ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On May 21, 2015, PEDEVCO Corp. (the “Company”, “PEDEVCO”, “we” and “us”) entered into an Agreement and Plan of Reorganization (the “Reorganization Agreement”) with PEDEVCO Acquisition Subsidiary, Inc., a newly formed wholly-owned subsidiary of the Company (“Exchange Sub”), Dome Energy AB (“Dome AB”), and Dome Energy, Inc. a wholly-owned subsidiary of Dome AB (“Dome US”, and collectively with Dome AB, “Dome Energy”). Dome US produces approximately 1,250 barrels of oil equivalent per day (BOEPD) from a core operated portfolio of conventional oil and gas assets located in Texas and Wyoming, and from additional producing assets located in Arkansas, Kentucky, Louisiana, Mississippi, and Oklahoma. The Reorganization Agreement provides for the Company’s acquisition of Dome AB through an exchange of certain of the shares of the Company’s common stock for the shares of Dome US, with the Dome US shares being received by Exchange Sub and Dome AB receiving the shares of the Company, as described in greater detail below (the “Exchange”).

At the closing of the Exchange, which is subject to various closing conditions described below, (i) Dome AB will transfer the common stock of Dome US to Exchange Sub, solely in exchange for shares of the common stock of the Company; (ii) Exchange Sub will continue as a wholly-owned subsidiary of the Company and Dome US will be a wholly-owned subsidiary of Exchange Sub; and (iii) the Company will issue Dome AB 152,584,247 shares of the Company’s common stock (subject to adjustment before closing such that the number of shares issued equals 64% of the Company’s issued and outstanding common stock (including shares issuable upon conversion of the Company’s outstanding Series A Convertible Preferred Stock (but excluding certain redeemable Series A Convertible Preferred Stock shares)).

The Reorganization Agreement requires that the parties deliver, on or prior to July 15, 2015, copies of the disclosure schedules required pursuant to the terms of the Reorganization Agreement and that Dome US deliver audited financial statements relating to the periods required to be disclosed in the planned Form S-4 Registration Statement (described in greater detail below) (the “Dome US Financials”). In the event there are any issues associated with such disclosures, or a material difference in the Dome US Financials delivered to the Company versus information previously supplied to the Company, or if Dome US failed to achieve a minimum consolidated EBITDAX (revenue minus expenses (excluding tax, interest, depreciation, depletion, amortization and exploration expenses)) of at least \$9.0 million annualized based on Dome US’s audited financial statements for the three-months ended December 31, 2014, the parties agreed to negotiate such issues in good faith, and if such differences cannot mutually be agreed to after thirty days, that the Reorganization Agreement can be terminated without penalty.

The Board of Directors of the Company and Dome US have (i) adopted and declared advisable the Reorganization Agreement and the transactions contemplated by the Reorganization Agreement, including the Exchange, upon the terms and subject to the conditions set forth in the Reorganization Agreement; and (ii) determined that the Reorganization Agreement and the transactions contemplated by the Reorganization Agreement are fair to, and in the best interests of, the Company and its stockholders, subject in all cases to the receipt by the Company of an opinion of Roth Capital Partners, LLC, the Company’s financial advisor, to the effect that the Exchange is fair, from a financial point of view, to the Company’s shareholders (the “Fairness Opinion”).

The parties have made customary representations, warranties and covenants in the Reorganization Agreement including, among others, covenants relating to (1) the conduct of each party’s business during the interim period between the execution of the Reorganization Agreement and the consummation of the Exchange, (2) each party’s obligations to facilitate their shareholders’ consideration of, and voting upon, the Reorganization Agreement and the Exchange, (3) the recommendation by the Company’s and Dome AB’s Boards of Directors in favor of approval of the Reorganization Agreement and the Exchange by their respective shareholders, (4) the obligation of the Company and Dome AB to submit the Reorganization Agreement to their respective shareholders for approval at a meeting of shareholders held for that purpose (which will be described in greater detail in the Form S-4 Registration Statement), and (5) following the satisfaction of any open due diligence issues after the delivery of disclosure schedules and the

DOMES US Financials, which are due on or before July 15, 2015 as described above, each party's non-solicitation obligations relating to alternative business combination transactions.

The Exchange is subject to customary closing conditions, including (1) approval of the Agreement by the shareholders of the Company and Dome AB, (2) receipt of required regulatory approvals, (3) the absence of any law or order prohibiting the consummation of the Exchange, (4) approval of the NYSE MKT, and (5) the effectiveness of a Form S-4 Registration Statement relating to the Company's common stock to be issued in the Exchange and including proxy information for both the Company and Dome AB (the "Form S-4"). Each party's obligation to complete the Exchange is also subject to certain additional customary conditions, including (a) subject to certain exceptions, the accuracy of the representations and warranties of the other party, and (b) performance in all material respects by the other party of its obligations under the Agreement. Additionally, closing conditions relating to Dome AB's obligation to close the transaction include the obligation of the Company to furnish Dome AB with (A) evidence satisfactory to it that (i) our junior lender has agreed to subordinate approximately \$8.35 million of debt owed to a \$43.75 million credit facility held by Dome US; and (ii) we have satisfied in full all obligations under our senior loan; and (B) copies of new employment agreements with Frank C. Ingriselli (our Chief Executive Officer); Michael L. Peterson (our President and Chief Financial Officer); and Clark R. Moore (our General Counsel and Executive Vice President), modifying the terms of their current agreements to, among other things, waive certain change of control provisions set forth therein (the "New Employment Agreements").

Each of the Company and Dome US agreed to pay all costs and expenses incurred by them in connection with the Reorganization Agreement; provided, however, the parties agreed to split equally the costs incurred in connection with the preparing, printing, mailing and filing of the Form S-4, and submitting the new listing application relating to the combined entity, if requested or required by the NYSE MKT, but that the Company would pay all costs associated with the Fairness Opinion.

The Reorganization Agreement also includes customary termination provisions for both the Company and Dome US, subject, in certain circumstances, to the payment by either party of a termination fee of \$1 million. Specifically, and subject to the terms of the Reorganization Agreement, including in certain circumstances rights to cure or other prerequisites (a) upon termination of the Reorganization Agreement by the Company, Dome US shall be obligated to pay the \$1 million termination fee to the Company (i) if Dome US fails to fulfill any material obligation under the Reorganization Agreement by November 19, 2015, which causes the Exchange not to close (subject to certain exceptions); (ii) if Dome US breaches any representation or warranty in the Reorganization Agreement, and subject to the right to cure, and such breach constitutes a material adverse effect; or (iii) if the Dome AB shareholders fail to approve the Exchange, or the Board of Directors of Dome US accept a superior offer (as described in the Reorganization Agreement); or (b) upon termination of the Reorganization Agreement by Dome US, we shall be obligated to pay the \$1 million termination fee to Dome US (i) if we fail to fulfill any material obligation under the Reorganization Agreement by November 19, 2015 which causes the Exchange not to close (subject to certain exceptions); (ii) if we breach any representation or warranty in the Reorganization Agreement, and subject to the right to cure, and such breach constitutes a material adverse effect; (iii) if our Board of Directors fails to recommend, or modifies the recommendation to our shareholders to approve such Exchange (except on the basis of the Fairness Opinion concluding the Exchange is not fair to Company shareholders); (iv) if our shareholders fail to approve the Exchange, or our Board of Directors accepts a superior offer (as described in the Reorganization Agreement); or (v) if we fail to deliver the New Employment Agreements.

The parties intend, for U.S. federal income tax purposes, that the Exchange will qualify as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code of 1986. Following the closing of the Exchange, Dome AB is expected to distribute the shares of the Company which it receives ratably to its shareholders in exchange for and in complete cancellation and retirement of all of its issued and outstanding stock and in complete liquidation of Dome AB, followed by the dissolution of Dome AB, all as subject to the approval by the Dome AB shareholders and the appropriate Swedish authorities (Dome AB is a Swedish corporation).

Voting Agreements

On May 21, 2015, concurrently with the execution of the Reorganization Agreement, (i) our executive officers Mr. Ingriselli, Mr. Peterson, and Mr. Moore, (ii) Brightening Lives Foundation, Inc., and Golden Globe Energy (US), LLC, each significant shareholders of the Company, and (iii) certain significant shareholders of Dome AB, entered into voting agreements with Dome AB and us, respectively (the “Voting Agreements”), pursuant to which, among other things and subject to the terms and conditions therein, such stockholders provided proxies relating to the voting of the shares of common stock beneficially owned by such shareholders and further agreed to vote all shares of Company common stock and Dome AB common stock, respectively and as applicable, beneficially owned by such stockholders, representing approximately 19.5% of the outstanding shares of the Company and 32.6% of the outstanding shares of Dome AB, in favor of the adoption of the Reorganization Agreement and the approval of the transactions contemplated by the Reorganization Agreement, and any other matter necessary to consummate such transactions, and in certain cases to agree to refrain from transferring or selling such beneficially owned shares (subject to exceptions) through the effectiveness of the Exchange or the termination of the Reorganization Agreement.

Vesting Agreements

As a required term of our entry into the Reorganization Agreement, Mr. Ingriselli, Mr. Peterson, and Mr. Moore, our executive officers, entered into Vesting Agreements with the Company, pursuant to which they each individually agreed, that effective as of the date of such agreements (May 21, 2015), all existing so-called “10b5-1 trading plans” providing for the periodic sale of their restricted stock upon vesting shall be terminated, and the vesting of all restricted stock they hold which is subject to vesting prior to the Exchange being consummated (the “Exchange Closing”) will be delayed until the 2nd business day following either (x) the Exchange Closing, or (y) the Company’s public disclosure of the termination of the Exchange (the “Vesting Delay”). This Vesting Delay will occur provided that effective upon the 2nd trading day following the Company’s public announcement of the Exchange Closing, all unvested stock subject to the Vesting Delay, and all unvested stock and options subject to vesting through July 1, 2016, will vest immediately (subject to not more than 573,000 shares of unvested stock and options to purchase 333,000 shares vesting to Mr. Ingriselli, not more than 520,500 shares of unvested stock and options to purchase 292,500 shares vesting to Mr. Peterson, and not more than 389,000 shares of unvested stock and options to purchase 243,000 shares vesting to Mr. Moore) (the “Closing Acceleration”). The Closing Acceleration will occur even if the executives are not then employees or directors of the Company on such date. Notwithstanding the above, in the event the Reorganization Agreement is terminated or the Exchange is not consummated by December 29, 2015 (unless otherwise agreed upon in writing by the parties to the Reorganization Agreement), all restricted stock subject to the Vesting Delay will vest on the 2nd business day following the Company’s public disclosure of the termination of the Exchange (in the event the Reorganization Agreement was terminated prior to December 29, 2015), or, in the event the Exchange is not terminated by, or consummated by, December 29, 2015, on January 7, 2016, and the original vesting terms for all future unvested stock and options will be reinstated to the terms in effect prior to the parties’ entry into the Vesting Agreements. We also agreed to pay up to \$370,000 in taxes due in connection with such Closing Acceleration, including gross ups (allocated up to \$143,008 for Mr. Ingriselli, up to \$129,906 for Mr. Peterson, and up to \$97,086 for Mr. Moore). Finally, all options subject to the Closing Acceleration will be extended for a period of five years following the closing of the Exchange, regardless of their original terms.
