PROXY STATEMENT

This Proxy Statement is being furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of InfuSystem Holdings, Inc. (the Company) to be used at the Annual Meeting of Stockholders to be held on Thursday, May 27, 2010, and at any adjournment thereof (the Annual Meeting), for the purposes set forth in the accompanying Notice of Annual Meeting. This Proxy Statement and the accompanying materials are expected to be first sent or given to stockholders of the Company on or about April 23, 2010.

The close of business on March 29, 2010 has been fixed as the record date (the Record Date) for the determination of the stockholders entitled to notice of and to vote at the Annual Meeting. Only holders of shares of the Company's common stock, \$0.0001 par value per share (the Common Stock) as of the Record Date are entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock entitles the holder thereof to one vote per share on each matter presented to the stockholders for approval at the Annual Meeting. On the Record Date, there were 19,764,635 shares of Common Stock outstanding and entitled to vote.

If your shares are registered directly in your name with the Company's transfer agent, BNY Mellon Shareowner Services, you are considered the stockholder of record of those shares and this Proxy Statement and the accompanying materials are being sent directly to you by the Company.

If you are a stockholder of record (also called a registered stockholder) you can vote your shares in person at the Annual Meeting or you can vote by proxy using the Internet or telephone or by completing and returning the enclosed proxy card. Whichever method you use, each valid proxy received in time will be voted at the Annual Meeting in accordance with your instructions. To ensure that your proxy is voted, it should be received by the close of business on May 26, 2010. If you submit a proxy without giving instructions, your shares will be voted as recommended by the Board of Directors.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name (also called a street name holder), and this Proxy Statement and the accompanying materials are being forwarded to you by your broker, bank or nominee, who is considered the stockholder of record of those shares. As a beneficial owner, you have the right to direct your broker, bank or nominee on how to vote the shares held in your account.

If you are a beneficial owner of shares held in street name, you are invited to attend the Annual Meeting. However, since you are not a stockholder of record, you may not vote these shares in person at the Annual Meeting unless you bring with you a legal proxy from the stockholder of record. A legal proxy may be obtained from your broker, bank or nominee. If you do not wish to vote in person or you will not be attending the Annual Meeting, you may vote your shares according to the voting instructions that you receive from your broker, bank or nominee. The availability of Internet or telephone voting will depend upon the bank's, broker's or nominee's voting processes.

You may change your vote or revoke your proxy at any time before it is voted at the Annual Meeting by executing a later-voted proxy by telephone, mail or the Internet or by voting by ballot at the Annual Meeting.

The presence, in person or by proxy, of the holders of a majority of the shares of the Common Stock entitled to vote at the Annual Meeting will constitute a quorum. Assuming a quorum is met, each nominee who receives

a plurality of the votes of the shares of the Company's Common Stock present, in person or by proxy at the Annual Meeting, will be elected as a member of the Board of Directors. The ratification of the appointment of

Table of Contents

Deloitte & Touche LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2010 will require the affirmative vote of a majority of the shares of the Company's Common Stock issued and outstanding as of the Record Date that are present in person or by proxy at the Annual Meeting.

With respect to the election of directors, votes may be cast in favor or withheld, and election will be by plurality. Votes that are withheld and broker non-votes, if any, will be counted for purposes of determining the presence or absence of a quorum, but will have no effect on the election of directors. You may vote either for or against or abstain from voting on the proposal to ratify the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm, and ratification requires a majority of the votes present. Abstentions are treated as shares present or represented and entitled to vote at the Annual Meeting and will have the same effect as a vote against the proposal. Broker non-votes will have no effect on the outcome of the proposal. A failure to vote by not returning a signed proxy will have no effect on the outcome of the proposal.

UNLESS SPECIFIED OTHERWISE, THE PROXIES WILL BE VOTED (I) FOR THE ELECTION OF THE EIGHT NOMINEES TO SERVE AS DIRECTORS OF THE COMPANY UNTIL THE ANNUAL MEETING OF STOCKHOLDERS IN 2011 AND UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED AND (II) FOR THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2010. The Board of Directors Role in Risk Oversight

Stockholders may only vote for or withhold their votes for the election of the nominees to the Board of Directors. Votes that are withheld and broker non-votes, if any, will be counted for purposes of determining the presence or absence of a quorum, but will have no effect on the election of directors.

The Nominating Committee identifies nominees for election to the Board by first evaluating the current members of the Board of Directors willing to continue in service. If any member of the Board of Directors does not wish to continue in service or if the Nominating Committee decides not to re-nominate a member for re-election, the Nominating Committee will consider all qualified director candidates identified by members of the Nominating Committee, by senior management and stockholders. Stockholders who would like to propose an independent director candidate for the consideration of the Nominating Committee may do so by submitting the candidate's name, résumé and biographical information care of InfuSystem Holdings, Inc., 31700 Research Park Drive, Madison Heights, Michigan 48071, Attn: Secretary, no later than the deadline for submission of stockholder proposals set forth under the section of this Proxy Statement entitled "Stockholder Proposals for the 2010 Annual Meeting." All proposals for nomination received by the Secretary will be presented to the Nominating Committee for consideration.

The Nominating Committee reviews each director candidate's biographical information and assesses each candidate's independence, skills and expertise based on a variety of factors, including the following criteria:

Whether the candidate has exhibited behavior that indicates he or she is committed to the highest ethical standards.

Whether the candidate has had broad business, governmental, non-profit or professional experience that indicates that the candidate will be able to make a significant and immediate contribution to the Board of Directors' discussion and decision-making.

Whether the candidate will be able to devote sufficient time and energy to the performance of his or her duties as a director.

In addition to above listed criteria, the Nominating Committee considers the diversity of candidates, which may include diversity of skills and experience as well as geographic, gender, age, and ethnic diversity. The Nominating Committee does not, however, have a formal policy with regard to the consideration of diversity in identifying candidates.

Application of these factors requires the exercise of judgment by members of the Nominating Committee and cannot be measured in a quantitative way.

Table of Contents**Cash Fees**

On March 31, 2010, in view of their increased duties as discussed below, the Compensation Committee approved supplemental cash fees for the members of the Board of Directors as follows:

Board Members	Cash Retainer
Sean McDevitt	\$30,000 per month
Pat LaVecchia	\$17,000 per month
John Voris	\$5,000 per month

All the amounts listed above are in addition to the \$50,000 per year retainer for Board member services. Mr. McDevitt's \$30,000 per month is in lieu of his previous \$25,000 per month compensation for his services as Chief Executive Officer. Mr. LaVecchia's \$17,000 per month retainer is in lieu of his previous \$10,000 per month for his services as Vice Chairman. Mr. Voris and Mr. Yetter's \$5,000 per month are in lieu of their previous \$5,000 per month compensation for their services on the Executive Committee.

The Company believes that the Board plays a particularly active role and therefore believes the increase in Board compensation is appropriate. InfuSystem is a small public company with finite resources in human capital and finance. As InfuSystem works to transform into a much larger, diversified, multi-lined company healthcare company, specific internal knowledge will be required in the areas of strategic sales management, business development, Chief Medical Officer knowledge and acquisitions and integration. Paying outside consultants or hiring the requisite management team members to effect such a transformation would cost, in managements' estimation, several million dollars. The deep experience and requisite knowledge of far larger corporations is resident in current members of the Company's Board, however. The Company made the decision to rely heavily on the knowledge of its Board members and believes this will enable and assist the Company in successfully navigating this transformation at a much lower cost to stockholders.

Compensation Discussion and Analysis

The Company's Board of Directors believes that the success of the Company is largely based on the performance and skills of its executive officers. Therefore, when determining executive compensation, the Board of Directors focused on the concepts of rewarding executive performance and retaining and attracting top executive talent. The Company's principal objectives with respect to executive compensation are to encourage strong executive leadership and provide value to the Company's stockholders. For 2009 the Board of Directors was responsible for approving the salaries, bonuses and other compensation and benefits of executive officers and administering the InfuSystem Holdings, Inc. 2007 Stock Incentive Plan. The Company has entered into an employment agreement with Sean Whelan, the Company's Chief Financial Officer. Please see Employment Agreement with Sean Whelan for a discussion of the terms and conditions of the employment agreement. As of September 2009, when Sean McDevitt became Chief Executive Officer, his salary became \$300,000 per annum, which was prorated for the remainder of 2009.

Elements of Compensation

Base Salary

The Board of Directors sought to establish base salaries for the Company's executive officers at levels that are competitive with base salary compensation paid to executive officers with similar responsibilities at other healthcare services companies comparable in size and annual revenues. The Board of Directors reviewed base salary levels annually and adjusted base salaries based on factors such as the Company's overall business performance, the scope of the executive officer's responsibilities, performance of the executive officer during the prior fiscal year, the executive officer's experience and the competitive marketplace.

Non-Equity Incentive Plan Compensation

Bonus awards are intended to focus the efforts of our executive officers on the attainment of the Company's business objectives. The Company has entered into an employment agreement with Sean Whelan, the Company's Chief Financial Officer, which provides that Mr. Whelan may be eligible for the receipt of cash bonus awards provided that certain pre-established performance goals are met. Additionally, the Board of Directors may grant bonuses and other awards under non-equity compensation plans to executive officers at its own discretion. Mr. Whelan earned non-equity compensation in the amount of \$198,000 for his services during the fiscal year ended December 31, 2009.
