ESSA Bancorp, Inc.

ESSA Bancorp, Inc., a Pennsylvania-chartered corporation, is the holding company for ESSA Bank & Trust, an FDIC-insured, Pennsylvania-chartered savings association that operates from its main office and 25 full-service banking offices in northeastern Pennsylvania. At September 30, 2013, ESSA Bancorp, Inc. had consolidated assets of \$1.4 billion, consolidated deposits of \$1.0 billion and consolidated stockholders' equity of \$166.4 million. Our principal executive offices are located at 200 Palmer Street, Stroudsburg, Pennsylvania 18360, and our telephone number is (570) 421-0531.

Who Can Vote

The Board of Directors has fixed January 22, 2014 as the record date for determining the stockholders entitled to receive notice of and to vote at the Annual Meeting. Accordingly, only holders of record of shares of ESSA Bancorp, Inc. common stock, par value \$0.01 per share, at the close of business on such date will be entitled to vote at the Annual Meeting. On January 22, 2014, 11,909,564 shares of ESSA Bancorp, Inc. common stock were outstanding and held by approximately 2,213 holders of record. The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of ESSA Bancorp, Inc. common stock is necessary to constitute a quorum at the Annual Meeting.

How Many Votes You Have

Each holder of shares of ESSA Bancorp, Inc. common stock outstanding on January 22, 2014 will be entitled to one vote for each share held of record. However, ESSA Bancorp, Inc.'s Articles of Incorporation provides that stockholders of record who beneficially own in excess of 10% of the then outstanding shares of common stock of ESSA Bancorp, Inc. are not entitled to any vote with respect to the shares held in excess of that 10% limit. A person or entity is deemed to beneficially own shares that are owned by an affiliate, as well as by any person acting in concert with such person or entity.

Matters to Be Considered

The purpose of the Annual Meeting is to vote on the election of four directors, to ratify the appointment of S.R. Snodgrass, P.C. as our independent registered public accountants for the fiscal year ending September 30, 2014 and an advisory, non-binding resolution with respect to the executive compensation described in the Proxy Statement.

You may be asked to vote upon other matters that may properly be submitted to a vote at the Annual Meeting. You also may be asked to vote on a proposal to adjourn or postpone the Annual Meeting. ESSA Bancorp, Inc. could use any adjournment or postponement for the purpose, among others, of allowing additional time to solicit proxies.

How to Vote

You may vote your shares by completing and signing the enclosed Proxy Card and returning it in the enclosed postage-paid envelope or by attending the Annual Meeting. Alternatively, you may choose to vote your shares using the Internet or telephone voting options explained on your Proxy Card. You should complete and return

the Proxy Card accompanying this document, or vote using the Internet or telephone voting options, in order to ensure that your vote is counted at the Annual Meeting, or at any adjournment or postponement of the Annual Meeting, regardless of whether you plan to attend. **Where no instructions are indicated, validly executed proxies will be voted FOR the election of the four director nominees named on the Proxy Statement as well as FOR each other proposal set forth in this Proxy Statement for consideration at the Annual Meeting.**

If you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from the stockholder of record to attend the Annual Meeting. Examples of such documentation include a broker's statement or letter or other documentation that will confirm your ownership of shares of ESSA Bancorp, Inc. common stock. If you want to vote your shares of ESSA Bancorp, Inc. common stock that are held in street name in person at the Annual Meeting, you will need a written proxy in your name from the broker, bank or other nominee who holds your shares.

The Board of Directors is currently unaware of any other matters that may be presented for consideration at the Annual Meeting. If other matters properly come before the Annual Meeting, or at any adjournment or postponement of the Annual Meeting, shares represented by properly submitted proxies will be voted, or not voted, by the persons named as proxies on the Proxy Card in their best judgment.

Quorum and Vote Required

The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of ESSA Bancorp, Inc. common stock is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted solely for the purpose of determining whether a quorum is present. A proxy submitted by a broker that is not voted is sometimes referred to as a broker non-vote.

Directors are elected by a plurality of votes cast, without regard to either broker non-votes or proxies as to which authority to vote for the nominees being proposed is WITHHELD. The ratification of the appointment of S.R. Snodgrass, P.C. as independent registered public accountants is determined by a majority of the votes cast, without regard to broker non-votes or proxies marked ABSTAIN. As to the advisory, non-binding resolution with respect to our executive compensation as described in this Proxy Statement, a stockholder may: (i) vote FOR the resolution; (ii) vote AGAINST the resolution; or (iii) ABSTAIN from voting on the resolution. The affirmative vote of a majority of the votes cast at the Annual Meeting, without regard to either broker non-votes, or shares as to which the ABSTAIN box has been selected on the proxy card, is required for the approval of this non-binding resolution. Each existing director is also a director of ESSA Bank & Trust.

All of the nominees and directors continuing in office are or were long-time residents of the communities served by ESSA Bancorp, Inc. and many of such individuals have operated, or currently operate, businesses located in such communities. As a result, each nominee and director continuing in office has significant knowledge of the businesses that operate in ESSA Bancorp, Inc.'s market area, an understanding of the general real estate market, values and trends in such communities and an understanding of the overall demographics of such communities. As the holding company for a community banking institution, ESSA Bancorp, Inc. believes that the local knowledge and experience of its directors assists ESSA Bancorp, Inc. in assessing the credit and banking needs of its customers, developing products and services to better serve its customers and assessing the risks inherent in its lending operations, and provides ESSA Bancorp, Inc. with greater business development opportunities.

It is intended that the proxies solicited on behalf of the Board (other than proxies in which the vote is withheld as to the nominees) will be voted at the Annual Meeting FOR the election of the nominees. If the nominees are unable to serve, the shares represented by all such proxies will be voted for the election of such substitute as the Board may recommend. At this time, the Board knows of no reason why the nominees would be unable to serve if elected. Except as indicated herein, there are no arrangements or understandings between the nominees and any other person pursuant to which such nominees were selected.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THE NOMINEES LISTED IN THIS PROXY STATEMENT.

Corporate Governance and Code of Ethics and Business Conduct

ESSA Bancorp, Inc. is committed to maintaining sound corporate governance principles and the highest standards of ethical conduct and is in compliance with applicable corporate governance laws and regulations.

The Board has adopted a code of ethics for the principal executive officer, principal financial officer, principal accounting officer and all persons performing similar functions. The code of ethics is designed to deter wrongdoing and to promote honest and ethical conduct, the avoidance of conflicts of interest, full and accurate disclosure and compliance with all applicable laws, rules and regulations. The code of ethics is available on the Company's website at www.essabank.com. Amendments to and waivers from the code of ethics are disclosed on the Company's website.

Director Independence

The Board has determined that, except as to Mr. Olson, each member of the Board is an independent director within the meaning of the NASDAQ corporate governance listing standards and the Company's corporate governance policies. Mr. Olson is not considered independent as he is an executive officer of the Company. There were no transactions that the Board of Directors needed to review that are not required to be reported under Transactions With Certain Related Persons, that would bear in the determination of the independence of the directors.

Our Board of Directors is chaired by John E. Burrus, who is a non-executive director. This structure ensures a greater role for the independent directors in the oversight of ESSA Bancorp, Inc. and ESSA Bank & Trust, and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of the Board.

The Board of Directors is actively involved in oversight of risks that could affect ESSA Bancorp. This oversight is conducted primarily through committees of the Board of Directors, but the full Board of Directors has retained responsibility for general oversight of risks. The Board of Directors satisfies this responsibility through full reports by each committee chair regarding such committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within ESSA Bancorp. Risks relating to the direct

operations of ESSA Bank & Trust are further overseen by the Board of Directors of ESSA Bank & Trust, which consists of the same individuals who serve on the Board of Directors of ESSA Bancorp.

Board Meetings and Committees

The Board of Directors of ESSA Bancorp, Inc. met 11 times during the fiscal year ended September 30, 2013. The Board of Directors of ESSA Bank & Trust met 12 times during the fiscal year ended September 30, 2013. No director attended fewer than 90% in the aggregate of the total number of Board meetings held and the total number of committee meetings on which he or she served (during the period in which they served) during the fiscal year ended September 30, 2013, including Board and committee meetings of ESSA Bank & Trust. Executive sessions of the independent directors are conducted on a regular basis. Although not required, attendance of Board members at the Annual Meeting of Stockholders is encouraged.

The Company has three standing Board committees: Compensation; Nominating and Corporate Governance; and Audit.

Compensation Committee

The Compensation Committee, consisting of Messrs. Douglass (Chair), Schoonover, Viechnicki, Kutteroff, Regan and Ms. Weekes, is responsible for human resources policies, salaries and benefits, incentive compensation, executive development and management succession planning. Each member of the Compensation Committee is independent in accordance with the listing standards of the NASDAQ Stock Market. Our Compensation Committee operates under a written charter, which is available at our website at www.essabank.com. The Compensation Committee met 5 times during the fiscal year ended September 30, 2013.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee, consisting of Messrs. Douglass (Chair), Henning, Kutteroff, Selig, Burrus and Ms. Weekes, is responsible for identifying individuals qualified to become Board members and recommending a group of nominees for election as directors at each annual meeting of stockholders, ensuring that the Board and its committees have the benefit of qualified and experienced independent directors, and developing a set of corporate governance policies and procedures. The Nominating and Corporate Governance Committee operates under a written charter, which is available at our website at www.essabank.com, and each member of the Nominating and Corporate Governance Committee is independent under the listing standards of the NASDAQ Stock Market. The Nominating and Corporate Governance Committee met once during the fiscal year ended September 30, 2013.

The Nominating and Corporate Governance Committee identifies nominees by evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are first considered for renomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, or if the Nominating and Corporate Governance Committee or the Board decides not to re-nominate a member for re-election, or if the size of the Board is increased, the Nominating and Corporate Governance Committee would solicit suggestions for director candidates from all Board members and may consider candidates submitted by stockholders. In addition, the Nominating and Corporate Governance Committee is authorized by its charter to engage a third party to assist in the identification of director nominees.

The Nominating and Corporate Governance Committee would seek to identify a candidate who at a minimum satisfies the following criteria:

has the highest personal and professional ethics and integrity and whose values are compatible with those of the Company;

has experiences and achievements that have given him/her the ability to exercise and develop good business judgment;

Table of Contents

is willing to devote the necessary time to the work of the Board and its committees, which includes being available for Board and committee meetings;

is familiar with the communities in which the Company operates and/or is actively engaged in community activities;

is involved in other activities or interests that do not create a conflict with his/her responsibilities to the Company and its stockholders; and

has the capacity and desire to represent the balanced, best interests of the stockholders of the Company as a group, and not primarily a special interest group or constituency.

The Nominating and Corporate Governance Committee will also take into account whether a candidate satisfies the criteria for independence in accordance with the listing standards of the NASDAQ Stock Market, and, if a candidate with financial and accounting expertise is sought for service on the Audit Committee, whether the individual qualifies as an audit committee financial expert.

The Committee does not have a formal policy or specific guidelines regarding diversity among Board members, and generally views and values diversity from the perspective of professional and life experiences, as well as geographic location, representative of the markets in which we do business. The Committee recognizes that diversity in professional and life experiences may include consideration of gender, race, or national origin, in identifying individuals who possess the qualifications that the Committee believes are important to be represented on the Board.

Procedures for the Consideration of Board Candidates Submitted by Stockholders

The Nominating and Corporate Governance Committee has adopted procedures for the consideration of Board candidates submitted by stockholders. Stockholders can submit the names of candidates for director by writing to the Corporate Secretary of the Company, at ESSA Bancorp, Inc., 200 Palmer Street, Stroudsburg, Pennsylvania 18360. a statement that the writer is a stockholder and is proposing a candidate for consideration by the Nominating and Corporate Governance Committee;

the name and address of the stockholder as they appear on the Company's books, and number of shares of the Company's common stock that are owned beneficially by the stockholder (if the stockholder is not a holder of record, appropriate evidence of the stockholder's ownership will be required);

the name, address and contact information for the candidate, and the number of shares of common stock of the Company that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the stockholder's ownership should be provided);

a statement of the candidate's business and educational experience;

such other information regarding the candidate as would be required to be included in the proxy statement pursuant to Securities and Exchange Commission Regulation 14A;

a statement detailing any relationship between the candidate and any customer, supplier or competitor of the Company;

detailed information about any relationship or understanding between the proposing stockholder and the candidate; and

a statement that the candidate is willing to be considered and willing to serve as a Director if nominated and elected.

Table of Contents

To be timely, the submission of a candidate for Director by a stockholder must be received by the Corporate Secretary at least one hundred and twenty (120) days prior to the anniversary of the date of the proxy statement relating to the preceding year's annual meeting of stockholders. The Company received no submission for Board nominees for this Annual Meeting.

Procedures for the Nomination of Directors by Stockholders

In addition to submitting candidates to the Board for consideration, a stockholder may nominate candidates for election as directors in accordance with Article 3.12 of the Company's bylaws. Such stockholder's notice shall set forth the following:

the name, age, business address and residence address of the stockholder who intends to make the nomination and of the person or persons to be nominated;

the principal occupation or employment of the stockholder submitting the notice and of each person being nominated;

the class and number of shares of the Company's stock which are beneficially owned by the stockholder submitting the notice;

a representation that the stockholder is and will continue to be a holder of record of stock of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice;

a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder;

such other information regarding the stockholder submitting the notice, each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission; and

the consent of each nominee to serve as a director of the Company if so elected.

Stockholder Communications with the Board

A stockholder of the Company who wants to communicate with the Board or with any individual director can write to the Chair of the Nominating and Corporate Governance Committee at ESSA Bancorp, Inc., 200 Palmer Street, Stroudsburg, Pennsylvania 18360. The letter should indicate that the author is a stockholder and if shares are not held of record, should include appropriate evidence of stock ownership. Depending on the subject matter, the Chair will:

forward the communication to the director(s) to whom it is addressed;

handle the inquiry directly, for example, where it is a request for information about the Company or it is a stock-related matter; or

not forward the communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

At each Board meeting, the Chair of the Nominating and Corporate Governance Committee shall present a summary of all communications received since the last meeting and make those communications available to the directors upon request.

Transactions with Certain Related Persons

Loans and Extensions of Credit. The Sarbanes-Oxley Act of 2002 generally prohibits us from making loans to our executive officers and directors, but it contains a specific exemption from such prohibition for loans made by ESSA Bank & Trust to our executive officers and directors in compliance with federal banking regulations. Federal regulations require that all loans or extensions of credit to executive officers and directors of insured institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and must not involve more than the normal risk of repayment or present other unfavorable features. ESSA Bank & Trust is therefore prohibited from making any loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public, except for loans made to executive officers under a benefit program maintained by ESSA Bank & Trust that is generally available to all other employees and that does not give preference to any executive officer over any other employee.

In addition, loans made to a director or executive officer must be approved in advance by a majority of the disinterested members of the Board of Directors. The aggregate amount of our loans to our officers and directors and their related entities was \$1,423,745 at September 30, 2013. As of September 30, 2013, these loans were performing according to their original terms.

Executive Summary

ESSA remains committed to following long-term strategies and controlling risks that result in increased equity value for our stockholders. The Compensation Committee periodically reviews the Company's pay practices to ensure the executive compensation program remains market competitive and aligned with the Company's compensation philosophy, regulatory requirements and evolving best practices.

Company Performance

For the fiscal year ended September 30, 2013, we demonstrated solid performance in several key areas:

The Company reported record net income of \$8.8 million, or \$0.76 per diluted share, compared to net income of \$215,000, or \$0.02 per diluted share, for the corresponding 2012 period.

The Company's return on average assets and return on average equity, respectively, were 0.64% and 5.12% for the 2013 period, compared with 0.02% and 0.13% in the corresponding period of 2012.

Say-On-Pay

Pursuant to SEC rules, we provide our stockholders with the opportunity to approve, or to vote against, the compensation of our named executives. Our Board determined to hold this advisory vote on executive compensation annually. At last year's annual meeting, a majority of our stockholders voted in favor of the compensation of our named executives with more than 95% of the votes cast approving the say on pay proposal. Although the say on pay vote is advisory and is not binding on our Board, the Compensation Committee takes into consideration the outcome of the vote when making future executive compensation decisions.

Table of Contents

2013 Compensation Decisions

We also continued to enhance the structure of our executive compensation program to reinforce key business objectives and to further strengthen the alignment between executive pay, stockholder value creation and market best practices. To this end, the Compensation Committee made the following refinements for fiscal 2013:

What's Changed	How It's Changed	Rationale for Change
Annual Incentive Plan	The Plan is now formulaic, based on relative return on assets (ROA) performance versus a peer group of thrifts. The Compensation Committee has the discretion to reduce final calculated bonuses, but may not increase them	The Compensation Committee believes this change provides a better pay for performance linkage and clearer line of sight between an executive's efforts, Company results and pay
Change in Control (CIC) Provision	CEO Change in Control benefits now require both the occurrence of a CIC and a qualified termination to be paid out (double-trigger)	The Compensation Committee believes this change reflects best practice in the market and avoids the CEO receiving a potential windfall severance benefit while still retaining his position
Stock Ownership Guidelines	New ownership guidelines requiring NEOs and directors to hold Company stock equal to the following multiples of base salary or retainer: <div style="margin-left: 40px;">CEO 3x</div> <div style="margin-left: 40px;">CFO 2x</div> <div style="margin-left: 40px;">Other NEOs 1x</div> <div style="margin-left: 40px;">Directors 1.5x annual retainer</div>	The Compensation Committee believes that ownership guidelines are important to ensure that the NEOs hold a significant stake in the success of the Company. Such guidelines are also expected practice in the market. Guidelines were also put in place for directors.
Peer Group Companies	Introduction of a peer group of 11 community banks in the Mid-Atlantic region similar in size to ESSA	The Compensation Committee believes that the peer group would provide more detailed and geographically specific market data compared to the surveys used historically

Executive Compensation Philosophy

The primary objectives of ESSA's executive compensation program are the following:

Institute pay programs that align executive interests with stockholder value creation

Attract, motivate and retain key executive talent

Link pay and performance

To achieve these objectives, ESSA has structured the NEO compensation program in the following manner:

Salary levels and merit increases that reflect position responsibilities, competitive market rates, strategic importance of the position and individual performance.

Annual cash incentive (i.e., bonus) payments that are based on ESSA's annual financial performance, as approved by the Compensation Committee, and achievement of certain strategic non-financial performance objectives. The Compensation Committee may only exercise negative discretion over bonus payments to the CEO and other NEOs (positive discretion is prohibited).

Long-term equity-based incentives that reward outstanding performance with incentives that focus our management team on creating stockholder value over the long term. By increasing the equity holdings of our NEOs, we provide them with a continuing stake in our long-term success.

Benefit programs that provide all of our employees, including the NEOs, with access to health and welfare benefits. All of our employees are also eligible to participate in retirement plans sponsored by ESSA. Our benefit programs are designed to be competitive with our peers.

Pay Positioning: The total compensation (base salary, annual incentive, long-term incentives) and benefits package for our NEOs are positioned around median competitive levels, taking into account the relative responsibilities of our NEOs. Actual total compensation in any given year may be above or below the target level, based on individual and corporate performance.

Compensation Decision Process

In pursuit of our philosophy and objectives, the Compensation Committee is responsible for establishing and overseeing the executive compensation program, annually reviewing and approving the compensation of the CEO and reviewing and approving the CEO's recommendations regarding the compensation of the other NEOs. The Compensation Committee uses numerical formulas to determine changes in compensation of the CEO and other NEOs, and it weighs a variety of different factors in its deliberations.

The CEO does not play any role in the Compensation Committee's determination of his own pay. The Compensation Committee does, however, solicit input from the CEO concerning the performance and compensation of the other NEOs. The CEO bases his recommendations on his assessment of each individual's performance, external market pay practices, retention risk and ESSA's overall pay philosophy.

The Compensation Committee engaged the services of an independent compensation consultant, Pearl Meyer and Partners, LLC (PM&P), to assist it in evaluating executive compensation programs and in making determinations regarding executive officer compensation. The independent compensation consultant reports directly to the Compensation Committee, is available to advise the Compensation Committee and does not perform any other services for ESSA. PM&P has certified to the Compensation Committee that they are independent within the meaning of applicable laws and regulations.

Assessing Competitive Practice (Peer Groups)

In order to ensure that the Company is providing a competitive executive compensation program that will attract and retain key executive talent, ESSA periodically conducts a market-based compensation analysis. The Company conducted such a market analysis in 2013 with the assistance of PM&P using two sources of market data; the Pearl Meyer & Partners Banking Compensation Survey Report and the following peer group, as determined with the assistance of PM&P:

ACNB Corporation	CNB Financial Corporation
Bryn Mawr Bank Corporation	Codorus Valley Bancorp, Inc.
Cape Bancorp, Inc.	ESB Financial Corporation
Center Bancorp, Inc.	Fox Chase Bancorp, Inc.
Citizens & Northern Corporation	Peapack-Gladstone Financial Corporation
Clifton Savings Bancorp, Inc.	

Elements of the Compensation Package and 2013 Pay Outcomes

Base Salaries. Executive officer base salary levels are evaluated by the Compensation Committee on an annual basis. In general, salary ranges are developed considering the results of the independent review of the competitiveness of the total compensation program, the individual's performance and contribution to the long-term goals of the Company and ESSA Bank & Trust, recent operating results, performance targets and other relevant factors. Each NEO's base salary level is targeted to these ranges, then takes into consideration the NEO's performance and contribution, leadership, operational effectiveness and experience in the industry.

PM&P's 2013 market analysis found that Mr. Olson's base salary was significantly below median market practice. Consequently, the Compensation Committee determined that an increase in base salary would be warranted for Mr. Olson for the fiscal year ended September 30, 2013 as a result of this finding and due to his performance ratings with respect to a number of factors including: Board and management reporting initiatives; leadership, management and organization development initiatives; financial incentives; business planning, program development and maintenance; risk management; strategic growth initiatives; and customer/public relations initiatives. Accordingly, Mr. Olson received an annual base salary increase of \$60,000 (or 20.0%) from the previous fiscal year, which was phased in over two six month periods during the fiscal year.

Table of Contents

The Compensation Committee reviewed similar considerations for each of the other NEOs and determined that increases were appropriate for Mr. Muto and Mr. Howes and Ms. Bryant and Ms. Reimer based upon their performance and to maintain competitive base salary levels. Accordingly, Messrs. Muto and Howes and Ms. Bryant and Ms. Reimer received an annual base salary increase of \$14,879 (or 8.0%), \$22,043 (or 13.5%), \$3,642 (or 2.15%) and \$10,624 (or 8.0%), respectively.

Annual Incentives. The ESSA Bank & Trust Executive/Management Annual Incentive Plan is a cash bonus plan designed to motivate and reward participants, including the NEOs, for their contribution to ESSA and for achieving annual financial goals. The Compensation Committee established bonus targets for each NEO as a percentage of base salary. For 2013, actual bonuses were paid out at 125% of target as follows:

Name	Target Bonus %	Actual Bonus as % of Base Salary	Actual Bonus Paid in Dollars
Gary S. Olson	50%	62.5%	\$ 195,856
Allan A. Muto	40%	50.0%	\$ 92,956
Robert S. Howes	35%	43.7%	\$ 67,743
V. Gail Bryant	35%	43.7%	\$ 63,540
Diane K. Reimer	30%	37.5%	\$ 47,579

In 2013, ESSA instituted a formulaic annual incentive plan based on the Company's achievement of ROA goals relative to the Raymond James Mid-Atlantic Thrifts Peer Group of 67 thrifts. At the end of fiscal year 2013, the Company's ROA and the ROAs of each member of the peer group was calculated. ESSA's relative ROA was then calculated, and a corresponding payout percentage was calculated pursuant to the following table:

2013 Relative ROA Performance	Actual Payout % As % of Target Bonus %
< 25 th Percentile	0%
25 th Percentile (threshold)	50%
37.5 th Percentile	75%
50 th Percentile (target)	100%
62.5 th Percentile	125%
75 th Percentile (maximum)	150%

For fiscal year 2013, ESSA's ROA of 0.64%, was equivalent to the 63rd percentile of the Mid-Atlantic Thrifts Peer Group, equating to an actual payout percentage of 125%. Final payout calculations were then reviewed by the Compensation Committee, which has the discretion to reduce the final bonus payments but cannot increase those payments. The Compensation Committee elected not to reduce the bonus awards for fiscal year 2013.

Equity-Based Compensation. ESSA has not made equity grants since 2008, as the Company, along with many of its peers, recovered from the economic recession. ESSA believes however, that equity awards and other forms of long-term incentives better align the interests of executives with those of shareholders and are an important component of executive pay. The Company grants long-term awards only to executives who have a tangible impact on the ongoing success of the Company's businesses. In 2013, the Company granted shares of time-based restricted stock to executives with the title of Vice President or higher, including the NEOs, pursuant to the shareholder-approved 2007 Equity Incentive Plan.

Restricted stock award levels for 2013 were determined based on a number of factors, including the level of the executive, competitive market practice and the executive's performance leading up to the date of grant. The awards vested 50% at the end of fiscal year 2013, with 50% vesting at the end of fiscal year 2014. Executives will forfeit any unvested restricted stock awards if their employment by the Company is terminated for any reason prior to the established vesting, except in the event of death, disability, retirement or following a change in control.

Stock Ownership Guidelines. To align the interests of the Company's named executives with the interests of ESSA's shareholders, stock ownership guidelines were approved by the Compensation Committee in fiscal year 2013. Under these ownership guidelines, NEOs are required to own shares of common stock equal to a specified multiple of their annual base salary. The applicable levels are as follows:

CEO	3x salary
CFO	2x salary
Other NEOs	1x salary

NEOs have five years from the date of hire to meet these ownership requirements. As of September 30, 2013, all NEOs were in compliance with the Company's stock ownership guidelines.

The Compensation Committee also approved stock ownership guidelines for all non-employee directors. Under these ownership guidelines, directors are required to own shares of common stock equal to one and a half times the annual retainer paid to the directors. The annual retainer paid to non-employee directors as of September 30, 2013 is \$24,000. New directors have five years to meet this requirement. As of September 30, 2013, all non-employee directors are in compliance with the Company's stock ownership guidelines.

Tax Deductibility under Section 162(m) of the Internal Revenue Code. ESSA's compensation programs are intended to provide for compensation that is tax deductible, but the Company recognizes that the best interests of our stockholders may at times be better served by compensation arrangements that are not tax deductible. Section 162(m) of the Internal Revenue Code places a \$1,000,000 limit on the amount of compensation that we may deduct for tax purposes for any year with respect to the executive who serves as CEO at year-end, and any of our three other most highly compensated employees who serve as NEOs at year-end, other than the Chief Financial Officer. The \$1,000,000 limit does not apply to performance-based compensation, as defined under Section 162(m). ESSA's executive compensation program is designed to maximize the deductibility of compensation. When warranted due to competitive or other factors, however, the Compensation Committee may in certain circumstances decide to exceed the deductibility limit under Section 162(m) or to otherwise pay non-deductible compensation.

Table of Contents**Benefit Plans and Agreements**

Employment Agreements. ESSA Bancorp, Inc. has entered into employment agreements with each of Messrs. Olson, Muto, Howes and Grayuski and Ms. Bryant and Ms. Reimer. The agreements were amended and restated in 2013 to provide that severance payments made in connection with a change in control shall only be paid in the event that (i) the executive's employment is involuntarily terminated without cause within 24 months after the change in control or (ii) the executive voluntarily resigns for good reason within 24 months after the change in control. The agreements with Messrs. Olson and Muto have an initial term of three years. The agreements with Mr. Howes, Ms. Bryant, Ms. Reimer and Mr. Grayuski have terms of two years. Unless notice of non-renewal is provided, the agreements renew annually. Under the agreements, as of September 30, 2013, the base salaries for Messrs. Olson, Muto, Howes, Ms. Bryant, Ms. Reimer and Mr. Grayuski are \$330,000, \$186,121, \$162,956, \$145,357, \$132,376, and \$125,227, respectively. Base salaries will be reviewed at least annually and may be increased, but not decreased. In addition to the base salary, each agreement provides for, among other things, participation in bonus programs and other employee pension benefit and fringe benefit plans applicable to executive employees and use of an automobile (in the case of Mr. Olson). The executive's employment may be terminated for cause at any time, in which event the executive would have no right to receive compensation or other benefits for any period after termination.

Each of the executives is entitled to severance payments and benefits in the event of his or her termination of employment under specified circumstances. In the event the executive's employment is terminated for reasons other than for cause, disability or retirement, or in the event the executive resigns within 90 days following (1) the failure to elect or reelect or to appoint or reappoint the executive to his or her executive position or a material change in the executive's functions, duties, or responsibilities, which change would cause executive's position to become one of lesser responsibility, importance or scope; (2) the relocation of executive's principal place of employment to a location that is more than 50 miles from the location of ESSA Bank & Trust's principal executive offices as of the date of the agreement; (3) a material reduction in benefits and perquisites including base salary (except for any bank-wide or officer-wide reduction); (4) the liquidation or dissolution of ESSA Bancorp, Inc. or ESSA Bank & Trust; or (5) a breach of the employment agreement by ESSA Bancorp, Inc., the executive would be entitled to a severance payment equal to three times (in the case of Messrs. Olson and Muto) or two times (for all other executives) the sum of the executive's base salary and the highest rate of bonus awarded to the executive during the prior three years (for Messrs. Olson and Muto) or two years (for all other executives), payable in a lump sum within 30 days following the termination date, unless a 6-month delay in payment is required in order to comply with Internal Revenue Code Section 409A. In addition, the executive would be entitled, at ESSA Bancorp, Inc.'s sole expense, to the continuation of life, medical, dental and vision coverage for 36 months (in the case of Messrs. Olson and Muto) or 24 months (for all other executives) after termination of the agreement. The executive would also receive a lump sum payment of the excess, if any, of the present value of the benefits he or she would be entitled to under the ESSA Bancorp, Inc. or ESSA Bank & Trust's defined benefit pension plan if the executive had continued working for ESSA Bancorp, Inc. for 36 months (in the case of Messrs. Olson and Muto) or 24 months (for all other executives) over the present value of the benefits to which the executive is actually entitled as of the date of termination. In the event that the severance payment provisions of the employment agreement were triggered for one of the covered executives at September 30, 2013, the executive would be entitled to a cash severance benefit in the amount of approximately \$1,706,295, \$900,798, \$546,393, \$482,958, \$436,899, and \$394,387 in the case of Messrs. Olson, Muto, Howes, Ms. Bryant, Ms. Reimer, and Mr. Grayuski, respectively.

Upon termination of the executive's employment other than in connection with a change in control, the executive agrees not to compete with ESSA Bancorp, Inc. for one year following termination of employment within 50 miles of any existing branch of ESSA Bank & Trust or 50 miles of any office for which ESSA Bank & Trust or a subsidiary has filed an application for regulatory approval. Should the executive become disabled, ESSA Bancorp, Inc. would continue to pay the executive his or her base salary for the longer of the remaining term of the agreement or one year,

provided that any amount paid to the executive pursuant to any disability insurance would reduce the compensation the executive would receive and will provide life insurance, medical, dental and vision coverage until the earlier of executive's return to employment, age 65 or death. In the event the executive dies while employed by ESSA Bancorp, Inc., the executive's estate will be paid the executive's base salary for one year and the executive's family will be entitled to continuation of medical, dental and vision benefits for one year after the executive's death.

Table of Contents

The employment agreements for Messrs. Howes and Grayuski and for Ms. Bryant and Ms. Reimer also provide for an automatic reduction in the amount of any payments made in connection with a change in control which would otherwise constitute excess parachute payments under Section 280G of the Internal Revenue Code. The total payment owed to the executive upon a change in control will be reduced to an amount that is \$1.00 less than the amount that would otherwise be an excess parachute payment under Code Section 280G. Messrs. Olson and Muto may elect to have such reductions made in their sole discretion.

Change-in-Control Agreements. ESSA Bancorp, Inc. has entered into change-in-control agreements with four officers, which would provide certain benefits in the event of a termination of employment following a change in control of ESSA Bancorp, Inc. or ESSA Bank & Trust. Each of the change-in-control agreements provides for a term of eighteen months. Commencing on each anniversary date, the agreements will be renewed for an additional year so that the remaining term will be eighteen months, subject to notice of non-renewal. The change-in-control agreements enable ESSA Bancorp, Inc. to offer to designated officers certain protections against termination without cause in the event of a change in control (as defined in the agreements). Such protections are frequently offered by other financial institutions, and ESSA Bancorp, Inc. may be at a competitive disadvantage in attracting and retaining key employees if it did not offer similar protections.

Following a change in control of ESSA Bancorp, Inc. or ESSA Bank & Trust, an officer is entitled under the agreement to a payment if the officer's employment is terminated during the term of such agreement, other than for cause, or if the officer voluntarily terminates employment during the term of such agreement as a result of a demotion, loss of title, office or significant authority, reduction in his or her annual compensation or benefits, or relocation of his or her principal place of employment by more than 50 miles from its location immediately prior to the change in control. In the event an officer who is a party to a change in control agreement is entitled to receive payments pursuant to the change in control agreement, the officer will receive a cash payment equal to 1.5 times his or her highest rate of base salary and the highest rate of bonus awarded to the executive during the prior two years, payable in a lump sum. In addition to the cash payment, each covered officer is entitled to receive life, medical, and dental and vision coverage for a period of 18 months from the date of termination. Notwithstanding any provision to the contrary in the change-in-control agreement, payments under the change-in-control agreements are limited so that they will not constitute an excess parachute payment under Section 280G of the Internal Revenue Code.

Equity Incentive Plan The Company adopted the ESSA Bancorp, Inc. 2007 Equity Incentive Plan (the *Equity Plan*), to provide officers, employees and directors of the Company and ESSA Bank & Trust with additional incentives to promote the growth and performance of the Company. Stockholders approved the Equity Plan on May 8, 2008. Under this plan, individuals may receive awards of common stock and grants of options to purchase common stock. The Compensation Committee believes that stock ownership provides a significant incentive in building stockholder value by further aligning the interests of officers and employees with stockholders. The importance of this component of compensation increases as the Company's common stock appreciates in value. In addition, stock option grants and stock awards generally vest over a period of time, thereby providing an additional retention incentive.

Subject to permitted adjustments for certain corporate transactions, the Equity Plan authorizes the issuance of up to 2,377,326 shares of Company common stock pursuant to grants of incentive and non-statutory stock options and restricted stock awards. No more than 679,236 shares may be issued as restricted stock awards.

Types of Awards. The Compensation Committee may determine the type and terms and conditions of awards under the Equity Plan. Awards may be granted in a combination of incentive and non-statutory stock options or restricted stock awards, as follows.

(i) Stock Options. A stock option gives the recipient or optionee the right to purchase shares of common stock at a specified price for a specified period of time. The exercise price may not be less than the fair market value on the date the stock option is granted. Fair market value for purposes of the Equity Plan means the final sales price of Company's common stock as reported on the Nasdaq Global Market on the date the option is granted, or if the Company's common stock was not traded on such date, then on the day prior to such date or on the next preceding day on which the Company's common stock was traded, and without regard to after-hours trading activity. The Committee will determine the fair market value, in accordance with Section 422 of the Internal Revenue Code, if it cannot be determined in the manner described above.

Table of Contents

Stock options are either incentive stock options or non-qualified stock options. Incentive stock options have certain tax advantages and must comply with the requirements of Section 422 of the Internal Revenue Code. Only employees are eligible to receive incentive stock options. Shares of common stock purchased upon the exercise of a stock option must be paid for in full at the time of exercise (i) either in cash or with stock of the Company which was owned by the participant for at least six months prior to delivery, or (ii) by reduction in the number of shares deliverable pursuant to the stock option, or (iii) subject to a cashless exercise through a third party. Cash may be paid in lieu of any fractional shares under the Equity Plan. Stock options are subject to vesting conditions and restrictions as determined by the Committee.

(ii) Stock Awards. Stock awards under the Equity Plan will be granted only in whole shares of common stock. Stock awards will be subject to conditions established by the Committee which are set forth in the award agreement. Any stock award granted under the Equity Plan will be subject to vesting as determined by the Committee. Awards will be evidenced by agreements approved by the Committee, which set forth the terms and conditions of each award.

Vesting of Awards. If the right to become vested in an award under the Equity Plan is conditioned on the completion of a specified period of service with the Company or its subsidiaries, without the achievement of performance measures or objectives, then unless otherwise determined by the Committee and evidenced in an award agreement, the required period of service for full vesting shall not be less than three years for an employee, and not less than one year for a director, subject in either case to acceleration in the event of death, disability, retirement, involuntary termination of employment of service following a change in control, or other enumerated events. Fifty percent of the restricted stock awards granted on April 1, 2013 vested on September 30, 2013 and fifty percent will vest on September 30, 2014.

Assuming that an involuntary termination of employment (other than for cause) following a Change in Control (as defined in the Plan) had occurred as of September 30, 2013, based on the closing price per share of Company stock on that date, the value of a reasonable estimate of the awards made to the named executive officers would be as follows: Mr. Olson would receive \$0 in value for accelerated stock options and \$29,666 in value for accelerated restricted stock; Mr. Muto would receive \$0 in value for accelerated stock options and \$19,777 in value for accelerated restricted stock; Mr. Howes would receive \$0 in value for accelerated stock options and \$17,308 in value for accelerated restricted stock; Ms. Bryant would receive \$0 in value for accelerated stock options and \$17,308 in value for accelerated restricted stock; and Ms. Reimer would receive \$0 in value for accelerated stock options and \$16,318 in value for accelerated restricted stock.

401(k) Plan. ESSA Bank & Trust maintains a non-standardized prototype 401(k) plan through Massachusetts Mutual Life Insurance Company (MassMutual). Employees may participate in the plan when they have attained age 21 and completed one year of service and have been credited with 1,000 hours during the year of service. Participants may make pre-tax salary deferrals to the plan not to exceed \$17,500 (which is the 2013 limit; the limit is adjusted annually for IRS-announced cost-of-living increases). In addition, participants who are 50 or older may make pre-tax catch up contributions to the plan up to \$5,500 (this limit is also adjusted annually by the IRS for cost-of-living increases). All contributions are 100% vested. Distributions will be made upon death, disability, termination of employment, or attainment of age 59-1/2. In addition to the other self-directed investment alternatives offered under the plan, participants are offered the opportunity to purchase stock in the Company through a unitized employer stock fund, consisting of 95% stock and 5% cash. Benefits are paid in the form of lump sum, installments, partial withdrawals, or a joint and 100% survivor annuity.

Employee Stock Ownership Plan. ESSA Bank & Trust sponsors the ESSA Bank & Trust Employee Stock Ownership Plan for the benefit of its employees. Employees who are at least 21 years old with at least one year of service during which the employee has completed at least 1,000 hours of service with ESSA Bank & Trust are eligible to participate.

As part of ESSA Bank & Trust's 2007 stock offering, the Employee Stock Ownership Plan trust borrowed funds from the Company and used those funds to purchase a number of shares equal to 8% of the common stock sold in the offering (1,358,472 shares). Collateral for the loan is the common stock purchased by the Employee Stock Ownership Plan. The loan will be repaid principally from ESSA Bank & Trust's discretionary

Table of Contents

contributions to the Employee Stock Ownership Plan over a period of up to 30 years. The loan documents provide that the loan may be repaid over a shorter period, without penalty for prepayments. Shares purchased by the Employee Stock Ownership Plan will be held in a suspense account for allocation among participants as the loan is repaid.

Contributions to the Employee Stock Ownership Plan and shares released from the suspense account in an amount proportional to the repayment of the Employee Stock Ownership Plan loan will be allocated among Employee Stock Ownership Plan participants on the basis of compensation in the year of allocation. Participants will be 100% vested in benefits under the plan upon completion of three years of credited service, with credit given to participants for years of credited service with ESSA Bank & Trust's mutual predecessor. A participant's interest in his or her account under the plan will also fully vest in the event of termination of service due to a participant's early or normal retirement, death, disability, or upon a change in control (as defined in the plan). Vested benefits will be payable in the form of common stock and/or cash. ESSA Bank & Trust's contributions to the Employee Stock Ownership Plan are discretionary, subject to the loan terms and tax law limits. Therefore, benefits payable under the Employee Stock Ownership Plan cannot be estimated. Pursuant to generally accepted accounting principles, we are required to record compensation expense each year in an amount equal to the fair market value of the shares released or committed to be released from the suspense account. In the event of a change in control, the Employee Stock Ownership Plan will terminate and participants will become fully vested in their account balances.

Defined Benefit Pension Plan. Since 1969, ESSA Bank & Trust has maintained an individually designed, tax-qualified defined benefit plan (the Pension Plan). All employees age 21 or older who have completed one year of employment with ESSA Bank & Trust are eligible for membership in the Pension Plan; however, only employees who have been credited with 1,000 or more hours of service with ESSA Bank & Trust are eligible to accrue benefits under the Pension Plan. ESSA Bank & Trust annually contributes an amount to the plan necessary to at least satisfy the minimum funding requirements established under the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The regular form of retirement benefit is a straight life annuity (if single) and a joint and survivor annuity (if married), however, various alternative forms of joint and survivor annuities, a ten year certain annuity or a lump sum distribution (available only to participants hired on or before November 30, 2002) may be selected instead. Upon termination of employment with at least five years of employment, a participant is entitled to a normal retirement annual benefit at age 65 equal to a percentage of average monthly compensation determined over the participant's high five-year average salary during the ten years before the participant's retirement. If the participant terminates employment with 15 years of service, his or her normal retirement benefit will be reduced by 0.5% for each month by which the participant's actual retirement date precedes his or her normal retirement date but the benefit will not commence earlier than age 60. A participant may postpone retirement beyond normal retirement date, in which case the participant will continue earning service towards his or her accrued benefit. If a married participant dies while in active service and after having become fully vested (i.e., completed five years of service), a qualified 100% pre-retirement survivor benefit will be payable to the participant's surviving spouse on the date the participant would have attained his or her earliest retirement age. If a non-married participant dies while in active service and after having become fully vested (i.e., completed five years of service), the participant's beneficiary shall be entitled to receive a ten year certain death benefit on the date the participant would have attained his or her earliest retirement age. Upon termination of employment due to disability, the participant will be entitled to an early or normal retirement benefit, where the participant's accrued benefit is determined based on service performed through the disability date, plus additional years of service for which the participant would have been credited if the participant had continued to work to his or her early or normal retirement age.

Supplemental Retirement Plan. ESSA Bank & Trust has entered into Executive Salary Continuation Agreements (Supplemental Retirement Plan) with Mr. Olson, Ms. Reimer, Mr. Howes and Mr. Grayuski. If the designated

executive has been employed with ESSA Bank & Trust for at least 30 years upon normal retirement age (65) or early retirement age (60), then the benefit described in the agreement will be paid to the executive for no less than 192 months following the executive's retirement, unless the executive elects to receive the present value of the payments as a lump sum. The amount of the normal benefit equals 70% of the executive's final compensation determined over the executive's high 5-year average salary during the 10 years before the executive's retirement. The normal retirement benefit is reduced by 0.05% for each month the executive terminates employment after early retirement age but prior to normal retirement age. If the executive voluntarily terminates employment before age 65

Table of Contents

or has his or her employment involuntarily terminated other than for cause, the employer shall pay in a lump sum or 60 monthly installments, the amount accrued to fund the promised benefit as of the date of such termination. If a change-in-control occurs, then the benefits promised under the Supplemental Retirement Plan at normal retirement age will be paid to the executive at normal retirement age, even if the executive's employment terminates before normal retirement age (except no payment shall be made if the termination is due to cause). Benefits become vested after 5 years of service and before completing 5 years of service, benefits are zero percent vested. If the executive dies while actively employed by us, but before attaining age 65, the amount accrued under the plan as of the executive's date of death will be paid to the executive's designated beneficiaries. If the executive dies after the commencement of payment of benefits under the Supplemental Retirement Plan, remaining payments will be made to the executive's beneficiaries. We recorded no expense for the Supplemental Retirement Plan during the fiscal year ended September 30, 2013. Based on current compensation levels, the Company believes the estimated aggregate liability for the Supplemental Retirement Plan is fully accrued through September 30, 2018.

Split Dollar Life Insurance Agreements. The Company has entered into split dollar life insurance agreements with Messrs. Olson, Muto, Howes and Grayuski and with Ms. Bryant and Ms. Reimer. Under the agreements, if the executive dies while employed by the Company, the executive's beneficiary will receive four times the executive's base salary (five times for Mr. Olson) in a lump sum. The Company has purchased bank-owned life insurance policies to fund these obligations. The Summary Compensation Table includes the value of these benefits.

Director Compensation

Each of the individuals who serves as a director of ESSA Bancorp, Inc. also serves as a director of ESSA Bank & Trust and earns director and committee fees in that capacity. Each non-employee director (except for the Chairman of the Board) is paid a fee of \$2,000 per month for their service and \$1,000 for each Board meeting attended. In addition, the Chairperson of a committee is paid \$750 for each committee meeting attended and an annual retainer of \$4,000 in the case of the Audit Committee Chairperson and \$2,000 each in the case of the Chairpersons of the Compensation and Nominating Committee and Corporate Governance Committee. Committee members are paid \$500 for each committee meeting attended. In lieu of the above mentioned fees, the Chairman of the Board is paid an annual retainer of \$60,000 and \$1,500 for each Board meeting attended. The Chairman of the Board is not compensated for attendance at any committee meetings.

The following table sets forth the total fees received by the non-management directors during the fiscal year ended September 30, 2013:

Name	Fees earned or paid in cash (\$)	All other compensation (\$)⁽¹⁾	Total (\$)
John E. Burrus	78,000	204	78,204
Daniel J. Henning	41,000	204	41,204
Frederick E. Kutteroff	43,833	204	44,037

Brian T. Regan	40,000		40,000
Joseph T. Svetik ⁽²⁾	37,500		37,500

- (1) The amounts in this column reflect cash dividends received on unvested restricted stock awards. There were no perquisites or other personal benefits that exceeded \$10,000.
- (2) Mr. Svetik did not stand for reelection to the Board of Directors.

Split Dollar Life Insurance Agreements. The Company entered into split dollar life insurance agreements with all of its directors in 2004 other than Mr. Kutteroff, who received this benefit in September 2011 and Messrs. Svetik and Regan who have not received a similar benefit. Under the agreements, when the director dies, the director's beneficiary will receive \$100,000 in a lump sum. The Company has purchased bank-owned life insurance policies to fund these obligations. The Company also pays each director other than Messrs. Svetik and Regan an annual cash bonus equal to the value of the taxes the director must pay on the imputed value of the life insurance coverage.

**PROPOSAL II - RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED
