The Shares will be sold to the Purchasers at a negotiated purchase price of \$1.375 per share, for aggregate gross proceeds to the Company of approximately \$2.75 million, before deducting fees to the placement agent and other estimated offering expenses payable by the Company. The Shares are being offered by the Company pursuant to an effective shelf registration statement on Form S-3, which was originally filed with the Securities and Exchange Commission on December 1, 2017, and was declared effective on December 8, 2017 (File No. 333-221868) (the “Registration Statement”).

In a concurrent private placement, the Company is also issuing to the each of the Purchasers a warrant to purchase one (1) share of the Company’s Common Stock for each Share purchased under the Purchase Agreement, pursuant to that certain Common Stock Purchase Warrant, by and between the Company and each Purchaser (each, a “Warrant”, and collectively, the “Warrants”), for a purchase price of \$0.125 per Warrant and aggregate gross proceeds to the Company of approximately \$250,000, before deducting fees to the placement agent and other estimated offering expenses payable by the Company. The Warrants and the shares of the Company’s Common Stock issuable upon the exercise of the Warrants (the “Warrant Shares”) are not being registered under the Securities Act of 1933, as amended (the “Securities Act”), pursuant to the Company’s Registration Statement, and are instead being offered pursuant to the exemption provided in Section 4(a)(2) under the Securities Act. Each Purchaser is either (i) an “accredited investor” as defined in Rule 501(a)(1), (a)(2), (a)(3), (a)(7) or (a)(8) under the Securities Act or (ii) a “qualified institutional buyer” as defined in Rule 144A(a) under the Securities Act. Per the terms of the Purchase Agreement, the Company has agreed with the Purchasers to the following: (i) that subject to certain exceptions, the Company will not, within the ninety day period immediately following the closing of the offering, enter into any agreement to issue or announce the issuance or proposed issuance of any securities; (ii) the Company will not, during the period in which the Warrants are outstanding, enter into an agreement to effect a “Variable Rate Transaction,” as that term is defined in the Purchase Agreement; and (iii) until the one-year anniversary of the closing of the offering, the Company will not undertake a reverse or forward stock split or reclassification of the Common Stock without the prior written consent of the Purchasers holding a majority in interest of the Shares then outstanding and still held by them, subject to certain exceptions.

The Company also agreed to indemnify each of the Purchasers against certain losses resulting from its breach of any representations, warranties or covenants under agreements with each of the Purchasers, as well as under certain other circumstances described in the Purchase Agreement.

The representations, warranties and covenants contained in the Purchase Agreement and Warrants were made solely for the benefit of the parties to the Purchase Agreement and Warrants. In addition, such representations, warranties and covenants (i) are intended as a way of allocating the risk between the parties to the Purchase Agreement and Warrants and not as statements of fact, and (ii) may apply standards of materiality in a way that is different from what may be viewed as material by shareholders of, or other investors in, the Company.
