Item 1.01 Entry into a Material Definitive Agreement.

On February 16, 2006, subsidiaries of Columbia Equity Trust, Inc. (the "Company") entered into financing and guaranty agreements (the "Indebtedness") with Wachovia Bank, National Association (the "Lender") in the amount of \$24,290,000 providing for a leasehold indemnity deed of trust on the Company's leasehold interest in the Park Plaza II office building. Proceeds from the financing were used to repay amounts outstanding under the Company's \$75 million revolving credit facility.

The Indebtedness matures in March 2016 and requires monthly payments of interest-only at a fixed interest rate of 5.53% through March 2012 and monthly payments of principal and interest from April 2012 through February 2016 based on a fixed interest rate of 5.53% and a 360 month amortization schedule.

The Indebtedness includes certain customary covenants, including without limitation, the maintenance of insurance, payment of taxes and providing financial reports. The Indebtedness also includes prepayment penalties and customary events of default, including failure to pay a sum due, and sale or transfer of property. Upon the occurrence of an event of default under the Indebtedness, the Lender may accelerate the obligation and declare amounts outstanding to be immediately due and payable and may foreclose on the leasehold interest.

A default under the Indebtedness could also trigger a default under the Company's revolving credit facility, which could accelerate amounts due under that agreement as well and result in foreclosures on certain of the Company's other properties.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 of this Current Report on Form 8-K is hereby incorporated into this Item 2.03 by reference.

Item 9.01 Financial Statements and Exhibits.

(c) Exhibits.

The following exhibits are filed herewith this Current Report on Form 8-K.
