Item 1.01. Entry into a Material Definitive Agreement.

On September 29, 2014, Esterline Technologies Corporation (Esterline) entered into a Master Acquisition Agreement (the Master Agreement) with Barco NV, a corporation formed under the laws of Belgium (Barco Belgium and together with all of its subsidiaries, Barco), Barco Inc., a corporation formed under the laws of Delaware (Barco USA) and Barco Integrated Solutions NV, a corporation formed under the laws of Belgium (collectively with Barco Belgium and Barco USA, the Sellers). Pursuant to the Master Agreement and the other related agreements required to consummate the transaction, Esterline will acquire Barco s defense, aerospace and training businesses, through the purchase of certain assets and the equity of certain direct and/or indirect subsidiaries of Barco Belgium (the Acquisition).

Pursuant to the Master Agreement, Esterline has agreed to pay a purchase price of 150 million euros (approximately USD\$200 million) in connection with the Acquisition. Esterline expects to finance the Acquisition primarily through international cash reserves. The consummation of the Acquisition is subject to customary conditions, including governmental approvals and completion of French employee protective rights procedures.

There are no material relationships between Esterline (or any officer, director or affiliate of either Esterline, or any associate of any such officer or director) and any of the Sellers.

The foregoing description of the Master Agreement is a summary, does not purport to be a complete description of the Master Agreement, and is qualified in its entirety by reference to the Master Agreement, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K.
