Mr. Donald Miller
Chairman of the Board
Multiband Corporation
9449 Science Center Drive
New Hope, MN 55428

Dear Mr. Miller,

Cannell Capital LLC ("CC") writes today with two proposals for the Board of Directors of Multiband Corporation ("MBND" www.multibandusa.com) - the common equity of which CC, and / or accounts managed by CC, own 11% as of 5 December 2012.

The first is for MBND to engage an advisor to sell MBND. (Please understand that sell means sell - not consolidate, buy, restructure or otherwise engage in financial engineering and/or monkeyshines.)

There is precedent for said proposal. On June 8, 2011, Unitek Global Services. Inc. ("UNTK" www.unitekglobalservices.com) presented an offer to acquire MBND for \$4.50 per share in cash and UNTK common stock. (Based on the \$1.51 closing price of Multiband Corp on November 16, 2012, this represents a 279% premium.) Whilst we cannot speak for the present interest of UNTK in MBND, if any, we believe that there are other sundry parties - both strategic and financial - that would proffer reasonable consideration to assume and amortize the attractive assets of MBND over a larger and more consistent base. According to our estimates MBND presently trades at the appetizing enterprise valuation of 25% to 2013 revenues and about three times EBITDA.

On September 14, 2012, UNTK acquired the assets of privately held Skylink LTD. UNTK will pay up to \$23.5 million in cash for this Buckeye concern which enjoyed revenues of \$31 million and EBITDA of \$6 million over the last year. Applying the same revenue multiple as the Skylink acquisition to MBND would yield a price of \$9.50 per share for MBND - a 664% premium to today's price.

The second proposal is to strengthen the balance sheet by means of a mantra of cost-cutting and cash generation during the current period of operational turbulence. Costs should be reduced wherever possible - starting with a 50% cut of management compensation pecuniary and non-pecuniary. Compensation for non-executives (which was up 41% in 2011 over 2010) should likewise be reduced from the current \$113,000 per director. Abandon the proposed

Edgar Filing: MULTIBAND CORP - Form SC 13D

acquisition and related financing of MDU Communications International, Inc ("MDTV" www.mduc.com) and strand other "science" projects. Re-direct all your energies to reducing and refinancing current debt as so ably demonstrated via cash generation over the past few years.

Best regards!

Sincerely,

J. Carlo Cannell
Managing Member
