Item 1.01. Entry into a Material Definitive Agreement.

On August 31, 2004 Electric City Corp. ("Electric City" or the "Company") and Laurus Master Fund, Ltd. ("Laurus") entered into an amendment to the credit facility dated September 11, 2003. The original credit facility provided for a \$1,000,000 term loan (the "Term Loan") and a revolving credit facility of up to \$2,000,000 (the "Revolver"), both of which were convertible into Electric City's common stock at \$2.12 per share, as more fully described in the Company's Quarterly Report for the period ended September 30, 2003 on Form 10-QSB filed with the Securities and Exchange Commission on November 14, 2003, which is incorporated herein by reference. As of August 31, 2004 the outstanding balance on the Term Loan was \$676,790 and there were no borrowings under the Revolver. As part of the amendment to the facility Laurus agreed to extend the maturity from September 1, 2005 to September 1, 2006 and defer scheduled Term Loan amortization payments for six months in exchange for adjusting the conversion price on the Term Loan and the Revolver to the average closing price of Electric City's common stock for the five days prior to signing the amendment, which was determined to be \$1.64 per share. The new Term Loan amortization schedule calls for monthly principal payments of \$35,000 beginning on February 1, 2005, with a final principal payment of \$11,790 on September 1, 2006.

The financing was exempt from registration under the Securities Act of 1933, as amended, pursuant to Regulation D of the Securities Act.

The description of the Amendment to the Convertible Term Note and the Amendment to the Security Agreement are not intended to be complete and are qualified in their entirety by the complete text of the Amendment to the Convertible Term Note and the Amendment to the Security Agreement, which are attached as exhibits 10.1 and 10.2 respectively, to this report and are incorporated herein by reference.

Item 3.03. Material Modifications to Rights of Security Holders.

As is described under Item 1.01 above, the Company and Laurus have amended the Term Loan and the Revolver to change the price per share of common stock at which Laurus may convert indebtedness of the Company thereunder to \$1.64 per share from \$2.12 per share.
