#### TSMC Common Share Ex-dividend Date July 3rd

**Hsinchu, Taiwan, R.O.C. June 18, 2012** TSMC (TWSE: 2330, NYSE: TSM) today announced that the ex-dividend date for TSMC common shares shall be July 3rd, 2013. The cash dividend is NT\$2.99955220 for each common share.

The above-mentioned dividend is calculated based on the dividend distribution, as approved by the Company s shareholder meeting on June 11, 2013, and the actual number of common shares outstanding on the record date for the distribution. As a result of the employee stock options exercised between the day the Company s board proposed said dividend distribution and the record date of the distribution, the total number of outstanding common shares has increased slightly, resulting in a miniscule difference in the per-share dividends from the per-share numbers proposed by the Company s board on February 5th, 2013.
