In addition, as of such time and date, SPV V beneficially owned an additional 325,500 Shares, which were acquired through a series of privately negotiated back-to-back call and put transactions with a financial institution (the "Options") and as a result of which SPV V is subject to the same economic gain or loss as if it had purchased the underlying Shares. As of December 28, 2009, these Options have an aggregate strike price of \$9,136,947 (See Schedule A hereto for additional detail on the Options). In addition, as of December 28, 2009, Trian Management held 4,458 Shares (the "Director Shares") that, pursuant to and under the conditions of the Legg Mason, Inc. ### Item 4. Purpose of Transaction

The Filing Persons initially acquired Shares because they believed that they represented an attractive investment opportunity. On October 25, 2009, Trian Management, certain funds managed by it and Nelson Peltz, Peter W. May and Edward P. Garden (collectively, the "Investors") entered into an Agreement (the "Agreement") with the Issuer, pursuant to which the Issuer expanded its Board of Directors from 13 to 14 directors and Nelson Peltz was appointed to the Issuer's Board of Directors. Mr. Peltz serves as a member of the class whose term expires at the Issuer's 2010 Annual Meeting of Stockholders and the Issuer has agreed that Mr. Peltz will be re-nominated by the Issuer's Board of Directors at the 2010 Annual Meeting of Stockholders to serve as a director with a term expiring in 2013. Mr. Peltz is entitled to serve as a member of the Nominating and Corporate Governance Committee of the Board while he serves as a member of the Board, subject to satisfying the requirements of the New York Stock Exchange and other applicable law. Mr. Peltz has agreed to offer his resignation from the Issuer's Board of Directors under certain circumstances set forth in the Agreement.

Pursuant to the Agreement, the Investors have agreed, among other things, and subject to certain limitations, that for a specified period of time, they will vote their shares in favor of each director nominated and recommended by the Board and vote against any shareholder nominations for director not approved or recommended by the Board of Directors for election and that they will use their commercially reasonable efforts (taking into account fiduciary duties, legal obligations and requirements, the Issuer's Insider Trading Policy, economic and financial conditions, market and trading prices and conditions and other relevant matters) to cause the Investors and their affiliates to beneficially own at least 6.0% of the Issuer's outstanding shares of Common Stock by or before December 31, 2009 and at least 8.0% of the Issuer's outstanding shares of Common Stock by or before April 30, 2010, in each case calculated as set forth in the Agreement. Under the Agreement, the Investors have agreed to certain restrictions, which, among other things, limit the Investors and their Affiliates (including the other Filing Persons) from acquiring

economic ownership of more than 9.9% of the Issuer's outstanding Common Stock for a specified period of time unless authorized by the Issuer's Board of Directors or if the Issuer has announced or entered into a binding agreement providing for, or has recommended that its shareholders support, an Extraordinary Matter (as defined in the Agreement). However, the Agreement does not restrict, among other things, (i) Mr. Peltz, in his capacity as a member of the Issuer's Board of Directors, from confidentially expressing or advocating his views to other members of the Board or during board meetings or (ii) the Investors' ability to discuss any matter confidentially with the Issuer, the Issuer's Board of Directors or any of its members. The foregoing description of the Agreement is a summary only and is qualified in its entirety by reference to the Agreement, which is filed as Exhibit 2 hereto and incorporated herein by reference.

The Filing Persons believe that the Shares are undervalued in the marketplace and accordingly, Mr. Peltz, in his capacity as a director of the Issuer, and the Filing Persons intend to work with the Issuer's management and Board of Directors in pursuing strategies to enhance shareholder value.

The Filing Persons intend to review their investment in the Issuer on a continuing basis. Subject to the provisions of the Agreement (including the targeted ownership holdings referred to above), depending on various factors including, without limitation, the Issuer's financial position, results and strategic direction, price levels of the Shares, conditions in the securities markets and general economic and industry conditions, the Filing Persons may, from time to time and at any time, in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, but not limited to, purchasing additional securities of the Issuer, entering into financial instruments or other agreements which increase or decrease the Filing Persons' economic exposure with respect to their investment in the Issuer, selling some or all of their holdings in the Issuer and/or otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D. The Filing Persons do not have any present plan or proposal that would relate to or result in any of the matters set forth in subparagraphs (a) – (j) of Item 4 of Schedule 13D except as set forth herein or in the Agreement or as would occur upon completion of any of the actions set forth in the Agreement.

Item 6 of this Schedule 13D is incorporated by reference in this Item 4 as if restated in full herein.

#### Item 5. Interest in Securities of the Issuer

\*On the date set forth above, and as more fully described below, the named person entered into a series of privately negotiated back-to-back call and put transactions (the "Options") with Bank of America Merrill Lynch (the "Counterparty") through which it acquired beneficial ownership of an aggregate of 325,500 Shares and as a result of which such named person is subject to the same economic gain or loss as if it had purchased the underlying Shares. More specifically, these transactions represent call options pursuant to which, on or prior to June 15, 2011 (the "Exercise Date"), the named person may acquire the number of Shares set forth above at the Price Per Share set forth above (the "Exercise Price"). These call options may be exercised at any time, in whole or in part, on or prior to the Exercise Date. Simultaneously with the purchase of each call option, the named person also sold a put option to the

Counterparty for the same number of Shares pursuant to which, if on the Exercise Date the call options have not been exercised by the named person and the Exercise Price is greater than the closing price of the Shares on the Exercise Date (the "Closing Price"), the Counterparty may require the named person to, at such person's election, either (i) pay the Counterparty an amount in cash equal to the product of (a) the excess of the Exercise Price over the Closing Price and (b) the number of Shares set forth above or (ii) acquire from the Counterparty the number of Shares set forth above at the Exercise Price. As part of these transactions, the named person pays the Counterparty a financing fee based on the number of days that the Options are outstanding, which fee is calculated using a monthly rate equal to the one month LIBOR rate plus 0.30%. Until they are exercised, the Options do not give the Filing Persons direct or indirect voting, investment or dispositive control over the underlying Shares.
