PROXY STATEMENT

QUESTIONS AND ANSWERS

Why is this proxy statement being made available?

We have made this proxy statement available to you because you own shares of common stock of Walker & Dunlop, Inc. This proxy statement contains information related to the solicitation of proxies for use at our 2015 annual meeting of stockholders, to be held at 10:00 a.m., Eastern Daylight Time, on Thursday, June 4, 2015 at Hilton Garden Inn, 7301 Waverly Street, Bethesda, Maryland for the purposes stated in the accompanying Notice of Annual Meeting of Stockholders. This solicitation is made by Walker & Dunlop, Inc. on behalf of our Board of Directors. Unless otherwise stated, as used in this proxy statement, the terms we, our, us and the Company refer to Walker & Dunlop, Inc. The Notice of Internet Availability of Proxy Materials is first being mailed to stockholders beginning on or about April 22, 2015.

Why did I receive a Notice of Internet Availability of Proxy Materials in the mail instead of a printed set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission, or the SEC, we are permitted to furnish our proxy materials over the internet to our stockholders by delivering a Notice of Internet Availability of Proxy Materials in the mail. The Notice of Internet Availability of Proxy Materials instructs you on how to access and review the proxy statement and 2014 Annual Report to Stockholders over the internet. The Notice of Internet Availability of Proxy Materials also instructs you on how you may submit your proxy over the internet. We believe that this e-proxy process expedites stockholders' receipt of proxy materials, while also lowering our costs and reducing the environmental impact of our annual meeting.

If you received a Notice of Internet Availability of Proxy Materials in the mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting these materials provided in the Notice of Internet Availability of Proxy Materials.

What information is presented in this proxy statement?

The information contained in this proxy statement relates to the proposals to be voted on at the annual meeting of stockholders, the voting process, our Board of Directors and Board committees, the compensation of our directors and our executive officers for the fiscal year ended December 31, 2014, and other required information.

Who is entitled to vote at the annual meeting?

Only holders of record of our common stock at the close of business on April 6, 2015, the record date for the annual meeting of stockholders, are entitled to receive notice of the annual meeting and to vote at the annual meeting. Our common stock constitutes the only class of securities entitled to vote at the meeting.

When you vote by following the instructions in the Notice of Internet Availability of Proxy Materials or, if you requested printed copies of the proxy materials, your proxy or voting instruction card, you appoint Richard M. Lucas and William M. Walker as your representatives to vote your common stock at the annual meeting. Messrs. Lucas and Walker, or either of them, will vote your common stock as you instruct. Accordingly, your common stock will be voted whether or not you attend the annual meeting. Even if you plan to attend the annual meeting, we encourage you to vote by following the instructions in the Notice of Internet Availability of Proxy Materials or, if you requested printed copies of the proxy materials, your proxy or voting instruction card, in advance.

Table of Contents

Who can attend the annual meeting?

If you are a holder of our common stock at the close of business on April 6, 2015, the record date for the annual meeting, or a duly appointed proxy, you are authorized to attend the annual meeting. You will need to present proof of stock ownership and valid picture identification, such as a driver's license or passport, before being admitted. If your common stock is held beneficially in the name of a bank, broker or other holder of record (i.e., street name), you must present proof of your ownership by presenting a bank or brokerage account statement reflecting your ownership as of the record date.

Cameras, recording equipment and other electronic devices will not be permitted at the annual meeting. For directions to the annual meeting of stockholders, contact Investor Relations at (301) 634-2143.

What are the voting rights of stockholders?

Each share of common stock outstanding on the record date entitles its holder to cast one vote on each matter to be voted on.

How do I vote?

If you hold your shares of common stock directly (i.e., not in a bank or brokerage account), you may vote by attending the meeting and voting in person or you may provide your proxy via Internet, telephone or mail in accordance with the instructions provided on the Notice of Internet Availability of Proxy Materials or, if you requested printed copies of the proxy materials, your proxy or voting instruction card.

If your shares of common stock are held in street name, you should follow the voting instructions provided to you by your broker or nominee. You may complete and mail a voting instruction card to your broker or nominee or, in most cases, submit voting instructions by the internet or by telephone to your broker or nominee. If you provide specific instructions, your broker or nominee should vote your shares of common stock as directed. Additionally, if you want to vote in person and hold your shares in street name, you will need a legal proxy from your broker to vote at the annual meeting. Contact your broker or nominee for specific information on how to obtain a legal proxy in order to attend and vote your shares at the meeting.

How are votes counted?

If your vote is made in accordance with the instructions in the Notice of Availability of Proxy Materials or, if you requested printed copies of the proxy materials, your proxy or voting instruction card, and not revoked, the persons designated as proxy holders will vote the shares of common stock represented by that proxy as directed by you. If you return a signed proxy card but fail to indicate your voting preferences, the persons designated as proxy holders will vote the shares of common stock represented by that proxy as recommended by the Board. The Board recommends a vote **FOR** the election of all nominees for our Board of Directors named in this proxy statement (Proposal 1); **FOR** the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the 2015 fiscal year (Proposal 2); and **FOR** the Plan Amendment Proposal (Proposal 3).

In the election of directors (Proposal 1), you may either vote **FOR ALL** the nominees or to **WITHHOLD** your vote with respect to all, one or more of the nominees. Regarding the ratification of our independent registered public accounting firm (Proposal 2), you may vote **FOR**, **AGAINST** or **ABSTAIN**. Regarding the Plan Amendment Proposal (Proposal 3), you may vote **FOR**, **AGAINST** or **ABSTAIN**. If you withhold your vote with respect to any director nominee or abstain from voting on the ratification of our independent registered public accounting firm or the

Plan Amendment Proposal, your shares of common stock will be counted as present, including for purposes of establishing a quorum. Abstentions and broker non-votes will not count as votes cast with respect to a proposal.

Table of Contents

Will my shares of common stock be voted if I do not provide my proxy and I do not attend the annual meeting?

If you hold your shares in street name it is critical that you cast your vote if you want it to count in the election of directors (Proposal 1). Under applicable rules, the bank or broker that holds your shares does not have the ability to vote your uninstructed shares in the election of directors on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors, no votes will be cast on your behalf. Your bank or broker will, however, have discretion to vote any uninstructed shares on the ratification of the appointment of our independent registered public accounting firm (Proposal 2). They will not have discretion to vote uninstructed shares on the Plan Amendment Proposal (Proposal 3). If you are a stockholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the items of business at the annual meeting.

May I change my vote?

Yes. You may change or revoke a previously granted proxy at any time before it is exercised by either (i) submitting a later-dated proxy, in person at the annual meeting or by mail, or (ii) delivering instructions to our Secretary at our principal executive offices located at 7501 Wisconsin Avenue, Suite 1200E, Bethesda, Maryland 20814. Please note that attendance at the meeting will not, in itself, constitute revocation of a previously granted proxy.

If your shares of common stock are held in street name, then you may submit new voting instructions by contacting your broker or nominee. You may also vote in person at the annual meeting if you obtain a legal proxy from your broker as described above.

What will constitute a quorum at the annual meeting?

The presence at the annual meeting, in person or by proxy, of the holders of a majority of the common stock outstanding on April 6, 2015 will constitute a quorum, permitting the stockholders to conduct business at the annual meeting. We will include abstentions and broker non-votes in the calculation of the number of shares considered to be present at the annual meeting, including for purposes of determining the presence of a quorum at the meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner has not received instructions from the beneficial owner and does not have discretionary authority to vote the shares.

As of April 6, 2015, there were 30,288,000 shares of common stock outstanding and entitled to vote at the annual meeting.

How many votes are needed to approve each of the proposals?

Directors are elected by a plurality of the votes cast. Therefore, the eight nominees for election to the Board who receive the most votes will be elected (Proposal 1). Ratification of our independent registered public accounting firm (Proposal 2) and the Plan Amendment Proposal (Proposal 3) will require the affirmative vote of the holders of a majority of the votes cast.

Will any other matters be voted on?

As of the date of this proxy statement, we do not know of any other matters that will be presented for consideration at the annual meeting other than those matters discussed in this proxy statement. If any other matters properly come before the annual meeting and call for a stockholder vote, valid proxies will be voted by the holders of the proxies in accordance with the recommendation of the Board or, if no recommendation is given, in their own discretion.

Who is soliciting my proxy?

This solicitation of proxies is made by and on behalf of our Board of Directors. We will pay the costs of soliciting proxies, which will consist primarily of the cost of printing, postage and handling. In addition to

Table of Contents

soliciting proxies by mail, our officers, directors and other employees, without additional compensation, may solicit proxies personally or by other appropriate means. It is anticipated that banks, brokers, fiduciaries, custodians and nominees will forward proxy soliciting materials to their principals, and that we will reimburse these persons out-of-pocket expenses.

Is there a list of stockholders entitled to vote at the annual meeting?

The names of stockholders of record entitled to vote at the annual meeting will be available at the annual meeting and for ten days prior to the annual meeting, between the hours of 9:00 a.m. and 4:30 p.m., at our principal executive offices at 7501 Wisconsin Avenue, Suite 1200E, Bethesda, Maryland 20814, by contacting the Secretary.

How can I obtain a copy of the 2014 Annual Report and the Annual Report on Form 10-K for the year ended December 31, 2014?

You may access, read and print copies of the proxy materials for this year's annual meeting, including our proxy statement, form of proxy card, and annual report to stockholders, at the following Web address:
<http://www.edocumentview.com/WD>.

We file annual, quarterly, and current reports; proxy statements; and other information with the SEC. You may read and copy any reports, statements, or other information we file with the SEC on the Web site maintained by the SEC at www.sec.gov. If requested by eligible stockholders, we will provide copies of the exhibits for a reasonable fee. You can request copies of our Annual Report on Form 10-K by following the instructions on the Notice of Internet Availability of Proxy Materials or by mailing a written request to: Walker & Dunlop, Inc., Attention: Investor Relations, 7501 Wisconsin Avenue, Suite 1200E, Bethesda, Maryland 20814.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Proposal 1: Election of Directors for a One-Year Term Expiring at the 2016 Annual Meeting of Stockholders

Our Board of Directors, or the Board, is currently comprised of eight directors, each with terms expiring at the 2015 annual meeting. Our Nominating and Corporate Governance Committee has recommended to our Board the eight nominees set forth below, all of whom are currently serving as directors of the Company, for re-election to serve as directors for one-year terms until the 2016 annual meeting and until their successors are duly elected and qualified. Following the Nominating and Corporate Governance Committee's recommendation, our Board has nominated those persons set forth below.

Based on its review of the relationships between the director nominees and the Company, and as discussed in greater detail below, the Board has affirmatively determined that if these nominees are elected, the following six directors are independent directors under the rules of the New York Stock Exchange, or NYSE: Alan J. Bowers, Andrew C. Florance, Cynthia A. Hallenbeck, Michael D. Malone, John Rice and Dana L. Schmaltz.

The Board knows of no reason why any nominee would be unable to serve as a director. If any nominee is unavailable for election or service, the Board may designate a substitute nominee and the persons designated as proxy holders on the proxy card will vote for the substitute nominee recommended by the Board, or the Board may, as permitted by our bylaws, further decrease the size of our Board.

Vote Required

The affirmative vote of a plurality of all the votes at the annual meeting is necessary for the election of a director. Accordingly, the eight individuals with the highest number of affirmative votes will be elected as directors. Cumulative voting in the election of directors is not permitted. For purposes of the election of directors, shares that are withheld and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast with respect to a proposal, and will have no effect on the result of the vote.

Ms. Hallenbeck brings to our Board over 30 years of experience in financial management and accounting, including extensive management experience on the executive management teams of several private and public companies and service on the audit committees of several organizations. Pursuant to the terms of the Purchase Agreement (the "Purchase Agreement") dated as of June 7, 2012, among us, Walker & Dunlop, LLC, CWC Capital LLC ("CWC Capital") and CW Financial Services LLC ("CWFS"), by which we acquired CWC Capital, CWFS, an affiliate of Fortress, had the right (but not the obligation) to designate two nominees (such nominees, the "CWFS Nominees") for each election as directors to our Board at our annual meeting of

stockholders to be held during the 2013 and 2014 calendar years, or at any special meeting of our stockholders held prior to our 2014 annual meeting of stockholders at which our directors were to be elected, or at any taking of action by written consent of our stockholders prior to our 2014 annual meeting of stockholders with respect to which our directors were to be elected, Under the terms of the Purchase Agreement,

at or prior to any such director election: (i) our Nominating and Corporate Governance Committee was required to recommend to our Board the nomination of the CWFS Nominees for election to our Board, and (ii) our Board was required to recommend to our stockholders the election of the CWFS Nominees to our Board. Such right has now expired in accordance with the terms of the Purchase Agreement. At each of our 2013 and 2014 annual meetings, CWFS designated Michael D. Malone as the CWFS Nominee.

The Board considered Mr. Malone's contributions to the Board during 2013 and 2014, as well as his extensive experience and expertise in the financial and real estate industries which enable him to provide valuable insight into our commercial real estate lending business operations and our strategic direction. In light of these considerations, the Board determined to nominate him for re-election to our Board at the June 4, 2015 annual meeting.

Director Independence

Our bylaws and Corporate Governance Guidelines conform to the NYSE rules, which require us to have a majority of independent board members and a nominating/corporate governance committee, compensation committee and audit committee, each comprised solely of independent directors. Under the NYSE listing standards, no director of a company qualifies as independent unless the board of directors of the company affirmatively determines that the director has no material relationship with the company (either directly or as a partner, stockholder or officer of an organization that has a relationship with such company). In addition, the NYSE listing standards contain the following further restrictions upon a listed company's director independence:

a director who is an employee, or whose immediate family member is an executive officer, of the listed company is not independent until three years after the end of such employment relationship;

a director who has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from the listed company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent;

a director who is, or whose immediate family member is, a current partner of a firm that is the company's internal or external auditor is not independent; a director who is a current employee of such a firm is not independent; a director who has an immediate family member who is a current employee of such a firm and personally works on the company's audit is not independent; and a director who was, or whose immediate family member was, within the last three years a partner or employee of such a firm and personally worked on the company's audit within that time is not independent;

a director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of the listed company's present executive officers at the same time serve or served on the other company's compensation committee is not independent until three years after the end of such service or the employment relationship; and

Table of Contents

a director who is an executive officer or an employee, or whose immediate family member is an executive officer, of another company that has made payments to, or received payments from, the listed company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not independent.

To adequately assess and ensure that (i) at least a majority of our directors qualify as independent and (ii) each of the Board committees is comprised of solely independent directors, the Board assesses annually the independence of all directors and director nominees. In accordance with the independence criteria established by the Board from time to time, our Board considers all facts and circumstances in order to make an affirmative determination as to whether any director has a direct or indirect material relationship to the Company. In assessing the materiality of a director's or nominee's relationship with the Company, the Board considers the issues from the director's or nominee's standpoint and from the perspective of the persons or organization with which the director or nominee has an affiliation. Our Board has evaluated the status of each current director and former directors Mitchell M. Gaynor and Edmund F. Taylor, who served on our Board until their terms expired at the June 5, 2014 annual meeting, and has affirmatively determined, after considering the relevant facts and circumstances and the independence standards set forth above, that each of Alan J. Bowers, Andrew C. Florance, Cynthia A. Hallenbeck, Michael D. Malone, John Rice and Dana L. Schmaltz is independent, as defined in the NYSE rules, and Mr. Gaynor was independent when he served on our Board in 2014, and that none of these directors has a material relationship with us.

The table below summarizes the potentially material relationships that were considered in connection with the independence determinations. Except for Mr. Taylor's relationship with Credit Suisse Securities (USA) LLC (Credit Suisse), none of the relationships described below were considered material relationships that impacted the applicable director's independence.

Director	Relationship Type	Description of Relationship
Andrew C. Florance	Immaterial Purchases of Software Subscriptions	The Board has examined subscription payments by us to CoStar and its subsidiaries, where Mr. Florance is its president and chief executive officer and a member of the board of directors. The relationship is described on page 74. The Board determined that the relationship was not material since (i) the amounts involved were significantly less than 0.1% of the consolidated gross revenues of both us and CoStar; (ii) the payments were for commercial real estate information and analytic services used in the ordinary course of our business; and (iii) we have had a relationship with CoStar prior to Mr. Florance's membership on our Board.
Michael D. Malone	Immaterial Former Contractual Director Designee and Immaterial Business Relationship with New Senior, on whose Board Mr. Malone is a Member	<p>The Board examined Mr. Malone's designation as the CWFS Nominee in 2013 and 2014. The Board determined that Mr. Malone's designation as the CWFS Nominee in 2013 and 2014 is immaterial since he is not currently employed by Fortress or any of its affiliates. Additionally, CWFS' right to nominate a designee for nomination to our Board has expired.</p> <p>The Board also evaluated Mr. Malone's independence in light of a financing transaction on a portfolio of loans between Walker & Dunlop, LLC and an affiliate of New Senior, on whose Board Mr. Malone is a member.</p>

Edmund F. Taylor	Material Business Relationship with Credit Suisse	The Board examined our business relationships described on pages 69-73, with Credit Suisse and its affiliates, where Mr. Taylor is a managing director. The Board determined that, while none of such relationships provides an absolute bar to Mr. Taylor's independence under the NYSE listing standards, the relationships in the aggregate are material, and therefore impaired his independence as a director when he was a member of our Board in 2014.

Board Leadership Structure

Mr. Walker serves as the Company's Chairman, President and Chief Executive Officer. The Board has determined that combining the Chairman and Chief Executive Officer positions is the appropriate leadership structure for the Company, and believes that combining the Chairman and Chief Executive Officer roles fosters clear accountability, effective decision-making and alignment on corporate strategy.

Nevertheless, the Board understands that the structure of the Board must encourage the free and open dialogue of competing views and provide for strong checks and balances. Specifically, an effective governance structure must balance the powers of the Chief Executive Officer and the independent directors and ensure that the independent directors are fully informed, able to discuss and debate the issues that they deem important, and able to provide effective oversight of management.

The Board is committed to maintaining a Lead Director, as a matter of good corporate governance. The Lead Director is an independent director consistent with criteria established by the NYSE, and will be selected on an annual basis by a majority of the independent directors then serving on the Board. The role of the Lead Director is to serve as liaison between (i) the Board and management, including the Chief Executive Officer, (ii) independent directors and (iii) interested third parties and the Board. The Lead Director serves as the focal point of communication to the Board regarding management plans and initiatives, and ensures that the role between board oversight and management operations is respected. The Lead Director, who is currently the Chairman of the Nominating and Corporate Governance Committee, reviews and provides input on full Board meeting agendas, and plays a central role in developing, managing and overseeing our annual Board self-assessment process. The Lead Director acts as chairman of executive sessions of our independent directors and also provides the medium for informal dialogue with and among independent directors, allowing for free and open communication within that group. In addition, the Lead Director serves as the communication conduit for third parties who wish to communicate with the Board. The Company's current Lead Director is Mr. Bowers.

The Board intends to carefully consider its Board leadership structure from time to time based on what the Board believes is best for the Company and its stockholders.

Executive Sessions of Non-Management and Independent Directors

Pursuant to our Corporate Governance Guidelines and the NYSE rules, in order to promote open discussion among independent directors, our Board devotes a portion of each regularly scheduled Board meeting to executive sessions of only independent directors. Additionally, while Mr. Taylor, who was a non-management not independent director, was a member of our Board, the Board devoted a portion of each regularly scheduled Board meeting to executive sessions without management present. See Director Independence for a list of our independent directors. The Lead Director acts as chairman of each of the executive sessions described above.

Communications with the Board

Stockholders and other interested parties may communicate with the Board by contacting the Lead Director (i) by sending any correspondence they may have in writing to the Lead Director c/o the General Counsel & Secretary of Walker & Dunlop, Inc., at 7501 Wisconsin Avenue, Suite 1200E, Bethesda, Maryland 20814, who will then directly forward such correspondence to the Lead Director, or (ii) by e-mailing correspondence directly to the Lead Director at leaddirector@walkerdunlop.com. The Lead Director will decide what action should be taken with respect to the communication, including whether such communication should be reported to the Board.

Board Meetings and Director Attendance

Pursuant to our Corporate Governance Guidelines, (i) we are required to have at least four regularly scheduled Board meetings in each calendar year and additional unscheduled Board meetings may be called upon appropriate notice at any time to address specific needs of the Company; and (ii) directors are expected to attend,

Table of Contents

in person or by telephone or video conference, all Board meetings and meetings of committees on which they serve. Our Board held eleven Board meetings in 2014. Each of our directors attended at least 75% of the total regularly scheduled and special meetings of the Board and the committees on which he or she served. Additionally, pursuant to our Corporate Governance Guidelines, the directors are encouraged, but not required, to attend our annual meetings of stockholders. Two of the eight directors who were elected to the Board at the 2014 annual meeting of stockholders were in attendance at the meeting.

Criteria for Board Membership

The Board has adopted a policy to be used for considering potential director candidates to further the Nominating and Corporate Governance Committee's goal of ensuring that our Board consists of a diversified group of qualified individuals that function effectively as a group. The policy provides that qualifications and credentials for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board. However, at a minimum, candidates for director must possess:

high integrity;

an ability to exercise sound judgment;

an ability to make independent analytical inquiries;

a willingness and ability to devote adequate time and resources to diligently perform Board duties; and

a reputation, both personal and professional, consistent with the image and reputation of the Company.

In addition to the aforementioned minimum qualifications, the Nominating and Corporate Governance Committee also believes that there are other qualities and skills that, while not a prerequisite for nomination, should be taken into account when considering whether to recommend a particular person. These factors include:

diversity, age, background, skills and experience;

personal qualities and characteristics, accomplishments, and reputation in the business community;

knowledge and contacts in the communities in which the Company conducts business and in the Company's industry or other industries relevant to the Company's business;

ability and willingness to devote sufficient time to serve on the Board and committees of the Board;

knowledge and expertise in various areas deemed appropriate by the Board;

fit of the individual's skills, experience, and personality with those of other directors in maintaining an effective, collegial, and responsive Board;

whether the person's nomination and election would enable the Board to have a member that qualifies as an audit committee financial expert as such term is defined by the SEC; and

whether the person would qualify as an independent director under the NYSE's listing standards and our Corporate Governance Guidelines.

Neither the Nominating and Corporate Governance Committee nor the Board has adopted a formal policy with respect to diversity of its directors. However, in connection with its overall director candidate review, the Nominating and Corporate Governance Committee does consider diversity of experience in areas that are relevant to the Company's activities. Directors must be willing and able to devote sufficient time to carrying out their duties effectively. The Nominating and Corporate Governance Committee takes into account the other demands on the time of a candidate, including, for example, occupation and memberships on other boards.

The Nominating and Corporate Governance Committee will seek to identify director candidates based on input provided by a number of sources, including (i) Nominating and Corporate Governance Committee

Table of Contents

members, (ii) our stockholders and (ii) others as it deems appropriate. The Nominating and Corporate Governance Committee also has the authority to consult with or retain advisors or search firms to assist in identifying qualified director candidates; however, we do not currently employ a search firm, or pay a fee to any other third party, to locate qualified director candidates.

As part of the identification process, the Nominating and Corporate Governance Committee considers the number of expected director vacancies and whether existing directors have indicated a willingness to continue to serve as directors if re-nominated. Once a director candidate has been identified, the Nominating and Corporate Governance Committee will then evaluate this candidate in light of his or her qualifications and credentials, and any additional factors that it deems necessary or appropriate. Existing directors who are being considered for re-nomination will be re-evaluated as part of the Nominating and Corporate Governance Committee's process of recommending director candidates. The Nominating and Corporate Governance Committee will consider all persons recommended by stockholders in the same manner as all other director candidates, provided that such recommendations are submitted in accordance with the procedures set forth in our bylaws and summarized below.

After completing the identification and evaluation process described above, the Nominating and Corporate Governance Committee will recommend to the Board the nomination of a number of candidates equal to the number of director vacancies that will exist at the annual meeting of stockholders. The Board will then select the Board's director nominees for stockholders to consider and vote upon at the stockholders' meeting.

Stockholder Recommendations of Director Nominees

For nominations for election to the Board to be properly brought before an annual meeting by a stockholder, the stockholder must comply with the advance notice provisions and other requirements of Article II, Section 12 of our bylaws. Code of Ethics for Principal Executive Officer and Senior Financial Officers; Code of Business Conduct

We have adopted the Code of Ethics for Principal Executive Officer and Senior Financial Officers, which is applicable to our Chief Executive Officer, Chief Financial Officer and all other senior financial officers. This code is intended to:

deter wrongdoing;

encourage honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

promote full, fair, accurate, timely and understandable disclosure in reports and documents that the Company files with, or submits to, the SEC and in other public communications made by the Company;

ensure compliance with applicable governmental laws, rules and regulations;

support the prompt internal reporting of violations of the Code of Ethics for Principal Executive Officer and Senior Financial Officers to the appropriate persons identified in the Code of Ethics for Principal Executive Officer and Senior Financial Officers; and

create accountability for adherence to the Code of Ethics for Principal Executive Officer and Senior Financial Officers.

We have also adopted the Code of Business Conduct and Ethics, which is applicable to all of our directors, officers and employees. This code covers areas of professional conduct, including honest and candid conduct, conflicts of interest, disclosure, compliance with all applicable laws, rules and regulations, corporate opportunities, confidentiality, fair dealing and the protection and proper use of Company assets.

We have posted both our Code of Ethics for Principal Executive Officer and Senior Financial Officers and Code of Business Conduct and Ethics to our website and intend to promptly post any waiver or amendment of our Code of Ethics for Principal Executive Officer and Senior Financial Officers to our website.

In addition to the Code of Ethics for Principal Executive Officer and Senior Financial Officers and Code of Business Conduct and Ethics, our Audit Committee has in place a whistleblower reporting procedure that enables it to receive, retain and treat complaints received regarding accounting, internal accounting controls or auditing matters. The procedures in place permit our employees to confidentially and anonymously submit their concerns regarding questionable accounting or auditing matters directly to the Audit Committee. Upon receiving a concern or complaint pursuant to these procedures, the individual designated by our Chief Executive Officer as our compliance officer (currently, our Executive Vice President, General Counsel & Secretary, Richard M. Lucas), or Audit Committee Chairman, will:

determine whether the complaint or concern is an accounting complaint and, when possible, acknowledge receipt of the complaint or concern to the reporting person;

Table of Contents

review the complaint in a manner determined by and with the oversight of the Audit Committee and with input from the compliance officer or such other persons, including any third party investigative parties, as the Audit Committee determines to be appropriate;

appoint one or more internal and/or external investigators to promptly and fully investigate such accounting complaints under the supervision of the compliance officer and, as may be appropriate, the Audit Committee;

provide the reporting person, to the extent possible and appropriate, the name and contact information for the investigator(s) assigned to the accounting complaint;

maintain confidentiality to the fullest extent possible, consistent with the need to conduct an adequate review;

coordinate with other Board committees and government authorities, as appropriate, to the extent that an accounting complaint relates to an ongoing government audit, inspection or investigation;

obtain advice and assistance from and retain, at the Company's expense, investigators, internal or outside legal counsel and other advisors, as may be appropriate; and

take prompt and appropriate corrective or remedial action when and as warranted in the judgment of the Audit Committee.

Risk Oversight

One of the important roles of our Board is to oversee various risks that we may face from time to time. While the full Board has primary responsibility for risk oversight, it utilizes its committees, as appropriate, to monitor and address the risks that may be within the scope of a particular committee's expertise or charter. For example, the Audit Committee oversees our financial statements, internal control over financial reporting, compliance with legal and regulatory requirements and the performance of our internal audit function. Additionally, in 2014 the Audit Committee oversaw management's on-going enterprise risk assessment of the Company, which involved the identification and ranking of the key risks we face, how management mitigates the risks and the individual members of management who are responsible for monitoring and mitigating the risks. Generally, the ongoing monitoring and risk mitigation components of the enterprise risk assessment have been implemented under the oversight of the full Board, which will use the Board committees as appropriate to oversee management's monitoring and mitigation of risks identified by the assessment that are consistent with the respective Committee's oversight authorities. The Board believes that the composition of its committees, and the distribution of the particular expertise of each committee's members, makes this an appropriate structure to more effectively monitor the risks that relate to the committees' respective oversight authorities.

An important feature of the Board's risk oversight function is to receive updates from its committees and management, as appropriate. For example, each year our senior management will work with the head of our internal audit function, who reports directly to the Audit Committee, to develop an audit plan designed to address key corporate governance controls, financial reporting and internal control risks and pre-implementation reviews of significant corporate projects. This plan will subsequently be reviewed by the Audit Committee, and our internal auditors will report the

audit results to the Audit Committee on a quarterly basis, or more frequently as needed. The internal auditors also meet regularly with the Audit Committee in executive session. In addition, our General Counsel meets regularly in executive session with the Audit Committee and the Nominating and Corporate Governance Committee and provides them with regular updates regarding material litigation and legal and regulatory compliance matters.

The Compensation Committee is responsible for overseeing compensation risk, including evaluating and assessing risks arising from our compensation policies and practices for all employees and ensuring executive compensation is aligned with performance. The Compensation Committee is charged with monitoring our equity-based compensation plans, including employee benefit plans. The Nominating and Corporate Governance Committee oversees risk related to our overall governance, including Board and committee composition, Board size and structure, director independence and ethical and business conduct.

Table of Contents

The full Board is kept informed of each committee's risk oversight and related activities through standard reports to the Board by each committee chairman, frequent non-member attendance at committee meetings and committee meeting minutes and resolutions which are made available to all directors. Strategic, operational and competitive risks are presented and discussed at the Board's regular quarterly meetings. In addition to getting direct information from its committees, the Board receives updates directly from members of management. As needed between Board meetings, Mr. Walker, our Chairman, President and Chief Executive Officer, provides reports to the Board on the critical issues we face and the recent developments in our business units, including identified risks. Additionally, Mr. Smith, due to his management position, is able to frequently communicate with other members of our management and update the Board regularly on the important aspects of the Company's day-to-day operations.

Board Committees

The Board has a standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee. All members of the committees described below are independent under NYSE rules as discussed under **BOARD OF DIRECTORS AND CORPORATE GOVERNANCE** Corporate Governance Information Director Independence. In addition, the members of the Audit and Compensation Committees satisfy the additional independence criteria applicable to members of such committees under SEC and NYSE rules.

Audit Committee Financial Expert*Audit Committee*

Our Audit Committee consists of Alan J. Bowers, Cynthia A. Hallenbeck and Michael D. Malone, three of our independent directors, with Ms. Hallenbeck serving as the Audit Committee's Chairman. Each of Mr. Bowers and Ms. Hallenbeck qualifies as an audit committee financial expert as that term is defined by the applicable SEC regulations and NYSE corporate governance listing standards. Our Board has also determined that each of the Audit Committee members is financially literate as that term is defined by the NYSE corporate governance listing standards. We have adopted an Audit Committee charter that details the principal functions of the Audit Committee, including

oversight related to:

our accounting and financial reporting processes;

the integrity of our consolidated financial statements and financial reporting process;

our systems of disclosure controls and procedures and internal control over financial reporting;

our compliance with financial, legal and regulatory requirements;

the evaluation of the qualifications, independence and performance of our independent registered public accounting firm;

the performance of our internal audit function;

our policies and procedures with respect to risk assessment and risk management, including key risks to which we are subject and the steps we have taken to monitor and control exposure to such risks, which is overseen in consultation with our management, and the full Board, as appropriate; and

review and approval of any related party transactions.

The Audit Committee is responsible for engaging an independent registered public accounting firm, reviewing with the independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by the independent registered public accounting firm, including all audit and non-audit services, reviewing the independence of the independent registered public accounting firm, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls. The Audit Committee also prepares the Audit Committee report required by SEC regulations to be included in our annual proxy statement.

Our Audit Committee charter and the corporate governance rules of the NYSE require that in the event a director simultaneously serves on the audit committee of more than three public companies, the Board must determine that such simultaneous service would not impair the ability of that member to effectively serve on our Audit Committee and disclose that determination. None of our Audit Committee members serves on the audit committees of more than three public companies (including our Audit Committee).

The Audit Committee met seven times in 2014.

Compensation Committee

Our Compensation Committee consists of Cynthia A. Hallenbeck, Michael D. Malone, John Rice and Dana L. Schmaltz, four of our independent directors, with Mr. Rice serving as the Compensation Committee's Chairman. We have adopted a Compensation Committee charter that details the principal functions of the Compensation Committee, including:

reviewing and approving on an annual basis the corporate goals and objectives relevant to our executive officers' compensation, evaluating our executive officers' performance in light of such goals and objectives and determining and approving the remuneration of our executive officers based on such evaluation;

reviewing and approving the compensation of our executive officers, subject to the terms and conditions of any pre-existing employment agreements;

reviewing and evaluating, as it deems appropriate, the compensation for directors, including board committee retainers, meeting fees, equity based compensation and such other forms of compensation as the compensation committee may consider appropriate and recommend to the board, as appropriate, changes to such compensation;

reviewing our executive compensation policies and plans;

implementing and administering our annual cash incentive plan and equity-based compensation plan;

determining the number and terms of equity awards to be granted to our directors, executive officers and other employees pursuant to these plans;

assisting management in complying with our proxy statement and annual report disclosure requirements;

producing a report on executive compensation to be included in our annual proxy statement; and

reviewing the company's policies and procedures with respect to risk assessment and risk management for compensating all employees, including non-executive officers, and reporting its findings to the Board.

Pursuant to its charter, the Compensation Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee consisting of one or more members.

Table of Contents

The Board has established a special one-member committee of the Board (the Non-Executive Equity Award Committee), currently comprised of Mr. Walker, our Chairman, President and Chief Executive Officer, and delegated to that committee limited authority to grant equity awards to non-executive officers and non-director employees pursuant to the 2010 Equity Incentive Plan. As of April 10, 2015, those grants may not exceed a total of 184,848 shares. The special one-member Non-Executive Equity Award Committee's authority does not in any way limit the Compensation Committee's authority to administer the 2010 Equity Incentive Plan.

Under its charter, the Compensation Committee has authority to retain compensation consultants, outside counsel and other advisors that the Compensation Committee deems appropriate, in its sole discretion, to assist it in discharging its duties. The Compensation Committee engaged Towers Watson & Co. in 2014 to act as its compensation consultant. Towers Watson reports directly to the Compensation Committee and the Compensation Committee has the sole authority to terminate the engagement. Towers Watson's primary roles for 2014 were to:

re-assess the peer group identified by our Compensation Committee in 2013 against which our 2014 performance and non-employee director and executive pay should be examined;

evaluate our executive compensation programs and provide recommendations regarding non-employee director compensation and executive compensation strategy and policies, including a review of philosophy, comparative review of total direct compensation at our peer group companies (for example, base salary, short- and long-term incentives, and mix of pay, as applicable), and provide insight related to potential enhancements and/or modifications;

evaluate and analyze our compensation policies and practices for our NEOs and our loan origination staff to determine whether they create risks that are reasonably likely to have a material adverse effect on us;

review the Compensation Discussion and Analysis section of our annual proxy statement; and

attend selected Compensation Committee meetings.

Towers Watson does not provide any other services to the Company. The Compensation Committee concluded that Towers Watson had no conflicts of interest during fiscal year 2014. In reaching this conclusion, the Compensation Committee considered all relevant factors, including the six independence factors relating to committee advisers that are specified in the NYSE rules. These factors are:

the provision of other services to the company by an advisor's employer;

the amount of fees received from the company by an advisor's employer as a percentage of the total revenue of the advisor's employer;

the policies and procedures of an advisor's employer that are designed to prevent conflicts of interest;

any business or personal relationship of an advisor with a member of the committee;

any stock of the company owned by an advisor; and

any business or personal relationship of an advisor or the advisor's employer with an executive officer of the Company.

For further discussion of the role of the Compensation Committee in the executive compensation decision-making process, and for a description of the nature and scope of Towers Watson's assignment, see the section titled

COMPENSATION DISCUSSION AND ANALYSIS.

Our Compensation Committee considers the recommendations of Mr. Walker, our Chairman, President and Chief Executive Officer, regarding any Company and individual performance targets, assessments of performance and compensation levels generally for our named executive officers. developing and recommending to the Board corporate governance guidelines and implementing and monitoring such guidelines;

overseeing the Board's compliance with financial, legal and regulatory requirements and its ethics program as set forth in the Company's Code of Business Conduct and Ethics and the Code of Ethics for Principal Executive Officer and Senior Financial Officers;

reviewing and making recommendations on matters involving the general operation of the Board, including board size and composition, and committee composition and structure;

recommending to the Board nominees for each Board committee; and

Table of Contents**AUDIT RELATED MATTERS****Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm**

Our consolidated financial statements for the year ended December 31, 2014 have been audited by KPMG LLP, which served as our independent registered public accounting firm for the last fiscal year. The Audit Committee has appointed KPMG LLP to serve as our independent registered public accounting firm for the year ending December 31, 2015. We have been advised by KPMG LLP that representatives of KPMG LLP will be present at our 2015 annual meeting. These representatives will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent registered public accounting firm. Nevertheless, our Board is submitting the appointment of KPMG LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment of KPMG LLP, the Audit Committee may reconsider the appointment and may retain KPMG LLP or another accounting firm without resubmitting the matter to stockholders. Even if the stockholders ratify the appointment, the Audit Committee may select another firm if it determines such selection to be in our and our stockholders' best interest.

Vote Required

The ratification of the appointment of KPMG LLP requires the approval of a majority of the votes cast at the meeting. Abstentions and broker non-votes will not count as votes cast with respect to the proposal.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2015.

All services provided by KPMG LLP to us since we became a public company have been pre-approved by the Audit Committee, either pursuant to the Audit Committee's Audit and Non-Audit Services Pre-Approval Policy or through a separate pre-approval by the Audit Committee, which concluded that the provision of such services by KPMG LLP was compatible with the maintenance of that firm's independence from us.

Pre-Approval Policies and Procedures

The Audit Committee's policy is to review and pre-approve either pursuant to the Audit Committee's Audit and Non-Audit Services Pre-Approval Policy or through a separate pre-approval by the Audit Committee, any engagement of our independent registered public accounting firm to provide any audit or permissible non-audit service to the Company. Pursuant to the Audit and Non-Audit Services Pre-Approval Policy, which the Audit Committee will review and reassess annually, a list of specific services within certain categories of services, including audit and audit-related services, are specifically pre-approved for the upcoming or current fiscal year, subject to an aggregate maximum annual fee payable by us for each category of pre-approved services. Any service that is not included in the approved list of services must be separately pre-approved by the Audit Committee. Additionally, all audit and permissible non-audit services in excess of the pre-approved fee level, whether or not included on the pre-approved list of services, must be separately pre-approved by the Audit Committee. The Audit Committee has delegated authority to its Chairman to specifically pre-approve engagements for the performance of audit and permissible non-audit services, for which the estimated cost for each specified type of service shall not exceed \$100,000. The Audit Committee Chairman must report all pre-approval decisions to the Audit Committee at its next scheduled meeting and provide a description of the terms of the engagement, including:

the type of services covered by the engagement;

the dates the engagement is scheduled to commence and terminate;

the estimated fees payable by us pursuant to the engagement;

other material terms of the engagement; and

such other information as the Audit Committee may request.

Report of the Audit Committee

The Audit Committee is currently comprised of Ms. Hallenbeck (Chairman), and Messrs. Bowers and Malone. The members of the Audit Committee are appointed by and serve at the discretion of the Board.

One of the Audit Committee's principal purposes is to assist the Board in overseeing the integrity of our financial statements. Our management team has the primary responsibility for our financial statements and the reporting process, including the system of internal control over financial reporting and disclosure controls and procedures. KPMG LLP, our independent registered public accounting firm, audits the annual financial statements prepared by management and expresses an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States, or GAAP. In carrying out its responsibilities, the Audit Committee has

reviewed and has discussed our audited consolidated financial statements for the year ended December 31, 2014 with our management and representatives of KPMG LLP. Management represented to the Audit Committee that our financial statements for the past year were prepared in accordance with GAAP.

The Audit Committee also is responsible for assisting the Board in overseeing the qualification, independence and performance of our independent registered public accounting firm. The Audit Committee discussed with KPMG LLP the matters required to be discussed by Auditing Standard No. 16, *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board (the PCAOB). The Audit Committee has received both the written disclosures and the letter from KPMG LLP required by the applicable requirements of the PCAOB regarding KPMG LLP's communications with the audit committee concerning independence and has discussed with KPMG LLP the independence of KPMG LLP from us. The

Table of Contents

Audit Committee also has considered whether the provision of any non-audit services, and any fees charged for such non-audit services, by KPMG LLP are compatible with maintaining the independence of KPMG LLP from us.

Based on the reviews and discussions described above, the Audit Committee recommended to the Board that our audited consolidated financial statements for 2014 be included in our Annual Report on Form 10-K for the year ended December 31, 2014.

Respectfully submitted,

The Audit Committee of the Board of Directors

Cynthia A. Hallenbeck (Chairman)

Alan J. Bowers

Michael D. Malone

COMPENSATION DISCUSSION AND ANALYSIS

This section describes the compensation programs for our Chief Executive Officer and Chief Financial Officer in 2014 as well as our other three most highly compensated executive officers during 2014, all of whom we refer to collectively as our named executive officers or NEOs. Our NEOs for 2014 are:

Chairman, President and Chief Executive Officer (CEO), William M. Walker;

Executive Vice President, Chief Financial Officer (CFO) and Treasurer, Stephen P. Theobald;

Executive Vice President and Chief Operating Officer (COO), Howard W. Smith, III;

Executive Vice President, General Counsel and Secretary, Richard M. Lucas; and

Executive Vice President and Chief Credit Officer, Richard C. Warner

Executive Summary

Overview of 2014 Performance and Pay for Performance

One of the key elements of the Compensation Committee's executive compensation philosophy is that compensation should encourage and reward strong financial and management performance. In furtherance of this philosophy, in 2014 the Compensation Committee established the 2014 annual cash incentive plan with performance goals that focused the NEOs on the key financial metrics considered most important in driving Company results and shareholder value, including adjusted EBITDA, return on equity and adjusted diluted earnings per share.¹ The 2014 annual cash incentive plan also contains individual performance metrics relating to corporate leadership and strategic initiatives that were assigned based on each NEO's ability to drive performance. In 2014, under the leadership of our NEOs, we achieved the following significant growth in each of the financial performance metrics:

Additionally, in 2014 we achieved record total revenues, record loan originations and completed the acquisition of certain assets and liabilities of Johnson Capital Group, Inc., which increased our national lending and brokerage footprint. These exceptional 2014 results would not have been achieved without the leadership and efforts of the NEOs, and the results had a direct impact on the compensation decisions and performance-based outcomes for 2014 under the 2014 annual cash incentive plan. Taking into account these and other accomplishments, the Compensation Committee awarded the NEOs annual incentive compensation at the maximum levels under the 2014 annual cash incentive plan. In addition to the financial performance

¹ Adjusted EBITDA, adjusted diluted earnings per share and adjusted net income are not financial measures calculated in accordance with GAAP. A reconciliation of adjusted EBITDA to GAAP net income and adjusted

diluted earnings per share and adjusted net income to the comparable GAAP measure is located on pages 48-51 of our Annual Report on Form 10-K for the year ended December 31, 2014, filed with the Securities and Exchange Commission on March 5, 2015.

Table of Contents

achievements set forth above for 2014, the following is a list of notable performance achievements that were considered by the Compensation Committee in determining 2014 annual cash incentive payments:

earned total revenues of \$360.8 million, up 13% over the prior year;

earned adjusted net income of \$51.7 million, up 18% over the prior year;

achieved loan origination volume of \$11.4 billion, up 35% over the prior year;

maintained our market position with Fannie Mae and Freddie Mac (Fannie Mae, Freddie Mac and the U.S. Department of Housing and Urban Development collectively are referred to herein as the Agencies), evidenced by us remaining the largest Fannie Mae DUS® lender by loan deliveries for the third straight year and remaining the third largest Freddie Mac Program Plus® Seller by loan deliveries for the second year in a row; and

maintained our valued culture, as evidenced by our recognition as a top workplace by the Washington Post and the Washington Business Journal in 2014, which was based, in part on surveys of our employees regarding employee satisfaction.

In March 2014, the Compensation Committee approved a new performance-based long-term equity incentive award for the NEOs and senior management. These new awards, denoted as performance share units, vest in the form of shares of common stock if certain pre-established performance goals (tied to aggregate total revenues and average adjusted diluted earnings per share) underlying the award are met over the course of a 2014-2016 performance period.

The Compensation Committee established the initial performance cycle of the performance share units as an outperformance plan, setting extremely challenging performance targets designed to incentivize our senior management team, including the NEOs, to seek to achieve outstanding Company performance that results in significant long-term value creation for our stockholders.

Highlights of Our Compensation Program Practices

What We Do

We Pay for Performance We tie our NEOs' annual cash incentive and long-term incentive pay to financial performance metrics, including total revenues, adjusted EBITDA, return on equity and adjusted diluted earnings per share. Base salary for our CEO represents only 20% of his total target direct compensation opportunity (i.e., base salary, annual cash incentive, annual equity award and long-term incentive award), and for each other NEO represents 25% of his total target direct compensation opportunity, with the remainder of compensation for all NEOs being variable or at risk.

We Have Adopted Executive and Director Stock Ownership Guidelines Our executive officers are expected to own shares of our common stock with a value equal to at least three to five times base salary depending on position. Our non-employee directors are expected to own shares in our common stock with a value equal to at least three times the value of the annual cash retainer paid to the directors. See description under Compensation Policies Stock Ownership Guidelines for NEOs.

We Use an Independent Compensation Consulting Firm The Compensation Committee utilizes an independent compensation consulting firm that provides no other services to the Company.

We Have Instituted a Clawback Policy We have the right to recover any awards to participants under the 2010 Equity Incentive Plan in cases of a financial restatement as a result of their knowing or gross negligence or failure to prevent misconduct.

We Evaluate Tally Sheets of NEO Compensation In reviewing compensation for 2014, the Compensation Committee reviewed and considered total compensation for each NEO, including reviews of reports that provide the value of: (1) historic and current elements of each NEO's compensation; and (2) equity awards granted to the NEO under our 2010 Equity Incentive Plan.

What We Don't Do

No Hedging All of our directors and employees, including our NEOs, are prohibited from hedging their economic interest in our stock through short-sales, trading in puts and calls, or the use of other derivative instruments.

No Pledging All of our directors and employees, including our NEOs, are prohibited from pledging our stock, including through margin accounts or to secure other loans.

No Single-Trigger Change in Control Cash Payments We have employment agreements with NEOs that provide only a limited severance package, and no severance cash payments that are triggered solely upon a change in control.

No Perquisites We currently do not provide any perquisites and do not intend to provide perquisites exceeding \$10,000 in the aggregate to our executives.

No Income Tax Gross-Ups We currently do not provide excise tax or income tax gross-ups for personal benefits.

Compensation Philosophy

The compensation elements, amounts and target levels for our NEOs as of December 31, 2014 were determined by the Compensation Committee based on our belief that compensation should:

align with stockholders' interests;

support our business strategies and objectives;

pay for performance;

be market competitive; and

encourage short-term and long-term retention.

We use a combination of measures and time horizons to foster and reward performance. The following chart summarizes the relevant 2014 performance measures and time frames used to assess our variable pay elements:

Role of Board and Management in Compensation Decisions

CEO and other NEO pay is set by the Compensation Committee;

CEO, the Senior Vice President of Human Resources and senior members of the legal, finance and accounting departments provide support to the Compensation Committee. The Senior Vice President of

Compensation Committee frequently meets in executive session without members of management present; and

Role of Compensation Consultant

The Compensation Committee has retained Towers Watson to provide the Compensation Committee with independent compensation data, analysis and advice. Towers Watson reports directly to the Compensation Committee, and the Compensation Committee has the sole authority to approve the terms of, and terminate, the engagement. Towers Watson's primary roles in 2014 were to:

re-assess the peer group utilized by our Compensation Committee in 2013 against which our 2014 performance and executive pay should be examined;

evaluate our executive compensation programs and provide recommendations regarding compensation strategy and policies, including a review of philosophy, comparative review of peer compensation (for example, base salary, target short- and long-term incentives, and mix of pay, as applicable), and provide insight related to potential enhancements and/or modifications;

develop a performance share plan to drive NEOs and senior managers to achieve significant long-term total revenues and adjusted diluted earnings per share growth;

evaluate and analyze our compensation policies and practices for our NEOs and loan origination staff to determine whether they create risks that are reasonably likely to have a material adverse effect on us;

review the Compensation Discussion and Analysis section of our annual proxy statement; and

attend selected Compensation Committee meetings.

Setting Executive Compensation

The Compensation Committee evaluates compensation levels for each NEO. In reviewing compensation for 2014, the Compensation Committee reviewed and considered total compensation for each NEO, including reviews of reports that provide the value of: (1) historic and current elements of each NEO's compensation; and (2) equity awards granted to the NEO under our 2010 Equity Incentive Plan.

Use of Peer Group and Survey Data

The Compensation Committee strives to set target opportunity compensation levels to be competitive with the market in which we compete for executive talent. We use compensation information from: (1) a Peer Group of publicly traded companies in specific industries in which we compete for executive talent; and (2) general industry companies with revenues comparable to ours through the pooled survey data. Towers Watson combines the data from the Peer Group with pooled survey data to create the market data reviewed by the Compensation Committee.

At the time 2014 compensation was determined, we did not have direct publicly traded peers. Therefore, the Peer Group was selected by the Compensation Committee with advice from Towers Watson, taking into consideration industry relevance, business operations, comparability of size in terms of revenue, market

Table of Contents

capitalization and number of employees, business competitors and input from management. The Peer Group was not chosen on the basis of executive compensation levels. The 2014 Peer Group comprises the 14 companies below, with additions to and deletions from the 2013 Peer Group identified by underlining and strikethrough, respectively.

American Assets, Inc.	<u>Ladder Capital Corp.</u> (added)
American Capital, Ltd.	<u>Marcus & Millichap, Inc.</u> (added)
<u>Astoria Financial Corporation</u> (added)	Nationstar Mortgage Holdings, Inc. (deleted)

Encore Capital Group, Inc.	Redwood Trust, Inc.
HFF, Inc.	Walter Investment Management Corp. (deleted)
<u>Investors Bancorp Inc.</u> (added)	Washington Real Estate Investment Trust
Kennedy-Wilson Holdings, Inc.	

In 2014, Towers Watson reassessed our Peer Group based on our financials, including our total revenues, net income and total assets and our market capitalization and recommended the exclusion of CapitalSource, Inc. and Centerline Holding Company because they had been acquired. Towers Watson also recommended the exclusion of Nationstar Mortgage Holdings Inc., Ocwen Financial Corporation and Walter Investment Management Corp. because their 2013 net income, total revenues and total assets significantly exceeded our historical total revenues. Towers Watson also recommended the inclusion of: Astoria Financial Corporation, Dime Community Bancshares Inc., Investors Bancorp Inc., Ladder Capital Corp., Marcus & Millichap, Inc. and PennyMac Financial Services, Inc. because each entity has business operations focused on commercial real estate finance, like us, and has revenue, net income and total assets comparable to us.

Our Compensation Committee also used commercially available survey data provided to it by Towers Watson to identify market-median and other market elements related to our 2014 compensation program. This survey data included the Towers Watson 2013/2014 Survey of Top Management Compensation, Towers Watson 2014 Financial Services Survey, Mercer 2014 Executive Compensation Database, and 2014 McLagan Commercial Real Estate Finance Survey. This survey data includes pooled compensation data from many companies and the findings are segregated by, for example, revenue level and number of employees. The survey data does not include target short-term incentive or target total cash date, instead, it includes only actual short-term incentive and actual total cash compensation data. Consistent with prior practice, comparative market data is not used by the Compensation Committee to benchmark the amount of total compensation or any specific element of compensation for the NEOs. Instead, comparative market data has been and is expected to continue to be reviewed by the Compensation Committee as a general reference and guide to assist the Compensation Committee with its decisions related to executive compensation.

Table of Contents**2014 Elements of Compensation**

Our compensation program for our NEOs consists of the following elements, each of which satisfies one or more of our alignment, performance and retention objectives:

Compensation Element	Objectives	Key Features
Base Salary	Provides a stable annual income at a level consistent with individual contributions.	Adjustments are considered annually based on individual performance, level of pay relative to the market, internal pay equity, and retention issues.
Short-Term Annual Cash Incentive	Rewards Company and individual performance.	Provides for payouts of up to 200% of the NEO's base salary if an annual revenue achievement threshold is met.
	Aligns NEOs' interests with those of our stockholders by promoting improved financial results.	Payouts are based upon a combination of Company performance and individual performance.
	Retains NEOs by providing competitive compensation opportunity.	
Long-Term Annual Equity Awards (Restricted Stock and Non-Qualified Stock Options)	Aligns NEOs' interests with long-term stockholder interests by linking a portion of each NEO's compensation to long-term stock performance.	Targets 100% of base salary as an annual equity award.
	Provides opportunities for wealth creation and ownership, which promotes retention and enables us to attract and motivate our NEOs.	Utilizes different equity types, including restricted stock and non-qualified stock options, to balance the multiple objectives.
	Retains NEOs through multi-year vesting of equity grants and by providing market-competitive compensation.	Long-term equity awards generally vest in increments over a three year period.
	Promotes an executive decision-making process that maintains a balanced focus on	

both immediate measures of success and on the effective growth and development of the business at least three years into the future.

Long-Term Equity
Awards (Performance
Share Units)

In addition to restricted stock and non-qualified stock options, performance share awards further our pay for performance objectives by directly linking long-term compensation earned by the NEOs to our operating performance.

Under our 2014-2016 performance share plan, the performance shares vest in the form of shares of common stock if the performance goals (tied to average adjusted diluted earnings per share and aggregate total revenues) underlying the award are met over the course of the performance period.

Targets 200% of base salary as a performance based equity award for the CEO (100% of base salary as threshold award and 400% of base salary as maximum award).

Retirement Savings Opportunities and Deferral Programs	<p>Allows all eligible employees to save for retirement in a tax efficient manner.</p> <p>Allows for eligible employees to defer portions of their compensation in the form of Company stock units, further aligning interests of NEOs and senior management with stockholders.</p>	<p>Under the 401(k) plan, employees are eligible to defer a portion of their pay, and we, at our discretion, may make a matching contribution.</p> <p>Our 401(k) plan does not discriminate in scope, terms or operation in favor of officers and are available to all eligible employees.</p> <p>The Management Stock Purchase Plan (the MSPP) allows eligible employees to elect to purchase stock units settled in our common stock on a deferred basis with up to 100% of their annual cash incentive award. MSPP participants will automatically receive a deferred stock unit or restricted stock unit award as a matching award equal to 50% of the deferred stock units acquired in the MSPP.</p>
Health and Welfare Benefits	Offers all eligible employees who work 30 or more hours per week a competitive benefits package, which includes health and welfare benefits, such as medical, dental, disability insurance, and life insurance benefits.	The plans under which these benefits are offered do not discriminate in scope, terms or operation in favor of officers and are available to all eligible employees.
Perquisites and Other Benefits	We currently do not provide any perquisites and do not intend to provide perquisites exceeding \$10,000 in the	N/A

aggregate to our NEOs because we believe that we can provide better incentives for desired performance with compensation in the forms described above.

Table of Contents**2014 Executive Officer Compensation***Base Salary*

Base salaries are set primarily by the NEOs' employment agreements. The Compensation Committee considers additional factors to determine whether to increase base salaries beyond the amounts required by the employment agreements. The Compensation Committee consults with the CEO with respect to the recommended base salaries for the other NEOs and takes into consideration market data provided by Towers Watson, as previously described under

Setting Executive Compensation Use of Peer Group and Survey Data. In setting individual base salaries, consideration is given to factors such as: (1) the performance of the Company; (2) the individual performance of each NEO, taking into account the recommendation of the CEO with respect to the performance and contribution of individuals and the individual performance measures under the annual cash incentive program; (3) the NEO's scope of responsibility in relation to other NEOs and key members of senior management within the Company and internal pay equity; and (4) any retention issues. Except for the Executive Vice President, Chief Financial Officer and Treasurer's salary, which the Compensation Committee increased by \$50,000 in 2014 to \$400,000 to make the salary more competitive with those of the chief financial officers in our then Peer Group and to promote internal pay equity among other NEOs who are executive vice presidents, the Committee did not increase any other NEO's salary in 2014.

Base salary for each of our NEOs in 2014 was as follows:

Name	Base Salary (\$)
William M. Walker	750,000
Stephen P. Theobald	400,000
Howard W. Smith, III	500,000
Richard M. Lucas	400,000
Richard C. Warner	400,000

Base salaries affect other elements of total compensation, including annual cash incentive, long-term equity compensation, and retirement benefits. In setting base salaries for the NEOs, the Compensation Committee considers the impact on other elements of total direct compensation.

Annual Cash Incentive Award

In March 2014, the Compensation Committee established the 2014 annual cash incentive plan. Under the 2014 annual cash incentive plan, the Compensation Committee established as a prerequisite to the funding of the incentive plan that the Company achieve a minimum of \$250 million of total revenues for the fiscal year ended December 31, 2014. If that performance objective was achieved or exceeded, the NEOs were then eligible to receive an award of up to 200% of base salary, based on pre-determined Company and individual performance goals that the Compensation Committee established in March 2014, as described below. The Company achieved total revenues of \$360.8 million in 2014, and as a result each NEO was eligible to receive up to a 200% annual cash incentive award subject to achievement of his individual performance goals, as determined by the Compensation Committee. The following tables set forth for each NEO the weight assigned to each performance goal, the performance needed to achieve each performance goal, the actual performance achieved in 2014 as determined by the Compensation Committee and the corresponding payouts approved by the Committee.

The Compensation Committee chose the performance goals to focus the NEOs on the key operating metrics considered most important in driving Company results and shareholder value. Individual metrics were assigned based on each NEO's ability to drive performance. For each NEO, achievement of applicable performance criteria at the threshold, target or maximum levels results in bonuses of up to 50%, 100% and 200%, respectively, of such NEO's base salary, subject to the exercise of negative discretion by the Committee. The threshold, target and maximum levels are based on the NEO's employment agreement requirements, as well as his position and responsibilities, applicable market data, and our overall compensation philosophy, which emphasizes performance-based compensation.

Table of Contents

The percentage weight amounts attributable to the Adjusted EBITDA, Return on Equity and Adjusted Diluted Earnings Per Share performance goals were interpolated on a straight line basis if achievement of the performance goals fell between the specified goals for the threshold and target levels or between the target and maximum levels. The aggregate weighting for the performance goals provides for up to 110 percent achievement of the maximum payout under the annual cash incentive plan. This structure allows each executive to achieve his maximum bonus payout under the program without achieving maximum performance for each goal.

Mr. Walker's achievement of his corporate leadership and strategic initiative goals was based on his leadership of senior management in growing the Company's loan origination and servicing platforms, including:

growth of our market share with Fannie Mae and Freddie Mac (collectively, the GSEs), which allowed us to remain Fannie Mae's largest DU\$ Lender for the third year in a row and remain Freddie Mac's third largest Program Plus® Seller for the second consecutive year; and

making significant investments to grow the Company's capital markets origination team in order to capitalize on the over \$500 billion of non-bank commercial real estate loans set to mature between 2015 and 2017 through organic growth and our acquisition of the loan origination and servicing platforms of Johnson Capital. The Committee also based achievement of Mr. Walker's corporate leadership and strategic initiative goals on:

the very active role Mr. Walker played in evaluating and interacting with policy makers regarding operational improvements for the Agencies and GSE regulatory and legislative reform, including meeting with federal

regulators and legislators to evaluate the GSEs' business model and potential future structure;

continued support of our loan origination and business development activities as demonstrated by over 250 meetings with our borrowers; and

promotion of our valued culture, as evidenced by our recognition as a top workplace by the Washington Post and the Washington Business Journal in 2014, which was based, in part on surveys of our employees regarding employee satisfaction.

successful management of our Servicing department as our servicing portfolio exceeded \$44.0 billion and improving upon certain outsourced servicing functions and negotiating new third-party servicing agreements;

successful management of our Accounting and Finance department below the pre-determined budgeted amounts for 2014, and establishing greater automation of processes through the implementation of new information technology systems; and

promotion of our valued culture, as evidenced by our recognition as a top workplace by the Washington Post and the Washington Business Journal in 2014.

facilitating the growth of our market share with the GSEs by exceptionally managing the underwriting process for GSE loans, which allowed us to remain Fannie Mae's largest DU\$ Lender for the third year in a row and remain Freddie Mac's third largest Program Plu\$ Seller for the second consecutive year; and

promotion of our valued culture, as evidenced by the Company's recognition as a top workplace by the Washington Post and the Washington Business Journal in 2014.

Equity Awards

The equity awards granted to our NEOs in 2014 consisted of the annual equity award that includes restricted stock, non-qualified stock options and the long-term equity incentive award that includes performance share units. Annualized target award levels for the NEOs for 2014 were (i) 100% of base salary for the annual restricted stock and non-qualified stock option award, (ii) 200% of base salary for the CEO's performance share units, and (iii) 100% of base salary for our other NEOs' performance share units.

Annual Equity Award

The annual equity award for Messrs. Walker and Smith for 2014 was comprised of 20% restricted stock and 80% options (based on the fair value of each on the date of the grant), and 50% restricted stock and 50% options for Messrs. Lucas, Theobald and Warner (based on the fair value of each on the date of grant). The Committee placed a greater weighting on non-qualified stock options than restricted stock for Messrs. Walker and Smith to maximize the corporate tax deductibility of their total compensation. The non-qualified stock options and restricted stock granted to the NEOs in 2014 vest ratably on each anniversary date of grant over a three-year period, conditioned upon continuing employment at the time of vesting. The Compensation Committee determined to use a three-year vesting period because it believes such duration promotes long-term alignment with stockholders and longer-term decision making that provides an effective balance to the shorter-term incentive measures used in setting annual cash incentive awards.

Restricted Stock Awards. The Compensation Committee granted our NEOs a total of 49,853 shares of restricted stock. In addition to serving as a retention tool, restricted stock further aligns the interests of the NEOs with our stockholders through the promotion of significant share ownership. Each NEO's 2014 restricted stock award is detailed below.

Table of Contents

Stock Option Awards. The Compensation Committee granted our NEOs a total of 251,968 non-qualified stock options. The exercise price of non-qualified stock options is the closing price of our common stock on the NYSE on the date of grant. Non-qualified stock option grants vest ratably over three years and expire ten years after grant. In addition to serving as a retention tool, non-qualified stock options further align the interests of executives with our stockholders through long-term stock value creation. Each NEO's 2014 grant of non-qualified stock options is detailed below.

Name	Number of shares of Restricted Stock Granted(1)	Number of Options Granted(2)
William M. Walker	8,798	94,488
Stephen P. Theobald	11,730	31,496
Howard W. Smith, III	5,865	62,992
Richard M. Lucas	11,730	31,496
Richard C. Warner	11,730	31,496

- (1) Shares of restricted stock vest in one-third increments on each of February 15, 2015, 2016 and 2017, based upon continued employment.
- (2) The non-qualified stock options vest in one-third increments on each of February 15, 2015, 2016 and 2017, based upon continued employment.

2014-2016 Performance Share Plan

In March 2014, the Compensation Committee approved a new performance-based long-term equity incentive award for the Company's NEOs and senior management. These new awards, denoted as performance share units, vest in the form of shares of common stock if certain pre-established performance goals (tied to aggregate total revenues and average adjusted diluted earnings per share) underlying the award are met over the course of a three-year performance period.

The performance share units vest based on the achievement of average adjusted diluted earnings per share (70% weighting) and aggregate total revenues (30% weighting) over the 2014-2016 performance period as set forth in the table below. In the event that one or both of the metrics falls between two of the levels in the table, the number of performance share units vested will be calculated by linear interpolation. The Compensation Committee has the discretion to adjust the number of performance share units downward for any reason.

The Compensation Committee established the initial performance cycle of the performance share units as an outperformance plan, setting extremely challenging performance targets designed to incentivize our senior management team, including the NEOs, to seek to achieve outstanding Company performance. As a result, the amounts that will be actually earned by the NEOs under the performance share units may be less, in some cases substantially so, than the amounts shown as compensation in the Summary Compensation Table below.

The Compensation Committee recognizes that without a dividend policy, one of the primary methods of returning value to our stockholders is through maximizing and growing earnings per share. Therefore, the Compensation Committee chose the average adjusted diluted earnings per share metrics and assigned them a 70% weighting to ensure that the NEOs and senior management are focused not only on driving revenue growth over the performance period, but also on maximizing the benefit of such growth in earnings per share. Additionally, in order to receive an award for achievement of the average adjusted diluted earnings per share performance goals, the Company will have to achieve such goals net of the expense associated with awards under the plan. The Compensation Committee also chose the aggregate total revenues goals set forth in the table below for the 2014 – 2016 performance cycle because if achieved they would require dramatic growth and diversification of our loan origination and servicing platform.

For the grant of performance share units in 2014, the Compensation Committee determined that: (i) Mr. Walker's grant would have a threshold number of performance share units equal to 100% of his base

Table of Contents

salary, a target number of performance share units equal to 200% of his base salary, and a maximum number of performance share units equal to 400% of his base salary, divided by the fair market value of a share of common stock on the grant date, and (ii) each of Messrs. Lucas, Smith, Theobald, and Warner would receive a threshold number of performance share units equal to 75% of each of their respective base salaries, a target number of performance share units equal to 100% of each of their respective base salaries, and a maximum number of performance share units equal to 200% of each of their respective base salaries, divided by the fair market value of a share of common stock on the grant date.

Achievement Against Performance Goal	Average Adjusted Diluted Earnings Per Share for the Performance Period (70% Weighting)		Aggregate Total Revenues for the Performance Period (30% Weighting)		Number of Performance Share Units Vested
Threshold	\$	1.70	\$	1.3 billion	Threshold Number of Performance Share Units
Target	\$	1.78	\$	1.4 billion	Target Number of Performance Share Units
Maximum	\$	1.86	\$	1.5 billion	Maximum Number of Performance Share Units

The average adjusted diluted earnings per share goals can reflect adjustments to net income made by the Compensation Committee under the plan, including for costs associated with extraordinary events, non-recurring or non-operating charges specifically related to successful acquisitions and restructurings and costs associated with successfully raising capital for a fund management business.

Status of Performance Under 2013-2015 Performance Share Plan

In March 2013, the Compensation Committee approved a performance-based long-term equity incentive award for the Company's NEOs and senior management. The 2013-15 performance share plan operates the same as our 2014-2016 performance share plan, except that under the 2013-2015 performance share plan each of Messrs. Lucas, Smith, Theobald, and Warner would receive a threshold number of performance share units equal to 50% of each of their respective base salaries, a target number of performance share units equal to 100% of each of their respective base salaries, and a maximum number of performance share units equal to 200% of each of their respective base salaries, divided by the fair market value of a share of common stock on the grant date.

The performance goals under the 2013-2015 performance share plan are as follows:

Achievement Against Performance Goal	Average Adjusted Diluted Earnings Per Share for the Performance Period (70% Weighting)		Aggregate Total Revenues for the Performance Period (30% Weighting)	
Threshold	\$	2.19	\$	1.35 billion

Target	\$	2.43	\$	1.5 billion
Maximum	\$	2.92	\$	1.8 billion

Based on performance through December 31, 2014, we do not expect any of the performance shares to be earned under the 2013-2015 performance share plan because performance is projected below the threshold level for both the average adjusted diluted earnings per share and aggregate total revenues goals.

Management Stock Purchase Plan

The Management Stock Purchase Plan (the "MSPP"), supports the Company's existing stock ownership goals for the NEOs and further aligns the interests of plan participants, including the NEOs, with our stockholders by providing a means for deferral of annual cash incentive compensation by eligible employees into deferred stock units that are settled in shares of the Company's common stock upon payout. In connection with the MSPP, participants who acquire deferred stock units are generally granted a matching deferred stock unit or RSU award equal to 50% of the deferred stock units acquired in the MSPP, which matching award vests fully on

Table of Contents

March 15 of the third year following the grant. The matching awards are reflected in the Summary Compensation Table below. See the 2014 Nonqualified Deferred Compensation table and related narrative below for additional information concerning the MSPP and the related matching component.

Employment Agreements

The compensation packages described above reflect, in part, the employment agreements that we entered into with each of our NEOs. The employment agreements with our NEOs also include severance provisions. See

COMPENSATION OF DIRECTORS AND OFFICERS Employment and Separation Agreements and
COMPENSATION OF DIRECTORS AND OFFICERS Potential Payments Upon Termination for a description of the specific terms of these agreements.

Compensation Policies

We do not currently have any formal policies regarding long-term versus currently-paid compensation, but feel that both elements are necessary for achieving our compensation objectives. Currently paid compensation provides financial stability for each of our NEOs and immediate reward for superior company and individual performance, while long-term compensation rewards achievement of strategic long-term objectives and contributes towards overall stockholder value.

Prohibition on Hedging

Our insider trading policy prohibits our directors and all employees, including our NEOs, from hedging their economic interest in the Company's stock through short-sales, trading in puts or calls, or the use of other derivative instruments.

Prohibition on Pledging

Our insider trading policy also prohibits our non-employee directors and all employees, including our NEOs, from pledging Company securities to secure margin or other loans. This prohibition means our non-employee directors and employees may not hold our securities in margin accounts.

Stock Ownership Guidelines for NEOs

Our Board has adopted stock ownership guidelines for our NEOs, which are intended to further align their interests with the interests of our stockholders. Under the guidelines, each NEO must hold an ownership stake in the Company that is significant in comparison to their base salary. The amount required to be retained varies depending on the NEO's position, as follows:

Chief Executive Officer and Chief Operating Officer: five times base salary; and

Chief Credit Officer, Chief Financial Officer and General Counsel: three times base salary.

Stock ownership for the purpose of these guidelines includes stock currently held by the NEO and restricted stock. Messrs. Walker, Lucas, Smith and Warner are required to achieve the ownership requirements by April 1, 2017, and Mr. Theobald is required to achieve the ownership requirements by April 1, 2018.

Tax Treatment of NEO Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally limits the tax deductibility of compensation paid by a public company to its chief executive officer and certain other highly compensated executive officers (excluding the chief financial officer) to \$1 million in the year the compensation becomes taxable to the executive. There is an exception to the limit on deductibility for performance-based compensation that meets certain requirements. While we consider the impact of this and other tax rules when developing and implementing our executive compensation programs, we also believe that it is important to preserve flexibility in administering compensation programs in a manner designed to promote varying corporate goals. Accordingly, we have not adopted a policy that all compensation must qualify as deductible under Section 162(m) or any other tax rule.

Say on Pay Results

At our 2014 annual meeting, we submitted to stockholders an advisory resolution to approve our executive compensation program (a say on pay vote). Our stockholders overwhelmingly supported our say on pay vote with approximately 83 percent of the votes cast in favor and less than one percent cast against. At our 2011 annual meeting, our stockholders approved holding such a say on pay vote every three years. Accordingly, we determined to hold, and are therefore holding, the next say on pay vote at the 2017 annual meeting. We carefully consider stockholder feedback on all matters, including our executive compensation. In 2014, the Compensation Committee considered the results of the 2014 say on pay vote, and determined no specific changes to our executive compensation program were warranted.

Compensation Policies and Practices as they Relate to Risk Management

Management reports regularly to the Compensation Committee on our executive and employee compensation and benefit programs. The Compensation Committee engaged Towers Watson to perform a compensation risk assessment for the NEOs and our loan originators for 2014, and to advise the Compensation Committee on the findings of the assessment. Our Senior Vice President, Human Resources also reported on the compensation structure and benefit programs and risks associated with such structure and programs for all of our other employees. The Compensation Committee considered the findings of these reports and determined that the NEO and other employee compensation and benefit programs do not pose any material risks to us and therefore are not reasonably likely to have a material adverse effect on us. With respect to the NEO compensation programs, the Compensation Committee found that they are well-balanced between fixed and variable compensation, cash and equity and short-term and long-term incentives, take into account both qualitative and quantitative performance factors, reflect an appropriate mix of compensative instruments, are well-aligned with stockholder interests and have elements that discourage the NEOs from taking unnecessary or excessive risks. With the assistance of Towers Watson, the Compensation Committee continues to review all of the Company's executive compensation programs.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis set forth above with our management. Based on such review and discussion, the committee recommended to the board of directors that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference in the Company's Annual Report on Form 10-K for the year ended December 31, 2014, for filing with the Securities and Exchange Commission.

Respectfully submitted,

The Compensation Committee of the Board of

Directors

John Rice (Chairman)

Cynthia A. Hallenbeck

Michael D. Malone

Dana L. Schmaltz

The Compensation Committee report above does not constitute soliciting material and will not be deemed filed or incorporated by reference into any of our filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate our SEC filings by reference, in whole or in part, notwithstanding anything to the contrary set forth in those filings.

(1) Amounts shown in these columns represent the grant date fair value calculated in accordance with FASB ASC Topic 718 of shares of restricted common stock and non-qualified stock options. In addition, for Messrs. Smith and Lucas, the Stock Awards column includes restricted stock units awarded as the matching grant under the Management Stock Purchase Plan. For Messrs. Walker and Theobald, the Stock Awards column includes deferred stock units awarded as the matching grant under the Management Stock Purchase Plan. For a discussion of the

assumptions made in the valuation reflected in this column, see notes 2 and 12 to our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2014. In 2013 and 2014, the Stock Awards column also includes the threshold value for 2013-2015 and 2014-2016 performance share units, respectively. For the performance share units, as discussed above, the Compensation Committee established very challenging targets for the 2013-2015 and 2014-2016 performance cycles. Based on performance through December 31, 2014, we do not expect any of the performance share units to be earned under the 2013-2015 performance share plan because performance is projected below the threshold level for the applicable performance goals. Additionally, with respect to the 2014-2016 performance share plan, the value of the shares of common stock that will actually be received by the NEOs may be less or more, in some cases substantially so, than the amounts reported above as compensation. For the performance share units included in this column for 2013 and 2014, the potential aggregate payout assuming maximum performance would be as follows:

Mr. Walker \$3,000,000; Mr. Theobald \$800,000; Mr. Smith \$1,000,000; Mr. Lucas \$800,000; and Mr. Warner \$800,000.

(2) Amounts shown in this column for 2014 and 2012 represent annual cash incentive awards to each NEO.

(3) Represents the Company's contribution to the executive's 401(k) plan.

(4) Mr. Theobald joined the Company as Executive Vice President, Chief Financial Officer and Treasurer in April 2013. Accordingly, in 2013 Mr. Theobald was paid a pro-rated salary of \$262,500, and he did not participate in any of the Company's compensation programs prior to his joining the Company.

Employment and Separation Agreements

On October 27, 2010, we entered into employment agreements with each of Messrs. Walker, Smith, Lucas and Warner, which were subsequently amended on December 14, 2012. Each employment agreement has an initial three-year term, which was measured from December 13, 2010, but was automatically extended for a series of additional one-year terms, beginning at the end of the expiration of the current term, unless either party gives 60 days prior notice that the term will not be extended. These employment agreements provide for the following:

For Mr. Walker, an initial base salary of \$500,000, a target bonus of 100% of base salary, with the actual bonus payment to be determined by the Compensation Committee, and eligibility for grants of equity. The Compensation Committee increased Mr. Walker's salary to \$750,000, effective January 1, 2013. Mr. Walker's target bonus for 2014 was \$750,000.

For Mr. Smith, an initial base salary of \$400,000, a target bonus of 100% of base salary, with the actual bonus payment to be determined by the Compensation Committee, and eligibility for grants of equity. The Compensation Committee increased Mr. Smith's salary to \$500,000, effective January 1, 2013. Mr. Smith's target bonus for 2014 was \$500,000.

For Mr. Lucas, an initial base salary of \$250,000, a target bonus of 100% of base salary, with the actual bonus payment to be determined by the Compensation Committee, and eligibility for grants of equity. The Compensation Committee increased Mr. Lucas' salary to \$400,000, effective January 1, 2013. Mr. Lucas' target bonus for 2014 was \$400,000.

For Mr. Warner, an initial base salary of \$300,000, a target bonus of 100% of base salary, with the actual bonus payment to be determined by the Compensation Committee, and eligibility for grants of equity. The Compensation Committee increased Mr. Warner's salary to \$400,000, effective January 1, 2013. Mr. Warner's target bonus for 2014 was \$400,000.

In addition, on March 3, 2013, we entered into an employment agreement with Mr. Theobald. His employment agreement has an initial three-year term, measured from April 1, 2013, which will be automatically extended for a series of additional one-year terms, beginning at the end of the expiration of the current term, unless either party gives 60 days prior notice that the term will not be extended. Mr. Theobald's employment agreement provides for an initial base salary of \$350,000, a target annual bonus of 100% of base salary, with the actual bonus payment to be determined by the Compensation Committee, and eligibility for grants of equity. Effective February 16, 2014, the Compensation Committee approved an increase of Mr. Theobald's salary to \$400,000. As a result of the salary increase, Mr. Theobald's target bonus for 2014 was increased to \$400,000.

Additionally, each NEO employment agreement also contains customary non-competition and non-solicitation covenants that apply during the term and for up to 12 months after the term of each executive's employment with us. For information concerning the termination-related terms of the NEOs' employment agreements, see Potential Payments Upon Termination below.

(1) These options were granted pursuant to our 2010 Equity Incentive Plan on March 24, 2011, April 30, 2012, April 1, 2013, and February 15, 2014, to Messrs. Walker, Smith, Warner and Lucas, and on April 1, 2013 and on February 15, 2014 to Mr. Theobald. Such options began vesting ratably on each anniversary of the date of grant over a three-year period, conditioned upon continued employment.

- (2) Includes restricted stock that was granted pursuant to our 2010 Equity Incentive Plan on April 30, 2012, April 1, 2013, and February 15, 2014 to Messrs. Walker, Smith, Warner and Lucas, and on April 1, 2013 and February 15, 2014 to Mr. Theobald. Such stock began vesting ratably on each anniversary of the date of grant over a three-year period, conditioned upon continued employment. Also includes restricted stock units and deferred stock units awarded as matching grants under the Management Stock Purchase Plan, all of which vest on March 15 in the third year following the grant.
- (3) Based on the closing stock price of our common stock on December 31, 2014 of \$17.54 per share.
- (4) The number of units represents the threshold amounts for the 2013-15 performance share units and the target amounts for the 2014-16 performance share units. Based on performance through December 31, 2014, we do not expect any of the performance share units to be earned under the 2013-2015 performance share plan because performance is projected below the threshold level for the applicable performance goals.
- (5) The value of the performance share units was calculated based on the threshold amounts for the 2013-2015 performance share plan and the target amounts for the 2014-2016 performance share plan and the Company's stock price on such date. (1) These contributions were made by deferring a portion of the 2014 annual cash incentive award. Amounts also include, for Messrs. Walker and Theobald, deferred stock units awarded in March 2014 as matching grants under the Management Stock Purchase Plan. The deferred stock units vest on March 15 in the third year following grant, and are settled in shares of common stock on the date elected by the participant as described below under Management Stock Purchase Plan. All of the amounts shown in this column were included as compensation in the Summary Compensation Table above for 2014.

(2) Total aggregate balance at December 31, 2014 is equal to the deferral from the 2013 Annual Bonus payout, the match made by the Company to the 2013 deferral, and the deferral from the 2014 annual cash incentive award. All of these amounts have been reported as compensation in 2013 and 2014.

Management Stock Purchase Plan (MSPP)

Under the MSPP eligible employees may voluntarily elect to purchase shares of the Company's common stock with up to 100% of their annual cash incentive award on a specified date each calendar year (the Election Date). On the date that the annual cash incentive award is paid (the Award Date), the portion of the bonus that is deferred will be used to

purchase deferred stock units at the fair market value of the Company's common stock on such date. These deferred stock units granted under the MSPP are fully vested and non-forfeitable on the date of purchase. With respect to each deferred stock unit granted under the MSPP, the Company will issue to the participant one share of the Company's common stock on the date elected by the participant, which will be either (i) January 31 of the year immediately following the participant's separation from the Company (the Termination Date Election); (ii) the first to occur of (A) March 15 of the third calendar year after the Award Date, and (B) January 31 of the year immediately following the participant's separation from the Company (the Vesting Date Election); or (iii) the first to occur of (A) January 31 of the fifth or tenth, as elected by the participant, calendar year after the Award Date, and (B) January 31 of the year immediately following the participant's separation from the Company (the Deferred Distribution Date Election). In connection with the MSPP, participants who acquire deferred stock units are generally granted a matching deferred stock unit or RSU award equal to 50% of the deferred stock units acquired in the MSPP, which matching award vests fully on March 15 of the third year following the grant.

Table of Contents

In the event of a change in control of the Company, if the deferred stock units purchased under the MSPP and the deferred stock units and restricted stock units granted under the matching component of the MSPP are not assumed or continued, shares of the Company's common stock underlying the deferred stock units purchased under the MSPP and the deferred stock units and RSUs granted under the matching component of the MSPP will be delivered immediately prior to the change in control. In the event of a change in control of the Company, the deferred stock units and RSUs granted under the matching component of the MSPP will become 100% vested (i) if such units are not assumed or (ii) if such units are assumed and the participant is terminated without cause or for good reason (as such terms are defined in the matching component of the MSPP) within 24 months following the change in control of the Company.

Potential Payments Upon Termination or a Change in Control

Regardless of the reason for any termination of employment, each NEO is entitled to receive the following benefits upon termination: (a) payment of any unpaid portion of such executive's base salary through the effective date of termination, (b) reimbursement for any outstanding reasonable business expense, (c) continued insurance benefits to the extent required by law, (d) payment of any vested but unpaid rights as may be required independent of the employment agreement, and (e) except in the case of termination by the company for cause, any bonus or incentive compensation that had been accrued through the effective date of termination but not paid, provided, however, that in the event of a termination without cause, a resignation for good reason or retirement, a pro rata incentive compensation will be paid only to the extent performance goals for the year are achieved.

In addition to the benefits described above in subparagraphs (a) (e), each NEO is entitled to receive a severance payment if we terminate his employment without cause or the executive resigns for good reason. The severance payment is equal to (i) continued payment by the company of the executive's base salary, as in effect as of the executive's last day of employment, for a period of 12 months, (ii) continued payment for life and health insurance coverage for 12 months, to the same extent the company paid for such coverage immediately prior to termination, (iii) two times the average annual bonus earned by the executive over the preceding two years (or if the executive has not been employed for two years, payments equal to two times the target bonus for the year of termination), and (iv) vesting as of the last day of employment in any unvested portion of any options and restricted stock previously issued to the executive. If the continued payment of health insurance coverage would result in violations of certain tax or other statutes or regulations, then we will instead pay the NEO a fully taxable cash payment each month equal to the insurance premiums plus an additional amount necessary to cover any additional taxes owed by the NEO (such additional amount, the "Indemnity Amount"). The foregoing benefits are conditioned upon the executive's execution of a general release of claims and compliance with the terms of the employment agreement. In addition, pursuant to the terms of each NEO's performance share unit award agreements, upon such termination of employment, the NEO will vest in a pro rata portion of his performance share units (based on the number of days in the performance period prior to termination) to the extent the applicable performance goals are otherwise satisfied.

If the NEO's employment terminates due to death or disability, in addition to the benefits described above in subparagraphs (a) (e), the executive's estate is entitled to receive (i) vesting as of the last day of employment in any unvested portion of any options and restricted stock previously issued to the executive and (ii) payment of the pro rata share of any performance bonus to which such executive would have been entitled for the year of death. In addition, pursuant to the terms of each NEO's performance share unit award agreements, upon such termination of employment, the NEO will vest in his target number of performance share units, and pursuant to the terms of the matching component under the MSPP, the deferred stock units and RSUs granted thereunder will become 100% vested.

If the NEO's employment terminates due to retirement, in addition to the benefits described above in subparagraphs (a) (e), the executive is entitled to receive vesting as of the last day of employment in any unvested portion of any options and restricted stock previously issued to the executive. The NEO will not vest in any

performance share units upon such a termination of employment.

Table of Contents

While none of the employment agreements includes severance provisions that are tied to changes in control, pursuant to the 2010 Equity Incentive Plan and the award agreements governing the NEO's outstanding equity awards thereunder, upon a change in control of the Company, (i) the NEO's outstanding, unvested options and restricted stock will fully vest (A) if the equity awards are not assumed or (B) if the equity awards are assumed and the NEO's employment is terminated without cause or for good reason within 12 months following the change in control, and (ii) the NEO will vest in a number of performance share units equal to the greater of (A) a pro rata portion of his performance share units to the extent the applicable performance goals are otherwise satisfied and (B) his target number of performance share units. In addition, the deferred stock units and RSUs granted under the matching component of the MSPP will become 100% vested (i) if such units are not assumed or (ii) if such units are assumed and the participant is terminated without cause or for good reason (as such terms are defined in the matching component of the MSPP) within 24 months following the change in control of the Company.

Neither the employment agreements nor the equity award agreements provide for any excise or other tax gross-up other than the potential for payment of the Indemnity Amount discussed above.

The table below summarizes the potential cash payments and estimated equivalent cash value of benefits that will be generally owed to our NEOs under the terms of their employment agreements and equity award agreements described above in connection with the occurrence of the following various scenarios as of December 31, 2014. Amounts shown do not include (a) payment of any unpaid portion of such executive's base salary through the effective date of termination, (b) reimbursement for any outstanding reasonable business expense, (c) continued insurance benefits to the extent required by law, (d) payment of any vested but unpaid rights as may be required independent of the employment agreement, and (e) any bonus or incentive compensation that had been accrued through the effective date of termination but not paid.

- (2) Messrs. Gaynor and Taylor served on our Board until the June 5, 2014 annual meeting. Mr. Gaynor's base cash retainer and Audit Committee member retainer were paid upon his election to the Board at the June 2013 annual meeting. Consistent with Mr. Taylor's compensation arrangement approved by our Board, in June 2013, Mr. Taylor was paid a \$60,000 annual base cash retainer, and in lieu of receiving an annual award of \$60,000 of shares of restricted stock, Mr. Taylor received an annual award of \$60,000 in cash that was paid on June 5, 2014, which was the one-year anniversary of the grant date for the equity award the other non-management directors received in connection with their re-election to the Board at the 2013 annual meeting. All director compensation that was payable to Mr. Taylor during his service on our Board was paid to Credit Suisse, or an affiliate thereof, for so long as he remained an employee thereof through the 2014 annual meeting.

2014 Compensation for our non-employee directors consisted of the following:

an annual base cash retainer of \$60,000; and

an annual award of \$60,000 of shares of restricted stock under our 2010 Equity Incentive Plan granted on the date of the 2014 annual meeting of stockholders, which vests on the one-year anniversary of the date of grant, subject to the director's continued service on our Board.

In addition, our compensation program for non-employee directors provided for the following additional annual cash retainers:

Audit Committee: Chairman \$20,000; Member \$10,000;

Compensation Committee: Chairman \$15,000; Member \$5,000;

Nominating and Corporate Governance Committee: Chairman \$15,000; Member \$5,000; and

the Lead Director receives an additional annual cash retainer of \$20,000.

In 2014, we also reimbursed each of our directors, except Mr. Taylor, for their travel expenses incurred in connection with their attendance at Board and committee meetings. Mr. Taylor's travel expenses in 2014 were paid for by Credit Suisse.

Table of Contents*Stock Ownership Guidelines for our Non-Employee Directors*

Our Board has adopted stock ownership guidelines for our non-employee directors. Under those guidelines, our non-employee directors, are required to own stock equal to three times the annual base cash retainer. Stock ownership for the purpose of these guidelines includes stock and restricted stock, but does not include shares underlying vested or unvested stock options. Non-employee directors are required to achieve the ownership threshold by the later of April 1, 2017 or the five year anniversary of the director joining our Board.

Proposal 3: Adoption of the Company's 2015 Equity Incentive Plan and Re-Approval of Material Terms and Conditions Relating to Performance-Based Compensation

We are asking our stockholders to consider and to approve adoption of the Walker & Dunlop, Inc. 2015 Equity Incentive Plan (the "2015 Equity Incentive Plan"), which constitutes an amendment and restatement of the Walker & Dunlop, Inc. 2010 Equity Incentive Plan, as amended (the "2010 Equity Incentive Plan") and to re-approve certain material terms and conditions relating to performance-based compensation under the 2015 Equity Incentive Plan.

Upon recommendation of the Compensation Committee, on March 31, 2015, the Board adopted the 2015 Equity Incentive Plan, subject to and effective upon approval by the stockholders at this annual meeting. If approved by our stockholders, the 2015 Equity Incentive Plan would:

- (i) Amend and restate the 2010 Equity Incentive Plan;
- (ii) Increase the number of shares of our common stock reserved for issuance under the 2015 Equity Incentive Plan by 3,000,000 shares;
- (iii) Extend the termination date of the 2015 Equity Incentive Plan until the tenth anniversary of this annual meeting of stockholders, June 4, 2025; and
- (iv) Establish the material terms of performance-based compensation under the 2015 Equity Incentive Plan as required by Section 162(m) of the Internal Revenue Code of 1986, as amended ("Code"), including the addition of certain performance measures.

In addition, we are asking that our stockholders approve the material terms and conditions for performance-based compensation intended to qualify under Section 162(m) of the Code included in the 2015 Equity Incentive Plan. The material terms and conditions of performance-based compensation are (i) eligibility for awards, (ii) the maximum amount of performance-based compensation that may be paid under the 2015 Equity Incentive Plan during a specified period to any eligible person, and (iii) the performance measures that may be used under the 2015 Equity Incentive Plan to establish performance goals as a condition to the payment of the performance-based awards, each as described further below under "Re-approval of 162(m) Material Terms and Conditions" (together, the "Performance Terms").

The purpose of the 2015 Equity Incentive Plan is to (i) provide incentives to eligible persons to stimulate their efforts towards the success of the Company and to operate and manage its business in a manner that will provide for the long-term growth and profitability of the Company; and (ii) provide a means of recruiting, rewarding, and retaining key personnel. To this end, the 2015 Equity Incentive Plan provides for the grant of stock options, stock appreciation rights, restricted stock, restricted stock units (including deferred stock units), dividend equivalent rights, other equity-based awards, and cash bonus awards.

If the stockholders approve the 2015 Equity Incentive Plan, the 2015 Equity Incentive Plan will become effective on the date of this annual meeting of stockholders, which is scheduled for June 4, 2015. If the stockholders fail to approve the 2015 Equity Incentive Plan, the 2010 Equity Incentive Plan will continue and remain as is without any changes thereto. If the stockholders re-approve the Performance Terms, compensation paid to the Company's covered employees upon achievement of performance goals based on one or more of the performance measures set forth in the

2015 Equity Incentive Plan, subject to the Company's satisfaction of the other requirements of Section 162(m) of the Code, may continue to be fully deductible by the Company under Section 162(m) of the Code until such time as the Company is required to obtain stockholder re-approval of such terms and conditions at our annual meeting of stockholders in 2020. If the stockholders fail to re-approve the Performance Terms, the Compensation Committee will be permitted to continue granting performance-based awards using the performance measures set forth in the 2010 Equity Incentive Plan, but stockholder re-approval would be required at our annual meeting of stockholders in 2017 for any such compensation to be eligible to be fully deductible by the Company thereafter.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE PROPOSAL TO ADOPT THE COMPANY'S 2015 EQUITY INCENTIVE PLAN AND TO RE-APPROVE MATERIAL TERMS AND CONDITIONS RELATING TO PERFORMANCE-BASED COMPENSATION.

Vote Required

The affirmative vote of a majority of the votes cast at the annual meeting is necessary for approval of the 2015 Equity Incentive Plan and the Performance Terms. For purposes of the vote on this proposal, abstentions and broker non-votes will not count as votes cast with respect to a proposal and will have no effect on the result of the vote.

Material Amendments included in the 2015 Equity Incentive Plan

Increase in Number of Shares

The 2015 Equity Incentive Plan will increase the number of shares currently reserved for issuance under the 2010 Equity Incentive Plan by 3,000,000 shares. As of April 10, 2015, there were 2,900,618 shares of our common stock subject to outstanding grants and 979,973 shares available for future grants under the 2010 Equity Incentive Plan. Included in the number of shares subject to outstanding grants are 1,311,173 shares subject to options with a weighted average per share exercise price of \$15.92 and a weighted average remaining term of 8.1 years, and 883,660 shares of restricted stock and 705,785 stock units.

In the judgment of the Board and the Compensation Committee, grants under the 2015 Equity Incentive Plan are valuable incentives and serve the ultimate benefit of stockholders by aligning more closely the interests of 2015 Equity Incentive Plan participants with those of our stockholders. The Board and the Compensation Committee believe that it is necessary to increase the number of shares authorized under the 2010 Equity Incentive Plan to enable the Company to continue appropriately incentivizing new and existing employees.

Extension of Termination Date

Unless terminated earlier pursuant to the terms of the 2015 Equity Incentive Plan, the 2015 Equity Incentive Plan will extend the termination date of the 2010 Equity Incentive Plan from August 30, 2022 to the tenth anniversary of the annual meeting of the stockholder, June 4, 2025. Upon termination, the 2015 Equity Incentive Plan will continue to govern outstanding awards.

Addition of Performance Measures

As part of our executive compensation philosophy, we strive to create and emphasize a pay-for-performance culture to drive the creation of stockholder value, not only for our named executive officers but for all employees more broadly. Accordingly, we often pay performance-based compensation, utilizing various performance measures designed to support the achievement of certain key goals of the Company. In the judgment of the Board and the Compensation Committee, the availability of additional performance measures would help the Company better align employee incentives with Company goals. Accordingly, the 2015 Equity Incentive Plan adds or amends certain performance measures, as discussed in more detail below under Re-approval of Material Terms and Conditions Relating to Performance-Based Compensation.

Re-approval of Material Terms and Conditions Relating to Performance-Based Compensation

Stockholder approval of this proposal is intended to permit the awards paid to the Company's covered employees under the 2015 Equity Incentive Plan to constitute qualified performance-based compensation for purposes of Section 162(m) of the Code and to enable the Company to deduct such compensation for U.S. federal income tax purposes if the requirements of Section 162(m) in addition to stockholder approval are satisfied.

Table of Contents

Stockholder approval of this proposal will constitute approval of the Section 162(m) performance-based compensation terms and conditions described below, which we refer to as Performance Terms and which consist of provisions relating to (i) eligibility for awards, (ii) the maximum amount of performance-based compensation that may be paid under the 2015 Equity Incentive Plan during a specified period to any eligible person, and (iii) the performance measures that may be used under the 2015 Equity Incentive Plan to establish performance goals as a condition to the payment of the performance-based awards. We are asking our stockholders to re-approve the Performance Terms at this annual meeting so that the Company will not be required to seek re-approval again until 2020. Even if this proposal is approved, the Company may exercise its discretion to award compensation under the 2015 Equity Incentive Plan that would not qualify as qualified performance-based compensation under Section 162(m) of the Code.

Section 162(m) of the Internal Revenue Code. Section 162(m) of the Code limits publicly-held companies, such as the Company, to an annual deduction for U.S. federal income tax purposes of \$1 million for compensation paid to each of their covered employees. For this purpose, covered employees include the Company's chief executive officer and the Company's other three highest compensated executive officers (other than the chief financial officer). However, performance-based compensation is excluded from the \$1 million limitation. The 2015 Equity Incentive Plan is designed to permit the Compensation Committee to grant awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m) of the Code, but it is not required under the 2015 Equity Incentive Plan that awards qualify for this exception.

To qualify as performance-based:

The compensation must be paid solely on account of the attainment of one or more pre-established, objective performance goals;

The performance goal under which compensation is paid must be established by a committee comprised solely of two or more directors who qualify as outside directors for purposes of the exception;

The material terms of the performance goal under which the compensation is to be paid must be disclosed to and subsequently approved by shareholders of the Company before payment is made; and

The Compensation Committee must certify in writing, before payment of the compensation, that the performance goals and any other material terms were in fact satisfied.

Under the Code, a director is an outside director of the Company if he or she is not a current employee of the Company; is not a former employee who receives compensation for prior services (other than under a qualified retirement plan); has not been an officer of the Company; and does not receive, directly or indirectly (including amounts paid to an entity that employs the director or in which the director has at least a five percent ownership interest), remuneration from the Company in any capacity other than as a director.

In the case of compensation attributable to options or stock appreciation rights, the performance goal requirement (summarized in the first bullet above) is deemed satisfied, and the certification requirement (summarized in the fourth bullet above) is inapplicable, if (i) the grant or award is made by the Compensation Committee; (ii) the plan under

which the option or stock appreciation right is granted states the maximum number of shares with respect to which such awards may be granted during a specified period to an employee; and (iii) under the terms of the option or stock appreciation right, the amount of compensation is based solely on an increase in the value of the common stock after the date of grant.

Eligibility. All of our employees and the employees of our subsidiaries and affiliates are eligible to receive awards under the 2015 Equity Incentive Plan. In addition, our non-employee directors and consultants and advisors who perform services for us and our subsidiaries and affiliates may receive awards under the 2015 Equity Incentive Plan, other than incentive stock options.

Table of Contents

Award Limitations. The 2015 Equity Incentive Plan contains limitations on the maximum number of shares available for issuance with respect to specified types of awards. Subject to adjustments for changes in the Company's capitalization:

The maximum number of shares of common stock subject to options or stock appreciation rights that may be granted under the 2015 Equity Incentive Plan to any person in a calendar year is 600,000 shares;

The maximum number of shares subject to awards other than options or stock appreciation rights that may be granted under the 2015 Equity Incentive Plan to any person in a calendar year is 600,000 shares; and

The maximum amount that may be paid as an annual incentive award (whether or not cash-settled) in a calendar year to any person is \$5 million, and the maximum amount that may be paid as a cash-denominated performance award (whether or not cash-settled) in respect of a performance period in excess of twelve months to any person is \$7 million.

Performance Measures. The performance goals for performance-based awards under the 2015 Equity Incentive Plan must be established in writing by the Board or the Compensation Committee before the 90th day after the beginning of any performance period applicable to such award and while the outcome is substantially uncertain, or at such other date as may be required or permitted for performance-based compensation under Section 162(m) of the Code. Under the 2015 Equity Incentive Plan, the performance goals upon which the payment or vesting of a performance-based award to a covered employee that is intended to qualify as performance-based compensation under Section 162(m) of the Code will be limited to the following performance measures, with or without adjustment:

- (a) net earnings or net income;
- (b) operating earnings;
- (c) pretax earnings;
- (d) earnings per share of stock;
- (e) stock price, including growth measures and total stockholder return;
- (f) earnings before interest and taxes;
- (g) earnings before interest, taxes, depreciation, and/or amortization;

- (h) earnings before interest, taxes, depreciation, and/or amortization, as adjusted to exclude any one or more of the following: (i) stock-based compensation expense, (ii) income from discontinued operations, (iii) gain on cancellation of debt, (iv) debt extinguishment and related costs, (v) restructuring, separation, and/or integration charges and costs, (vi) reorganization and/or recapitalization charges and costs, (vii) impairment charges, (viii) merger-related events, (ix) gain or loss related to investments, (x) sales and use tax settlements; and (xi) gain on non-monetary transactions;
- (i) sales, originations or revenue growth or targets, whether in general or by type of product, service, or customer;

- (k) gross or operating margins;
- (l) return measures, including return on assets, capital, investment, equity, sales, or revenue;
- (m) cash flow, including (i) operating cash flow, (ii) free cash flow, (iii) levered free cash flow, (iv) cash flow return on equity, and (v) cash flow return on investment;
- (n) productivity ratios;

asset write-downs;

litigation or claims, judgments, or settlements;

the effect of changes in tax laws, accounting principles, or other laws or provisions affecting reported results;

any reorganization, restructuring, or capital raising events or programs;

acquisitions or divestitures;

foreign exchange gains and losses;

impact of shares of common stock purchased through share repurchase programs;

Performance under any of the foregoing performance measures may be used to measure the performance of (i) the Company and our subsidiaries and other affiliates as a whole; (ii) the Company, any subsidiary, and/or any other affiliate or any combination thereof; or (iii) any one or more business units of the Company, any subsidiary, and/or any other affiliate, as the Compensation Committee deems appropriate. In addition, performance under

any of the performance measures may be compared to the performance of one or more other companies or one or more published or special indices designated or approved by the Compensation Committee. The Compensation Committee may select performance under the performance measure of stock price for comparison to performance under one or more stock market indices designated or approved by the Compensation Committee. The Compensation Committee has the authority to provide for accelerated vesting of any performance-based award based on the achievement of performance goals pursuant to the performance measures. The Compensation Committee has the discretion to adjust awards that are intended to qualify as performance-based compensation, either on a formula or discretionary basis, or on any combination thereof, as the Compensation Committee determines in a manner consistent with the requirements of Section 162(m) of the Code.

Summary of the Material Terms of the 2015 Equity Incentive Plan

A summary of the material terms of the 2015 Equity Incentive Plan is set forth below. This summary is qualified in its entirety by the detailed provisions of the 2015 Equity Incentive Plan, a copy of which is attached as Annex A to this proxy statement and which is incorporated by reference into this proposal. We encourage stockholders to read and refer to the complete plan document in Annex A for a more complete description of the 2015 Equity Incentive Plan.

Amendment Date; Amendment, Suspension, and Termination. If approved by our stockholders at the annual meeting, the 2015 Equity Incentive Plan will become effective as of the date of the annual meeting (the Amendment Date), and unless terminated sooner in accordance with the terms of the 2015 Equity Incentive Plan or extended with stockholder approval, the 2015 Equity Incentive Plan will terminate on the tenth anniversary of the annual meeting, June 4, 2025. Our Board may amend, suspend, or terminate the 2015 Equity Incentive Plan at any time; provided that no amendment, suspension, or termination may impair the rights or obligations under outstanding awards, without the consent of the grantee. Our stockholders must approve any amendment to the 2015 Equity Incentive Plan to the extent determined by the Board or if such approval is required under applicable law or NYSE regulations. Our stockholders also must approve any amendment that changes the no re-pricing, option pricing, and stock appreciation right pricing provisions of the 2015 Equity Incentive Plan.

Administration of the 2015 Equity Incentive Plan. The 2015 Equity Incentive Plan will be administered by our Compensation Committee. Each member of our Compensation Committee is both a non-employee director within the meaning of Rule 16b-3 of the Exchange Act and an outside director within the meaning of Section 162(m) of the Code, and, for so long as our common stock is listed on the NYSE, an independent director within the meaning of the NYSE listing requirements. The Compensation Committee will determine all terms of awards granted under the 2015 Equity Incentive Plan, including, without limitation, the type of award and its terms and conditions and the number of shares of common stock subject to the award, if the award is equity-based. The Board has established a special one-member committee of the Board (the Non-Executive Equity Award Committee), which currently consists of Mr. Walker, our Chairman, President and Chief Executive Officer, and delegated to that committee limited authority to grant equity awards to non-executive officers and non-director employees pursuant to the 2015 Equity Incentive Plan. As of April 10, 2015, those grants may not exceed a total of 184,848 shares. The special one-member Non-Executive Equity Award Committee's authority does not in any way limit the Compensation Committee's authority to administer the 2015 Equity Incentive Plan. The Compensation Committee will also interpret the provisions of the 2015 Equity Incentive Plan. To the extent permissible under applicable law, the Board may delegate to the Non-Executive Equity Award Committee or other committee authority to make additional grants to non-executive employees. During any period of time in which we do not have a Compensation Committee, the 2015 Equity Incentive Plan will be administered by our Board or another committee appointed by the Board. References below to the Compensation Committee include a reference to the Board or another committee appointed by the Board for those periods in which the Board or such other committee appointed by the Board is acting.

Eligibility. All of our employees and the employees of our subsidiaries and affiliates are eligible to receive awards under the 2015 Equity Incentive Plan. In addition, our non-employee directors and consultants and

Table of Contents

advisors who perform services for us and our subsidiaries and affiliates may receive awards under the 2015 Equity Incentive Plan, other than incentive stock options. As of April 10, 2015, there were five named executive officers, six non-employee directors, and 463 employees of the Company and its subsidiaries who were eligible to participate in the 2015 Equity Incentive Plan.

Share Authorization and Limits. The maximum number of shares of common stock that may be issued under the 2015 Equity Incentive Plan, consisting of authorized but unissued shares or issued shares that have been reacquired by the Company, will be equal to the sum of (i) 3,000,000 shares of common stock, plus (ii) the number of shares of common stock available for future awards under the 2010 Equity Incentive Plan as of the Amendment Date, plus (iii) the number of shares of common stock related to awards outstanding under the 2010 Equity Incentive Plan as of the Amendment Date that thereafter terminate by expiration or forfeiture, cancellation, or otherwise without the issuance of such shares of common stock. The maximum number of shares of common stock available for issuance pursuant to incentive stock options granted under the Plan will be the same as the number of shares of common stock available for issuance under the Plan.

Shares of common stock that are subject to awards will be counted against the 2015 Equity Incentive Plan's share limit as of the date of grant as one share for every one share subject to the award. The number of shares subject to any stock appreciation rights awarded under the 2015 Equity Incentive Plan will be counted against the 2015 Equity Incentive Plan's share limit regardless of the number of shares actually issued to settle the stock appreciation right upon exercise, and the target number of shares issuable under a performance award shall be counted against the 2015 Equity Incentive Plan's share limit as of the date of grant but such number will be adjusted to equal the actual number of shares issued upon settlement of the performance award to the extent different from such target number of shares. If any awards terminate, expire, or are canceled, forfeited, exchanged, or surrendered without having been exercised or paid or if any awards are forfeited or expire or otherwise terminate without the delivery of any shares of common stock or are settled in cash in lieu of shares of common stock, the shares subject to such awards will again be available for purposes of the 2015 Equity Incentive Plan. However, the number of shares of common stock available for issuance under the 2015 Equity Incentive Plan will not be increased by the number of shares of common stock (i) tendered, withheld, or subject to an award surrendered in connection with the exercise of an option, (ii) deducted or delivered from payment of an award payment in connection with the Company's tax withholding obligations, (iii) purchased by the Company with proceeds from option exercises, or (iv) not issued upon the net settlement or net exercise of a stock-settled stock appreciation right.

The maximum number of shares of common stock subject to options or stock appreciation rights that may be granted under the 2015 Equity Incentive Plan to any person in a calendar year is 600,000 shares. The maximum number of shares subject to awards other than options or stock appreciation rights that may be granted under the 2015 Equity Incentive Plan to any person in a calendar year is 600,000 shares. The maximum amount that may be paid as an annual incentive award (whether or not cash-settled) in a calendar year to any person is \$5 million, and the maximum amount that may be paid as a cash-denominated performance award (whether or not cash-settled) in respect of a performance period in excess of twelve months to any person is \$7 million.

The number and kinds of shares of common stock for which awards may be made under the 2015 Equity Incentive Plan, including the limits described above, will be adjusted proportionately and accordingly by the Compensation Committee if the number of outstanding shares of common stock is increased or decreased or the shares of common stock are changed into or exchanged for a different number of shares or kind of capital stock or other securities of the Company on account of any recapitalization, reclassification, stock split, reverse stock split, spin-off, combination of stock, exchange of stock, stock dividend, or other distribution payable in capital stock, or other increase or decrease in shares of common stock effected without receipt of consideration by the Company.

Fair Market Value Determination. For so long as our common stock remains listed on the NYSE (or listed on any other established securities exchange or traded on any other securities market), the fair market value of a share of common stock will be the closing price for a share as quoted on such exchange or market for such date.

Table of Contents

If there is no reported closing price on such date, the fair market value of a share of common stock will be the closing price of the common stock on the last preceding date for which such quotation exists. If our common stock is not listed on an established securities exchange or traded on an established securities market, the Compensation Committee will determine the fair market value in good faith by reasonable application of a reasonable valuation method, in a manner consistent with Section 409A of the Code. On April 10, 2015, the closing price of our common stock as reported on the NYSE was \$18.29 per share.

Options. The 2015 Equity Incentive Plan authorizes our Compensation Committee to grant incentive stock options (as defined in Section 422 of the Code) and options that do not qualify as incentive stock options (non-qualified stock options). To the extent that the aggregate fair market value of shares of common stock determined on the date of grant with respect to which incentive stock options are exercisable for the first time during any calendar year exceeds \$100,000, the option will be treated as a non-qualified stock option. The exercise price of each option will be determined by the Compensation Committee, provided that the exercise price will be equal to or greater than 100% of the fair market value of the shares of common stock on the date of grant. If we were to grant incentive stock options to any 10 percent stockholder, the exercise price may not be less than 110% of the fair market value of our common stock on the date of grant.

The term of an option cannot exceed ten years from the date of grant. If we were to grant incentive stock options to any 10 percent stockholder, the term cannot exceed five years from the date of grant. The Compensation Committee determines at what time or times each option may be exercised and the period of time, if any, after retirement, death, disability, or termination of employment during which options may be exercised. Options may be made exercisable in installments. The vesting and exercisability of options may be accelerated by the Compensation Committee. Awards of options are nontransferable, except (i) for transfers by will or the laws of descent and distribution or (ii) if authorized in the applicable award agreement, for transfers of non-qualified stock options, not for value, to family members pursuant to the terms and conditions of the 2015 Equity Incentive Plan.

Stock Appreciation Rights. The 2015 Equity Incentive Plan authorizes our Compensation Committee to grant stock appreciation rights that provide the grantee with the right to receive, upon exercise of the stock appreciation right, cash, shares of common stock, or a combination of the foregoing. The amount that the recipient will receive upon exercise of the stock appreciation right generally will equal the excess of the fair market value of our common stock on the date of exercise over the stock appreciation right's exercise price, which must be equal to or greater than 100% of the fair market value of our common stock on the date of grant. Stock appreciation rights will become exercisable in accordance with terms determined by our Compensation Committee. Stock appreciation rights may be granted in tandem with an option grant or independently from an option grant. The term of a stock appreciation right cannot exceed ten years from the date of grant. Awards of stock appreciation rights are nontransferable, except (i) for transfers by will or the laws of descent and distribution or (ii) if authorized in the applicable award agreement, not for value, to family members pursuant to the terms and conditions of the 2015 Equity Incentive Plan.

Restricted Stock and Restricted Stock Units. The 2015 Equity Incentive Plan also authorizes the Compensation Committee to grant restricted stock and restricted stock units (including deferred stock units). Subject to the provisions of the 2015 Equity Incentive Plan, the Compensation Committee will determine the terms and conditions of each award of restricted stock and restricted stock units, including the restricted period for all or a portion of the award, the restrictions applicable to the award, and the purchase price (if any) for the shares of common stock subject to the award. Restricted stock and restricted stock units may vest solely by the passage of time and/or pursuant to achievement of performance goals, and the restrictions and/or the restricted period may differ with respect to each award of restricted stock and restricted stock units. An award will be subject to forfeiture if events specified by the Compensation Committee occur before the lapse of the restrictions. During the period, if any, when shares of restricted stock and restricted stock units are non-transferable or forfeitable or prior to the satisfaction of any other

restrictions prescribed by the Compensation Committee, a grantee is prohibited from selling, transferring, assigning, pledging, or otherwise encumbering or disposing of his or her shares of restricted stock or restricted stock units.

Table of Contents

A grantee of restricted stock will have all the rights of a stockholder, including the right to vote the shares and receive dividends or distributions on the shares, except to the extent limited by the Compensation Committee or the 2015 Equity Incentive Plan. The Compensation Committee may provide that any cash dividend payments or distributions paid on restricted stock either shall be reinvested in shares of common stock, or shall be paid in cash at the same time paid to other stockholders of the Company as of the record date for such dividend, in each case which may or may not be subject to the same vesting conditions and restrictions as applicable to such underlying shares of restricted stock. The Company will retain custody of the certificates representing shares of restricted stock, and a grantee must deliver a stock power to us for each restricted stock award. Grantees of restricted stock units will have no voting or dividend rights or other rights associated with share ownership, although the Compensation Committee may award dividend equivalent rights on such units. The Compensation Committee may subject dividends and dividend equivalent rights paid on time-vested awards of restricted stock and restricted stock units to such forfeiture and repayment obligations if the underlying awards are forfeited before they vest. Grantees will not vest in dividends paid on performance-based awards of restricted stock or in dividend equivalent rights paid on performance-based awards of restricted stock units and will be required to forfeit and/or repay to the Company such dividends and dividend equivalent rights if the performance goals for the underlying awards are not achieved or such awards otherwise do not vest.

Dividend Equivalent Rights. The 2015 Equity Incentive Plan authorizes our Compensation Committee to grant dividend equivalent rights, which are rights entitling the grantee to receive credits for dividends or distributions that would be paid if the grantee had held a specified number of shares of common stock underlying the right. The Compensation Committee may grant dividend equivalent rights to a grantee in connection with an award under the 2015 Equity Incentive Plan, or without regard to any other award, except that no dividend equivalent rights may be granted in connection with, or related to, an option or stock appreciation.

Dividend equivalents credited to the holder of a dividend equivalent right may be paid currently (with or without being subject to forfeiture or a repayment obligation) or may be deemed to be reinvested in additional shares of common stock or awards, which may thereafter accrue additional dividend equivalent rights (with or without being subject to forfeiture or a repayment obligation). Any such reinvestment will be at the fair market value of the common stock on the reinvestment date. Dividend equivalent rights may be settled in cash, shares of common stock, or a combination of the foregoing, in a single installment or in multiple installments, as determined by the Compensation Committee.

A dividend equivalent right granted as a component of another award may provide that the dividend equivalent right will be settled upon exercise, settlement, or payment of, or lapse of restrictions on, the other award, and that the dividend equivalent right will expire or be forfeited or annulled under the same conditions as the other award. A dividend equivalent right granted as a component of another award also may contain terms and conditions that are different from the terms and conditions of the other award, except that dividend equivalent rights credited as a component of another award that vests or is earned based upon the achievement of performance goals may not vest unless the performance goals for the underlying award are achieved and the underlying award vests.

Performance and Annual Incentive Awards. The 2015 Equity Incentive Plan authorizes the Compensation Committee to grant performance and annual incentive awards, ultimately payable in shares of common stock or cash, in such amounts and upon such terms as determined by the Compensation Committee. Each grant of a performance-based award will have an initial cash value or an actual or target number of shares of common stock that is established by the Compensation Committee at the date of grant. The Compensation Committee may set performance goals in its discretion that, depending on the extent to which they are met, will determine the value and/or number of performance and annual incentive awards that will be paid out to a grantee. The performance goals generally will be based on one or more of the Performance Measures described above. The Committee will establish the performance periods for these performance-based awards. As described above, the 2015 Equity Incentive Plan is

designed to permit the Compensation Committee to grant awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m) of the Code.

Table of Contents

Other Equity-Based Awards. Our Compensation Committee may grant other types of equity-based awards under the 2015 Equity Incentive Plan. Other equity-based awards are payable in cash, shares of common stock or other equity, or a combination of the foregoing, and may be restricted or unrestricted, as determined by our Compensation Committee. The terms and conditions that apply to other equity-based awards are determined by the Compensation Committee.

Form of Payments. The exercise price for any option or the purchase price (if any) for restricted stock is generally payable (i) in cash or cash equivalents, (ii) to the extent the award agreement provides, by the surrender of shares of common stock (or attestation of ownership of shares of common stock) with an aggregate fair market value, on the date of such surrender, of the exercise price or purchase price, (iii) to the extent permissible by applicable law and to the extent the award agreement provides, by payment through a broker in accordance with procedures set forth by the Company, or (iv) to the extent the award agreement provides and/or unless otherwise specified in an award agreement, any other form permissible by applicable law, including net exercise and service rendered to the Company or our affiliates.

Change in Control. If the Company experiences a change in control in which awards will not be assumed or continued by the surviving entity: (i) immediately before the change in control, except for performance awards, all restricted stock, restricted stock units, and dividend equivalent rights will vest, and all shares of common stock and/or cash subject to such awards will be delivered, and (ii) at the Compensation Committee's discretion, either (a) all options and stock appreciation rights will become exercisable fifteen days before the change in control and terminate upon the consummation of the change in control, or (b) all options, stock appreciation rights, restricted stock, restricted stock units, and dividend equivalent rights will be terminated and cashed out or redeemed for securities of equivalent value. Performance awards will vest as to the greater of (i) vesting based on pro rata actual performance or (ii) vesting assuming target performance has been achieved. Other equity-based awards will be governed by the terms of the applicable award agreement.

In summary, a change in control occurs under the 2015 Equity Incentive Plan if:

With certain exclusions, any person acquires beneficial ownership of more than 50% of either our then outstanding shares of common stock or the combined voting power of our then outstanding voting securities;

With certain exceptions, the members of the Board as of the Amendment Date (the Incumbent Board) cease to constitute at least a majority of the Board;

A reorganization, merger, or consolidation or sale or other disposition of all or substantially all of the assets of the Company occurs, in each case unless, following such transaction, (1) all or substantially all of the beneficial owners, by vote and value, of the Company immediately prior to such transaction beneficially own, directly or indirectly, more than 50% of the entity resulting from such transaction, by vote and value, in substantially the same proportions as their ownership immediately prior to such transaction; (2) no person beneficially owns, directly or indirectly, 50% or more of the corporation or trust resulting from such transaction, by vote or value, except to the extent that such ownership existed prior to the transaction; and (3) at least a majority of the members of the board of directors of the corporation or trust resulting from such transaction were members of the Incumbent Board at the time of the execution of the initial agreement or the action of the Board providing for such transaction; or

Our stockholders approve a complete liquidation or dissolution of the Company.

No Repricing. Except in connection with certain corporate transactions involving the Company, we may not: (i) amend the terms of outstanding options or stock appreciation rights to reduce the exercise price of such outstanding options or stock appreciation rights; (ii) cancel outstanding options or stock appreciation rights in exchange for or substitution of options or stock appreciation rights with an exercise price that is less than the exercise price of the original options or stock appreciation rights; or (iii) cancel outstanding options or stock appreciation rights with an exercise price above the current fair market value in exchange for cash or other securities, in each case, unless such action (a) is subject to and approved by the Company's stockholders or (b) would not be deemed to be a repricing under the rules of the NYSE or any established stock exchange or securities market on which our common stock is listed or publicly traded.

Summary of U.S. Federal Income Tax Consequences

The U.S. federal income tax consequences of awards under the 2015 Equity Incentive Plan for participants and the Company will depend on the type of award granted. The following summary description of U.S. federal income tax consequences is intended only for the general information of stockholders. A participant in the 2015 Equity Incentive Plan should not rely on this description and instead should consult his or her own tax advisor.

Incentive Stock Options. The grant of an incentive stock option will not be a taxable event for the grantee or for the Company. A grantee will not recognize taxable income upon exercise of an incentive stock option (except that the alternative minimum tax may apply), and any gain (or loss) realized upon a disposition of our common stock received pursuant to the exercise of an incentive stock option will be taxed as long-term capital gain (or loss) if the grantee holds the shares of common stock for at least two years after the date of grant and for one year after the date of exercise (the holding period requirement). We will not be entitled to any business expense deduction with respect to the exercise of an incentive stock option, except as discussed below.

For the exercise of an incentive stock option to qualify for the foregoing tax treatment, the grantee generally must be our employee or an employee of our subsidiary from the date the incentive stock option is granted through a date within three months before the date of exercise of the option.

If all of the foregoing requirements are met except the holding period requirement mentioned above, the grantee will recognize ordinary income upon the disposition of the common stock in an amount generally equal to the excess of the fair market value of the common stock at the time the option was exercised over the option exercise price (but not in excess of the gain realized on the sale). The balance of the realized gain, if any, will be capital gain. We will be allowed a business expense deduction to the extent the grantee recognizes ordinary income, subject to our compliance with Section 162(m) of the Internal Revenue Code and to certain reporting requirements.

Non-Qualified Options. The grant of a non-qualified option will not be a taxable event for the grantee or the Company. Upon exercising a non-qualified option, a grantee will recognize ordinary income in an amount equal to the difference between the exercise price and the fair market value of the common stock on the date of exercise. Upon a subsequent sale or exchange of shares acquired pursuant to the exercise of a non-qualified option, the grantee will have taxable capital gain or loss, measured by the difference between the amount realized on the disposition and the tax basis of the shares of common stock (generally, the amount paid for the shares plus the amount treated as ordinary income at the time the option was exercised).

If we comply with applicable reporting requirements and with the restrictions of Section 162(m) of the Code, we will be entitled to a business expense deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

A grantee who has transferred a non-qualified stock option to a family member by gift will realize taxable income at the time the non-qualified stock option is exercised by the family member. The grantee will be subject to withholding of income and employment taxes at that time. The family member's tax basis in the shares of common stock will be the fair market value of the shares of common stock on the date the non-qualified stock option is exercised. The transfer of vested non-qualified stock options will be treated as a completed gift for gift and estate tax purposes. Once the gift is completed, neither the transferred options nor the shares acquired on exercise of the transferred options will be includable in the grantee's estate for estate tax purposes.

In the event a grantee transfers a non-qualified stock option to his or her ex-spouse incident to the grantee's divorce, neither the grantee nor the ex-spouse will recognize any taxable income at the time of the transfer. In general, a

transfer is made incident to divorce if the transfer occurs within one year after the marriage ends or if it is related to the end of the marriage (for example, if the transfer is made pursuant to a divorce order or settlement agreement). Upon the subsequent exercise of such non-qualified stock option by the ex-spouse, the ex-spouse will recognize taxable income in an amount equal to the difference between the exercise price and the fair market value of the shares of common stock at the time of exercise. Any distribution to the ex-spouse as a result of the exercise of the option will be subject to employment and income tax withholding at this time.

Table of Contents

Stock Appreciation Rights. There are no immediate U.S. federal income tax consequences of receiving an award of stock appreciation rights under the 2015 Equity Incentive Plan. Upon exercising a stock appreciation right, a grantee will recognize ordinary income in an amount equal to the difference between the exercise price and the fair market value of the common stock on the date of exercise. If we comply with applicable reporting requirements and with the restrictions of Section 162(m) of the Code, we will be entitled to a business expense deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

Restricted Stock. A grantee who is awarded restricted stock will not recognize any taxable income for U.S. federal income tax purposes in the year of the award, provided that the shares of common stock are subject to restrictions (that is, the shares of restricted stock are nontransferable and subject to a substantial risk of forfeiture). However, the grantee may elect under Section 83(b) of the Code to recognize compensation income in the year of the award in an amount equal to the fair market value of the common stock on the date of the award (less the purchase price, if any), determined without regard to the restrictions. If the grantee does not make such Section 83(b) election, the fair market value of the common stock on the date the restrictions lapse (less the purchase price, if any) will be treated as compensation income to the grantee and will be taxable in the year the restrictions lapse and dividends paid while the common stock is subject to restrictions will be subject to withholding taxes. If we comply with applicable reporting requirements and with the restrictions of Section 162(m) of the Code, we will be entitled to a business expense deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

Restricted Stock Units. There are no immediate U.S. federal income tax consequences of receiving an award of restricted stock units under the 2015 Equity Incentive Plan. A grantee who is awarded restricted stock units will be required to recognize ordinary income in an amount equal to the fair market value of shares issued, or in the case of a cash-settled award, the amount of the cash payment made, to such grantee at the end of the restriction period or, if later, the payment date. If we comply with applicable reporting requirements and with the restrictions of Section 162(m) of the Code, we will be entitled to a business expense deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

Dividend Equivalent Rights. Participants who receive dividend equivalent rights will be required to recognize ordinary income in an amount distributed to the grantee pursuant to the award. If we comply with applicable reporting requirements and with the restrictions of Section 162(m) of the Code, we will be entitled to a business expense deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

Section 280G of the Code. To the extent payments which are contingent on a change in control are determined to exceed certain limitations, such payments may be subject to a 20% nondeductible excise tax, and the Company's deduction with respect to the associated compensation expense may be disallowed in whole or in part. The 2015 Equity Incentive Plan includes a Section 280G best after tax provision, meaning, if any of the payments under the 2015 Equity Incentive Plan or otherwise would constitute parachute payments within the meaning of Section 280G of the Code and be subject to the excise tax imposed under Section 4999 of the Code, the payments will be reduced by the amount required to avoid the excise tax if such a reduction would give the grantee a better after-tax result than if the grantee received the payments in full.

New Awards

The awards, if any, that will be made to eligible grantees under the 2015 Equity Incentive Plan are subject to the discretion of the Compensation Committee, and thus we cannot currently determine the benefits or number of shares subject to awards that may be granted in the future to eligible grantees under the 2015 Equity Incentive Plan. Therefore, no new plan benefits table can be provided at this time.

Registration with the SEC

If the 2015 Equity Incentive Plan is approved by our stockholders, we intend to file a Registration Statement on Form S-8 relating to the 2015 Equity Incentive Plan with the Securities and Exchange Commission pursuant to the Securities Act as soon as is practicable after such approval.

Table of Contents**VOTING SECURITIES OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth, as of April 10, 2015, certain information regarding the beneficial ownership of our common stock by:

each person known to us to be the beneficial owner of more than 5% of our common stock;

each NEO;

each of our directors; and

all of our executive officers and directors as a group.

Beneficial ownership is determined according to the rules of the SEC, and generally means that a person has beneficial ownership of a security if he or she possesses sole or shared voting or investment power of that security, and includes for each executive officer and director options that are currently exercisable or exercisable within 60 days of April 10, 2015. Each director, officer or 5% or more stockholder, as the case may be, furnished us with information with respect to beneficial ownership. Except as otherwise indicated, we believe that the beneficial owners of common stock listed below, based on the information each of them has given to us, have sole investment and voting power with respect to their shares, except where community property laws may apply. We have based our calculations of the percentage of beneficial ownership on 30,276,682 shares of common stock outstanding as of April 10, 2015.

Unless otherwise noted below, the address of the persons and entities listed on the table is c/o Walker & Dunlop, Inc., 7501 Wisconsin Avenue, Suite 1200E, Bethesda, Maryland 20814.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who own more than ten percent of a registered class of our equity securities, or Reporting Persons, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the NYSE. The Reporting Persons are required by SEC regulations to furnish us with copies of all Forms 3, 4 and 5 they file with the SEC. Based on the review of filings made with the SEC and representations made by the Reporting Persons, we believe that each Reporting Person complied with all Section 16(a) filing requirements applicable to them during the fiscal year ended December 31, 2014.

Table of Contents**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS****Related Party Transaction Policies**

Our Board has adopted a written policy regarding the approval of any related person transaction, which is any transaction or series of transactions in which we or any of our subsidiaries is (or are to be) a participant, the amount involved exceeds \$100,000, and a related person (as defined under SEC rules) has a direct or indirect material interest; provided, however, that approval is not required for competitive bidding and similar transactions that are not deemed to be related party transactions under Item 404(a) of Regulation S-K of the Securities Act of 1933, as amended (the Securities Act). Under the policy, a related person would need to promptly disclose to our compliance officer any related person transaction and all material facts about the transaction. Our compliance officer would then assess and promptly communicate that information to the Audit Committee of our Board. Based on its consideration of all of the relevant facts and circumstances, the Audit Committee will either approve or reject the transaction or refer the transaction to the full Board or other appropriate Board committee, in its discretion. If we become aware of an existing related person transaction that has not been pre-approved under this policy, the transaction will be referred to the Audit Committee which will evaluate all options available, including ratification, revision or termination of such transaction, and will either approve or reject the transaction or refer the transaction to the full Board or other appropriate Board committee, in its discretion. Our policy provides that any director who may be interested in a related person transaction should recuse himself or herself from any consideration of such related person transaction.

2010 Registration Rights Agreement

In December 2010, in connection with our initial public offering, we completed formation transactions through which Walker & Dunlop, LLC became our wholly owned subsidiary. In connection with such formation transactions, we entered into a registration rights agreement with regard to shares of our common stock issued to former direct and indirect equity holders of Walker & Dunlop, LLC, which we refer to collectively as the 2010 registrable shares. Among the parties to such registration rights agreement, which we refer to as the 2010 registration rights agreement, were Column Guaranteed LLC (Column), three of our NEOs, Messrs. Walker, Smith and Warner, our then Executive Vice President, Chief Executive Officer & Treasurer, Deborah Wilson and certain employees and non-employees, together with their permitted assignees and transferees, we refer to collectively as holders of 2010 registrable shares.

Pursuant to the 2010 registration rights agreement, we granted to holders of 2010 registrable shares demand registration rights, subject to certain limitations, to have such shares registered for resale on a registration statement that must remain effective for the shorter of: (a) two (2) years from its date of effectiveness, (b) the period ending on the date on which all of the 2010 registrable shares covered by such registration are eligible for sale without registration pursuant to Rule 144 or any successor provision under the Securities Act, without volume limitations or other restrictions on transfer thereunder and (c) the date on which the parties to the 2010 registration rights agreement complete the sale of all of the 2010 registrable shares. We also granted to holders of 2010 registrable shares holding a number of 2010 registrable shares equal to at least ten percent (10%) of the total number of shares of our common stock issued in the formation transactions described above demand registration rights, subject to certain limitations, pursuant to which such holder will be entitled to effect the sale of such 2010 registrable shares through an underwritten public offering.

In addition to demand registration rights, we also granted to holders of 2010 registrable shares tag-along (or piggy-back) rights, subject to certain limitations, pursuant to which such holders have the right to have such shares registered if we propose to file a registration statement with respect to an underwritten offering of shares for our own account.

Notwithstanding the foregoing, in the event of certain corporate events affecting us for certain periods, we are permitted under the 2010 registration rights agreement, subject to certain limitations, to postpone the filing of a registration statement and from time to time to require holders of 2010 registrable shares not to sell under a

registration statement or to suspend the effectiveness of such registration statement. We will bear all of the costs and expenses incident to our registration obligations under the 2010 registration rights agreement, including, among other things, fees and disbursements of one counsel retained by the selling holders of 2010 registrable shares. We have also agreed, subject to certain limitations, to indemnify holders of 2010 registrable shares against specified liabilities, including certain potential liabilities arising under the Securities Act.

As described in *Column Stock Repurchase*, on March 17, 2014, we repurchased from Column all of the shares of our common stock it then owned. Accordingly, Column has no registration rights under the 2010 registration rights agreement. As of April 10, 2015, there are 2,673,184 shares of our common stock that are registrable under the 2010 registration rights agreement.

Amendment of 2010 Registration Rights Agreement

In connection with our acquisition of CWCapital and the 2012 registration rights agreement described below, the Company, CWFS and certain of the signatories to the 2010 registration rights agreement, which we refer to collectively as the current holders, entered into a letter agreement pursuant to which CWFS and the current holders agreed, among other things: (i) to *pro rata* cutbacks with respect to their respective piggy-back registration rights under the 2012 registration rights agreement and the 2010 registration rights agreement, respectively, if requested by a managing underwriter in order to reduce the amount of shares to be included in offerings for our own account or offerings of 2012 registrable shares or 2010 registrable shares, as applicable, (ii) that whichever of them requests an underwritten offering of 2012 registrable shares or 2010 registrable shares, as applicable, will also have the right to select the managing underwriters for such offering, (iii) to reduce the threshold at which Column has the right to request registration of 2010 registrable shares for sale through an underwritten public offering to five percent (5%) of the shares of our common stock outstanding as of the closing date of our acquisition of CWCapital described below and (iv) for the Company to include the 2010 registrable shares of the current holders in the registration statement to be filed in connection with the 2012 registration rights agreement.

2012 Registration Rights Agreement

In September 2012, in connection with our acquisition of CWCapital, we entered into a registration rights agreement, which we refer to as the 2012 registration rights agreement, with CWFS, the former owner of CWCapital, with regard to shares of our common stock issued to CWFS, which we refer to collectively as the 2012 registrable shares.

Pursuant to the 2012 registration rights agreement, we agreed to register for resale all of the 2012 registrable shares held by CWFS, which, together with its permitted transferees or assigns, we refer to collectively as holders of 2012 registrable shares, on a shelf registration statement filed with the SEC no later than 30 days after the closing date of our acquisition of CWCapital. We also granted to holders of 2012 registrable shares piggy-back rights, subject to certain limitations, pursuant to which such holders have the right to have such shares registered if we propose to file a registration statement with respect to an underwritten offering of shares for our own account or for the account of one or more other stockholders of the Company. In either case, we agreed to use our reasonable best efforts to maintain the effectiveness of the relevant registration statement until the earlier of (i) the date on which all 2012 registrable shares covered by such registration statement are eligible for sale without registration pursuant to Rule 144 or any successor provision under the Securities Act, without volume limitations or other restrictions on transfer thereunder and (ii) the date on which holders of 2012 registrable shares consummate the sale of all 2012 registrable shares registered under such registration statement.

We also granted to holders of 2012 registrable shares holding a number of 2012 registrable shares equal to at least five percent (5%) of the shares of our common stock outstanding as of the closing date of our acquisition of CWCapital

demand registration rights, subject to certain limitations, pursuant to which such holder will be entitled to effect the sale of such 2012 registrable shares through an underwritten public offering.

Notwithstanding the foregoing, in the event of certain corporate events affecting us for certain periods, we are permitted under the 2012 registration rights agreement, subject to certain limitations, to postpone the filing of

a registration statement and from time to time to require holders not to sell under a registration statement or to suspend the effectiveness thereof. We will bear all of the costs and expenses incident to our registration obligations under the 2012 registration rights agreement, including, among other things, fees and disbursements of one counsel retained by the selling holders of 2012 registrable shares. We have also agreed, subject to certain limitations, to indemnify holders of 2012 registrable shares against specified liabilities, including certain potential liabilities arising under the Securities Act.

Affiliates of Fortress sold 2 million shares of our common stock in a registered offering in November 2014. In connection therewith, we paid \$205 thousand in Fortress legal expenses. Affiliates of Fortress sold the remaining 8,246,534 shares of our common stock in a registered offering in March 2015, in which we repurchased 3million shares through the underwriter for the offering for an aggregate purchase price of \$46.8 million. As was the case in the November 2014 offering, we expect to pay Fortress legal expenses for the March 2015 offering. Accordingly, upon completion of the March 2015 registered offering, there are no shares of our common stock that are registrable under the 2012 registration rights agreement.

Column Voting Agreement

Under the terms of the Column Voting Agreement, to the extent that Column beneficially owned at least ten percent of our then outstanding common stock, at our annual meeting of stockholders to be held during 2014 or at any special meeting of our stockholders held prior to our 2014 annual meeting of stockholders at which our directors were to be elected, or at any taking of action by written consent of our stockholders prior to our 2014 annual meeting of stockholders at which our directors were to be elected, Column had the right to designate one nominee for election to the Board (such nominee, the Column Nominee) at such director election. At or prior to any director election, (i) our Nominating and Corporate Governance Committee was required to recommend to the Board the nomination of the Column Nominee for election to the Board, and (ii) the Board was required to recommend to our stockholders the election of the Column Nominee to the Board. At each such director election, (i) CWFS and its affiliates were required to vote all of their shares of common stock then held in favor of electing the Column Nominee to the Board, and (ii) Column was required to vote all of its shares of our common stock then held in favor of electing CWFS or its affiliates nominees to the Board.

As described in Column Stock Repurchase , on March 17, 2014, we repurchased from Column all of the shares of our common stock it then owned. Accordingly, Column had no right to designate a nominee for election to our Board at the June 5, 2014 annual meeting.

CWFS Designation and Election of Directors

Pursuant to the terms of the Purchase Agreement by which we acquired CWCapital, CWFS was entitled to designate up to two nominees for election as directors to our Board through our annual meeting held in 2014. The Purchase Agreement specified that at our annual meeting of stockholders to be held during the 2013 and 2014 calendar years, or at any special meeting of our stockholders held prior to our 2014 annual meeting of stockholders at which our directors were to be elected, or at any taking of action by written consent of our stockholders prior to our 2014 annual meeting of stockholders with respect to which our directors were to be elected, CWFS had the right (but not the obligation) to designate two nominees for election to our Board at such director elections. Under the terms of the Purchase Agreement, at or prior to any such director election: (i) our Nominating and Corporate Governance Committee was required to recommend to our Board the nomination of the CWFS nominees for election to our Board, and (ii) our Board was required to recommend to our stockholders the election of the CWFS nominees to our Board. Such right has now expired in accordance with the terms of the Purchase Agreement. At each of our 2013 and 2014 annual meetings, CWFS designated Michael D. Malone as the CWFS nominee.

Column Indemnification Agreements

On February 17, 2010, Capital Funding Group, Inc. (Capital Funding) filed a lawsuit in the state Circuit Court for Montgomery County, Maryland against Walker & Dunlop, LLC, our wholly owned subsidiary, for alleged breach of contract, unjust enrichment and unfair competition arising out of an alleged agreement that

Table of Contents

Capital Funding had with Column to refinance a large portfolio of senior healthcare facilities located throughout the United States (the "Golden Living Facilities"). On November 17, 2010, Capital Funding filed an amended complaint adding Credit Suisse Securities (USA) LLC ("Credit Suisse") and its affiliates Column and Column Financial, Inc. as defendants. In December 2010, Column assumed the defense of the Company pursuant to an indemnification agreement.

Capital Funding alleges that a contract existed between it and Column (and its affiliates) whereby Capital Funding allegedly had the right to perform the HUD refinancing for the Golden Living Facilities and according to which Capital Funding provided certain alleged proprietary information to Column and its affiliates relating to the refinancing of the Golden Living Facilities on a confidential basis. Capital Funding further alleges that Walker & Dunlop, LLC, as the alleged successor by merger to Column, is bound by Column's alleged agreement with Capital Funding, and breached the agreement by taking for itself the opportunity to perform the HUD refinancing for the Golden Living Facilities.

Capital Funding further claims that Column and its affiliates and Walker & Dunlop, LLC breached the contract, were unjustly enriched, and committed unfair competition by using Capital Funding's alleged proprietary information for certain allegedly unauthorized purposes. Capital Funding also asserts a separate unfair competition claim against Walker & Dunlop, LLC in which it alleges that Walker & Dunlop, LLC is improperly "taking credit" on its website for certain work actually performed by Capital Funding. Capital Funding seeks damages in excess of \$30.0 million on each of the three claims asserted against all defendants, and an unspecified amount of damages on the separate claim for unfair competition against Walker & Dunlop, LLC. Capital Funding also seeks injunctive relief in connection with its unjust enrichment and unfair competition claims.

Pursuant to an agreement, dated January 30, 2009 (the "Column Transaction Agreement"), among Column, Walker & Dunlop, LLC, W&D, Inc. and Green Park Financial Limited Partnership, Column generally agreed to indemnify Walker & Dunlop, LLC against liability arising from Column's conduct prior to Column's transfer of the assets to Walker & Dunlop, LLC. However, pursuant to the Column Transaction Agreement, Column's indemnification obligation arises only after Column receives a claim notice following the resolution of the litigation that specifies the amount of Walker & Dunlop, LLC's claim.

To provide for greater certainty regarding Column's indemnification obligations before the resolution of this litigation and to cap our total loss exposure, we secured a further agreement from Column in November 2010 confirming that it will indemnify us for any liabilities that arise as a result of this litigation. As part of this further indemnification agreement, in the event Column is required to pay us for any liabilities under the Capital Funding litigation that it otherwise would not have been obligated to pay under the Column Transaction Agreement, we will indemnify Column for an amount up to \$3.0 million. Also as part of this further indemnification agreement, William Walker, our Chairman, President and Chief Executive Officer, and Mallory Walker, former Chairman and current stockholder, in their individual capacities, agreed that if Column is required to indemnify us under this agreement and otherwise would not have been obligated to pay such amounts under the Column Transaction Agreement, Messrs. William Walker and Mallory Walker will pay any such amounts in excess of \$3.0 million but equal to or less than \$6.0 million. As a result of this agreement, we will have no liability or other obligation for any damage amounts in excess of \$3.0 million arising out of this litigation. Although Column has assumed defense of the case for all defendants, and is paying applicable counsel fees, as a result of the indemnification claim procedures described above, we could be required to bear the significant costs of the litigation and any adverse judgment unless and until we are able to prevail on our indemnification claim. We believe that we will fully prevail on our indemnification claims against Column, and that we ultimately will incur no material loss as a result of this litigation, although there can be no assurance that this will be the case.

On July 19, 2011, the Circuit Court for Montgomery County, Maryland issued an order granting the defendants motion to dismiss the case, without prejudice. After the initial case was dismissed without prejudice, Capital Funding filed an amended complaint. In November 2011, the Circuit Court for Montgomery County,

Table of Contents

Maryland rejected our motion to dismiss the amended complaint. Capital Funding filed a Second Amended Complaint that did not alter the claims at issue but revised their alleged damages. Defendants moved for summary judgment on all claims, including two counts of breach of contract, two counts of promissory estoppel, two counts of unjust enrichment, and two counts of unfair competition. On April 30, 2013, the Court issued an Opinion and Order which granted the motion as to the two promissory estoppel counts and one count of unjust enrichment. The Court denied the motion as to all remaining claims.

A two-week jury trial was held in July 2013. In the course of the trial, all but two of Capital Funding's claims were dismissed. The jury awarded Capital Funding (i) a \$1.8 million judgment against defendants on Capital Funding's breach of contract claim and (ii) a \$10.4 million judgment against Credit Suisse, Column's parent, on Capital Funding's unjust enrichment claim. Because the two claims arise from the same facts, Capital Funding agreed it may only collect on one of the judgments; following the verdict, Capital Funding elected to collect the \$10.4 million judgment against Credit Suisse. The defendants filed a post judgment motion to reduce or set aside the judgment. On January 31, 2014, the Court ruled that the \$10.4 million unjust enrichment judgment is vacated, and awarded Capital Funding the \$1.8 million breach of contract judgment. On February 10, 2014, Capital Funding filed a motion with the Court seeking a new trial. On March 13, 2014, the Court denied Capital Funding's motion for a new trial. Capital Funding filed an appeal with Maryland's Court of Special Appeals, which was heard on December 10, 2014. We are awaiting a ruling on the appeal.

As a result of an indemnification arrangement with Column, our loss exposure is limited to \$3.0 million, and we believe that the indemnification fully covers the \$1.8 million judgment.

Column Stock Repurchase

On March 14, 2014 we entered into a Stock Purchase Agreement with Column to repurchase all 2,450,451 shares of our common stock it then owned, at an aggregate purchase price of \$35.5 million or \$14.50 per share. The repurchase was completed on March 17, 2014.

CMBS Partnership

We offer a Commercial Mortgage Backed Securities (CMBS) lending program (CMBS Program) through a partnership with an affiliate of Fortress, in which we own a 20 percent interest (CMBS Partnership). Affiliates of Fortress managed funds which collectively constituted our largest stockholder group until the completion of their secondary offering in March 2015. The CMBS Program offers financing for all commercial property types throughout the United States. The loans in the CMBS Program are selected and funded by the CMBS Partnership and underwritten by us. We receive a fee for servicing the loans. The CMBS Partnership assumes the full risk of loss on the loans while it holds the loans. We account for our 20 percent interest in the CMBS Partnership using the equity method of accounting. 11 loans with an aggregate unpaid principal balance of \$116.1 million were originated through the CMBS Program during 2014. We recorded a \$29 thousand loss related to the CMBS Program for 2014.

Servicing Fees

Walker & Dunlop, LLC is the loan subservicer for three (3) loans serviced by CWCAPITAL Asset Management LLC (CWCAM), an affiliate of Fortress, pursuant to a subservicing agreement between Walker & Dunlop, LLC and CWCAM. In 2014, we received aggregate servicing fees under this agreement of \$73 thousand.

Walker & Dunlop, LLC is the servicer of a portfolio of 439 Fannie Mae secondary risk loans. In connection with that portfolio of loans, Walker & Dunlop, LLC is party to a sub-special servicing agreement with CWCAM pursuant to

which we will pay CWCAM fees for performing special servicing services for mortgage loans in the portfolio. CWCAM currently performs special servicing services for three (3) loans under the special servicing agreement. In 2014, we paid CWCAM aggregate fees of \$151 thousand.

Table of Contents

Until October 30, 2014, Walker & Dunlop, LLC was a servicer of a commercial real estate mortgage loan made to a special purpose entity, which was an affiliate of Fortress, and we received servicing fees in connection with our role as servicer. In 2014 through October 30, 2014, we received \$606 thousand in servicing fees, including a prepayment fee.

Until September 30, 2014, Walker & Dunlop, LLC was a servicer of a commercial real estate loan owned by an affiliate of Fortress, and we received servicing fees in connection with our role as servicer. In 2014 through September 30, 2014, we received aggregate servicing fees of \$2 thousand.

CoStar Information Subscriptions

Andrew C. Florance, one of our Directors, is the president and chief executive officer and a member of the board of directors of CoStar. CoStar is a provider of commercial real estate information and analytic services. In 2014, we paid \$324 thousand in fees for various CoStar subscription services. We use each of these subscriptions to analyze commercial real estate property, markets and assets in connection with our lending, loan servicing and asset management activities.

2015 EQUITY INCENTIVE PLAN

Walker & Dunlop, Inc., a Maryland corporation (the **Company**), sets forth herein the terms of its 2015 Equity Incentive Plan (the **Plan**), as follows:

1. PURPOSE

This Plan is intended to (i) provide incentive to eligible persons to stimulate their efforts toward the success of the Company and to operate and manage its business in a manner that will provide for the long-term growth and profitability of the Company and that will benefit the stockholders and other important stakeholders of the Company, including its employees and customers; and (ii) provide a means of recruiting, rewarding and retaining key personnel. To this end, the Plan provides for the grant of Options, Stock Appreciation Rights, Restricted Stock, Unrestricted Stock, Restricted Stock Units (including Deferred Stock Units), Dividend Equivalent Rights, Other Equity-based Awards, and cash bonus awards. Any of these Awards may, but need not, be made as performance incentives to reward attainment of annual or long-term performance goals in accordance with the terms of the Plan. Options granted under the Plan may be Non-qualified Stock Options or Incentive Stock Options, as provided herein.

The Plan is an amendment and restatement of the Prior Plan. Awards granted under the Prior Plan prior to the Amendment Date will be subject to the terms of the Plan, except to the extent that the terms of the Plan are inconsistent with the terms of such awards and provided the terms of such awards were consistent with the Prior Plan.

2. DEFINITIONS

For purposes of interpreting the Plan and related documents (including Award Agreements), the following capitalized terms shall have the meanings specified below, unless the context clearly indicates otherwise:

2.1 Affiliate means, with respect to the Company, any Person that controls, is controlled by, or is under common control with the Company within the meaning of Rule 405 of Regulation C under the Securities Act, including, without limitation, any Subsidiary. For purposes of granting Options or Stock Appreciation Rights, an entity may not be considered an Affiliate of the Company unless the Company holds a Controlling Interest in such entity.

2.2 Amendment Date means June 4, 2015, subject to approval of the Plan by the Company's stockholders on such date, the Plan having been approved by the Board on March 31, 2015.

2.3 Annual Incentive Award means an Award, denominated in cash, made subject to attainment of performance goals (as described in **Section 14**) over a Performance Period of up to one (1) year (the Company's fiscal year, unless otherwise specified by the Board or the Committee).

2.4 Applicable Laws means the legal requirements relating to the Plan and the Awards under (i) applicable provisions of the Code, the Securities Act, the Exchange Act, any rules or regulations thereunder, and any other laws, rules, regulations, and government orders of any jurisdiction applicable to the Company or its Affiliates, (ii) applicable provisions of the corporate, securities, tax and other laws, rules, regulations and government orders, and the rules of any applicable stock exchange or national market system, of any jurisdiction applicable to Awards granted to residents therein, and (iii) the rules of any Stock Exchange or Securities Market on which the Stock is listed or publicly traded.

Without limiting the generality of the foregoing, the Committee shall have full power and authority to take all actions and to make all determinations required or provided for under the Plan, any Award, or any Award Agreement and shall have full power and authority to take all such other actions and to make all such other determinations not inconsistent with the specific terms and provisions of the Plan which the Committee deems to be necessary or appropriate to the administration of the Plan, any Award, or any Award Agreement. All such actions and determinations shall be made by (i) the affirmative vote of a majority of the members of the Committee present at a meeting at which a quorum is present, or (ii) the unanimous consent of the members of the Committee executed in writing or evidenced by electronic transmission in accordance with the Company's certificate of incorporation and bylaws and Applicable Laws. Unless otherwise expressly determined by the Board, the Committee shall have the authority to interpret and construe all provisions of the Plan, any Award, and any Award Agreement, and any such interpretation or construction, and any other determination contemplated to be made under the Plan or any Award Agreement, by the Committee shall be final, binding, and conclusive on all Persons, whether or not expressly provided for in any provision of the Plan, such Award, or such Award Agreement.

In the event that the Plan, any Award, or any Award Agreement provides for any action to be taken by the Board or any determination to be made by the Board, such action may be taken or such determination may be made by the Committee constituted in accordance with this **Section 3.1.1** if the Board has delegated the power and authority to do so to such Committee.

The Board also may appoint one or more committees of the Board, each composed of one or more directors of the Company who need not be Outside Directors, which (i) may administer the Plan with respect to Grantees who are not Officers or directors of the Company, (ii) may grant Awards under the Plan to such Grantees, and (iii) may determine all terms of such Awards, in each case, excluding (for the avoidance of doubt) Performance Awards intending to constitute Qualified Performance-Based Compensation and subject, if applicable, to the requirements of Rule 16b-3 under the Exchange Act and the rules of any Stock Exchange or Securities Market on which the Stock is listed or publicly traded.

At all times, an officer of the Company delegated authority pursuant to this **Section 3.1.4** will serve in such capacity at the pleasure of the Committee. - (iii) determine the number of shares of Stock to be subject to an Award or to which an Award relates;
- (iv) establish the terms and conditions of each Award (including the Option Price, SAR Exercise Price, and Purchase Price; the nature and duration of any restriction or condition (or provision for lapse thereof) relating to the vesting, exercise, transfer, or forfeiture of an Award or the shares of Stock subject thereto; the treatment of an Award in the event of a Change in Control (subject to applicable agreements); and any terms or conditions that may be necessary to qualify Options as Incentive Stock Options);
- (v) prescribe the form of each Award Agreement evidencing an Award;
- (vi) subject to the limitation on repricing in **Section 3.5**, amend, modify, or supplement the terms of any outstanding Award, which authority specifically includes the authority, in order to effectuate the purposes of the Plan but without amending the Plan, to make Awards or to modify outstanding Awards made to eligible natural Persons who are foreign nationals or are natural Persons who are employed outside the United States to reflect differences in local law, tax policy, or custom; provided that, notwithstanding the foregoing, no amendment, modification, or supplement of the terms of any outstanding Award shall, without the consent of the Grantee, impair the Grantee's rights under such Award; and
- (vii) make Substitute Awards.

3.4. Forfeiture; Recoupment.

employee of the Company or an Affiliate thereof and such Grantee's Service is terminated for Cause, the Committee may annul such Grantee's outstanding Award as of the date of the Grantee's termination of Service for Cause.

Any Award granted pursuant to the Plan is subject to mandatory repayment by the Grantee to the Company (x) to the extent set forth in the Plan or an Award Agreement or (y) to the extent the Grantee is, or in the future becomes, subject to (1) any Company or Affiliate clawback or recoupment policy that is adopted to comply with the requirements of any Applicable Laws or (2) any Applicable Laws which impose mandatory recoupment, under circumstances set forth in such Applicable Laws.

Furthermore, if the Company is required to prepare an accounting restatement due to the material noncompliance of the Company, as a result of misconduct, with any financial reporting requirement under Applicable Laws, the natural Persons subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002 and any Grantee who knowingly engaged in the misconduct, was grossly negligent in engaging in the misconduct, knowingly failed to prevent the misconduct, or was grossly negligent in failing to prevent the misconduct, shall reimburse the Company the amount of any payment in settlement of an Award earned or accrued during the twelve (12)-month period following the first public issuance or filing (whichever first occurred) with the United States Securities and Exchange Commission of the financial document that contained such material noncompliance.

Notwithstanding any other provision of this Plan or any provision of any Award Agreement, if the Company is required to prepare an accounting restatement, then a Grantee shall forfeit any cash or Stock received in connection with an Award (or an amount equal to the Fair Market Value of such Stock on the date of delivery if the Grantee no longer holds the shares of Stock) if, pursuant to the terms of the Award Agreement for such Award, the amount of the Award earned or the vesting in the Award was explicitly based on the achievement of pre-established performance goals set forth in the Award Agreement (including earnings, gains, or other criteria) that are later determined, as a result of the accounting restatement, not to have been achieved.

3.5. No Repricing without Stockholder Approval.

Except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, distribution (whether in the form of cash, shares of Stock, other securities, or other property), stock split, extraordinary dividend, recapitalization, Change in Control, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of shares of Stock, or other securities or similar transaction), the Company may not: (i) amend the terms of outstanding Options or SARs to reduce the Option Price or SAR Exercise Price, as applicable, of such outstanding Options or SARs; (ii) cancel outstanding Options or SARs in exchange for or substitution of Options or SARs with an Option Price or SAR Exercise Price, as applicable, that is less than the Option Price or SAR Exercise Price, as applicable, of the original Options or SARs; or (iii) cancel outstanding Options or SARs with an Option Price or SAR Exercise Price, as applicable, above the current Fair Market Value in exchange for cash or other securities, in each case, unless such action (a) is subject to and approved by the Company's stockholders or (b) would not be deemed to be a repricing under the rules of any Stock Exchange or Securities Market on which the Stock is listed or publicly traded.

3.6. Deferral Arrangement.

The Committee may permit or require the deferral of any payment pursuant to an Award into a deferred compensation arrangement, subject to such rules and procedures as it may establish, which may include provisions for the payment or crediting of interest or Dividend Equivalent Rights and, in connection therewith, provisions for converting such credits into Deferred Stock Units and for restricting deferrals to comply with hardship distribution rules affecting tax-qualified retirement plans subject to Code Section 401(k)(2)(B)(IV); provided that no Dividend Equivalent Rights

may be granted in connection with, or related to, an Award of Options or SARs. Any such deferrals shall be made in a manner that complies with Code Section 409A, including, if applicable, with respect to when a Separation from Service occurs.

3.7. No Liability.

No member of the Board or the Committee shall be liable for any action or determination made in good faith with respect to the Plan, any Award, or any Award Agreement. Notwithstanding any provision of the Plan to the contrary, neither the Company, an Affiliate, the Board, the Committee, nor any person acting on behalf of (including, without limitation, designees of) the Company, an Affiliate, the Board, or the Committee will be liable to any Grantee or to the estate or beneficiary of any Grantee or to any other holder of an Award under the Plan by reason of any acceleration of income, or any additional tax (including any interest and penalties), asserted by reason of the failure of an Award to satisfy the requirements of Code Section 422 or Code Section 409A or by reason of Code Section 4999, or otherwise asserted with respect to the Award; provided that this **Section 3.7** shall not affect any of the rights or obligations set forth in an applicable agreement between the Grantee and the Company or an Affiliate.

3.8. Stock Issuance/Book-Entry.

Notwithstanding any provision of the Plan to the contrary, the ownership of the shares of Stock issued under the Plan may be evidenced in such a manner as the Committee, in its sole discretion, deems appropriate, including, without limitation, book-entry or direct registration or the issuance of one or more share certificates.

4. STOCK SUBJECT TO THE PLAN

4.1. Number of Shares of Stock Reserved for Awards.

Subject to adjustment as provided in **Section 4.2** and **Section 17**, the number of shares of Stock reserved for issuance under the Plan will be equal to the sum of (i) three million (3,000,000) shares of Stock, plus (ii) the number of shares of Stock available for future awards under the Prior Plan as of the Amendment Date, plus (iii) the number of shares of Stock related to awards outstanding under the Prior Plan as of the Amendment Date that thereafter terminate by expiration or forfeiture, cancellation, or otherwise without the issuance of such shares of Stock (the **Share Limit**). Any of the shares of Stock reserved and available for issuance under the Plan may be used for any type of Award under the Plan, and any or all of the shares of Stock reserved for issuance under the Plan shall be available for issuance pursuant to Incentive Stock Options. Shares of Stock to be issued under the Plan shall be authorized but unissued shares or, to the extent permitted by Applicable Laws, issued shares that have been reacquired by the Company.

4.2. Adjustments in Authorized Shares of Stock.

In connection with mergers, reorganizations, separations, or other transactions to which Code Section 424(a) applies, the Committee shall have the right to cause the Company to assume awards previously granted under a compensatory plan of another business entity that is a party to such transaction and/or to grant Substitute Awards under the Plan for such awards. The Share Limit pursuant to **Section 4.1** shall be increased by the number of shares of Stock subject to any such assumed awards and Substitute Awards. Shares available for issuance under a stockholder-approved plan of a business entity that is a party to such transaction (as appropriately adjusted, if necessary, to reflect the transaction) may be used for Awards under the Plan and shall not reduce the number of shares of Stock available for issuance under the Plan, subject to applicable requirements of any Stock Exchange or Securities Market on which the Stock is listed or publicly traded.

4.3. Share Usage.

Shares of Stock covered by an Award shall be counted as used as of the Grant Date for purposes of calculating the number of shares of Stock available for issuance under **Section 4.1**. Any shares of Stock that are subject to Awards shall be counted against the Share Limit set forth in **Section 4.1** as one (1) share of Stock for every one (1) share of Stock subject to an Award. With respect to SARs, the number of shares of Stock subject to an award of SARs will be counted against the Share Limit set forth in **Section 4.1** as one (1) share of Stock for every one (1) share of Stock subject to such Award regardless of the number of shares of Stock actually issued to

settle the SAR upon exercise. The target number of shares issuable under a Performance Award shall be counted against the Share Limit set forth in **Section 4.1** as of the Grant Date, but such number shall be adjusted to equal the actual number of shares issued upon settlement of the Performance Award to the extent different from such target number of shares.

If any shares of Stock covered by an Award granted under the Plan are not purchased or are forfeited or expire, or if an Award otherwise terminates without delivery of any shares of Stock subject thereto or is settled in cash in lieu of shares of Stock, then the number of shares of Stock counted against the Share Limit with respect to such Award shall, to the extent of any such forfeiture, termination, expiration, or settlement, again be available for making Awards under the Plan in the same amount as such shares of Stock were counted against the Share Limit set forth in **Section 4.1**. The number of shares of Stock available for issuance under the Plan shall not be increased by the number of shares of Stock (i) tendered, withheld, or subject to an Award surrendered in connection with the purchase of shares of Stock upon exercise of an Option, (ii) deducted or delivered from payment of an Award payment in connection with the Company's tax withholding obligations as described in **Section 18.3**, (iii) purchased by the Company with proceeds from Option exercises, or (iv) not issued upon the net settlement or net exercise of a Stock-settled SAR.

5. TERM; AMENDMENT, SUSPENSION, AND TERMINATION

5.1. Term.

The Plan, as amended and restated, shall become effective as of the Amendment Date. Following the Amendment Date, no awards shall be made under the Prior Plan. Notwithstanding the foregoing, shares of Stock reserved under the Prior Plan to settle awards, including performance-based awards, which are made under the Prior Plan prior to the Amendment Date may be issued and delivered following the Amendment Date to settle such awards. The Plan shall terminate on the first to occur of (i) the tenth (10th) anniversary of the Amendment Date, (ii) the date determined in accordance with **Section 5.2**, and (iii) the date determined in accordance with **Section 17.3**; provided, however, that Incentive Stock Options may not be granted under the Plan after the tenth (10th) anniversary of the date of the Board's adoption of the Plan. Upon such termination of the Plan, all outstanding Awards shall continue to have full force and effect in accordance with the provisions of the terminated Plan and the applicable Award Agreement (or other documents evidencing such Awards).

5.2. Amendment, Suspension, and Termination of the Plan.

The Board may, at any time and from time to time, amend, suspend, or terminate the Plan; provided that, with respect to Awards theretofore granted under the Plan, no amendment, suspension, or termination of the Plan shall, without the consent of the Grantee, impair the rights or obligations under any such Award. An amendment shall be contingent on approval of the Company's stockholders to the extent stated by the Board or required by Applicable Laws (including applicable Stock Exchange listing requirements); provided that no amendment will be made to the no-repricing provisions of **Section 3.5**, the Option Price provisions of **Section 8.1**, and the SAR Exercise Price provisions of **Section 9.1** without the approval of the Company's stockholders.

6. AWARD ELIGIBILITY AND LIMITATIONS

6.1. Service Providers and Other Persons.

Subject to this **Section 6**, Awards may be made under the Plan to: (i) any Service Provider, as the Committee shall determine and designate from time to time, and (ii) any other individual whose participation in the Plan is determined to be in the best interests of the Company by the Committee.

6.2. Limitation on Shares of Stock Subject to Awards and Cash Awards.

During any time when the Company has a class of equity securities registered under Section 12 of the Exchange Act and the transition period under Treasury Regulation Section 1.162-27(f)(2) has lapsed or does not apply, but subject to adjustment as provided in **Section 17**:

- (i) the maximum number of shares of Stock that may be granted under the Plan, pursuant to Options or SARs, in a calendar year to any Person eligible for an Award under **Section 6** is six hundred thousand (600,000) shares;
- (ii) the maximum number of shares of Stock that may be granted under the Plan, other than pursuant to Options or SARs, in a calendar year to any Person eligible for an Award under **Section 6** is six hundred thousand (600,000) shares; and
- (iii) the maximum amount that may be paid as an Annual Incentive Award (whether or not cash-settled) in a calendar year to any Person eligible for an Award under **Section 6** shall be five million dollars (\$5,000,000), and the maximum amount that may be paid as a cash-denominated Performance Award (whether or not cash-settled) in respect of a Performance Period in excess of twelve (12) months by any Person eligible for an Award under **Section 6** shall be seven million dollars (\$7,000,000).

6.3. Stand-Alone, Additional, Tandem and Substitute Awards.

Subject to **Section 3.4**, Awards granted under the Plan may, in the sole discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution or exchange for, (i) any other Award, (ii) any award granted under another plan of the Company, any Affiliate, or any business entity that has been a party to a transaction with the Company or an Affiliate, or (iii) any other right of a Grantee to receive payment from the Company or any Affiliate. Such additional, tandem, exchange, or Substitute Awards may be granted at any time. If an Award is granted in substitution or exchange for another Award or for an award granted under another plan of the Company, an Affiliate, or any business entity that has been a party to a transaction with the Company or an Affiliate, the Committee shall require the surrender of such other Award or award under such other plan in consideration for the grant of such exchange or Substitute Award. In addition, Awards may be granted in lieu of cash compensation, including in lieu of cash amounts payable under other plans of the Company or any Affiliate. Notwithstanding **Section 8.1** and **Section 9.1** but subject to **Section 3.5**, the Option Price of an Option or the SAR Exercise Price of an SAR that is a Substitute Award may be less than one hundred percent (100%) of the Fair Market Value of a share of Stock on the original Grant Date; provided, that the Option Price or SAR Exercise Price is determined in accordance with the principles of Code Section 424 and the regulations thereunder for any Incentive Stock Option and consistent with Code Section 409A for any other Option or SAR.

7. AWARD AGREEMENT

Each Award granted pursuant to the Plan shall be evidenced by an Award Agreement, in such form or forms as the Committee shall from time to time determine. Award Agreements utilized from time to time or at the same time need not contain similar provisions but shall be consistent with the terms of the Plan. Each Award Agreement evidencing an Award of Options shall specify whether such Options are intended to be Non-qualified Stock Options or Incentive Stock Options, and in the absence of such specification such options shall be deemed Non-qualified Stock Options. In the event of any inconsistency between the Plan and an Award Agreement, the provisions of the Plan shall control.

8. TERMS AND CONDITIONS OF OPTIONS

8.1. Option Price.

The Option Price of each Option shall be fixed by the Committee and stated in the Award Agreement evidencing such Option. Except in the case of Substitute Awards, the Option Price of each Option shall be at least the Fair Market Value of one (1) share of Stock on the Grant Date; provided, however, that in the event that a Grantee is a Ten Percent Stockholder, the Option Price of an Option granted to such Grantee that is intended to be an Incentive Stock Option shall be not less than one hundred ten percent (110%) of the Fair Market Value of one (1) share of Stock on the Grant Date. In no case shall the Option Price of any Option be less than the par value of a share of Stock.

8.2. Vesting and Exercisability.

Subject to **Sections 8.3** and **17.3**, each Option granted under the Plan shall become vested and/or exercisable at such times and under such conditions as shall be determined by the Committee and stated in the Award Agreement, in another agreement with the Grantee, or otherwise in writing; provided that no Option shall be granted to Grantees who are entitled to overtime under Applicable Laws that will vest or be exercisable within a six (6)-month period starting on the Grant Date. For purposes of this **Section 8.2**, fractional numbers of shares of Stock subject to an Option shall be rounded down to the next nearest whole number.

8.3. Term.

Each Option granted under the Plan shall terminate, and all rights to purchase shares of Stock thereunder shall cease, on the tenth (10th) anniversary of the Grant Date, or under such circumstances and on such date prior thereto as is set forth in the Plan or as may be fixed by the Committee and stated in the Award Agreement relating to such Option; provided, however, that in the event that the Grantee is a Ten Percent Stockholder, an Option granted to such Grantee that is intended to be an Incentive Stock Option shall not be exercisable after the fifth (5th) anniversary of the Grant Date of such Incentive Stock Option.

8.4. Termination of Service.

Each Award Agreement with respect to the grant of an Option shall set forth the extent to which the Grantee thereof, if at all, shall have the right to exercise the Option following termination of the Grantee's Service. Such provisions shall be determined in the sole discretion of the Committee, need not be uniform among all Options issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination of Service.

8.5. Limitations on Exercise of Option.

Notwithstanding any provision of the Plan to the contrary, in no event may any Option be exercised, in whole or in part, after the occurrence of an event which results in termination of the Option in accordance with **Section 17**.

8.6. Method of Exercise.

Subject to the terms of **Section 12** and **Section 18.3**, an Option that is exercisable may be exercised by the Grantee's delivery to the Company or its designee or agent of notice of exercise on any business day, at the Company's principal office or the office of such designee or agent, on the form specified by the Company and in accordance with any additional procedures specified by the Committee. Such notice shall specify the number of shares of Stock with respect to which the Option is being exercised and shall be accompanied by payment in full of the Option Price of the shares of Stock for which the Option is being exercised, plus the amount (if any) of federal and/or other taxes which the Company may, in its judgment, be required to withhold with respect to the exercise of such Option.

8.7. Rights of Holders of Options.

Unless otherwise stated in the applicable Award Agreement, a Grantee or other Person holding or exercising an Option shall have none of the rights of a stockholder (for example, the right to receive cash or dividend payments or distributions attributable to the shares of Stock subject to such Option or to direct the voting of the shares of Stock subject to such Option) until the shares of Stock subject thereby are fully paid and issued to such Grantee or other Person. Except as provided in **Section 17**, no adjustment shall be made for dividends, distributions, or other rights for which the record date is prior to the date of issuance of such shares of Stock.

8.8. Delivery of Stock.

Promptly after the exercise of an Option by a Grantee and the payment in full of the Option Price with respect thereto, such Grantee shall be entitled to receive evidence of such Grantee's ownership of the shares of Stock subject to the Option as shall be consistent with **Section 3.8**.

A-13

8.9. Transferability of Options.

Except as provided in **Section 8.10**, during the lifetime of a Grantee of an Option, only the Grantee (or, in the event of such Grantee's legal incapacity or incompetency, the Grantee's guardian or legal representative) may exercise such Option. Except as provided in **Section 8.10**, no Option shall be assignable or transferable by the Grantee to whom it is granted, other than by will or the laws of descent and distribution.

8.10. Family Transfers.

If authorized in the applicable Award Agreement and by the Committee, in its sole discretion, a Grantee may transfer, not for value, all or part of an Option which is not an Incentive Stock Option to any Family Member. For the purpose of this **Section 8.10**, a "not for value" transfer is a transfer which is (i) a gift, (ii) a transfer under a domestic relations order in settlement of marital property rights; or (iii) unless Applicable Law does not permit such transfers, a transfer to an entity in which more than fifty percent (50%) of the voting interests are owned by Family Members (and/or the Grantee) in exchange for an interest in that entity. Following a transfer under this **Section 8.10**, any such Option shall continue to be subject to the same terms and conditions as were applicable immediately prior to transfer, and shares of Stock acquired pursuant to the Option shall be subject to the same restrictions on transfer of shares as would have applied to the Grantee. Subsequent transfers of transferred Options shall be prohibited except to Family Members of the original Grantee in accordance with this **Section 8.10** or by will or the laws of descent and distribution. The provisions of **Section 8.4** relating to termination of Service shall continue to be applied with respect to the original Grantee, following which the Option shall be exercisable by the transferee only to the extent, and for the periods specified, in **Section 8.4**.

8.11. Limitations on Incentive Stock Options.

An Option shall constitute an Incentive Stock Option only (i) if the Grantee of such Option is an employee of the Company or any corporate Subsidiary; (ii) to the extent specifically provided in the related Award Agreement; and (iii) to the extent that the aggregate Fair Market Value (determined at the time the Option is granted) of the shares of Stock with respect to which all Incentive Stock Options held by such Grantee become exercisable for the first time during any calendar year (under the Plan and all other plans of the Company and its Affiliates) does not exceed one hundred thousand dollars (\$100,000). Except to the extent provided in the regulations under Code Section 422, this limitation shall be applied by taking Options into account in the order in which they were granted.

8.12. Notice of Disqualifying Disposition.

If any Grantee shall make any disposition of shares of Stock issued pursuant to the exercise of an Incentive Stock Option under the circumstances described in Code Section 421(b) (relating to certain disqualifying dispositions), such Grantee shall notify the Company of such disposition immediately but in no event later than ten (10) days thereafter.

9. TERMS AND CONDITIONS OF STOCK APPRECIATION RIGHTS

9.1. Right to Payment and SAR Exercise Price.

A SAR shall confer on the Grantee to whom it is granted a right to receive, upon exercise thereof, the excess of (i) the Fair Market Value of one (1) share of Stock on the date of exercise over (ii) the SAR Exercise Price as determined by the Committee. The Award Agreement for a SAR shall specify the SAR Exercise Price, which shall be no less than the Fair Market Value of one (1) share of Stock on the Grant Date of such SAR. SARs may be granted in tandem with

all or part of an Option granted under the Plan or at any subsequent time during the term of such Option, in combination with all or part of any other Award, or without regard to any Option or other Award; provided, that a SAR that is granted in tandem with all or part of an Option will have the same term, and expire at the same time, as the related Option; provided, further, that a SAR that is granted subsequent to the Grant Date of a related Option must have a SAR Exercise Price that is no less than the Fair Market Value of one (1) share of Stock on the Grant Date of such SAR.

A-14

9.2. Other Terms.

The Committee shall determine, on the Grant Date or thereafter, the time or times at which and the circumstances under which a SAR may be exercised in whole or in part (including based on achievement of performance goals and/or future Service requirements); the time or times at which SARs shall cease to be or become exercisable following termination of Service or upon other conditions; the method of exercise, method of settlement, form of consideration payable in settlement, method by or forms in which shares of Stock shall be delivered or deemed to be delivered to Grantees, whether or not a SAR shall be in tandem or in combination with any other Award; and any other terms and conditions of any SAR; provided, that no SARs shall be granted to Grantees who are entitled to overtime under Applicable Laws that will vest or be exercisable within a six (6)-month period starting on the Grant Date.

9.3. Term.

Each SAR granted under the Plan shall terminate, and all rights thereunder shall cease, on the tenth (10th) anniversary of the Grant Date of such SAR, or under such circumstances and on such date prior thereto as is set forth in the Plan or as may be fixed by the Committee and stated in the Award Agreement relating to such SAR.

9.4. Rights of Holders of SARs.

Unless otherwise stated in the applicable Award Agreement, a Grantee or other Person holding or exercising a SAR shall have none of the rights of a stockholder of the Company (for example, the right to receive cash or dividend payments or distributions attributable to the shares of Stock subject to such SAR or to direct the voting of the shares of Stock subject to such SAR) until, if applicable, the shares of Stock subject thereby are fully paid and issued to such Grantee or other Person. Except as provided in **Section 17**, no adjustment shall be made for dividends, distributions, or other rights for which the record date is prior to the date of issuance of such shares of Stock, if applicable.

9.5. Transferability of SARs.

Except as provided in **Section 9.6**, during the lifetime of a Grantee of a SAR, only the Grantee (or, in the event of such Grantee's legal incapacity or incompetency, the Grantee's guardian or legal representative) may exercise such SAR. Except as provided in **Section 9.6**, no SAR shall be assignable or transferable by the Grantee to whom it is granted, other than by will or the laws of descent and distribution.

9.6. Family Transfers.

If authorized in the applicable Award Agreement and by the Committee, in its sole discretion, a Grantee may transfer, not for value, all or part of a SAR to any Family Member. For the purpose of this **Section 9.6**, a not for value transfer is a transfer which is (i) a gift, (ii) a transfer under a domestic relations order in settlement of marital property rights; or (iii) unless Applicable Law does not permit such transfers, a transfer to an entity in which more than fifty percent (50%) of the voting interests are owned by Family Members (and/or the Grantee) in exchange for an interest in that entity. Following a transfer under this **Section 9.6**, any such SAR shall continue to be subject to the same terms and conditions as were applicable immediately prior to transfer, and shares of Stock acquired pursuant to a SAR, if any, shall be subject to the same restrictions on transfer of shares as would have applied to the Grantee. Subsequent transfers of transferred SARs are prohibited except to Family Members of the original Grantee in accordance with this **Section 9.6** or by will or the laws of descent and distribution.

10. TERMS AND CONDITIONS OF RESTRICTED STOCK, RESTRICTED STOCK UNITS, AND DEFERRED STOCK UNITS

10.1. Grant of Restricted Stock, Restricted Stock Units, or Deferred Stock Units.

Awards of Restricted Stock, Restricted Stock Units, and Deferred Stock Units may be made for consideration, such as a Purchase Price, or no consideration, other than par value of the shares of Stock, which may be deemed paid by past or future Services to the Company or an Affiliate.

A-15

Table of Contents

10.2. Restrictions.

At the time a grant of Restricted Stock, Restricted Stock Units, or Deferred Stock Units is made, the Committee may, in its sole discretion, (a) establish a Restricted Period applicable to such Restricted Stock, Restricted Stock Units, or Deferred Stock Units and (b) prescribe restrictions in addition to or other than the expiration of the Restricted Period, including the achievement of corporate or individual performance goals, which may be applicable to all or any portion of such Restricted Stock, Restricted Stock Units, or Deferred Stock Units as provided in **Section 14**. Awards of Restricted Stock, Restricted Stock Units, and Deferred Stock Units may not be sold, transferred, assigned, pledged, or otherwise encumbered or disposed of during the Restricted Period or prior to the satisfaction of any other restrictions prescribed by the Committee with respect to such Awards.

10.3. Registration; Restricted Stock Certificates.

Subject to **Section 3.8** and the immediately following sentence, the Company may issue, in the name of each Grantee to whom Restricted Stock has been granted, certificates representing the total number of shares of Restricted Stock granted to the Grantee, as soon as reasonably practicable after the Grant Date of such Restricted Stock. The Committee may provide in an Award Agreement with respect to an Award of Restricted Stock that either (i) the Secretary of the Company shall hold such certificates for such Grantee's benefit until such time as such shares of Restricted Stock are forfeited to the Company or the restrictions applicable thereto lapse and such Grantee shall deliver a stock power to the Company with respect to each certificate, or (ii) such certificates shall be delivered to such Grantee, provided that such certificates shall bear legends that comply with Applicable Laws and make appropriate reference to the restrictions imposed on such Award of Restricted Stock under the Plan and such Award Agreement. Pursuant to **Section 3.8**, to the extent that ownership of Restricted Stock is evidenced by a book-entry registration or direct registration (including transaction advices), such registration will contain an appropriate legend or restriction similar to the foregoing to evidence the restrictions imposed on such Award of Restricted Stock under the Plan and the applicable Award Agreement.

10.4. Rights of Holders of Restricted Stock.

Unless the Committee provides otherwise in an Award Agreement and subject to the restrictions set forth in the Plan, any applicable Company program, and the applicable Award Agreement, holders of Restricted Stock shall have the right to vote such shares of Restricted Stock and the right to receive any dividend payments or distributions declared or paid with respect to such shares of Restricted Stock. The Committee may provide in an Award Agreement evidencing a grant of Restricted Stock that (i) any cash dividend payments or distributions paid on Restricted Stock either shall be reinvested in shares of Stock or shall be paid in cash at the same time paid to other stockholders of the Company as of the record date for such dividend, in each case which may or may not be subject to the same vesting conditions and restrictions as applicable to such underlying shares of Restricted Stock or (ii) any dividend payments or distributions declared or paid on shares of Restricted Stock shall only be made or paid upon satisfaction of the vesting conditions and restrictions applicable to such shares of Restricted Stock. Dividend payments or distributions declared or paid on shares of Restricted Stock which vest or are earned based upon the achievement of performance goals shall not vest or be paid unless such performance goals for such shares of Restricted Stock are achieved. All stock dividend payments or distributions, if any, received by a Grantee with respect to shares of Restricted Stock as a result of any stock split, stock dividend, combination of stock, or other similar transaction shall be subject to the same vesting conditions and restrictions as applicable to such underlying shares of Restricted Stock.

10.5. Rights of Holders of Restricted Stock Units and Deferred Stock Units.

10.5.1. Voting and Dividend Rights.

Unless otherwise stated in the applicable Award Agreement, a Grantee or other Person holding Restricted Stock Units or Deferred Stock Units shall have none of the rights of a stockholder of the Company (for example,

the right to receive cash or dividend payments or distributions attributable to the shares of Stock subject to such Award or to direct the voting of the shares of Stock subject to such Award) until, if applicable, the shares of Stock subject thereby are fully paid and issued to such Grantee or other Person. The Committee may provide in an Award Agreement evidencing a grant of Restricted Stock Units or Deferred Stock Units that the holder of such Restricted Stock Units or Deferred Stock Units, as applicable, shall be entitled to receive Dividend Equivalent Rights, in accordance with **Section 13**.

10.5.2. Creditor s Rights.

A holder of Restricted Stock Units or Deferred Stock Units shall have no rights other than those of a general, unsecured creditor of the Company. Restricted Stock Units and Deferred Stock Units represent unfunded and unsecured obligations of the Company, subject to the terms and conditions of the applicable Award Agreement.

10.6. Termination of Service.

Unless the Committee provides otherwise in an Award Agreement, in another agreement with the Grantee, or otherwise in writing after the Award Agreement is issued, but prior to termination of the Grantee s Service, upon the termination of a Grantee s Service, any Restricted Stock, Restricted Stock Units, or Deferred Stock Units held by such Grantee that have not vested, or with respect to which all applicable restrictions and conditions have not lapsed, shall immediately be deemed forfeited. Upon forfeiture of such Restricted Stock, Restricted Stock Units, or Deferred Stock Units, the Grantee shall have no further rights with respect to such Award, including, without limitation, any right to vote such Restricted Stock or any right to receive dividends or Dividend Equivalent Rights, as applicable, with respect to such Restricted Stock, Restricted Stock Units, or Deferred Stock Units.

10.7. Purchase of Restricted Stock and Shares of Stock Subject to Restricted Stock Units and Deferred Stock Units.

The Grantee of an Award of Restricted Stock, vested Restricted Stock Units, or vested Deferred Stock Units shall be required, to the extent required by Applicable Laws, to purchase such Restricted Stock or the shares of Stock subject to such vested Restricted Stock Units or Deferred Stock Units from the Company at a Purchase Price equal to the greater of (i) the aggregate par value of the shares of Stock represented by such Restricted Stock, vested Restricted Stock Units, or vested Deferred Stock Units, or (ii) the Purchase Price, if any, specified in the Award Agreement relating to such Restricted Stock, Restricted Stock Units, or Deferred Stock Units. The Purchase Price shall be payable in a form described in **Section 12** or, in the discretion of the Committee, in consideration for past or future Services rendered or to be rendered to the Company or an Affiliate.

10.8. Delivery of Shares of Stock.

Upon the expiration or termination of any Restricted Period and the satisfaction of any other conditions prescribed by the Committee, including, without limitation, any performance goals or delayed delivery period, the restrictions applicable to Restricted Stock and to Restricted Stock Units or Deferred Stock Units settled in shares of Stock shall lapse, and, unless otherwise provided in the applicable Award Agreement, a book-entry or direct registration (including transaction advices) or a certificate evidencing ownership of such shares of Stock shall, consistent with **Section 3.8**, be issued, free of all such restrictions, to the Grantee thereof or such Grantee s beneficiary or estate, as the case may be. Neither the Grantee, nor the Grantee s beneficiary or estate, shall have any further rights with regard to a Restricted Stock Unit or Deferred Stock Unit once the shares of Stock represented by such Restricted Stock Unit or Deferred Stock Unit have been delivered in accordance with this **Section 10.8**.

11. TERMS AND CONDITIONS OF UNRESTRICTED STOCK AWARDS AND OTHER EQUITY-BASED AWARDS

11.1. Unrestricted Stock.

The Committee may, in its sole discretion, grant (or sell at the par value of a share of Stock or such other higher Purchase Price determined by the Committee) an Award to any Grantee pursuant to which such Grantee may receive shares of Unrestricted Stock under the Plan. Awards of Unrestricted Stock may be granted or sold as described in the preceding sentence in respect of past or future Services or other valid consideration, in lieu of or in addition to any cash compensation due to such Grantee.

11.2. Other Equity-Based Awards.

The Committee may, in its sole discretion, grant Awards in the form of Other Equity-Based Awards, as deemed by the Committee to be consistent with the purposes of the Plan. Awards granted pursuant to this **Section 11.2** may be granted with vesting, value, and/or payment contingent upon the achievement of one or more performance goals. The Committee shall determine the terms and conditions of Other Equity-Based Awards on the Grant Date or thereafter. Unless the Committee provides otherwise in an Award Agreement, in another agreement with the Grantee, or otherwise in writing after the Award Agreement is issued, but prior to termination of Grantee's Service, upon the termination of a Grantee's Service, any Other Equity-Based Awards held by such Grantee that have not vested, or with respect to which all applicable restrictions and conditions have not lapsed, shall immediately be deemed forfeited. Upon forfeiture of any Other Equity-Based Award, the Grantee shall have no further rights with respect to such Other Equity-Based Award.

12. FORM OF PAYMENT FOR OPTIONS AND RESTRICTED STOCK

12.1. General Rule.

Payment of the Option Price for the shares of Stock purchased pursuant to the exercise of an Option or the Purchase Price, if any, for Restricted Stock, vested Restricted Stock Units, or vested Deferred Stock Units shall be made in cash or in cash equivalents acceptable to the Company.

12.2. Surrender of Shares of Stock.

To the extent the applicable Award Agreement so provides, payment of the Option Price for shares of Stock purchased pursuant to the exercise of an Option or the Purchase Price, if any, for Restricted Stock, vested Restricted Stock Units, or vested Deferred Stock Units may be made all or in part through the tender or attestation to the Company of shares of Stock, which shall be valued, for purposes of determining the extent to which the Option Price or Purchase Price has been paid thereby, at their Fair Market Value on the date of such tender or attestation.

12.3. Cashless Exercise.

To the extent permitted by Applicable Laws and to the extent the Award Agreement so provides, payment of the Option Price for shares of Stock purchased pursuant to the exercise of an Option may be made all or in part by delivery (on a form acceptable to the Committee) of an irrevocable direction to a licensed securities broker acceptable to the Company to sell shares of Stock and to deliver all or part of the sales proceeds to the Company in payment of the Option Price and/or any withholding taxes described in **Section 18.3**.

12.4. Other Forms of Payment.

To the extent the Award Agreement so provides and/or unless otherwise specified in an Award Agreement, payment of the Option Price for shares of Stock purchased pursuant to exercise of an Option or the Purchase Price, if any, for Restricted Stock, vested Restricted Stock Units, or vested Deferred Stock Units may be made in any other form that is consistent with Applicable Laws, including, without limitation, (i) with respect to Restricted Stock, vested Restricted Stock Units, and/or vested Deferred Stock Units only, Service rendered or to

be rendered by the Grantee thereof to the Company or an Affiliate and (ii) with the consent of the Company, by withholding the number of shares of Stock that would otherwise vest or be issuable in an amount equal in value to the Option Price or Purchase Price, if any, and/or any withholding taxes described in **Section 18.3**.

13. TERMS AND CONDITIONS OF DIVIDEND EQUIVALENT RIGHTS

13.1. Dividend Equivalent Rights.

A Dividend Equivalent Right may be granted hereunder; provided that no Dividend Equivalent Right may be granted in connection with, or related to, an Award of Options or SARs. The terms and conditions of Dividend Equivalent Rights shall be specified in the Award Agreement therefor. Dividend equivalents credited to the holder of a Dividend Equivalent Right may be paid currently (with or without being subject to forfeiture or a repayment obligation) or may be deemed to be reinvested in additional shares of Stock or Awards, which may thereafter accrue additional Dividend Equivalent Rights (with or without being subject to forfeiture or a repayment obligation). Any such reinvestment shall be at the Fair Market Value on the date of such reinvestment. Dividend Equivalent Rights may be settled in cash, shares of Stock, or a combination thereof, in a single installment or in multiple installments, all as determined in the sole discretion of the Committee. A Dividend Equivalent Right granted as a component of another Award may (i) provide that such Dividend Equivalent Right shall be settled upon exercise, settlement, or payment of, or lapse of restrictions on, such other Award and that such Dividend Equivalent Right shall expire or be forfeited or annulled under the same conditions as such other Award or (ii) contain terms and conditions which are different from the terms and conditions of such other Award; provided, however, that Dividend Equivalent rights credited pursuant to a Dividend Equivalent Right granted as a component of another Award which vests or is earned based upon the achievement of performance goals shall not vest or be paid unless the performance goals for such underlying Award are achieved.

13.2. Termination of Service.

Unless the Committee provides otherwise in an Award Agreement, in another agreement with the Grantee, or otherwise in writing after the Award Agreement is issued, a Grantee's rights in all Dividend Equivalent Rights shall automatically terminate upon the Grantee's termination of Service for any reason.

14. TERMS AND CONDITIONS OF PERFORMANCE AWARDS AND ANNUAL INCENTIVE AWARDS

14.1. Grant of Performance Awards and Annual Incentive Awards.

Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Performance Awards and/or Annual Incentive Awards in such amounts and upon such terms as the Committee shall determine.

14.2. Value of Performance Awards and Annual Incentive Awards.

Each Performance Award and Annual Incentive Award shall have an initial cash value or an actual or target number of shares of Stock that is established by the Committee as of the Grant Date. The Committee shall set performance goals in its discretion which, depending on the extent to which they are achieved, shall determine the value and/or number of shares of Stock that will be paid out to the Grantee thereof.

14.3. Earning of Performance Awards and Annual Incentive Awards.

Subject to the terms of this Plan, after the applicable Performance Period has ended, the Grantee of Performance Awards or Annual Incentive Awards shall be entitled to receive a payout of the value earned under such Performance Awards or Annual Incentive Awards by such Grantee over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals have been achieved.

A-19

14.4. Form and Timing of Payment of Performance Awards and Annual Incentive Awards.

Payment of the value earned under Performance Awards and Annual Incentive Awards shall be made, as determined by the Committee, in the form, at the time, and in the manner described in the applicable Award Agreement. Subject to the terms of this Plan, the Committee, in its sole discretion, (i) may pay the value earned under Performance Awards in the form of cash, shares of Stock, other Awards, or in a combination thereof, including shares of Stock and/or other Awards that are subject to any restrictions deemed appropriate by the Committee, and (ii) shall pay the value earned under Performance Awards and Annual Incentive Awards at the close of the applicable Performance Period, or as soon as reasonably practicable after the Committee has determined that the performance goal or goals relating thereto have been achieved; provided that, unless specifically provided in the Award Agreement, such payment shall occur no later than the fifteenth (15th) day of the third (3rd) month following the end of the calendar year in which the Performance Period ends.

14.5. Performance Conditions.

The right of a Grantee to exercise or receive a grant or settlement of any Award, and the timing thereof, may be subject to such performance conditions as may be specified by the Committee. The Committee may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions. If and to the extent required under Code Section 162(m), any power or authority relating to an Award intended to qualify under Code Section 162(m) shall be exercised by the Committee and not the Board.

14.6. Performance Awards or Annual Incentive Awards Granted to Designated Covered Employees.

If and to the extent that the Committee determines that a Performance Award or Annual Incentive Award to be granted to a Grantee who is designated by the Committee as likely to be a Covered Employee should constitute Qualified Performance-Based Compensation for purposes of Code Section 162(m), the grant, exercise, and/or settlement of such Award shall be contingent upon achievement of pre-established performance goals and other terms set forth in this **Section 14.6**.

14.6.1. Performance Goals Generally.

The performance goals for Performance or Annual Incentive Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each of such criteria, as specified by the Committee consistent with this **Section 14.6**. Performance goals shall be objective and shall otherwise meet the requirements of Code Section 162(m) including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being substantially uncertain. The Committee may determine that such Awards shall be granted, exercised, and/or settled upon achievement of any single performance goal or of two (2) or more performance goals. Performance goals may differ for Awards granted to any one Grantee or to different Grantees.

14.6.2. Timing For Establishing Performance Goals.

Performance goals shall be established not later than the earlier of (i) ninety (90) days after the beginning of any Performance Period applicable to such Awards and (ii) the date on which twenty-five percent (25%) of any Performance Period applicable to such Awards has expired, or at such other date as may be required or permitted for compensation paid to a Covered Employee to constitute Performance-Based Compensation.

14.6.3. Settlement of Awards; Other Terms.

Settlement of such Awards shall be in cash, shares of Stock, other Awards, or a combination thereof, including shares of Stock and/or Awards that are subject to any restrictions deemed appropriate by the Committee, in each case as determined in the sole discretion of the Committee. The Committee may, in its sole discretion, reduce the amount of a settlement otherwise to be made in connection with such Awards. The Committee shall specify the circumstances in which such Performance Awards or Annual Incentive Awards shall

be paid or forfeited in the event of termination of Service by the Grantee prior to the end of a Performance Period or settlement of such Awards. In the event payment of a Performance Award is made in the form of another Award subject to Service-based vesting, the Committee shall specify the circumstances in which the payment Award will be paid or forfeited in the event of a termination of Service.

14.6.4. Performance Measures.

The performance goals upon which the payment or vesting of a Performance Award or Annual Incentive Award to a Covered Employee that is intended to constitute Qualified Performance-Based Compensation may be conditioned shall be limited to the following Performance Measures, with or without adjustment (including pro forma adjustments):

In addition, the Committee, in its sole discretion, may select performance under the Performance Measure specified in clause (e) above for comparison to performance under one or more stock market indices designated or approved by the Committee. The Committee shall also have the authority to provide for accelerated vesting of any Performance Award or Annual Incentive Award based on the achievement of performance goals pursuant to the Performance Measures specified in this **Section 14**.

14.6.5. Evaluation of Performance.

The Committee may provide in any Performance Award or Annual Incentive Award that any evaluation of performance may include or exclude any of the following events that occur during a Performance Period: (i) asset write-downs; (ii) litigation or claims, judgments, or settlements; (iii) the effect of changes in tax laws, accounting principles, or other laws or provisions affecting reported results; (iv) any reorganization,

To the extent such inclusions or exclusions affect Awards to Covered Employees that are intended to qualify as Performance-Based Compensation, such inclusions or exclusions shall be prescribed in a form that meets the requirements of Code Section 162(m) for deductibility.

14.6.6. Adjustment of Performance-Based Compensation.

The Committee shall have the sole discretion to adjust Awards that are intended to qualify as Performance-Based Compensation, either on a formula or discretionary basis, or on any combination thereof, as the Committee determines consistent with the requirements of Code Section 162(m) for deductibility.

14.6.7. Committee Discretion.

In the event that Applicable Laws change to permit Committee discretion to alter the governing Performance Measures without obtaining stockholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining stockholder approval, provided that the exercise of such discretion shall not be inconsistent with the requirements of Code Section 162(m). In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as Performance-Based Compensation, the Committee may make such grants without satisfying the requirements of Code Section 162(m) and base vesting on Performance Measures other than those set forth in **Section 14.6.4**.

14.7. Status of Awards Under Code Section 162(m).

It is the intent of the Company that Awards under **Section 14.6** granted to Grantees who are designated by the Committee as likely to be Covered Employees shall, if so designated by the Committee, constitute Qualified Performance-Based Compensation within the meaning of Code Section 162(m). Accordingly, the terms of **Section 14.6**, including the definitions of Covered Employee and other terms used therein, shall be interpreted in a manner consistent with Code Section 162(m). The foregoing notwithstanding, because the Committee cannot determine with certainty whether a given Grantee will be a Covered Employee with respect to a fiscal year that has not yet been completed, the term Covered Employee as used herein shall mean only a Grantee designated by the Committee, as of the Grant Date of an Award, as likely to be a Covered Employee with respect to that fiscal year. If any provision of the Plan, the applicable Award Agreement, or any other agreement relating to such Awards does not comply or is inconsistent with the requirements of Code Section 162(m), such provision shall be construed or deemed amended to the extent necessary to conform to such requirements.

15. PARACHUTE LIMITATIONS

If the Grantee is a Disqualified Individual, then, notwithstanding any other provision of this Plan or of any Other Agreement, and notwithstanding any Benefit Arrangement, any right to exercise, vesting, payment or benefit to the Grantee under this Plan shall be reduced or eliminated:

(i) to the extent that such right to exercise, vesting, payment, or benefit, taking into account all other rights, payments, or benefits to or for the Grantee under this Plan, all Other Agreements, and all Benefit Arrangements, would cause any exercise, vesting, payment or benefit to the Grantee under this Plan to be considered a Parachute Payment; and

(ii) if, as a result of receiving such Parachute Payment, the aggregate after-tax amounts received by the Grantee from the Company under this Plan, all Other Agreements, and all Benefit Arrangements would be less than the maximum after-tax amount that could be received by the Grantee without causing any such payment or benefit to be considered a Parachute Payment.

Except as required by Code Section 409A or to the extent that Code Section 409A permits discretion, the Committee shall have the right, in the Committee's sole discretion, to designate those rights, payments, or benefits under the Plan, all Other Agreements, and all Benefit Arrangements that should be reduced or eliminated

Table of Contents

so as to avoid having such rights, payments, or benefits be considered a Parachute Payment; provided, however, to the extent any payment or benefit constitutes deferred compensation under Code Section 409A, in order to comply with Code Section 409A, the Company shall instead accomplish such reduction by first reducing or eliminating any cash payments (with the payments to be made furthest in the future being reduced first), then by reducing or eliminating any accelerated vesting of Performance Awards, then by reducing or eliminating any accelerated vesting of Options or SARs, then by reducing or eliminating any accelerated vesting of Restricted Stock, Restricted Stock Units, or Deferred Stock Units, then by reducing or eliminating any other remaining Parachute Payments.

16. REQUIREMENTS OF LAW**16.1. General.**

The Company shall not be required to offer, sell, or issue any shares of Stock under any Award, whether pursuant to the exercise of an Option, a SAR, or otherwise, if the offer, sale, or issuance of such shares of Stock would constitute a violation by the Grantee, the Company, an Affiliate, or any other Person of any provision of the Company's certificate of incorporation or bylaws or of Applicable Laws, including any federal or state securities laws or regulations. If at any time the Company shall determine, in its discretion, that the listing, registration, or qualification of any shares of Stock subject to an Award upon any Stock Exchange or Securities Market or under any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the offering, sale, issuance, or purchase of shares of Stock in connection with any Award, no shares of Stock may be offered, sold, or issued to the Grantee or any other Person under such Award, whether pursuant to the exercise of an Option, a SAR, or otherwise, unless such listing, registration, or qualification shall have been effected or obtained free of any conditions not acceptable to the Company, and any delay caused thereby shall in no way affect the date of termination of such Award. Without limiting the generality of the foregoing, upon the exercise of any Option or any SAR that may be settled in shares of Stock or the delivery of any shares of Stock underlying an Award, unless a registration statement under the Securities Act is in effect with respect to the shares of Stock subject to such Award, the Company shall not be required to offer, sell, or issue such shares of Stock unless the Committee shall have received evidence satisfactory to it that the Grantee or any other Person exercising such Option or SAR or accepting delivery of such shares may acquire such shares of Stock pursuant to an exemption from registration under the Securities Act. Any determination by the Committee in connection with the foregoing shall be final, binding, and conclusive. The Company may register, but shall in no event be obligated to register, any shares of Stock or other securities issuable pursuant to the Plan pursuant to the Securities Act. The Company shall not be obligated to take any affirmative action in order to cause the exercise of an Option or a SAR or the issuance of shares of Stock or other securities issuable pursuant to the Plan or any Award to comply with any Applicable Laws. As to any jurisdiction that expressly imposes the requirement that an Option or SAR that may be settled in shares of Stock shall not be exercisable until the shares of Stock subject to such Option or SAR are registered under the securities laws thereof or are exempt from such registration, the exercise of such Option or SAR under circumstances in which the laws of such jurisdiction apply shall be deemed conditioned upon the effectiveness of such registration or the availability of such an exemption.

16.2. Rule 16b-3.

During any time when the Company has any class of equity security registered under Section 12 of the Exchange Act, it is the intent of the Company that Awards pursuant to the Plan and the exercise of Options and SARs granted hereunder that would otherwise be subject to Section 16(b) of the Exchange Act shall qualify for the exemption provided by Rule 16b-3 under the Exchange Act. To the extent that any provision of the Plan or action by the Board or the Committee does not comply with the requirements of Rule 16b-3, it shall be deemed inoperative with respect to such Awards to the extent permitted by law and deemed advisable by the Board or Committee, and shall not affect the

validity of the Plan. In the event that Rule 16b-3 is revised or replaced, the Committee may exercise its discretion to modify this Plan in any respect necessary or advisable in its judgment to satisfy the requirements of, or to permit the Company to avail itself of the benefits of, the revised exemption or its replacement.

A-24

Table of Contents**17. EFFECT OF CHANGES IN CAPITALIZATION****17.1. Changes in Stock.**

If the number of outstanding shares of Stock is increased or decreased or the shares of Stock are changed into or exchanged for a different number of share or kind of Capital Stock or other securities of the Company on account of any recapitalization, reclassification, stock split, reverse stock split, spin-off, combination of stock, exchange of stock, stock dividend or other distribution payable in Capital Stock, or other increase or decrease in such Stock effected without receipt of consideration by the Company occurring after the Amendment Date, the number and kinds of shares of Capital Stock for which grants of Options and other Awards may be made under the Plan, including, without limitation, the Share Limit set forth in **Section 4.1** and the individual limits set forth in **Section 6.2**, shall be adjusted proportionately and accordingly by the Committee. In addition, the number and kind of shares of Capital Stock for which Awards are outstanding shall be adjusted proportionately and accordingly by the Committee so that the proportionate interest of the Grantee immediately following such event shall, to the extent practicable, be the same as immediately before such event. Any such adjustment in outstanding Options or SARs shall not change the aggregate Option Price or SAR Exercise Price payable with respect to shares that are subject to the unexercised portion of an outstanding Option or SAR, as applicable, but shall include a corresponding proportionate adjustment in the per share Option Price or SAR Exercise Price, as applicable. The conversion of any convertible securities of the Company shall not be treated as an increase in shares effected without receipt of consideration. Notwithstanding the foregoing, in the event of any distribution to the Company's stockholders of securities of any other entity or other assets (including an extraordinary dividend, but excluding a non-extraordinary dividend, declared and paid by the Company) without receipt of consideration by the Company, the Board or the Committee shall, in such manner as the Board or the Committee deems appropriate, adjust (i) the number and kind of shares of Capital Stock subject to outstanding Awards and/or (ii) the aggregate and per share Option Price of outstanding Options and the aggregate and per share SAR Exercise Price of outstanding Stock Appreciation Rights, as applicable, to reflect such distribution.

17.2. Reorganization in Which the Company Is the Surviving Entity Which Does not Constitute a Change in Control.

Subject to **Section 17.3**, if the Company shall be the surviving entity in any reorganization, merger, or consolidation of the Company with one or more other entities which does not constitute a Change in Control, any Award theretofore granted pursuant to the Plan shall pertain to and apply to the Capital Stock to which a holder of the number of shares of Stock subject to such Award would have been entitled immediately following such reorganization, merger, or consolidation, with a corresponding proportionate adjustment of the per share Option Price and SAR Exercise Price so that the aggregate Option Price or SAR Exercise Price thereafter shall be the same as the aggregate Option Price or SAR Exercise Price of the shares of Stock remaining subject to the Option or SAR immediately prior to such reorganization, merger, or consolidation. Subject to any contrary language in an Award Agreement, in another agreement with the Grantee, or as otherwise set forth in writing, any restrictions applicable to such Award shall apply as well to any replacement shares of Capital Stock subject to such Award or received by the Grantee as a result of the reorganization, merger, or consolidation. In the event of a transaction described in this **Section 17.2**, Performance Awards shall be adjusted (including any adjustment to the Performance Measures applicable to such Awards deemed appropriate by the Committee) so as to apply to the Capital Stock that a holder of the number of shares of Stock subject to the Performance Awards would have been entitled to receive immediately following such reorganization, merger, or consolidation.

17.3. Change in Control in which Awards are not Assumed.

Except as otherwise provided in the applicable Award Agreement, in another agreement with the Grantee, or as otherwise set forth in writing, upon the occurrence of a Change in Control in which outstanding Awards are not being assumed or continued, the following provisions shall apply to such Award, to the extent not assumed or continued:

(i) Immediately prior to the occurrence of such Change in Control, in each case with the exception of any Performance Award, all outstanding shares of Restricted Stock and all Restricted Stock Units, Deferred Stock Units, and Dividend Equivalent Rights shall be deemed to have vested, and all shares of Stock and/or cash subject to such Awards shall be delivered; and

(ii) Either or both of the following two (2) actions shall be taken:

(a) At least fifteen (15) days prior to the scheduled consummation of such Change in Control, all Options and SARs outstanding hereunder shall become immediately exercisable and shall remain exercisable for a period of fifteen (15) days. Any exercise of an Option or SAR during this fifteen (15)-day period shall be conditioned upon the consummation of the Change in Control and shall be effective only immediately before the consummation thereof, and upon consummation of such Change in Control, the Plan and all outstanding but unexercised Options and SARs shall terminate, with or without consideration (including, without limitation, consideration in accordance with clause (b) below) as determined by the Committee in its sole discretion. The Committee shall send notice of an event that shall result in such a termination to all Persons who hold Options and SARs not later than the time at which the Company gives notice thereof to its stockholders.

or

(b) The Committee may elect, in its sole discretion, to cancel any outstanding Awards of Options, SARs, Restricted Stock, Restricted Stock Units, Deferred Stock Units, and/or Dividend Equivalent Rights and pay or deliver, or cause to be paid or delivered, to the holder thereof an amount in cash or Capital Stock having a value (as determined by the Committee acting in good faith), in the case of Restricted Stock, Restricted Stock Units, Deferred Stock Units, and Dividend Equivalent Rights (for shares of Stock subject thereto), equal to the formula or fixed price per share paid to holders of shares of Stock pursuant to such Change in Control and, in the case of Options or SARs, equal to the product of the number of shares of Stock subject to the Option or SAR, multiplied by the amount, if any, by which (I) the formula or fixed price per share paid to holders of shares of Stock pursuant to such transaction exceeds (II) the Option Price or SAR Exercise Price applicable to such Options or SARs.

(iii) Performance Awards shall be deemed to have vested as to the greater of (a) vesting as though target performance has been achieved or (b) vesting based on pro rata actual performance as of a date reasonably proximal to the date of consummation of the Change in Control, as determined by the Committee in its sole discretion, where that level of performance thus determined shall be treated as achieved immediately prior to the consummation of the Change in Control. For purposes of the preceding sentence, if, based on the discretion of the Committee, actual performance is not determinable, the Performance Awards shall be treated as though target performance has been achieved. After application of this **Section 17.3(iii)**, if any Awards arise from application of this **Section 17**, such Awards shall be settled under the applicable provision of **Section 17.3(i)** and **(ii)**.

(iv) Other-Equity Based Awards shall be governed by the terms of the applicable Award Agreement.

17.4. Change in Control in which Awards are Assumed.

Except as otherwise provided in the applicable Award Agreement, in another agreement with the Grantee, or as otherwise set forth in writing, upon the occurrence of a Change in Control in which outstanding Awards are being assumed or continued, the following provisions shall apply to such Award, to the extent assumed or continued:

The Plan, Options, SARs, Restricted Stock, Restricted Stock Units, Deferred Stock Units, Dividend Equivalent Rights, and Other Equity-Based Awards theretofore granted under the Plan shall continue in the

A-26

manner and under the terms so provided in the event of any Change in Control to the extent that provision is made in writing in connection with such Change in Control for the assumption or continuation of such Awards theretofore granted, or for the substitution for such Awards for new stock options, stock appreciation rights, restricted stock, restricted stock units, deferred stock units, dividend equivalent rights, and other equity-based awards relating to the Capital Stock of a successor entity, or a parent or subsidiary thereof, with appropriate adjustments as to the number of shares (disregarding any consideration that is not common stock) and exercise prices of options and stock appreciation rights.

17.5. Adjustments

Adjustments under this **Section 17** related to shares of Stock or other Capital Stock of the Company shall be made by the Committee, whose determination in that respect shall be final, binding and conclusive. No fractional shares or other securities shall be issued pursuant to any such adjustment, and any fractions resulting from any such adjustment shall be eliminated in each case by rounding downward to the nearest whole share. The Committee may provide in the Award Agreement as of the Grant Date, in another agreement with the Grantee, or otherwise in writing at any time thereafter with the consent of the Grantee, for different provisions to apply to an Award in place of those described in **Sections 17.1, 17.2, 17.3 and 17.4**. This **Section 17** shall not limit the Committee's ability to provide for alternative treatment of Awards outstanding under the Plan in the event of change in control events involving the Company that are not a Change in Control hereunder.

17.6. No Limitations on Company.

The making of Awards pursuant to the Plan shall not affect or limit in any way the right or power of the Company to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure or to merge, consolidate, dissolve, or liquidate, or to sell or transfer all or any part of its business or assets (including all or any part of the business or assets of any Subsidiary or other Affiliate) or to engage in any other transaction or activity.

18. GENERAL PROVISIONS

18.1. Disclaimer of Rights.

No provision in the Plan, any Award, or any Award Agreement shall be construed (i) to confer upon any Person the right to remain in the Service of the Company or an Affiliate, (ii) to interfere in any way with any contractual or other right or authority of the Company or an Affiliate either to increase or decrease the compensation or other payments to any Person at any time, or (iii) to terminate any Service or other relationship between any Person and the Company or an Affiliate. In addition, notwithstanding any provision of the Plan to the contrary, unless otherwise stated in the applicable Award Agreement, in another agreement with the Grantee, or otherwise in writing, no Award granted under the Plan shall be affected by any change of duties or position of the Grantee, so long as such Grantee continues to provide Service. The obligation of the Company to pay any benefits pursuant to this Plan shall be interpreted as a contractual obligation to pay only those amounts described herein, in the manner and under the conditions prescribed herein. The Plan and Awards shall in no way be interpreted to require the Company to transfer any amounts to a third party trustee or otherwise hold any amounts in trust or escrow for payment to any Grantee or beneficiary under the terms of the Plan.

18.2. Nonexclusivity of the Plan.

Neither the adoption of the Plan nor the submission of the Plan to the stockholders of the Company for approval shall be construed as creating any limitations upon the right and authority of the Board or the Committee to adopt such other incentive compensation arrangements (which arrangements may be applicable either generally to a class or classes of individuals or specifically to a particular individual or particular individuals) as the Board or the Committee in their discretion determines desirable.

18.3. Withholding Taxes.

The Company or an Affiliate, as the case may be, shall have the right to deduct from payments of any kind otherwise due to a Grantee any federal, state, or local taxes of any kind required by Applicable Law to be

withheld with respect to the vesting of or other lapse of restrictions applicable to an Award or the issuance of any shares of Stock or cash upon the exercise of, settlement of, or otherwise with respect to, an Award. At the time of such vesting, lapse, exercise, settlement, or other payment, the Grantee shall pay in cash to the Company or such Affiliate, as the case may be, any amount that the Company or such Affiliate may reasonably determine to be necessary to satisfy such withholding obligation; provided, however, that if there is a same day sale of shares of Stock subject to an Award, the Grantee shall pay such withholding obligation on the day that the same day sale is completed. Subject to the prior approval of the Company or an Affiliate, which may be withheld by the Company or such Affiliate, as the case may be, in its sole discretion, the Grantee may elect to satisfy such withholding obligations, in whole or in part, (i) by causing the Company or an Affiliate to withhold shares of Stock otherwise issuable to the Grantee or (ii) by delivering to the Company or an Affiliate shares of Stock already owned by the Grantee. The shares of Stock so delivered or withheld shall have an aggregate Fair Market Value equal to such withholding obligations. The Fair Market Value of the shares of Stock used to satisfy such withholding obligations shall be determined by the Company or an Affiliate as of the date on which the amount of tax to be withheld is to be determined. A Grantee who has made an election pursuant to this **Section 18.3** may satisfy his or her withholding obligations only with shares of Stock that are not subject to any repurchase, forfeiture, unfulfilled vesting, or other similar requirements. The maximum number of shares of Stock that may be withheld from any Award to satisfy any federal, state, or local tax withholding requirements upon the exercise, vesting, lapse of restrictions applicable to such Award, or payment of shares of Stock pursuant to such Award, as applicable, cannot exceed such number of shares of Stock having a Fair Market Value equal to the minimum statutory amount required by the Company or an Affiliate to be withheld and paid to any such federal, state, or local taxing authority with respect to such vesting, lapse, exercise, settlement, or other payment.

18.4. Captions.

The use of captions in this Plan or any Award Agreement is for convenience of reference only and shall not affect the meaning of any provision of the Plan or such Award Agreement.

18.5. Other Provisions.

Each Award granted under the Plan may contain such other terms and conditions not inconsistent with the Plan as may be determined by the Committee, in its sole discretion.

18.6. Number and Gender.

With respect to words used in this Plan, the singular form shall include the plural form, the masculine gender shall include the feminine gender, etc., as the context requires.

18.7. Severability.

If any provision of the Plan or any Award Agreement shall be determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction.

18.8. Governing Law

The validity and construction of this Plan and the instruments evidencing the Awards hereunder shall be governed by, and construed and interpreted in accordance with, the laws of the State of Maryland, other than any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan and the instruments evidencing the Awards granted hereunder to the substantive laws of any other jurisdiction.

18.9. Section 409A of the Code.

The Plan is intended to comply with Code Section 409A to the extent subject thereto, and, accordingly, to the maximum extent permitted, the Plan will be interpreted and administered to be in compliance with Code Section 409A. Any payments described in the Plan that are due within the Short-Term Deferral Period will not be treated as deferred compensation unless Applicable Laws require otherwise. Notwithstanding any provision of the Plan to the contrary, to the extent required to avoid accelerated taxation and tax penalties under Code Section 409A, amounts that would otherwise be payable and benefits that would otherwise be provided pursuant to the Plan during the six (6)-month period immediately following the Grantee's Separation from Service will instead be paid on the first payroll date after the six (6)-month anniversary of the Grantee's Separation from Service (or the Grantee's death, if earlier).

Furthermore, notwithstanding anything in the Plan to the contrary, in the case of an Award that is characterized as deferred compensation under Code Section 409A, and pursuant to which settlement and delivery of the cash or shares of Stock subject to the Award is triggered based on a Change in Control, in no event will a Change in Control be deemed to have occurred for purposes of such settlement and delivery of cash or shares of Stock if the transaction is not also a change in the ownership or effective control of the Company or a change in the ownership of a substantial portion of the assets of the Company as determined under Treasury Regulation Section 1.409A-3(i)(5) (without regard to any alternative definition thereunder). If an Award characterized as deferred compensation under Code Section 409A is not settled and delivered on account of the provision of the preceding sentence, the settlement and delivery shall occur on the next succeeding settlement and delivery triggering event that is a permissible triggering event under Code Section 409A. No provision of this paragraph shall in any way affect the determination of a Change in Control for purposes of vesting in an Award that is characterized as deferred compensation under Code Section 409A.

Notwithstanding the foregoing, neither the Company nor the Committee will have any obligation to take any action to prevent the assessment of any excise tax or penalty on any Grantee under Code Section 409A, and neither the Company or an Affiliate nor the Board or the Committee will have any liability to any Grantee for such tax or penalty.
