Item 1.01. Entry into a Material Definitive Agreement.

On April 19, 2016, Flowers Foods, Inc. (the Company) entered into a credit agreement with the lenders party thereto from time to time, Deutsche Bank Securities Inc., as lead arranger and bookrunner, Bank of America, N.A., Branch Banking and Trust Company, Coöperatieve Rabobank U.A., New York Branch, PNC Bank, National Association and Wells Fargo Bank, National Association, as co-documentation agents, Deutsche Bank Securities Inc., as syndication agent and Deutsche Bank AG New York Branch, as administrative agent (the Agent) (the New Term Credit Agreement). The New Term Credit Agreement provides for a five-year, syndicated, unsecured term loan pursuant to which the Company may incur term loan borrowings in a single draw up to an aggregate principal amount of \$150 million. The proceeds of the term loan borrowings are expected to be used by the Company to finance the working capital and general corporate purposes of the Company and to pay fees and expenses related to the financing transactions described in this Current Report on Form 8-K. Term loans made under the New Term Credit Agreement bear interest at a rate based on a Eurodollar rate (based on the London Interbank Offered Rate, LIBOR) or a base rate (which is defined as the highest of the Agent s prime lending rate, the federal funds rate plus 0.5%, and the Eurodollar rate plus 1.0%), plus, in each case, an applicable margin. The applicable margin for base rate loans ranges from 0.00% to 1.25% per annum, and the applicable margin for Eurodollar rate loans ranges from 0.75% to 2.25% per annum, in each case, based on the leverage ratio of the Company and its subsidiaries from time to time.

The New Term Credit Agreement contains customary events of default, representations and warranties, and affirmative and negative covenants, including financial covenants regarding minimum interest coverage ratio and maximum leverage ratio. In addition, in the event that the Company is unable to maintain or obtain minimum required debt ratings, certain of the Company s domestic subsidiaries will be required to deliver a subsidiary guaranty. The New Term Credit Agreement also includes customary conditions precedent to the term loan draw made in accordance with its terms.

Upon the occurrence of an event of default, all amounts outstanding under the New Term Credit Agreement, including principal, accrued interest, and any other fees may be accelerated and become immediately due and payable.

Also on April 19, 2016 (the Amendment Effective Date), the Company entered into the second amendment (the Existing Term Loan Amendment) to its credit agreement, dated as of April 5, 2013 (as amended prior to the Amendment Effective Date, the Existing Term Credit Agreement), with the lenders party thereto and Deutsche Bank AG New York Branch, as administrative agent and the fifth amendment (the Existing Revolving Facility Amendment) to its amended and restated credit agreement, dated as of May 20, 2011 (as amended prior to the Amendment Effective Date, the Existing Revolving Facility), with the lenders party thereto and Deutsche Bank AG New York Branch, as administrative agent. The Existing Term Loan Amendment and the Existing Revolving Facility Amendment (1) addresses changes in law affecting the terms of the Existing Revolving Facility and the Existing Term Credit Agreement, (2) makes certain terms of the Existing Revolving Facility and the Existing Term Credit Agreement less restrictive consistent with the terms of the New Term Credit Agreement, and (3) amends the terms of the Existing Revolving Facility and the Existing Term Credit Agreement to permit the indebtedness to be incurred under the New Term Credit Agreement. In addition:

the Existing Term Loan Amendment reduces its applicable interest rate by reducing the applicable margin for (1) base rate loans to a range of 0.00% to 1.25% and (2) Eurodollar rate loans to a range of 0.75% to 2.25%, in each case, based on the leverage ratio of the Company and its subsidiaries; and

the Existing Revolving Facility Amendment (1) effectively increases the highest applicable margin applicable to (a) base rate loans to 0.75% and (b) Eurodollar rate loans to 1.75%, in each case, based on the leverage ratio of the Company and its subsidiaries and (2) increases the highest applicable facility fee level

to 0.50%, due quarterly on all commitments under the Existing Revolving Facility, based on the leverage ratio of the Company and its subsidiaries.

The Company has other relationships, including financial advisory and banking, with some parties to the New Term Credit Agreement, Existing Term Credit Agreement and Existing Revolving Facility.

The foregoing summaries of the New Term Credit Agreement, Existing Term Loan Amendment and Existing Revolving Facility Amendment are not intended to be complete and are qualified in their entirety by reference to the full text of the New Term Credit Agreement, Existing Term Loan Amendment and Existing Revolving Facility Amendment, copies of which are attached hereto as Exhibit 10.1, Exhibit 10.2 and Exhibit 10.3, respectively, and are incorporated herein by reference.
