As you are aware, earlier today, we entered into an agreement to join together and to partner going forward. As two financial institutions with strong footholds in the Delaware Valley, this partnership will further secure our future and our collective ability to serve our communities.

By partnering, we will expand our products and services, and we will increase our banking office network. We will enrich our human capital, bringing new talent and leadership into our organization. We will realize the benefits of a stronger balance sheet and our community investment will be enhanced as well.

Now that the definitive agreement has been signed, we enter into a transition period, where we will further cultivate our partnership and mutually forge the path ahead. Upon regulatory approval, we will officially close this transaction, which we expect to be in the 3rd Quarter, 2016. There's much to accomplish over these next several months and we need your help to ensure a smooth transition and our future success.

We will be engaging you throughout the process and we will keep you posted along the way. Being open and candid is one of our core values; we will be communicating frequently with you, via e-mail and at times, in person. We recognize that you will have questions as the weeks go by, we ask for your patience, and we promise to answer them as quickly as makes sense for everyone involved.

Thank you for partnering with us, for helping us to thoughtfully combine our organizations and for giving us the opportunity to serve our communities even better as we move forward.

Sincerely,
