into between us and a bank or trust company, as currency warrant agent, as set forth in the applicable prospectus supplement. We have summarized selected provisions of the form of currency warrant agreement below. This summary is subject to, and qualified by reference to, all of the provisions of the currency warrant agreement. If you would like more information on the provisions of a currency warrant agreement, you should review the form of currency warrant agreement, including the global warrant certificates, which we have incorporated by reference as an exhibit to the registration statement for the securities of which this prospectus is a part.

A supplement to this prospectus will describe all material terms relating to the currency warrants being offered that are not described herein. These terms will include some or all of the following:

whether the currency warrants will be currency put warrants or currency call warrants, or both;

the formula for determining the cash value in U.S. dollars, if any, of each currency warrant;

the amount of currency warrants then outstanding;

the minimum number, if any, of currency warrants which must be exercised at any one time;

the date on which the right to exercise the currency warrants commences and the expiration date; and

any other terms of the currency warrants.

The spot exchange rate of the designated foreign currency, upon exercise, as compared to the U.S. dollar, will determine whether the currency warrants have a cash value (cash settlement value) on any given day prior to their expiration.

Form of Currency Warrants

Unless otherwise described in a prospectus supplement, all currency warrants will be issued in the form of one or more fully registered global certificates that will be deposited with DTC or its nominee. This means that we will not issue certificates to each holder. Each global certificate will be issued to DTC, which will keep a computerized record of its Participants (for example, your broker) whose clients have purchased currency warrants. The Participant will then keep a record of its clients who purchased the currency warrants. Accordingly, transfers of ownership of any currency warrant may only be effected through a selling holder's broker. For more information on the procedures of DTC, see Description of Debt Securities Form and Exchange of Debt Securities above.

Exercise of Currency Warrants

Edgar Filing: Sara Lee Corp - Form S-3ASR

Each currency warrant will entitle its holder to receive the cash settlement value on the applicable exercise date. Holders may exercise their currency warrants at any time up to 3:00 p.m., New York City time, on the fifth business day preceding the expiration date, after which time all currency warrants will be deemed automatically exercised on the expiration date.

DESCRIPTION OF THE STOCK PURCHASE CONTRACTS AND THE STOCK PURCHASE UNITS

We may issue stock purchase contracts, representing contracts obligating holders to purchase from us, and obligating us to sell to the holders, a specified number (or range of numbers) of shares of our common stock at a future date or dates. The price per share and number of shares of common stock may be fixed at the time the stock purchase contracts are issued or may be determined by reference to a specific formula set forth in the stock purchase contracts.

The stock purchase contracts may be issued separately or as part of units, often known as stock purchase units, consisting of a stock purchase contract and a beneficial interest in either:

our senior debt securities;

The stock purchase contracts may require us to make periodic payments to the holders of the stock purchase units or vice versa, and such payments may be unsecured or prefunded on some basis, to be specified in the applicable prospectus supplement. The stock purchase contracts may require holders to secure their obligations in a specified manner, and, in certain circumstances we may deliver newly issued prepaid stock purchase contracts, often known as prepaid securities, upon release to a holder of any collateral securing such holder's obligations under the original stock purchase contract.

The applicable prospectus supplement will describe all material terms relating to the stock purchase contracts or stock purchase units, the collateral or depositary arrangements relating to the stock purchase units, if any, and, if applicable, the prepaid securities.

Material U.S. federal income tax considerations applicable to the stock purchase units and stock purchase contracts will be discussed in the applicable prospectus supplement.

Item 15. Indemnification of Directors and Officers.

Section 2-405.2 of Maryland General Corporation Law (MGCL) permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages, except for liability resulting from (1) actual receipt of an improper benefit or profit in money, property or services or (2) active and deliberate dishonesty established by a final judgment or other adjudication as material to the cause of action adjudicated in the proceeding. The Company's charter contains a provision that eliminates directors' and officers' liability to the maximum extent permitted by MGCL.

Section 2-418(d) of MGCL requires a corporation (unless its charter provides otherwise, which the Company's charter does not) to indemnify a director of the corporation who has been successful, on the merits or otherwise, in the defense of any proceeding to which such director was made a party by reason of the director's service in that capacity. Section 2-418(b) permits a corporation to indemnify its present or former directors against judgments, penalties, fines, settlements and reasonable expenses actually incurred by the director in connection with any proceeding to which the director is made a party by reason of the director's service as a director, unless it is established that (1) the act or omission of the director was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, (2) the director actually received an improper personal benefit in money, property or services or (3) in the case of any criminal proceeding, the director had reasonable cause to believe that the act or omission was unlawful. If, however, the proceeding was one by or in the right of the corporation and the director was adjudged liable to the corporation, the corporation may not indemnify the director. MGCL also permits a Maryland corporation to pay a director's expenses in advance of the final disposition of an action to which the director is a party upon receipt by the corporation of (1) a written affirmation by the director of the director's good faith belief that the director has met the standard of conduct necessary for indemnification and (2) a written undertaking by or on behalf of the director to repay the amount advanced if it is ultimately determined that the director did not meet the necessary standard of conduct. Section 2-418 of the MGCL defines a director as any person who is or was a director of a corporation and any person who, while a director of the corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise or employee benefit plan. Section 2-418(j)(2) of MGCL also

Table of Contents

permits a Maryland corporation to indemnify and advance expenses to its officers, employees and agents to the extent that it may indemnify and advance expenses to its directors.

The Company's bylaws obligate us, to the fullest extent permitted by Maryland law, to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director or officer of the Company, or while a director or officer of the Company is or was serving at the request of the Company as a director, officer, member, partner, employee, trustee or agent of another corporation, partnership, joint venture, trust, limited liability company or other enterprise, against expenses (including reasonable attorneys' fees), judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such proceeding. This indemnity could apply to liabilities under the Securities Act in certain circumstances.

The Company's bylaws also permit us, to the extent authorized by the Company's board of directors, to indemnify and advance expenses to any employee or agent of the Company.

The Company also maintains indemnity insurance as permitted by Section 2-418 of MGCL, pursuant to which the Company's officers and directors are indemnified or insured against liability or loss under certain circumstances, which may include liability or related losses under the Securities Act or the Exchange Act.

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions referred to in Item 15 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
