EXPLANATORY NOTE

This amended report is being filed to correct Exhibit 2.1. There are no other changes to the report as originally filed.

Item 1.01. Entry into a Material Definitive Agreement.

On October 4, 2018, LendingTree, LLC (“Buyer”), a wholly-owned subsidiary of LendingTree, Inc. (the “Company”), entered into a Unit Purchase Agreement with QuoteWizard.com, LLC, a Delaware limited liability company (“QuoteWizard”), all of the members of QuoteWizard (collectively, the “Sellers”), and Scott Peyree as the Securityholder Representative. QuoteWizard.com is one of the largest insurance comparison marketplaces in the nation’s growing online insurance advertising market.

Subject to the terms and conditions of the Unit Purchase Agreement, at the closing of the transaction, Buyer will pay \$300 million of cash consideration to the Sellers, subject to adjustments for working capital, in exchange for all of the membership interests of QuoteWizard. A portion of such cash consideration will be deposited into escrow to secure the Sellers’ obligations under the Unit Purchase Agreement to make certain indemnification and purchase price adjustment payments.

In addition, pursuant to the Unit Purchase Agreement, Sellers are eligible to receive three earnout payments based on QuoteWizard achieving certain adjusted EBITDA-based targets during three consecutive twelve-month periods, the first of which begins on the first day of the first full month following the closing of the transaction. The Sellers are eligible to receive up to \$70.2 million in aggregate earnout payments. The earnout payments are payable in cash. Buyer has also committed to pay up to \$4.8 million as cash bonuses to employees based on achievement of the adjusted EBITDA-based targets during the three earnout periods.

The closing of the transaction is subject to customary closing conditions, including the receipt of certain third party consents and the expiration of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. The closing of the transaction is expected to occur in the first half of the Company’s fourth quarter of 2018.

The description of the Unit Purchase Agreement contained herein is qualified in its entirety by reference to the full text of the Unit Purchase Agreement, a copy of which is included as Exhibit 2.1 to this report. The Unit Purchase Agreement contains representations and warranties by Buyer and QuoteWizard with respect to matters as of specified dates. The representations and warranties: reflect negotiations between the parties to the Unit Purchase Agreement and are not intended as statements of fact to be relied upon by the Company’s stockholders; in certain cases, merely represent risk-allocation decisions among the parties; have been modified or qualified by certain disclosure schedules that that have been omitted in accordance with the rules of the Securities and Exchange Commission; may no longer be true as of a given date; and may apply standards of materiality in a way that is different from what may be viewed as material by stockholders. As such, the representations and warranties are solely for the benefit of the parties to the Unit Purchase Agreement and may be limited or modified by a variety of factors, including: subsequent events, information included in public filings, disclosures made during negotiations, correspondence between the parties and disclosure schedules to the Unit Purchase Agreement. Accordingly, the representations and warranties may not describe the actual state of affairs at the date they were made or at any other time and the Company’s stockholders should not rely on them as statements of fact. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Unit Purchase Agreement, which subsequent information may or may not be fully reflected in the Company’s public disclosures.

The Company issued a press release announcing the Unit Purchase Agreement on October 4, 2018, a copy of which is attached as Exhibit 99.1 to this report.
