BSQUARE CORPORATION

PROXY STATEMENT FOR 2010 ANNUAL MEETING OF SHAREHOLDERS

PROCEDURAL MATTERS

General

The enclosed Proxy is solicited by the Board of Directors of BSQUARE Corporation, a Washington corporation, for use at the 2010 Annual Meeting of Shareholders (the "Annual Meeting") to be held on Tuesday, June 22, 2010 at 10:00 a.m., local time, and at any adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the Company's principal executive offices at 110 11th Avenue NE, Suite 200, Bellevue, Washington 98004. The Company's telephone number at its principal executive offices is (425) 519-5900. As used in this proxy statement, we, us, our and the Company refer to BSQUARE Corporation.

These proxy solicitation materials were mailed on or about May 4, 2010 to all shareholders entitled to vote at the Annual Meeting.

Record Date and Outstanding Shares

Only shareholders of record at the close of business on April 21, 2010 (the "Record Date") are entitled to receive notice of and to vote at the Annual Meeting. The only outstanding voting securities of the Company are shares of common stock, no par value. As of the Record Date, 10,188,672 shares of the Company's common stock were issued and outstanding, held by 146 shareholders of record.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time prior to its use by delivering to the Secretary of the Company at the address referenced above, a written instrument revoking the proxy or delivering a duly executed proxy bearing a later date (in either case no later than the close of business on June 21, 2010) or by attending the Annual Meeting and voting in person.

Voting and Solicitation

Each holder of common stock is entitled to one vote for each share held.

This solicitation of proxies is made by our Board of Directors, and all related costs will be borne by the Company. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of our directors, officers or other employees (without additional consideration). We do not anticipate that we will engage the services of a proxy solicitor; however, the Board of Directors has authorized management to do so if it deems this action to be necessary.

Shareholders of Record and Street Name Holders

Where shares are registered directly in the holder's name, that holder is considered the shareholder of record with respect to those shares. If shares are held in a stock brokerage account or by a bank, trust or other nominee, then the broker, bank, trust or other nominee is considered to be the shareholder of record with respect to those shares. Those shares are said to be held in "street name" on behalf of the beneficial owner of the shares. Street name holders generally cannot vote their shares directly and must instead instruct the broker, bank, trust or other nominee how to vote their shares using the voting instruction form provided by that broker, bank, trust or other nominee.

Quorum; Abstentions; Broker Non-Votes

At the Annual Meeting, inspectors of election will determine the presence of a quorum and tabulate the results of the voting by shareholders. A quorum exists when holders of a majority of the total number of outstanding shares of common stock that are entitled to vote at the Annual Meeting are present at the Annual Meeting in person or by proxy. A quorum is necessary for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be included in determining the presence of a quorum at the Annual Meeting.

Broker non-votes may occur as to shares held in street name. Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients, in the absence of instructions from the beneficial owner of those shares, brokers may vote those shares on behalf of their clients with respect to routine matters (such as the ratification of auditors), but not with respect to non-routine matters (such as the election of directors). If the proposals to be acted upon at any meeting include both routine and non-routine matters, the broker may turn in a proxy card for uninstructed shares that votes with respect to routine matters but not with respect to non-routine matters. The non-vote with respect to non-routine matters is called a broker non-vote.

The three nominees for election to the Board of Directors who receive the greatest number of votes cast for the election of directors by the shares present, in person or by proxy, will be elected to the Board of Directors and abstentions and broker non-votes will have no effect on the outcome. Shareholders are not entitled to cumulate votes in the election of directors.

The approval of Proposal No. 2, the ratification of the appointment of Moss Adams LLP as our independent registered public accounting firm, will require that the votes cast in favor of the proposal exceed the votes cast against the proposal, and abstentions and broker non-votes will have no effect on the outcome.

All shares entitled to vote and represented by properly executed, unrevoked proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions indicated on those proxies. If no instructions are indicated on a properly executed proxy, the shares represented by that proxy will be voted *for* the election of the three Class I directors nominated by the Governance and Nominating Committee of the Board of Directors, and *for* the ratification of the appointment of Moss Adams LLP as our independent registered public accounting firm.

If any other matters are properly presented for consideration at the Annual Meeting, which may include, for example, a motion to adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named in the enclosed proxy and acting thereunder will have discretion to vote on those matters in accordance with their best judgment. We do not currently anticipate that any other matters will be raised at the Annual Meeting.

Deadlines for Receipt of Shareholder Proposals

Shareholder proposals may be included in our proxy statement and form of proxy for an annual meeting so long as they are provided to us on a timely basis and satisfy the other conditions set forth in Rule 14a-8 under the Securities Exchange Act of 1934, as amended, regarding the inclusion of shareholder proposals in company-sponsored proxy materials. For a shareholder proposal to be considered for inclusion in our proxy statement and form of proxy for the annual meeting to be held in 2011, we must receive the proposal at our principal executive offices, addressed to the Secretary, no later than January 4, 2011. Submitting a shareholder proposal or director nomination does not guarantee that it will be included in the Company's proxy statement and form of proxy.

In addition, a shareholder proposal that is not intended for inclusion in the Company's proxy statement and form of proxy under Rule 14a-8 may be brought before the 2011 annual meeting of shareholders provided that

we receive information and notice of the proposal in compliance with the requirements set forth in our Bylaws, addressed to the Secretary of the Company at our principal executive offices, no later than March 24, 2011. A copy of the full text of our Bylaws may be obtained by writing to the Secretary of the Company at our principal executive offices.

We strongly encourage any shareholder interested in submitting a proposal to contact the Secretary of the Company in advance of these deadlines to discuss any proposal he or she is considering, and shareholders may want to consult knowledgeable counsel with regard to the detailed requirements of applicable securities laws. All notices of shareholder proposals, whether or not intended to be included in the Company's proxy materials, should be in writing and sent to our principal executive offices, located at: BSQUARE Corporation, 110 110th Avenue NE, Suite 200, Bellevue, Washington 98004, Attention: Secretary.

PROPOSAL ONE

ELECTION OF DIRECTORS

General

We currently have seven directors divided into three classes with overlapping three-year terms. A director serves in office until his or her respective successor is duly elected and qualified unless the director is removed, resigns or, by reason of death or other cause, is unable to serve in the capacity of director. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of an equal number of directors. Set forth below is certain information furnished to us by the director nominees and by each of the incumbent directors whose terms will continue following the Annual Meeting. There are no family relationships among our directors and officers.

Nominees For Directors

Three Class I directors are to be elected at the Annual Meeting for three-year terms ending in 2013. The Governance and Nominating Committee of the Board of Directors has nominated Elliott H. Jurgensen, Jr., Scot E. Land, and Kendra A. VanderMeulen for election as Class I directors. Mr. Land and Ms. VanderMeulen, who are also members of the Governance and Nominating Committee, abstained from voting on their own nominations.

These three nominees are current directors of the Company, and each has indicated that they will serve if elected. The Company does not anticipate that the nominees will be unable or unwilling to stand for election, but, if that occurs, all proxies received will be voted by the proxy holders for another person or persons nominated by the Governance and Nominating Committee.

CORPORATE GOVERNANCE

Board of Directors Leadership Structure

The Board of Directors has adopted a structure whereby the Chairman of the Board is an independent director. We believe that having a Chairman independent of management provides strong leadership for the Board of Directors and helps ensure critical and independent thinking with respect to the Company's strategy and performance. Our Chief Executive Officer is also a member of the Board of Directors as the sole management representative on the Board of Directors. We believe this is important to make information and insight directly available to the directors in their deliberations. Our Board of Directors believes that having separate positions, with an independent non-executive director serving as Chairman, is the appropriate leadership structure for our Company at this time and demonstrates our commitment to good corporate governance.

Our Chairman of the Board is responsible for the smooth functioning of our Board of Directors, enhancing its effectiveness by guiding Board of Directors processes and presiding at Board of Directors meetings and executive sessions of the independent directors. Our Chairman also presides at shareholder meetings and ensures that directors receive appropriate information from our Company to fulfill their responsibilities. Our Chairman also acts as a liaison between our Board of Directors and our executive management, promoting clear and open communication between management and the Board of Directors.

Board of Directors Role in Risk Oversight

Our Board of Directors has responsibility for the oversight of risk management. Our Board, either as a whole or through its committees, regularly discusses with management our major risk exposures, their potential impact on our Company and the steps we take to manage them. While our Board is ultimately responsible for risk oversight at our Company, our Board committees assist the Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. In particular, our Audit Committee focuses on financial and accounting risk. Our Governance & Nominating Committee focuses on the management of risks associated with Board organization, membership, structure and corporate governance. Finally, our Compensation Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs and related to succession planning for our executive officers. The Board of Directors believes its current structure is proper in light of its role in the oversight of risk.

Board of Directors Independence

The Board of Directors has determined that, after consideration of all relevant factors, Messrs. Bibeault, Howse, Jurgensen, Land, Savoy and Ms. VanderMeulen, constituting a majority of our Board of Directors, qualify as independent directors as defined under applicable rules of The NASDAQ Stock Market LLC (Nasdaq) and that such directors do not have any relationship with the Company that would interfere with the exercise of their independent business judgment.

Standing Committees and Attendance

The Board of Directors held a total of seven meetings during 2009. The Board of Directors has an Audit Committee, a Compensation Committee, a Governance and Nominating Committee, an Investment Committee and an IPO Litigation Committee. From September 2004 until February 2010, the Board of Directors also had a Strategic Growth Committee. Information about these committees and committee meetings is set forth below.

The Audit Committee currently consists of Messrs. Howse (Committee Chair), Jurgensen and Land. The Board of Directors has determined that, after consideration of all relevant factors, Messrs. Howse, Jurgensen and Land qualify as independent directors under applicable Nasdaq and SEC rules. Each member of the Audit Committee is able to read and understand fundamental financial statements, including our balance sheets, statements of operations and statements of cash flows. Further, no member of the Audit Committee has

participated in the preparation of our financial statements, or those of any current subsidiary of the Company, at any time during the past three years. The Board of Directors has designated Mr. Jurgensen as the audit committee financial expert as defined under applicable SEC rules and has determined that Mr. Jurgensen possesses the requisite financial sophistication under applicable Nasdaq rules. The Audit Committee is responsible for overseeing our independent auditors, including their selection, retention and compensation, reviewing and approving the scope of audit and other services by our independent auditors, reviewing the accounting principles, policies, judgments and assumptions used in preparation of our financial statements and reviewing the results of our audits. The Audit Committee is also responsible for reviewing the adequacy and effectiveness of our internal controls and procedures, including risk management, establishing procedures regarding complaints concerning accounting or auditing matters, reviewing and, if appropriate, approving related-party transactions, and reviewing compliance with our Code of Business Conduct and Ethics. The Audit Committee held nine meetings during 2009.

In April 2009, the Audit Committee reviewed and assessed the adequacy of its written charter and recommended certain amendments to its charter. The Board of Directors approved these amendments on April 14, 2009. A current copy of the amended Audit Committee charter is available on the Company's website at www.bsquare.com on the Management and Governance page.

The Compensation Committee currently consists of Messrs. Jurgensen (Committee Chair) and Savoy. The Board of Directors has determined that, after consideration of all relevant factors, Messrs. Jurgensen and Savoy qualify as independent and non-employee directors under applicable Nasdaq and SEC rules, and qualify as outside directors pursuant to the Internal Revenue Code and the regulations promulgated thereunder. The Compensation Committee makes recommendations to the Board of Directors regarding the general compensation policies of the Company as well as the compensation plans and specific compensation levels for its executive officers. The Compensation Committee held three meetings during 2009.

The Compensation Committee has a number of responsibilities as delineated in the Compensation Committee charter. In April 2010, the Compensation Committee reviewed and assessed the adequacy of its charter and recommended certain amendments to its charter. The Board of Directors approved these amendments on April 14, 2010. A current copy of the amended Compensation Committee charter is available on the Company's website at www.bsquare.com on the Management and Governance page. The Compensation Committee also periodically reviews the compensation of the Board of Directors and proposes modifications, as necessary, to the full Board for its consideration.

One of the primary responsibilities of the Compensation Committee is to oversee and make recommendations to the Board of Directors for its approval, with regard to the compensation programs and performance of our executive officers, which includes the following activities:

Establishing the objectives and philosophy of the executive compensation programs;

Designing and implementing the compensation programs;

Evaluating performance of executives and attainment under the programs and reporting to the Board of Directors such evaluation information;

Evaluating the Company's succession plan for its Chief Executive Officer;

Calculating and establishing payouts and awards under the programs as well as discretionary payouts and awards;

Reviewing base salary levels of the executives; and

Engaging consultants to assist with program design, benchmarking, etc.

Additional information regarding the roles and responsibilities of the Compensation Committee is set forth below under Executive Officer Compensation.

The Governance and Nominating Committee was formed in November 2008 and its charter was approved by the Board of Directors in February 2009. Its charter was reviewed and certain changes were recommended and approved by the Board of Directors on April 14, 2010. A current copy of the amended charter of the Governance and Nominating Committee is available on the Company's website at www.bsquare.com on the Management and Governance page. The Governance and Nominating Committee currently consists of Ms. VanderMeulen (Committee Chair) and Messrs. Land and Savoy. The Board of Directors has determined that, after consideration of all relevant factors, Ms. VanderMeulen and Messrs. Land and Savoy qualify as independent directors under applicable Nasdaq and SEC rules. The Governance and Nominating Committee met four times in 2009.

The primary responsibilities of the Governance and Nominating Committee are to:

Develop and recommend to the Board of Directors criteria for selecting qualified director candidates;

Identify individuals qualified to become Board members;

Evaluate, select and recommend to the Board of Directors (for approval of at least a majority of the independent directors, or such other number as may be required by the rules and regulations of Nasdaq as in effect from time to time), director nominees for each election of directors;

Consider the committee structure of the Board of Directors and the qualifications, appointment and removal of committee members;

Recommend codes of conduct and codes of ethics applicable to the Company; and

Provide oversight in the evaluation of the Board of Directors and each committee.

The Strategic Growth Committee was formed in September 2004 to assist management with the formulation of strategic growth strategies. During 2009, the Strategic Growth Committee consisted of Messrs. Savoy (Committee Chair) and Land and Ms. VanderMeulen, and held no meetings. In February 2010, the Board of Directors concluded that the Strategic Growth Committee was no longer necessary and dissolved the committee.

The Investment Committee was formed in February 2009 as an advisory committee to assist the Board of Directors in exercising its oversight of the Company's cash and investments policies. During 2009, the Investment Committee consisted of Messrs. Savoy (Committee Chair) and Howse and held two meetings.

The IPO Litigation Committee currently consists of Messrs. Jurgensen and Howse. As disclosed in the Company's filings with the SEC, the Company, and certain of its current and former officers and directors, were named as defendants in a consolidated class action lawsuit alleging violations of the federal securities laws in connection with the Company's initial public offering. In May 2003, the Board of Directors established a special IPO Litigation Committee consisting of Messrs. Jurgensen and Howse, neither of whom was a defendant in the class action litigation. The IPO Litigation Committee has the sole authority to review any proposed agreement to settle the class action litigation on behalf of the Company and to decide whether or not the Company should enter into or reject any proposed settlement. The IPO Litigation Committee held one meeting during 2009 and at this meeting reviewed and approved proposed settlement terms of the IPO Litigation. This settlement was entered into, and on October 5, 2009, the district court granted final approval of the settlement. However, the settlement is subject to pending appeals.

No director attended fewer than 75% of the aggregate of the meetings of the Board of Directors and committees thereof, if any, upon which such director served during the period for which he has been a director or committee member during 2009.

Director Nomination Process

Edgar Filing: BSQUARE CORP /WA - Form DEF 14A

The Board of Directors has determined that director nomination responsibilities should be handled by the Governance and Nominating Committee (the Committee). One of the Committee s goals is to assemble a Board that brings to the Company a variety of perspectives and skills derived from high quality business and professional experience. Although the Committee and the Board of Directors do not have a formal diversity

policy, the Board of Directors instructed the Committee to consider such factors as it deems appropriate to develop a Board and committees that are diverse in nature and comprised of experienced and seasoned advisors. Factors considered by the Committee include judgment, knowledge, skill, diversity (including factors such as race, gender and experience), integrity, experience with businesses and other organizations of comparable size, including experience in software products and services, business, finance, administration or public service, the relevance of a candidate's experience to the needs of the Company and experience of other Board members, familiarity with national and international business matters, experience with accounting rules and practices, the desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members and the extent to which a candidate would be a desirable addition to the Board of Directors and any committees of the Board of Directors. In addition, directors are expected to be able to exercise their best business judgment when acting on behalf of the Company and its shareholders, act ethically at all times and adhere to the applicable provisions of the Company's Code of Business Conduct and Ethics. Other than consideration of the foregoing and applicable SEC and Nasdaq requirements, unless determined otherwise by the Committee, there are no stated minimum criteria, qualities or skills for director nominees, although the Committee may also consider such other factors as it may deem are in the best interests of the Company and its shareholders, and provided that at least one member of the Board of Directors should meet the criteria for an audit committee financial expert having the requisite financial sophistication under applicable Nasdaq and SEC rules, and a majority of the members of the Board of Directors should meet the definition of independent director under applicable Nasdaq rules.

The Committee identifies director nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective. The Committee also takes into account an incumbent director's performance as a Board member. If any member of the Board of Directors does not wish to continue in service, if the Committee decides not to re-nominate a member for reelection, or if the Board of Directors decides to recommend that the size of the Board of Directors be increased, the Committee identifies the desired skills and experience of a new nominee in light of the criteria described above. Current members of the Board of Directors and management are polled for suggestions as to individuals meeting the Committee's criteria. Research may also be performed to identify qualified individuals. Nominees for director are selected by a majority of the members of the Committee with any current directors who may be nominees themselves abstaining from any vote relating to their own nomination.

It is the policy of the Committee to consider suggestions for persons to be nominated for director that are submitted by shareholders. The Committee will evaluate shareholder suggestions for director nominees in the same manner as it evaluates suggestions for director nominees made by management, then-current directors or other appropriate sources. Shareholders suggesting persons as director nominees should send information about a proposed nominee to the Secretary of the Company at our principal executive offices as referenced above at least 120 days prior to the anniversary of the mailing date of the prior year's proxy statement. This information should be in writing and should include a signed statement by the proposed nominee that he or she is willing to serve as a director of the Company, a description of the proposed nominee's relationship to the shareholder and any information that the shareholder feels will fully inform the Committee about the proposed nominee and his or her qualifications. The Committee may request further information from the proposed nominee and the shareholder making the recommendation.

In addition, a shareholder may nominate one or more persons for election as a director at our annual meeting of shareholders if the shareholder complies with the notice, information, consent and other provisions relating to shareholder nominees contained in our Bylaws. Please see the section above titled "Deadlines for Receipt of Shareholder Proposals" for important information regarding shareholder proposals.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics in compliance with the applicable rules of the SEC that applies to our principal executive officer, our principal financial officer and our principal accounting

officer or controller, or persons performing similar functions, as well as to all members of the Board of Directors and all other employees of the Company. A copy of this policy is available on the Management and Governance page on our website at www.bsquare.com or free of charge upon written request to the attention of the Corporate Secretary, by regular mail at our principal executive offices, email to investorrelations@bsquare.com, or facsimile at 425-519-5998. We intend to disclose, on our website, any amendment to, or a waiver from, a provision of our Code of Business Conduct and Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions and that relates to any element of the Code of Business Conduct and Ethics enumerated in applicable rules of the SEC.

2009 Director Compensation

We have established a compensation plan to attract and retain qualified non-employee directors to serve on our Board of Directors. This plan includes cash and stock awards for directors for service on the Board of Directors and on committees. Directors receive a one-time grant of 25,000 stock options when joining the board and quarterly grants of 1,500 shares of restricted stock. The Chairman of the Board receives a one-time grant of 50,000 stock options when joining the board and quarterly grants of 3,000 shares of restricted stock. If the non-employee director meets certain attendance requirements, the Company pays annual cash fees of \$20,000 to directors who do not serve on any Board committees, \$25,000 to directors who serve on any Board committees other than the Audit Committee, and \$30,000 to directors who serve on the Audit Committee. Directors who serve on more than one committee earn additional annual cash fees of \$5,000 provided that no additional amounts are paid if a director serves on more than two committees. All amounts are payable in quarterly increments. Directors are also reimbursed for reasonable expenses incurred in attending Board of Directors and committee meetings. The Chairman of the Board receives an additional \$10,000 in annual cash fees, payable in quarterly increments. Mr. Crowley, our President and Chief Executive Officer and a member of our Board of Directors, does not receive additional compensation for services provided as a director. The following table presents the 2009 compensation of our non-employee directors. The compensation of Mr. Crowley is described in the Summary Compensation Table.

Employment Agreements with Named Executive Officers

We have agreements with our named executive officers, which include provisions regarding post-termination compensation. We do not have a formal severance policy or plan applicable to our executive officers as a group. Mr. Stapleton's employment with us was terminated in February 2010, and at that time he received four months of his annual base salary as a severance payment in accordance with his employment agreement. Under the agreements with Mr. Crowley and Mr. Mahan, if either officer is terminated without cause (as defined in the applicable agreement, subject to certain exceptions), they will receive termination payments equal to six months of their annual base salary, paid on our normal payroll schedule. In addition, the equity awards held by Mr. Crowley and Mr. Mahan would continue to vest post-termination over the period during which they receive these termination payments. No other benefits accrue to the named executive officers under their severance arrangements (e.g., continuation of medical benefits). The agreements for Mr. Crowley and Mr. Mahan do not provide for Annual Executive Bonus Program payouts in the event they are present only for a portion of the fiscal year. Additionally, as the agreements only speak to the termination of the officer by the Company; they do not address termination by an acquiring company of Mr. Crowley or Mr. Mahan after a change in control.

Mr. Crowley and Mr. Mahan are entitled to the termination payments described previously provided they enter into a separation and release agreement acceptable to the Company which includes, among other things, non-solicit and non-compete provisions for a period of twelve months following termination and an obligation to protect the property of the Company, including intellectual property.

There are no individual change in control agreements in effect with any of our named executive officers. The terms of the Third Amended and Restated Stock Plan (the "Plan") do not specifically provide for accelerated vesting of options for participants in the event of a change in control. Instead, the Plan provides that individual stock option agreements may provide for accelerated vesting in connection with certain transactions defined in the Plan (including certain change-in-control transactions). No outstanding stock option agreement provides for such acceleration of vesting. In addition, the Plan provides that the Board of Directors may elect to accelerate vesting for any Plan participant at such times and in such amounts as the Board of Directors determines, unless it would result in certain unfavorable accounting treatment. Any change in control agreement with an executive officer, should it be deemed necessary, would require approval by the Compensation Committee and the Board of Directors.

Determination of Compensation

Total Compensation

For purposes of evaluating executive officer compensation, the Compensation Committee primarily considers two factors:

Benchmark data: Historically, the Compensation Committee has utilized the services of a compensation consultant on an annual basis to compare our executive compensation program with those of public companies in the Pacific Northwest with revenue of less than \$100 million. A consultant was not engaged by the Compensation Committee in 2009 for reasons noted below.

Company and individual-specific factors: In addition to considering compensation levels of executives at similar sized regional public companies, the Compensation Committee, in conjunction with the our Chief Executive Officer, also reviews the Company's financial performance objectives as well as non-financial performance objectives applicable to each executive (other than the Chief Executive Officer). The Company's financial performance objectives are determined through collaboration with the Chief Executive Officer, the Board of Directors and the Compensation Committee. The non-financial performance objectives applicable to each executive officer (other than the Chief Executive Officer) are determined in collaboration with the Chief Executive Officer, the executive officer and the Compensation Committee. The Compensation Committee, without input from the Chief Executive Officer, determines the financial and non-financial performance objectives applicable to the Chief Executive Officer.

Base Salary

The Compensation Committee's goal is to provide a competitive base salary for our executive officers. The Compensation Committee has not established any formal guidelines (e.g. pay at the 50th percentile of the benchmark group) for purposes of setting base salary but chooses instead to consider the benchmark data along with the Company's performance and the individual's performance and experience in determining what represents a competitive salary.

Our Chief Executive Officer, in conjunction with the Compensation Committee and the Board of Directors, determined that executive salaries would not be changed in 2009 in response to overall economic conditions and a need for the Company to proactively manage expenses. The Compensation Committee and the Board of Directors also determined that the Chief Executive Officer's salary would not be changed in 2009 for the same reasons.

The following table presents the current annual base salaries of our named executive officers, excluding Mr. Stapleton, whose employment with us was terminated in February 2010:

Name	Annual Base Salary
Brian T. Crowley	\$ 270,000
Scott C. Mahan	\$ 208,000

Annual Executive Bonus Program

The AEBP, in which executives have the potential to earn both cash and restricted stock unit awards, is maintained in collaboration between the Compensation Committee, the Board of Directors and the Chief Executive Officer (except that the Chief Executive Officer is not involved in determinations with respect to his own compensation). Grants of restricted stock units are made under the Plan. There were no awards to named executive officers under the AEBP with respect to 2008 because the Company failed to meet the minimum income target per the AEBP. There were no awards to named executive officers under the AEBP with respect to 2009 because it was determined by the Chief Executive Office, in conjunction with the Compensation Committee, that the AEBP was suspended in response to the poor economic conditions at the time, and the need for the Company to proactively manage expenses. The AEBP was reinstated in 2010.

The AEBP provides a bonus opportunity for executives based on a percentage of base salary (60% for Chief Executive Officer, 45% for Chief Financial Officer and 35% for Vice Presidents), and then modified by a Company achievement multiplier and an individual achievement multiplier. The Company achievement multiplier can range from 50% to 150% depending on the Company's adjusted net income. The individual achievement multipliers can range from 0% to 100% depending on each executive's achievement of individual objectives. Examples of these objectives are growing revenue streams, maintaining low employee turnover and improving infrastructure to enhance business velocity.

Incentive Compensation Plan - Sales

Certain sales executives participate in non-equity incentive compensation plans with provisions tailored to the particular individual. The cash incentive plans for 2009 and 2008 applicable to Mr. Stapleton provided for percentage commissions on certain quarterly revenue and gross margin results of the Company, with no minimum or maximum amounts payable.

Longer-Term Incentives

Longer-term incentives in the form of grants of stock options, restricted stock, restricted stock units and other forms of equity instruments to executive officers are governed by the Plan.

The Compensation Committee recommends grants and awards of stock options and other forms of equity instruments given to our executive officers under the Plan. Grants and awards recommended by the Compensation Committee are then submitted to the full Board of Directors for approval. Stock options have historically been granted at the time of hire of an executive officer. Further, the Compensation Committee periodically reviews the equity ownership of the executive officers and may recommend to the Board of Directors additional awards of equity instruments under the Plan based on a number of factors including Company performance and individual performance, the vested status of currently outstanding equity awards, the executive's equity ownership in relation to the other executives and other factors. The Compensation Committee maintains no formal guidelines for these periodic reviews. Stock options are awarded with exercise prices equal to the closing market price per share of our common stock on the grant date.

Other Compensation and Perquisites

Executives are eligible to participate in standard benefit plans available to all employees including the Company's 401(k) retirement plan (for which the Company provided a match subject to vesting until February 2009 at which time the match was suspended for all eligible participants), medical, dental, disability, vacation and sick leave and life and accident insurance. The same terms apply to all employees for these benefits except where the value of the benefit may be greater for executives due to the fact that they are more highly compensated than most other employees (e.g. disability benefits). We provide no pension or deferred compensation benefits for our executive officers. We do not currently have in place any tax gross-up arrangements with our executives.

Employee Benefit Plans*Equity Compensation Plan Information*

The following table presents certain information regarding the Company's common stock that may be issued upon the exercise of options and vesting of restricted stock units granted to employees, consultants or directors as of December 31, 2009:

	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
Equity compensation plans approved by security holders	2,278,924(1)	\$ 3.83	321,543

(1) Amount includes 107,454 restricted stock units granted and unvested as of December 31, 2009.

The Plan provides for an automatic annual increase in the number of shares reserved for issuance by an amount equal to the lesser of: (i) four percent of our outstanding shares at the end of the previous fiscal year, (ii) an amount determined by our Board of Directors, or (iii) 375,000 shares. In February 2010, the number of shares reserved for issuance under the Plan was increased by 375,000 per these terms.

Stock Option Plans

Under the terms of the Plan, we have granted options to purchase common stock to our officers, directors, employees and consultants. Under the terms of the Plan, we also have the ability to issue restricted stock and certain other equity-based compensation to our officers, directors, employees and consultants. We awarded restricted stock to our directors in 2009. We also awarded restricted stock units to certain employees in 2009.

401(k) Plan

We maintain a tax-qualified 401(k) employee savings and retirement plan for eligible U.S. employees. Eligible employees may elect to defer a percentage of their eligible compensation in the 401(k) plan, subject to the statutorily prescribed annual limit. We may make matching contributions on behalf of all participants in the 401(k) plan in the amount equal to one-half of the first 6% of an employee's contributions. Matching contributions are subject to a vesting schedule; all other contributions are fully vested at all times. We intend the 401(k) plan to qualify under Sections 401(k) and 501 of the Internal Revenue Code of 1986, as amended, so that contributions by employees or the Company to the 401(k) plan and income earned, if any, on plan contributions are not taxable to employees until withdrawn from the 401(k) plan, and so that we will be able to deduct our contributions when made. The trustee of the 401(k) plan, at the direction of each participant, invests the assets of the 401(k) plan in any of a number of investment options.

In February 2009, all matching contributions by the Company in the 401(k) plan were suspended in response to overall economic conditions and a need for the Company to proactively manage expenses. This decision will be reviewed at a later date in 2010 if, and when, conditions in the overall economy and business improve. If conditions do improve, a decision will be made by the Chief Executive Officer and Board of Directors as to what, if any, contribution will be made.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities to file with the SEC reports of ownership on Form 3 and changes in ownership on Form 4 and Form 5. Executive officers, directors and greater-than-ten-percent shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms received by it, or written

representations from certain reporting persons, the Company believes that during the year ended December 31, 2009, its executive officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities complied with all applicable Section 16 filing requirements.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

There are no transactions since January 1, 2008 or any proposed transactions as of the date of this proxy statement as to which the amount involved exceeds the lesser of \$120,000 or one percent of the average of our total assets at year end for the last two completed fiscal years, and in which any related person has or will have a direct or indirect material interest, other than equity and other compensation, termination, and other arrangements, which are described above under 2009 Director Compensation and Executive Officer Compensation.

PROPOSAL TWO

RATIFY APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company's Independent Auditors

The independent registered public accounting firm of Moss Adams LLP (Moss Adams) has acted as the Company's auditor since May 2006 and has audited the Company's financial statements for the years ending December 31, 2009 and 2008. Moss Adams is responsible for performing an independent audit of our consolidated financial statements in accordance with auditing standards generally accepted in the United States and issuing a report on its audit. A representative of Moss Adams is expected to be present at the Annual Meeting, where he or she will have the opportunity to make a statement and to respond to appropriate questions.

The Audit Committee's Charter provides that it shall have the sole authority and responsibility to select, evaluate and, if necessary, replace the Company's independent registered public accounting firm. The Audit Committee has selected Moss Adams as the independent registered public accounting firm for the year ending December 31, 2010.

The Audit Committee pre-approves all audit and non-audit services performed by the Company's auditor and the fees to be paid in connection with such services in order to assure that the provision of such services does not impair the auditor's independence. Unless the Audit Committee provides general pre-approval of a service to be provided by the auditor and the related fees, the service and fees must receive specific pre-approval from the Audit Committee.

The Company is asking the shareholders to ratify the appointment of Moss Adams as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2010. While the Audit Committee will consider the outcome of the shareholder vote, it is not binding. If the shareholders do not ratify this appointment, the Audit Committee will, at its discretion, determine whether to continue with Moss Adams or recommend and appoint a different independent registered public accounting firm.
