Before investing in our common stock, you should carefully read this entire prospectus, including our financial statements and the related notes and other documents incorporated by reference in this prospectus, as well as the information under the caption Risk Factors herein and under similar headings in the other documents that are incorporated by reference into this prospectus.

Business Overview

We develop, manufacture and sell optoelectronic products that transmit, receive and switch high speed digital optical signals for communications networks. The percentage of our total revenue derived from our high speed products (100G and beyond) increased to 43% in the year ended December 31, 2014, from 7% in the year ended December 31, 2011, reaching \$131.3 million of revenue in the year ended December 31, 2014.

Our 100G and beyond products require our Advanced Hybrid Photonic Integration technology. We produce photonic integrated circuits (PICs) that comprise both arrayed and individual photonic functional elements using optimized materials systems and processes from our in-house Silicon, Indium Phosphide and Gallium Arsenide wafer fabrication. These individual PICs from different materials are then combined using our hybrid integration technology to make complete products, such as our Integrated Coherent Receiver (ICR) for 100G coherent transport applications.

Table of Contents**SELLING STOCKHOLDER**

The following table sets forth information regarding the number of shares of our common stock as of February 28, 2015, held for the account of, and the numbers of shares being sold, by the selling stockholder.

Name of Selling Stockholder	Shares Beneficially Owned		Shares Beneficially Owned	
	Prior to the Offering Total	Shares Being Offered	After the Offering Number	Percent
Open Joint Stock Company RUSNANO Prospect 60-letiya Oktyabrya 10a, 117036, Moscow, Russian Federation ⁽¹⁾	4,972,905	4,972,905		%

(1) Rusnano is an open joint stock company organized under the laws of the Russian Federation. The supervisory board of Rusnano has sole voting and investment power with respect to the shares beneficially owned by Rusnano. The Russian Federation owns 100% of Rusnano. Dmitry Akhanov, a member of our board of directors, is the President and Chief Executive Officer of Rusnano USA, Inc., a U.S. subsidiary of Rusnano, but he disclaims beneficial ownership of these shares.

Private placement and related agreements with Rusnano

In April 2012, we entered into a share purchase agreement with Rusnano, pursuant to which we sold and issued an aggregate of 4,972,905 shares of common stock at a purchase price of \$8.00 per share for aggregate gross proceeds of approximately \$39,783,240. Immediately after the closing of such transaction, Rusnano owned approximately 16.7% of our issued and outstanding common stock.

In connection with the foregoing transaction, we entered into a rights agreement with Rusnano pursuant to which we agreed to, among other matters: (i) file one or more registration statements covering the resale of shares of our common stock held by Rusnano prior to the expiration of a lock-up agreement between us and Rusnano, (ii) grant piggyback registration rights to Rusnano for shares of our common stock held by Rusnano following the expiration of the lock-up agreement in the event we propose to register shares in an underwritten offering, (iii) grant Rusnano the right to designate one nominee for our board of directors, (iv) grant Rusnano a right of first offer to purchase its pro rata share of all equity securities (subject to an exception for shares sold in a public offering and other customary exceptions set forth therein) that we may propose to sell and issue after the date of the rights agreement, and (v) make a \$30,000,000 investment towards our Russian operations (the Investment Commitment).

We also entered into a lock-up agreement with Rusnano, dated April 27, 2012, in connection with the foregoing transaction. The lock-up agreement provided that Rusnano would not, for a period of two years from the closing of the transaction, directly or indirectly, sell or otherwise dispose of any shares of our common stock or securities convertible into or exchangeable for our common stock.

Dmitry Akhanov, a member of our board of directors since July 2013, is the President and Chief Executive Officer of Rusnano USA, Inc., a U.S. subsidiary of Rusnano. Prior to Mr. Akhanov's appointment in July 2013, Sergey Polikarpov, a Managing Director of Rusnano, served as a member of our board of directors beginning in April 2012.

We are currently required to satisfy the Investment Commitment by June 30, 2015. We intend to meet the Investment Commitment by June 30, 2015. If we fail to meet the Investment Commitment by the deadline, we may be required to pay a \$5.0 million penalty as the sole and exclusive remedy for damages and monetary relief available to Rusnano for failure to meet the Investment Commitment.

Separately, on December 18, 2014, we entered into a Commitment to file a Resale Registration Statement and Related Waiver of Registration Rights, whereby Rusnano waived its registration rights in connection with an intended public offering of our common stock, and we committed to file with the SEC a registration statement of

which this prospectus is a part covering the resale of all shares of the common stock held by Rusnano no later than April 15, 2015. Rusnano also waived its demand registration rights under the original rights agreement and agreed to enter into a lock up agreement with us whereby it will agree not to sell any shares of our common stock, or engage in certain other transactions relating to our securities, for a period of 60 days from the filing date of the registration statement of which this prospectus is a part. Rusnano signed such lock up agreement with us on April 2, 2015.

PLAN OF DISTRIBUTION

We are registering the shares of common stock issued to the selling stockholder to permit the resale of these shares by the selling stockholder from time to time after the date of this prospectus. We will not receive any of the proceeds from the sale by the selling stockholder of the shares. We will bear all fees and expenses incident to our obligation to register the shares.

The selling stockholder has entered into a lock up agreement with us whereby it has agreed not to sell any shares of our common stock, or engage in certain other transactions relating to our securities, for a period of 60 days from the filing date of the registration statement of which this prospectus is a part.

The selling stockholder and any of its pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their shares covered hereby on The New York Stock Exchange or any other stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or negotiated prices. The selling stockholder may use any one or more of the following methods when selling shares:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

an underwritten public offering in which one or more underwriters participate;

block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

settlement of short sales entered into after the effective date of the registration statement of which this prospectus is a part, to the extent permitted by law;

in transactions through broker-dealers that agree with the selling stockholder to sell a specified number of such shares at a stipulated price per share;

put or call options transactions or through the writing or settlement of standardized or over-the-counter options or other hedging or derivative transactions, whether through an options exchange or otherwise;

by pledge to secure debts and other obligations;

a combination of any such methods of sale; or

any other method permitted pursuant to applicable law.

To the extent required by law, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution, which amended or supplemented prospectus may include the following information to the extent required by law:

the terms of the offering;

the names of any underwriters or agents;

the purchase price of the shares of common stock;

any delayed delivery arrangements;

any underwriting discounts and other items constituting underwriters' compensation;

any initial public offering price; and

any discounts or concessions allowed or reallocated or paid to dealers.

The selling stockholder may also sell common stock under Rule 144 under the Securities Act of 1933, as amended, or the Securities Act, if available, rather than under this prospectus.

Table of Contents

If underwriters are used in the sale, the shares will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. In connection with any such underwritten sale of shares, underwriters may receive compensation from the selling stockholder, for whom they may act as agents, in the form of discounts, concessions or commissions. If the selling stockholder uses an underwriter or underwriters to effectuate the sale of shares, we and/or they will execute an underwriting agreement with those underwriters at the time of sale of those shares. To the extent required by law, the names of the underwriters will be set forth in a supplement to this prospectus or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus, used by the underwriters to sell those securities. The obligations of the underwriters to purchase those shares will be subject to certain conditions precedent, and unless otherwise specified in a prospectus or a prospectus supplement, the underwriters will be obligated to purchase all the shares offered by such prospectus or prospectus supplement if any of such shares are purchased. Any initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

Broker-dealers engaged by the selling stockholder may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling stockholder (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with FINRA Rule 2440; and in the case of a principal transaction a markup or markdown in compliance with FINRA IM-2440-1.

From time to time, the selling stockholder may pledge, hypothecate or grant a security interest in some or all of the common stock owned by it. The pledgees, secured parties, or persons to whom the shares have been hypothecated will, upon foreclosure, be deemed to be a selling stockholder. The number of a selling stockholder's shares offered under this prospectus will decrease as and when it takes such actions. The plan of distribution for that selling stockholder's shares will otherwise remain unchanged.

In connection with the sale of the shares of common stock or interests therein, the selling stockholder may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The selling stockholder may also sell the shares short and deliver these securities to close out their short positions or to return borrowed shares in connection with such short sales, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The selling stockholder may also enter into option or other transactions with broker-dealers or other financial institutions or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). Notwithstanding the foregoing, the selling stockholder has been advised that it may not use shares registered on this registration statement to cover short sales of our common stock made prior to the date the registration statement, of which this prospectus forms a part, has been declared effective by the SEC.

The selling stockholder may also sell common stock from time to time through agents. We will name any agent involved in the offer or sale of such shares and will list commissions payable to these agents in a prospectus supplement, if required. These agents will be acting on a best efforts basis to solicit purchases for the period of their appointment, unless we state otherwise in any required prospectus supplement.

The selling stockholder may sell shares directly to purchasers. In this case, they may not engage underwriters or agents in the offer and sale of such shares.

A selling stockholder which is an entity may elect to make a pro rata in-kind distribution of the common stock to its members, partners or shareholders. In such event we may file a prospectus supplement to the extent required by law in order to permit the distributees to use the prospectus to resell the shares acquired in the distribution. A selling stockholder which is an individual may make gifts of shares covered hereby. Such donees may use the prospectus to resell the shares or, if required by law, we may file a prospectus supplement naming such donees.

Table of Contents

The selling stockholder and any broker-dealers or agents that are involved in selling the common stock may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales. In such event, any discounts, commissions or concessions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. If the selling stockholder is an underwriter within the meaning of Section 2(11) of the Securities Act, it will be subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory liabilities of, including but not limited to, Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Securities Exchange Act of 1934, as amended, or the Exchange Act. The selling stockholder has informed us that it is not a registered broker-dealer and does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the shares. In no event shall any underwriter or broker-dealer receive fees, commissions and markups which, in the aggregate, would exceed eight percent (8%).

We are required to pay certain fees and expenses incurred by us incident to the registration of the shares. We have agreed to indemnify the selling stockholder against certain losses, claims, damages and liabilities, including liabilities under the Securities Act, and the selling stockholder may be entitled to contribution. We may be indemnified by the selling stockholder against certain losses, claims, damages and liabilities, including liabilities under the Securities Act, that may arise from any written information furnished to us by the selling stockholder specifically for use in this prospectus, or we may be entitled to contribution.

The selling stockholder will be subject to the prospectus delivery requirements of the Securities Act including Rule 172 thereunder unless an exemption therefrom is available.

We agreed to use our commercially reasonable efforts keep the registration statement of which this prospectus is a part effective until the earlier of (i) the date on which the shares may be resold by the selling stockholder without registration and without regard to any volume restrictions by reason of Rule 144 under the Securities Act or any other rule of similar effect, (ii) all of the shares have been sold pursuant to this prospectus or Rule 144 under the Securities Act or any other rule of similar effect or (iii) two years from the date the registration statement of which this prospectus is a part was declared effective by the SEC, provided that such two-year period is subject to extension for the number of days that the effectiveness of the registration statement of which this prospectus is a part is suspended. The resale shares will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the resale of shares covered hereby may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale shares may not simultaneously engage in market making activities with respect to the common stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the selling stockholder will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of common stock by the selling stockholder or any other person. We will make copies of this prospectus available to the selling stockholder and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act).

There can be no assurance that the selling stockholder will sell any or all of the common stock registered pursuant to the registration statement, of which this prospectus forms a part. In addition, there can be no assurances that the selling stockholder will not transfer, devise or gift the shares by other means not described in this prospectus.

Once sold under the registration statement, of which this prospectus forms a part, the shares will be freely tradable in the hands of persons other than our affiliates.

The following table sets forth the costs and expenses, other than underwriting discounts and commissions, to be paid by the registrant in connection with the sale of the shares of common stock being registered hereby. All amounts are estimates except for the SEC registration fee.

	Amount paid or to be paid
SEC registration fee	\$ 3,543

Accounting fees and expenses	60,000
Transfer agent and registrar fees and expenses	5,000
Printing and miscellaneous fees and expenses	5,000
Total	\$ 198,543

Discounts, concessions, commissions and similar selling expenses attributable to the sale of shares of common stock covered by this prospectus will be borne by the selling stockholder. We will pay all expenses (other than discounts, concessions, commissions and similar selling expenses) relating to the registration of the shares with the Securities and Exchange Commission, as estimated in the table above.

Item 14. Indemnification of Directors and Officers.

We are incorporated under the General Corporation Law of the State of Delaware (the Delaware General Corporation Law). Section 145 of the Delaware General Corporation Law authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers under certain circumstances and subject to certain limitations. The terms of Section 145 of the Delaware General Corporation Law are sufficiently broad to permit indemnification under certain circumstances for liabilities, including reimbursement of expenses incurred, arising under the Securities Act.

As permitted by the Delaware General Corporation Law, our certificate of incorporation includes a provision that eliminates, to the fullest extent permitted by law, the personal liability of a director for monetary damages resulting from breach of his fiduciary duty as a director.

As permitted by the Delaware General Corporation Law, our bylaws provide that:

we are required to indemnify our directors and officers to the fullest extent permitted by the Delaware General Corporation Law;

we may indemnify our other employees and agents as provided in indemnification contracts entered into between us and our employees and agents;

we are required to advance expenses, as incurred, to our directors and officers in connection with a legal proceeding to the fullest extent permitted by the Delaware General Corporation Law; and

the rights conferred in the bylaws are not exclusive.

Our policy is to enter into separate indemnification agreements with each of our directors and officers that provide the maximum indemnity allowed to directors and executive officers by Section 145 of the Delaware General Corporation Law and also provide for certain additional procedural protections. We currently carry liability insurance for our directors and officers. At present, there is no pending litigation or proceeding involving one of our directors or officers regarding which indemnification is sought, nor are we aware of any threatened litigation that may result in claims for indemnification.

II-1

Table of Contents

These indemnification provisions and the indemnification agreements entered into between us and our officers and directors may be sufficiently broad to permit indemnification of our officers and directors for liabilities (including reimbursement of expenses incurred) arising under the Securities Act.

The Underwriting Agreement filed as Exhibit 1.1 to this Registration Statement provides for indemnification by the underwriters of us and our directors and officers for certain liabilities under the Securities Act, or otherwise.

Item 15. Recent Sales of Unregistered Securities.

On April 27, 2012, the registrant entered into a share purchase agreement (the *Purchase Agreement*) with Open Joint Stock Company RUSNANO, an entity organized under the laws of the Russian Federation (Rusnano), pursuant to which the registrant agreed to sell and issue an aggregate of 4,972,905 shares of common stock at a purchase price of \$8.00 per share for aggregate gross proceeds of approximately \$39.8 million (the *Private Placement*). The closing of the Private Placement occurred on April 27, 2012. Immediately after the closing of the Private Placement, Rusnano owned approximately 16.7% of the issued and outstanding common stock of the registrant. The Purchase Agreement included representations, warranties and covenants customary for a transaction of this type. No underwriting discounts or commissions were paid in this transaction.

The securities sold were not registered under the Securities Act of 1933, as amended (the *Securities Act*), and may not be offered or sold in the United States without registration or an applicable exemption from the registration requirements of the Securities Act. The issuance was made in reliance on Rule 506 promulgated under the Securities Act and was made without general solicitation or advertising. Rusnano represented that it is an accredited investor with access to information about the registrant sufficient to evaluate the investment and that the securities were being acquired without a view to distribution or resale in violation of the Securities Act. A Form D filing was made in accordance with the requirements of Regulation D.

Item 16. Exhibits and Financial Statement Schedules.

(a) Exhibits.

The exhibits to the registration statement are listed in the Exhibit Index attached hereto and incorporated by reference herein.

(b) Financial Statement Schedules.

Financial statement schedules have been omitted, as the information required to be set forth therein is included in the Consolidated Financial Statements or Notes thereto incorporated by reference into the prospectus made part of this registration statement.

Item 17. Undertakings.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in

the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Table of Contents

The undersigned registrant hereby undertakes that:

- (2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
