NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

to be held November 14, 2017

11:00 AM Eastern Standard Time

To the Shareholders of ARC Group Worldwide, Inc.:

The Annual Meeting of the shareholders of ARC Group Worldwide, Inc. (referred to herein as “ARC” and the “Company”) will be held on November 14, 2017, at 11:00 AM (Eastern Standard Time) (the “Annual Meeting”) at the offices of Brean Capital, LLC, 3 Times Square, 14th Floor, New York, NY 10036 for the following purposes:

1. To elect five director nominees to the ARC Board of Directors (the “Board of Directors”), each to hold office until our 2018 Annual Meeting of Shareholders; and
2. To ratify the selection of Hein & Associates LLP to serve as the Company’s certified independent accountants for the year ending June 30, 2018.

YOUR VOTE IS VERY IMPORTANT

Only the shareholders of record as shown on the transfer books at the close of business on September 25, 2017, are entitled to notice of, and to vote at, the Annual Meeting (the “Record Date”). We anticipate that such notice will be mailed to shareholders on or about September 29, 2017.

After careful consideration, the ARC Board of Directors has unanimously determined that the proposed actions described above are advisable and in the best interests of ARC shareholders and unanimously recommends that you vote:

- “FOR” EACH OF THE FIVE NOMINEES FOR ELECTION AS DIRECTORS WHOSE NAMES ARE SET FORTH ON THE PROXY CARD; AND
- “FOR” THE RATIFICATION OF THE SELECTION OF HEIN & ASSOCIATES LLP to serve as the Company’s certified independent accountants for the year ending June 30, 2018.

Under Rules adopted by the U.S. Securities and Exchange Commission (the “SEC”), we have chosen to provide our shareholders with proxy materials on the Internet, rather than sending printed copies of such materials through the mail. In connection with this decision, a Notice Regarding the Availability of Proxy Materials is being mailed to our shareholders who have not previously requested electronic access to our proxy materials or paper proxy materials. This notice contains instructions on how you may access and review our proxy materials on the Internet and how you may vote your shares. The notice also contains information concerning how to request our proxy materials in printed form or by e-mail, at no charge. We anticipate that the notice will be mailed to shareholders on or about September 29, 2017. If you hold shares of our Common Stock in street name through a broker, rather than directly in your own name, you should contact your broker to request paper proxy packages.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING TO BE HELD ON NOVEMBER 14, 2017:

Our notice of annual meeting, proxy statement, annual report and instructions for the voting of shares are available on the Internet at www.edocumentview.com/ARCW.

You may contact us by calling or writing our principle office to obtain directions to be able to attend the meeting and vote in person: ARC Group Worldwide, Inc., 810 Flightline Blvd., Deland, FL 32724; Telephone: (303) 467-5236.

If you wish to attend the 2017 Annual Meeting in person, you must RSVP to the following e-mail address no later than 5:00 pm (Eastern Standard Time) on Tuesday, November 8, 2017: InvestorRelations@arcw.com. In order to be admitted into the Annual Meeting, your name must appear on the attendance list and you must present government-issued photo identification (such as a driver's license). Shareholders holding stock in brokerage accounts must bring a brokerage statement or other evidence of share ownership as of September 25, 2017, in order to be admitted to the meeting.

All shareholders, regardless of whether they expect to attend the Annual Meeting in person, are requested to complete and return the proxy. The person executing the proxy may revoke it by filing with the Chief Executive Officer of the Company an instrument of revocation or a duly executed proxy bearing a later date, or by choosing to vote in person at the Annual Meeting.

ALL SHAREHOLDERS ARE EXTENDED A CORDIAL INVITATION TO ATTEND THE ANNUAL MEETING.

By Order of the Board of Directors:

QUESTIONS AND ANSWERS

The following questions and answers are intended to address briefly some commonly asked questions regarding the matters to be addressed at the Annual Meeting. These questions and answers may not address all questions that may be important to you as an ARC shareholder. Please refer to the more detailed information contained elsewhere in this Proxy Statement and the documents referred to in this proxy statement, which you should read carefully. See “Where You Can Find More Information” on page 29.

Except as otherwise noted:

- References in this Proxy Statement to “ARC,” the “Company,” “we,” “us,” and “our” refer to the business of ARC Group Worldwide, Inc. and its subsidiaries.

Q: Why am I receiving these materials?

A: We are providing you with this Proxy Statement in connection with the Annual Meeting of our shareholders, which will take place on November 14, 2017, starting at 11:00 AM Eastern Standard Time, at the offices of Brean Capital, LLC, 3 Times Square, 14th Floor, New York, NY 10036. As a shareholder, you are invited to attend the Annual Meeting and are entitled and requested to vote on the proposals described in this Proxy Statement.

Q: What am I being asked to vote on?

A: You are being asked by the Board of Directors of ARC to consider and vote on the following matters:

- The election of the five nominees as directors whose names are set forth on the proxy card to hold office until the next Annual Meeting of shareholders or until their respective successors have been elected and qualified, referred to in this Proxy Statement as Proposal No. 1; and
- The ratification of the selection of Hein & Associates LLP to serve as our certified independent accountants for the year ending June 30, 2018, referred to in this Proxy Statement as Proposal No. 2;

Q: What quorum and vote is required in connection with each of the proposals?

A: A quorum, consisting of the holders of a majority of the shares of our Common Stock entitled to vote as of the Record Date of the Annual Meeting, must be present in person or represented by proxy before any action may be taken at the Annual Meeting. Abstentions and broker non-votes will be treated only as shares that are present for purposes of ascertaining whether there is a quorum sufficient for the Annual Meeting to be convened and conduct the business of the meeting.

Regarding Proposal No. 1 pertaining to the election of five directors of the Company, the affirmative vote of a plurality of the shares represented at the meeting, in person or by proxy, is required to elect each director.

The approval of a majority of all shares of Common Stock present and voting in person or by proxy will be required to approve Proposal No. 2.

Q: What happens if I do not vote?

A: The presence in person or by proxy of a majority of the outstanding shares of our Common Stock entitled to vote is required for us to ascertain a quorum and convene our Annual Meeting. If you do not vote, we may not be able to obtain a quorum to properly conduct the Annual Meeting. If you do not wish to vote, we request that you return your proxy indicating that you consent to being present for purposes of obtaining the quorum. In this manner, we will be able to conduct the Annual Meeting even if you do not vote your shares on any of the proposals submitted to the vote of the shareholders.

Table of Contents

Q: What happens if I abstain?

A: If you vote “ABSTAIN” by proxy or if you otherwise vote “ABSTAIN” at the Annual Meeting, your shares will be counted only for purposes of determining the presence of a quorum. Broker non-votes will not be considered to be abstentions unless explicitly marked “abstain” and will otherwise only be present at the Annual Meeting for purposes of ascertaining a quorum.

Section 8 of Article II of the Company Bylaws provides that if a quorum exists, action on a matter, other than the election of directors, by a voting group is approved if the votes cast within the voting group favoring the action exceed the votes cast within the voting group opposing the action. Election of directors is determined by plurality voting and therefore abstentions will not have an effect on the outcome of the election of directors. Abstentions will not have an effect on the outcome of voting on any matters submitted to the vote of the shareholders.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Many of our shareholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record—If your shares are registered directly in your name with our transfer agent, Computershare, you are considered the shareholder of record with respect to those shares and the notice is being sent directly to you by us. As the shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting. After carefully reading and considering the information contained in this Proxy Statement, if you are the shareholder of record, please submit your proxy in accordance with the instructions set forth in the proxy card so that your shares may be voted at the Annual Meeting.

Beneficial Ownership—If your shares are held in a brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in “street name,” and these proxy materials are being forwarded to you by your broker, bank or other nominee who is considered the shareholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote and are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the Annual Meeting unless you request a legal proxy from your broker, bank or other nominee. Your broker, bank or other nominee has enclosed a voting instruction card with this Proxy Statement for you to use in directing such institution regarding how to vote the shares you beneficially own.

See “How to Vote Your Shares” beginning on Page 6.

Q: If my shares are held in “street name” by my broker, will my broker vote my shares for me?

A: If your shares are held in street name, your broker may, under certain circumstances, vote your shares. Certain brokerage firms have authority to vote a client’s unvoted shares on some “routine” matters but cannot vote a client’s unvoted shares on “non-routine” matters. If you do not give voting instructions to your broker on a “non-routine” matter, your shares may constitute “broker non-votes.” A broker non-vote occurs on a matter when a broker returns an executed proxy but indicates that it does not have discretionary authority to vote on that matter and has not received instructions from the beneficial owner. Broker non-votes are not deemed to be votes cast and, therefore, are not included in the tabulation of the voting results on these proposals.

You should instruct your broker to vote your shares. If you do not instruct your broker, your broker may not have the authority to vote your shares for any of the proposals at the Annual Meeting.

Please check with your broker and follow the voting procedures your broker provides.

Table of Contents

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held directly in your name as the shareholder of record may be voted in person at the Annual Meeting. If you choose to do so, please bring your proxy card and proof of identification to the meeting. Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance so that your vote will be counted if you later decide not to attend the Annual Meeting. If you hold your shares in “street name,” you must request a legal proxy from your broker, bank or other nominee in order for you to vote at the Annual Meeting.

Q: How can I vote my shares without attending the Annual Meeting?

A: If you do not plan to attend the Annual Meeting, we request that you vote your shares as promptly as possible. You may vote electronically on the Internet, by mail by using the proxy card, or by using the toll-free telephone number listed on the proxy card. Please see “How to Vote Your Shares” on Page 6.

For shares held in “street name,” you may vote your shares by submitting voting instructions to your broker, bank or other nominee. A voting instruction card will be provided by your broker, bank or other nominee.

Q: May I change my vote after I have submitted a proxy electronically, by telephone or mailed my signed proxy card?

A: Yes. You may change your vote at any time before your proxy is voted at the Annual Meeting. You can do this in several ways. If you hold your shares as a shareholder of record, you can send a written notice stating that you want to revoke your proxy, or you can complete and submit a new proxy card, in either case dated later than the prior proxy card relating to the same shares. You must submit your notice of revocation or your new proxy card to: ARC Group Worldwide, Inc., 810 Flightline Blvd., Deland, FL 32724, Attention: Chief Executive Officer.

You can also attend the Annual Meeting and vote in person. Simply attending the Annual Meeting, however, will not revoke your proxy; you must vote at the Annual Meeting to revoke your proxy if you have not previously revoked your proxy.

You can also change your vote by submitting a proxy at a later date by fax or mail if you have previously voted in connection with the Annual Meeting, in which case your later-submitted proxy will be recorded and your earlier proxy revoked.

If your shares are held in “street name” and you have instructed your broker, bank or other nominee to vote your shares, the preceding instructions do not apply, and you must follow the voting procedures received from your broker, bank or other nominee to change your vote.

Q: Who can attend the 2017 Annual Meeting of the Shareholders in person? Must I RSVP prior to the date of the 2017 Annual Meeting?

A: You may attend the Annual Meeting only if you are a shareholder of our Company who is entitled to vote at the Annual Meeting, or if you hold a valid proxy for the Annual Meeting. If you plan to attend the 2017 Annual Meeting in person, you must RSVP no later than 5:00 pm (Eastern Standard Time) on Wednesday, November 8, 2017 to InvestorRelations@arcw.com. In order to be admitted into the Annual Meeting, your name must appear on the attendance list and you must present government-issued photo identification (such as a driver's license). Shareholders holding stock in brokerage accounts must bring a brokerage statement or other evidence of share ownership dated as of September 25, 2017, in order to be admitted to the meeting.

Q: If I want to attend the Annual Meeting, what do I do?

A: If you wish to attend the Annual Meeting, you must RSVP as noted above. On November 14, 2017, the date of the Annual Meeting, you should come to the place of our Annual Meeting, located at Brean Capital, LLC, 3 Times Square, 14th Floor, New York, NY 10036 at 11:00 AM Eastern Standard Time. Shareholders of record as of the

Record Date for the Annual Meeting can vote in person at the Annual Meeting. If your shares are held in “street name,” then you must ask your broker, bank or other nominee holder how you can vote at the Annual Meeting.

Q: Do I have dissenters’ or appraisal rights as a holder of ARC’s Common Stock?

A: No. Dissenters’ rights, also referred to as appraisal rights, will not be available to holders of ARC Common Stock under the Utah Revised Business Corporation Act.

Q: Who is paying for this proxy solicitation?

A: The total expense of this solicitation will be borne by ARC. Solicitation of proxies may be made personally or by mail, Internet, e-mail or facsimile by officers and other management employees of ARC, who will receive no additional compensation for their services.

PROXY STATEMENT SUMMARY

This summary highlights selected information also contained elsewhere in this proxy statement (this “Proxy Statement”) related to the matters you are being asked to vote upon and may not contain all of the information important to you. You should read this entire document and the other documents to which this Proxy Statement refers you to fully understand the matters you are being asked to vote upon. Each item in this summary refers to the page where that subject is hereinafter discussed in more detail.

ANNUAL MEETING OF SHAREHOLDERS

Date, Time, Place and Purpose

The Annual Meeting of ARC’s shareholders will be held on November 14, 2017 at 11:00 AM, Eastern Standard Time (the “Annual Meeting”) at the offices of Brean Capital, LLC, 3 Times Square, 14th Floor, New York, NY 10036 for the following purposes:

1. To elect a Board of Directors consisting of five directors; and
2. To ratify the selection of Hein & Associates LLP to serve as our certified independent accountants for the year ending June 30, 2018.

Solicitation of Proxies

This Proxy Statement is provided in connection with the solicitation of proxies by ARC’s Board of Directors, to be voted at the Annual Meeting or at any adjournment or postponement of the meeting. We anticipate that notice of the Annual Meeting will be first mailed, given or otherwise provided to shareholders on or about September 29, 2017.

Under Rules adopted by the U.S. Securities and Exchange Commission (the “SEC”), we have chosen to provide our shareholders with proxy materials on the Internet, rather than sending printed copies of such materials through the mail. In connection with this decision, a Notice Regarding the Availability of Proxy Materials is being mailed to our shareholders who have not previously requested electronic access to our proxy materials or paper proxy materials. This notice contains instructions on how you may access and review our proxy materials on the Internet and how you may vote your shares. The notice also contains information concerning how to request our proxy materials in printed form or by e-mail, at no charge. If you hold shares of our Common Stock in street name through a broker, rather than directly in your own name, you should contact your broker to request paper proxy packages.

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute “broker non-votes.” A broker non-vote occurs on a matter where a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered votes cast on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained. In particular, please note that brokers may not vote your shares on certain matters in the absence of your specific instructions as to how to vote, so we encourage you to provide instructions to your broker regarding the voting of your shares.

A shareholder giving a proxy may revoke it at any time before it is exercised by delivering written notice of revocation to our Chief Executive Officer, by substituting a new proxy executed at a later date, or by requesting, in person at the Annual Meeting, that the proxy be returned. Shareholders do not have dissenters' rights of appraisal for any action proposed to be taken at the Annual Meeting. The solicitation of proxies by the Company is to be made by mail, telephone and oral communications with shareholders. Our officers, directors and employees may solicit proxies, but these persons will not receive compensation for that solicitation other than their regular compensation. Arrangements also will be made

Table of Contents

with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of the shares held of record by those persons. We may reimburse those persons for reasonable out-of-pocket expenses incurred by them in so doing. We will pay all expenses involved in preparing, assembling and mailing this Proxy Statement and the enclosed material.

Record Date, Shares Outstanding and Entitled to Vote

The close of business on September 25, 2017 has been fixed as the record date (the “Record Date”) for the determination of holders of record of the Company’s Common Stock, \$.0005 par value per share (the “Common Stock”), entitled to notice and to vote at the Annual Meeting. On the Record Date, 18,209,485 shares of Common Stock were outstanding and eligible to vote at the Annual Meeting. Each share, unless otherwise set forth herein, is entitled to one vote. A majority of the issued and outstanding shares of Common Stock entitled to vote, represented either in person or by proxy, constitutes a quorum at any meeting of the shareholders. If a quorum of votes has not been received prior to the meeting date, we intend to postpone or adjourn the Annual Meeting in order to solicit additional votes. At any postponed or adjourned meeting, we will vote any proxies received in the same manner described in this Proxy Statement with respect to the original meeting.

How to Vote Your Shares

We will send a Notice of Internet Availability of Proxy Materials (the “Notice”) to all shareholders of record as of the Record Date for the Annual Meeting. The Notice will give you the opportunity to request a set of printed proxy materials, and you will be sent proxy materials if you request them. That set of printed proxy materials will also include a proxy card.

You are encouraged to review our Proxy Statement and Annual Report before you cast your vote.

You will be entitled to vote:

- electronically on the Internet;
 - by mail by using the proxy card and postage-paid return envelope if you request printed materials; or
- by using the toll-free telephone number listed on the proxy card.

You may vote electronically by using a website that provides links to our Proxy Statement and Annual Report. You may access your records on this website by using a control number printed on the Notice. If you vote on the Internet, you do not need to return your proxy card.

If you vote by mail, simply mark, sign and date each proxy card that you receive, and return them in the postage-paid envelopes that you will receive.

If you vote by telephone, easy-to-follow telephone voice prompts should enable you to vote your shares and confirm that your voting instructions have been properly recorded. Our telephone voting procedures are designed to authenticate shareholders by using the individual control numbers provided on each proxy card. Accordingly, please have your proxy card available when you call. If you vote by telephone, you do not need to return your proxy card. Proxies submitted by telephone must be received no later than 1:00 AM, Eastern Standard Time, on Tuesday, November 14, 2017, the day of the Annual Meeting. This cut-off time is necessary to enable us to complete a final vote tabulation.

Internet voting on our dedicated site is available 24 hours a day, seven days a week, except that no internet votes will be accepted after 1:00 AM, Eastern Standard Time, on Tuesday, November 14, 2017, the day of the Annual Meeting. This cut-off time is necessary to enable us to complete a final vote tabulation.

You can also come to the place of our Annual Meeting, located at Brean Capital, LLC, 3 Times Square, 14th Floor, New York, NY 10036 at 11:00 AM, Eastern Standard Time, on November 14, 2017. If you choose to do so, you must RSVP no later than 5:00 PM (Eastern Standard Time) on Wednesday, November 8, 2017 to the following e-mail address: InvestorRelations@arcw.com. You must bring your proxy card and proof of identification to the meeting. Even

if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance so that your vote will be counted if you later decide not to attend the Annual Meeting. If you hold your shares in “street name,” you must request a legal proxy from your broker, bank or other nominee in order for you to vote at the Annual Meeting.

If you do not plan to attend the Annual Meeting, we request that you vote your shares as promptly as possible.

For shares held in “street name,” you may vote your shares by submitting voting instructions to your broker, bank or other nominee. A voting instruction card will be provided by your broker, bank or other nominee. For shares held in “street name,” you may be eligible to vote via the Internet if your broker, bank or other nominee participates in the proxy voting program provided by Broadridge. Instructions for voting via the Internet, if available, will be provided by your broker, bank or other nominee.

Votes at the Annual Meeting are counted by an inspector of election. Shares of stock present in person or represented by proxy, including abstentions (shares that do not vote with respect to one or more of the matters presented for shareholder approval), and broker “non-votes,” are counted as present and entitled to vote for purposes of determining whether a quorum exists at the Annual Meeting. A broker “non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. If your shares are held in the name of a bank, broker or other nominee, you must obtain a proxy, executed in your favor, from the holder of record, to be able to vote at the Annual Meeting. At any postponed or adjourned meeting, we will vote any proxies received in the same manner described in this Proxy Statement with respect to the originally scheduled Annual Meeting. Please note, in the absence of your specific instructions as to how to vote, brokers may not vote your shares on the election of directors or on any other proposals other than the ratification of selection of Hein & Associates LLP to serve as our certified independent accountants for the year ending June 30, 2018. We encourage you to provide instructions to your broker regarding the voting of your shares.

In the election of directors, the five director candidates having the highest number of votes cast in favor of their election will be elected to the Board of Directors. A plurality of the votes present in person or represented by proxy at the Annual Meeting is required for election of the Directors. All other Proposals will be determined by a majority of those present and voting in person or by proxy.

How to Change Your Vote

You may change your vote at any time before your proxy is voted at the Annual Meeting. You can do this in several ways. If you hold your shares as a shareholder of record, you can send a written notice stating that you want to revoke your proxy, or you can complete and submit a new proxy card, in either case dated later than the prior proxy card relating to the same shares. You must submit your notice of revocation or your new proxy card to: ARC Group

Worldwide, Inc., 810 Flightline Blvd., Deland, FL 32724, Attention: Chief Executive Officer.

You can also change your vote by submitting a proxy at a later date by fax or via the Internet, if you have previously voted by fax or via the Internet in connection with the Annual Meeting, in which case your later-submitted proxy will be recorded and your earlier proxy revoked.

You can also change your vote by attending the Annual Meeting and voting in person if you RSVP no later than 5:00 pm (Eastern Standard Time) on November 8, 2017, to the following e-mail address: InvestorRelations@arcw.com. In order to be admitted into the Annual Meeting, your name must appear on the attendance list and you must present government-issued photo identification (such as a driver's license). Shareholders holding stock in brokerage accounts must bring a brokerage statement or other evidence of share ownership as of September 25, 2017, in order to be admitted to the meeting. Simply attending the Annual Meeting, however, will not revoke your proxy; you must vote at the Annual Meeting to revoke your proxy if you have not previously revoked your proxy.

If your shares are held in "street name" and you have instructed your broker, bank or other nominee to vote your shares, the preceding instructions do not apply, and you must follow the voting procedures received from your broker, bank or other nominee to change your vote.

Counting Your Vote

All properly executed proxies delivered and not properly revoked will be voted at the Annual Meeting as specified in such proxies. If you provide specific voting instructions, your shares of Common Stock will be voted as instructed. If you hold shares in your name and sign and return a proxy card or submit a proxy via the Internet without giving specific voting instructions, your shares will be voted as follows:

- “FOR” EACH OF THE FIVE NOMINEES FOR ELECTION AS DIRECTORS WHOSE NAMES ARE SET FORTH ON THE PROXY CARD; AND

- “FOR” THE RATIFICATION OF THE SELECTION OF HEIN & ASSOCIATES LLP AS OUR INDEPENDENT CERTIFIED ACCOUNTANTS FOR THE YEAR ENDING JUNE 30, 2018.

Proxies solicited may be voted only at the Annual Meeting and any adjournment or postponement of the Annual Meeting and will not be used for any other meeting.

Quorum and Required Votes

A quorum, consisting of the holders of a majority of the shares of our Common Stock entitled to vote as of the Record Date of the Annual Meeting, must be present in person or represented by proxy before any action may be taken at the Annual Meeting. Abstentions and broker non-votes will be treated only as shares that are present for purposes of ascertaining whether there is a quorum sufficient for the Annual Meeting to be convened and conduct the business of the meeting.

Regarding Proposal No. 1 pertaining to the election of five directors of the Company, the affirmative vote of a plurality of the shares represented at the meeting, in person or by proxy, is required to elect each director.

The approval of a majority of all shares of Common Stock present and voting in person or by proxy will be required to approve Proposal No. 2.

Abstentions will not be counted for purposes of determining the outcome of any Proposals. Broker non-votes will be counted only for purposes of quorum and will not be counted for purposes of determining the outcome of any proposals submitted to the vote of the shareholders.

Abstentions and Broker “Non-Votes”

Votes at the Annual Meeting are counted by an inspector of election. Shares of stock present in person or represented by proxy, including abstentions (shares that do not vote with respect to one or more of the matters presented for shareholder approval), and broker “non-votes,” are counted as present and entitled to vote for purposes of determining whether a quorum exists at the Annual Meeting. A broker “non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. If your shares are held in the name of a bank, broker or other nominee, you must obtain a proxy, executed in your favor, from the holder of record, to be able to vote at the Annual Meeting. At any postponed or adjourned meeting, we will vote any proxies received in the same manner described in this Proxy Statement with respect to the originally scheduled Annual Meeting. Please note that brokers may not vote your shares on the election of directors in the absence of your specific instructions as to how to vote, so we encourage you to provide instructions to your broker regarding the voting of your shares.

In the election of directors, the five director candidates having the highest number of votes cast in favor of their election (constituting a plurality) will be elected to the Board of Directors. Only votes “FOR” or “AGAINST” the nominees for election as directors in respect of Proposal No. 1 will affect the outcome. Abstentions or withheld votes shall not affect the outcome of the election of directors.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

The terms of the current directors expire upon the election and qualification of the directors to be elected at the 2017 Annual Meeting. The Board of Directors has nominated five persons for election at the Annual Meeting to serve until the 2018 Annual Meeting of shareholders or until their successors are duly elected and qualified.

The directors shall be elected by the vote of a plurality of the votes cast (which means that the nominees who receive the most affirmative votes will be elected to serve as directors). Cumulative voting is not permitted in the election of directors. Each record holder of stock shall be entitled to vote in the election of directors and shall have as many votes for each of the shares owned by him or her as there are directors to be elected and for whose election he or she has the right to vote. As a result, a shareholder may vote all of his or her shares for each nominee, but may not cumulate the votes to vote more than the total number of shares owned for any one nominee. In the absence of instructions to the contrary, the person named in the accompanying proxy shall vote the shares represented by that proxy for the persons named below as the Board of Director's nominees for directors. Each of the nominees currently is a director of the Company.

Each of the nominees has consented to be named in this Proxy Statement and to serve on the Board of Directors if elected. It is not anticipated that any of the nominees will become unable or unwilling to accept his nomination or election, but, if that should occur, the persons named in the proxy intend to vote for the election of such other person as the Board of Directors may recommend.

The following table sets forth, with respect to each nominee for director, the nominee's age (as of the date of the filing), his position(s) and office(s) with the Company, and the year in which he first became a director. Individual background information concerning each of the nominees follows the table, as well as a brief discussion of the experience, qualifications, attributes or skills that led to the conclusion that such individual should be nominated. For additional information concerning the nominees, including stock ownership and compensation, see "Executive Compensation," "Security Ownership of Certain Beneficial Owners and Management," and "Certain Transactions with Management and Principal Shareholders."

CORPORATE GOVERNANCE

Board Meetings

The Board of Directors met five times during the fiscal year ended June 30, 2017, and each director serving as of such date participated in all of the meetings. The Company encourages each member of the Board of Directors to attend the Annual Meeting of Shareholders, but does not require any member to do so. Mr. Jason T. Young (in his capacity at such time as an officer and director prior to his resignation on June 30, 2017) and Mr. Kelley (in his capacity as an officer) were the only members of the Company's Board of Directors to attend the Company's most recent Shareholder's Meeting.

Board Independence

We are currently subject to corporate governance standards defining the independence of our directors imposed by the NASDAQ Capital Market's requirements for independent directors pursuant to Rule 5605(a)(2) of the Marketplace Rules of The NASDAQ Stock Market LLC (the "Independent Directors"). Of the current members of the Board of Directors, Gregory D. Wallis, Eddie W. Neely and Todd A. Grimm qualify as independent directors in accordance with the standards imposed by the NASDAQ Capital Market's requirements for independent directors. Mr. Wallis has served as an independent director since April of 2013, Mr. Neely has held such position since August of 2013 and Mr. Grimm since December 2013.

Risk Oversight

The Board of Directors delegated primary risk management oversight of the Company to the Audit Committee of the Board of Directors, consisting of Mr. Wallis, Mr. Grimm and Mr. Neely, all of whom are Independent Directors. The risk oversight role of the Audit Committee is to provide independent and objective assessment of the Company's risk management policies. The risk management functions of the Audit Committee include the following:

- To periodically review and assess the implementation of risk-management policies by management;
- To review management reports detailing the adequacy and overall effectiveness of risk management and propose recommendations regarding effectiveness and improvement thereof.

- To review the risk philosophy, strategy and policies recommended by management;
- To review processes and procedures regarding the effectiveness of internal systems of control so that decision-making capability and accuracy of reporting and financial results are maintained at an optimal level; and
- To monitor external developments relating to the practice of risk assessment and reporting.

Board Leadership Structure

On March 31, 2016, Mr. Alan Quasha was appointed as Chairman of the Board of Directors, and we separated the roles of our Chief Executive Officer and our Chairman. Our Chief Executive Officer is responsible for the general management, oversight, supervision and control of the business and affairs of our Company, and ensuring that all orders and resolutions of the Board are carried into effect. Our Chairman is charged with presiding over all meetings of the Board and our stockholders, and providing advice and counsel to our Chief Executive Officer and our Company's management regarding our business and operations.

As of the date of this Proxy Statement, the Board of Directors consists of five members, which includes three Independent Directors. The Company believes Independent Directors and management have different perspectives and roles in strategy development. The Chief Executive Officer brings corporate and capital markets experience and expertise, while the Company's independent Directors bring experience, oversight, and expertise from outside the Company. The Board of Directors believes that the presence of the Chief Executive Officer as a member of the Board of Directors

Table of Contents

promotes the development and execution of the Company's strategy and facilitates the flow of information between management and the Board of Directors, which is essential to effective corporate governance. The Board of Directors believes that a board of directors, which consist of a majority of Independent Directors, is in the best interest of shareholders because it provides the appropriate balance between independent oversight of management and the development of strategy.

Mr. Eddie W. Neely serves as the Board of Director's lead independent director. In such role, Mr. Neely serves as an independent coordinator among all board members and thereby helps ensure board relations run smoothly and function productively to help maintain open communication with the Chief Executive Officer and across the boardroom. Mr. Neely presides at non-management meetings of the directors. Mr. Neely's interests are to drive a high-performance board, to foster a productive relationship with the Chief Executive Officer and to lead the Board of Directors in the event of any situations requiring urgent responsive attention by the directors. Mr. Neely takes the lead on issues for the Board of Directors to consider and ensures that all issues are properly addressed, with all directors being heard. Because Mr. Neely is a seasoned corporate professional, without day-to-day operational tasks at the Company, he is in a unique position to offer guidance and provide experienced outside views during challenging times.

Audit Committee of the Board of Directors

Mr. Wallis, Mr. Grimm and Mr. Neely are Independent Directors serving on the Company's Audit Committee as of the date of this Proxy Statement. The responsibilities of the Audit Committee include overseeing our financial reporting process, reporting the results of the Audit Committee's activities to the Board of Directors, retaining and ensuring the independence of our auditors, approving services to be provided by our auditors, reviewing our periodic filings with the independent auditors prior to filing, and reviewing and responding to any matters raised by the independent auditors in their management letter, monitoring our compliance with legal and regulatory requirements and our Code of Ethics. The Audit Committee met four times during the fiscal year ended June 30, 2017. Messrs. Wallis and Neely participated in all of the meetings and Mr. Grimm participated in three of the meetings. The respective biographies and qualifications of the Audit Committee members are summarized above under the caption "Proposal No. 1: Election of Directors."

Audit Committee Charter

Our Board of Directors has adopted a written charter for the Audit Committee. The Audit Committee will review and assess the adequacy of the Audit Committee charter annually.

Audit Committee Report

Management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board - United States ("PCAOB") and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and to engage and discharge the Company's auditors. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We may not be, and we may not represent ourselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States, and on the representations of the independent auditors included in the report on the Company's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles,

Table of Contents

that the audit of the Company's financial statements has been carried out in accordance with auditing standards of the PCAOB, or that the Company's independent accountants are in fact "independent."

In this context, the Audit Committee has met and held discussions separately with management and the independent accountants. Management represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed the financial statements with management and the independent accountants. Management concluded that the Company's disclosure controls and procedures were not effective at June 30, 2017 and the identification of a material weakness in the Company's internal controls over financial reporting. The Audit Committee discussed with the independent accountants matters required to be discussed by PCAOB Auditing Standard 16, regarding communications with audit committees.

The Company's independent accountants also provided to the Audit Committee the written disclosure required by PCAOB Rule 3526, Communication with Audit Committees Concerning Independence. The Committee discussed with the independent accountants that firm's independence. No non-audit services were provided by the Company's independent accountants in the year ended June 30, 2017.

Based on the Audit Committee's discussion with management and the independent accountants, and the Audit Committee's review of the representations of the management and the report of the independent accounts to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended June 30, 2017 filed with the SEC.

Nominating & Governance Committee: Nominating Policies and Procedures

The Board of Directors currently has a nominating and governance committee consisting solely of independent directors (the “Nominating & Governance Committee”). The Independent Directors appointed to the Nominating & Governance Committee by the Board of Directors are Mr. Eddie W. Neely, Mr. Todd A. Grimm, and Mr. Gregory D. Wallis. The Nominating & Governance Committee has adopted a Nominating & Governance Committee Charter which has been ratified by the Board of Directors. The stated purposes of the Nominating & Governance Committee are: (i) to identify and recommend qualified individuals to the Board of Directors for nomination as members of the Board of Directors and its committees, consistent with criteria approved by the Board of Directors; (ii) develop, recommend to the board of Directors and periodically review a set of corporate governance principles applicable to the Company; and (iii) assist the Board of Directors in ensuring proper attention and effective response to stockholder concerns regarding corporate governance. The Nominating & Governance Committee held one formal meeting during the fiscal year ended June 30, 2017.

In general, the Nominating & Governance Committee Charter provides that certain minimum qualifications must be met by each nominee for the Board of Directors, as well as meeting the applicable independence standards required by the SEC and federal securities laws if proposed to serve as an independent director. The nominees must reflect a Company Board of Directors comprised of directors: (i) a majority of whom are independent (as determined under the

Table of Contents

aforementioned SEC director qualification standards); (ii) who are of high integrity; (iii) who have qualifications that will increase the overall effectiveness of the Board of Directors; and (iv) who meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to Audit Committee members. In evaluating the qualifications of the nominees, the Nominating & Governance Committee considers many factors, including issues of leadership ability, career success, character, judgment, independence, background, age, expertise, diversity and breadth of experience, length of service, other commitments and similar attributes. The Nominating & Governance Committee evaluates such factors, among others, but does not assign any particular weight or priority to a single aspect of these factors. Also, the Nominating & Governance Committee considers the suitability of each nominee, including the current members of the Board of Directors, in light of the current size and composition of the Board of Directors.

The number of directors of the Company at any time shall be the number of directors nominated by the Nominating & Governance Committee for election at the most recently-held Annual Meeting of shareholders, increased by the number of directors, if any, appointed to the Board of Directors subsequent to the most recently-held Annual Meeting of shareholders pursuant to nomination by the Nominating & Governance Committee and also increased by the number of directors, if any, whose term as a director did not expire at the most recently-held Annual Meeting of shareholders.

The Nominating & Governance Committee shall consider recommendations for nominees to the Board of Directors from shareholders (an “Eligible Shareholder”) holding a minimum of \$2,000 in market value, or 1%, of the Company’s voting Common Stock, whichever is greater, which stock is held through the date of the meeting electing directors, and which Eligible Shareholder complies with the nomination notice procedures set forth in the Nomination Policies. Nominees recommended by Eligible Shareholders (hereinafter referred to as “Shareholder Candidates”) will be evaluated by the Nominating & Governance Committee on the same basis as nominees that may otherwise be identified by the Nominating & Governance Committee, management or, if the Board of Directors permits, a search firm.

For a Shareholder Candidate to be considered by the Nominating & Governance Committee, the Eligible Shareholder and the Shareholder Candidate must comply with the procedures set forth in the Company’s Nomination Policies. Recommendations for Shareholder Candidate(s) to be nominated for election to the Board of Directors from an Eligible Shareholder must be directed in writing to ARC Group Worldwide, Inc., Attn: Nominating & Governance Committee of the Board of Directors, at the Company’s principle offices at 810 Flightline Blvd., Deland, FL 32724. The specific recommendations should include the information set forth in the Company’s Nomination Policies.

For a recommendation of a Shareholder Candidate to be properly brought before the Nominating & Governance Committee by an Eligible Shareholder, the Eligible Shareholder must have given timely notice thereof in writing to the Nominating & Governance Committee of the Company. To be timely, an Eligible Shareholder’s notice must be delivered to the Nominating & Governance Committee not less than one hundred and twenty (120) days prior to the first anniversary of the preceding year’s Annual Meeting. In the event that the date of the Annual Meeting is advanced by more than thirty (30) days or delayed by more than sixty (60) days from the anniversary date of the preceding year’s Annual Meeting, the notice by the Eligible Shareholder must be delivered not later than the close of business on the

later of the sixtieth (60th) day prior to such Annual Meeting or the tenth (10th) day following the day on which public announcement of the date of such Annual Meeting is first made.

The Nominating & Governance Committee will provide a copy of the Nominating Policies and Procedures upon a request in writing from the Eligible Shareholder.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis addresses the aspects of our compensation programs and explains our compensation philosophy, policies, and practices, with respect to our executive officers, including our Chief Executive Officer and Chief Financial Officer, which we collectively refer to as our Named Executive Officers.

Oversight of Executive Compensation Program

The Compensation Committee of our Board of Directors oversees our executive compensation programs. Each member of the Compensation Committee is an “independent director” as defined by the federal securities laws and in Rule 5605(a)(2) of the Marketplace Rules of The NASDAQ Stock Market LLC. The Compensation Committee is empowered to advise management and make recommendations to the Board of Directors with respect to the compensation and other employment benefits of executive officers and key employees of the Company. The various components of the compensation programs for executive officers are discussed below in “Elements of Executive Compensation Program.”

Objectives of Executive Compensation and What the Programs are Designed to Reward

The Company’s executive compensation program is designed to integrate compensation with the achievement of our short-term and long-term business objectives and to assist us in attracting, motivating and retaining the highest quality executive officers and rewarding them for superior performance.

We believe that the compensation of our executive officers should reflect their success in attaining key operating objectives, such as growth, maintenance of market position, development of new products, maintenance and development of customer relationships and long-term competitive advantage. We also believe that executive compensation should reflect achievement of individual goals established for specific executive officers, as well as specific achievements by such individuals over the course of the year such as development of specific products or customer relationships or agreements or executing or integrating acquisitions and strategic arrangements.

Compensation Consultants

The Compensation Committee did not utilize the services of a compensation consultant in the fiscal year ended June 30, 2017, as the Compensation Committee believed that there was no current need for the services of such consultant with respect to review, assessment and determinations of Company executive compensation.

Elements of Executive Compensation Program

Compensation elements include:

- base salary;
- annual cash or equity incentive awards;
- long-term equity incentive compensation; and

Base Salary

Base salary is designed to provide competitive levels of base compensation to our executives based on their experience, duties and scope of responsibilities. We pay base salaries because it provides a base compensation that is required to recruit and retain executives of the quality that we must employ to ensure the success of our Company.

Table of Contents

Annual Cash or Equity Incentive Awards

Annual incentive compensation is designed to provide competitive levels of compensation based on experience, duties and scope of responsibilities. Incentive awards are influenced by the Company's profitability and achievement of planned profitability, as well as other factors. The awards are also intended to promote executive retention, as unvested stock options are generally forfeited if the executive voluntarily leaves the Company.

Through our market-based stock option awards, we seek to align the interests of the named executive officers with those of our shareholders and provide each individual with a significant incentive to manage the Company from the perspective of an owner. In order to vest in the market-based stock options, the Company's stock price is required to double by December 31, 2018 to \$8.80 per share from the grant date price of \$4.40 per share on February 10, 2017. The size of the option grant to each executive officer is generally set at a level that is intended to create a meaningful opportunity for share ownership based on the individual's current position with the Company. The Compensation Committee also takes into consideration the individual's potential for future responsibility and promotion, the individual's performance in recent periods, and the number of options held by the individual on the date of grant. Further, the Compensation Committee considers overall shareholder dilution when determining the size of the equity awards.

Long-Term Equity Incentive Compensation

The Compensation Committee does not have a regular schedule for awarding equity-based compensation and the timing of such awards is subject to the discretion of the Compensation Committee. We do not backdate options or grant options retroactively or stock options with a so-called "reload" feature. In addition, we do not plan to coordinate grants of options so that they are made before the announcement of favorable information, or after the announcement of unfavorable information.

Other Health, Welfare and Retirement Benefits

Employees may participate in our health and welfare benefit programs, including medical, dental and vision care coverage, disability insurance, and life insurance. We provide these benefits to meet the health and welfare needs of employees and their families.

401(k) Plan

The Company sponsors a 401(k) plan and matches employee contributions as determined by Company management. Our executives are also eligible for the Company matches, subject to regulatory limits on contributions to 401(k) plans.

We do not currently provide pension arrangements or post-retirement health coverage for our executives or employees, although we may consider such benefits in the future. In addition, we do not provide any nonqualified defined contribution or other deferred compensation plans, although we may consider such benefits in the future.

Employee Stock Purchase Plan

The Company sponsors an employee stock purchase plan ("ESPP") for eligible executives and employees. Executives and employees may authorize payroll deductions up to 10% of their base pay to purchase shares of the Company's common stock at a price equal to 85% of the lower of the closing price at the beginning or end of each six-month purchase period, subject to regulatory limits.

Employment Agreements and Other Post-Employment Payments

Effective at the close of business on June 30, 2017, the Company entered into a separation agreement with Mr. Jason T. Young, the Company's former Chief Executive Officer, in connection with Mr. Young's separation from the Company. The agreement was negotiated with Mr. Young, and the Compensation Committee determined that the payments and benefits under the separation agreement were appropriate in light of his service to the Company. Pursuant

Table of Contents

to the separation agreement, following the termination of Mr. Young's employment at the close of business on June 30, 2017, the Company agreed to provide the following severance payments and benefits to Mr. Young: (i) severance of \$110,000, payable incrementally monthly over twelve months commencing July 1, 2017, (ii) continuation of health and related insurance through December 31, 2017, and (iii) at Mr. Young's election, the extension of the exercise period for his vested stock options for five years (in lieu of 90 days otherwise required for exercise following the termination of employment).

Effective July 1, 2017, Drew M. Kelley was appointed to the position of Interim Chief Executive Officer and will continue to serve as Chief Financial Officer. On the same date, Mr. Kelley was also appointed to serve as a director on the Board of Directors. The Company is not party to a written employment agreement with Mr. Kelley. During the fiscal year ended June 30, 2017, Mr. Kelley's annual salary was \$300,000. Mr. Kelley received a bonus of \$100,000 with respect to such fiscal year. The annual base salary of Mr. Kelley for his services as an officer of the Company for the 2018 fiscal year will be \$340,000. Mr. Kelley will be eligible for a fiscal year 2018 discretionary bonus in an amount equal to his 2018 annual base salary. Mr. Kelley will not receive separate or additional fees with respect to his services rendered as a director on the Board of Directors.

Tax Implications of Executive Compensation

We do not currently intend to award compensation that would result in a limitation on the deductibility of a portion of such compensation pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended; however, we may in the future decide to authorize other compensation in excess of the limits of Section 162(m) if it determines that such compensation is in the best interests of the Company.

Although deductibility of compensation is preferred, tax deductibility is not a primary objective of our compensation programs. We believe that achieving our compensation objectives set forth above is more important than the benefit of tax deductibility and we reserve the right to maintain flexibility in how we compensate our executive officers that may result in limiting the deductibility of amounts of compensation from time to time.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management and, based on the review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

Employment Contracts and Termination of Employment and Change-In-Control Arrangements

Certain Transactions with Management and Principal Shareholders

We do not employ specific written procedures for the review, approval or ratification of related party transactions involving our directors, officers and employees or their family members, but we consider such transactions on a case-by-case basis. The Company requires that any material related party transactions be disclosed to the independent directors of the Board of Directors who shall review and assess the fairness of such transactions without the participation in the deliberation or voting of any interested parties. The Board of Directors follows fiduciary standards mandated under state law when considering all such matters.

During the past two fiscal years, and subsequent to such period, the Company has been involved with the following related party matters with certain members of management and certain shareholders.

Table of Contents

Everest Hill Group Inc. (“Everest Hill Group”) owns approximately 49.8% of the shares of ARC. Everest Hill Group also owns Quadrant Management, Inc. (“QMI”). Mr. Alan Quasha is affiliated with QMI as Chairman. Prior to his resignation on June 30, 2017, Mr. Jason T. Young served as Managing Director of QMI. Neither Mr. Alan Quasha nor Mr. Jason Young possess any voting power or powers of disposition over any shares of Company Common Stock owned by Everest Hill Group. Mr. Alan Quasha serves on the Board of Directors of the Company and the board of directors of ARC subsidiary Quadrant Metals Technologies LLC (“QMT”). Prior to his resignation on June 30, 2017, Mr. Jason Young also served on the Board of Directors of the Company and the board of directors of QMT. In addition to fees paid in consideration for his services as Chairman of the Board of Directors of the Company commencing in fiscal 2016, Mr. Alan Quasha received fees for his services on the board of QMT in the amount of \$11,250 and \$0 with respect to fiscal years 2016 and 2017, respectively. In addition to fees paid in consideration for his services as a member of the Board of Directors of the Company and his executive compensation, Mr. Jason Young received fees for his services on the board of QMT during fiscal years 2016 and 2017 in the amount of \$15,000 and \$0, respectively.

On November 7, 2014 (the “Closing Date”), the Company and its subsidiaries AFT, ARC Wireless, Inc., Flomet LLC, General Flange & Forge LLC, Tekna Seal LLC, 3D Material Technologies, LLC, and QMT, entered into a subordinated term loan credit agreement, together with McLarty Capital Partners SBIC, L.P. (“McLarty Capital”), as administrative agent, and other lenders from time to time party thereto (the “Subordinated Loan Agreement”), regarding an extension of credit in the form of a subordinated term loan in an aggregate principal amount of \$20,000,000. The subordinated term loan under the Subordinated Loan Agreement will mature five years after the Closing Date. The interest rate set forth in the Subordinated Loan Agreement is 11.00% per annum. Upon an event of default under the Subordinated Loan Agreement, the interest rate increases automatically by 2.00% per annum. The Subordinated Loan Agreement contains customary representations and warranties, events of default, affirmative covenants and negative covenants and prepayment terms.

Mr. Alan G. Quasha, our Chairman of the Board of Directors, has a business relationship with McLarty Capital through his capacity as a partner in QMI, which serves as the general partner of McLarty Capital and has investment interests through a limited partner of McLarty Capital, as did Mr. Jason T. Young, our former Chief Executive Officer during his period of service to the Company, through their respective capacities as Chief Executive Officer and partner with QMI, which serves as the general partner of McLarty Capital and has investment interests through a limited partner of McLarty Capital. The Board of Directors therefore determined that Mr. Quasha (and Mr. Young during the period of his tenure as an officer and director of the Company) had interests in, or in connection with, the Subordinated Loan Agreement that may be different from the interests of the Company’s shareholders generally. The Board of Directors therefore created a special committee of directors (the “Special Committee”), none of whom is an officer or executive of the Company and none of whom has any interest in, or in connection with McLarty or the Subordinated Loan Agreement, that may be different from the interests of the Company’s shareholders generally, to independently review, consider, evaluate, and possibly take action with respect to the Subordinated Loan Agreement. The Special Committee consisted of the Company’s independent directors Messrs. Eddie W. Neely, Gregory D. Wallis and Todd A. Grimm. The Special Committee was given extensive authority to evaluate and negotiate the Subordinated Loan Agreement, and to make recommendations to the Board of Directors regarding such transaction. The Special Committee was also granted authority to engage its own legal counsel and its own financial advisors to negotiate the Subordinated Loan Agreement independently of management. The Board of Directors also determined that it would not enter into the transaction without the authorization of the Special Committee. For purposes of ascertaining the fairness and reasonableness of the transaction with McLarty Capital, the Special Committee reviewed comparative public company information regarding similarly-situated subordinated loan

transactions over the 18 months prior to the transaction and summaries of the material terms and conditions applicable to comparable transactions. Following their independent review, the Special Committee determined that it would be in the best interest of the Company and its shareholders for the Company to enter into the Subordinated Loan Agreement and related loan documents.

Except as set forth herein, during the fiscal years ended June 30, 2017, and June 30, 2016, and subsequent to such date through the date hereof, there were no transactions between the Company and its directors, executive officers or known holders of greater than five percent of the Company's Common Stock in which the amount involved exceeded the lesser of \$120,000 or one percent (1%) of the average of our Company's total assets at the applicable year end period, in which any of the foregoing persons had or will have a direct or indirect material interest, and there is no such currently proposed transaction.

PROPOSAL NO. 2: RATIFICATION OF THE SELECTION OF HEIN & ASSOCIATES LLP
TO SERVE AS OUR CERTIFIED INDEPENDENT ACCOUNTANTS
FOR THE YEAR ENDING JUNE 30, 2018.

Independent Registered Public Accounting Firm

On December 15, 2015, the Audit Committee of the Board of Directors dismissed its former certified public accounting firm Grant Thornton LLP (“Grant”) and engaged Hein & Associates LLP (“Hein”) as the Company's independent registered public accountant. Hein previously served as the Company's independent registered public accountant until April 10, 2014. In deciding to select Hein, the Audit Committee reviewed auditor independence issues and existing commercial relationships with Hein and concluded that Hein has no commercial relationship with the Company that would impair its independence.

The Board of Directors and its Audit Committee recommends that the shareholders vote in favor of ratifying the selection of the certified public accounting firm of Hein as the auditors who will continue to audit financial statements and perform other approved services for the year ending June 30, 2018, or until the Audit Committee and Board of Directors, in its discretion, replaces them.

An affirmative vote of the majority of shares represented at the meeting is necessary to ratify the selection of auditors. There is no legal requirement for submitting this proposal to the shareholders; however, the Board of Directors believes it is of sufficient importance to seek ratification. Whether the proposal is ratified or defeated, the Board of Directors may reconsider, at its discretion, its selection of Hein. Representatives of Hein are not expected to be present at the Annual Meeting.

The Audit Committee reviews and determines whether specific projects or expenditures with our independent registered public accounting firm (auditor), potentially affects their independence. The Audit Committee's policy requires that all services the Company's independent registered public accounting firm (auditor) may provide to the Company, including audit services and permitted audit-related services, be pre-approved in advance by the Audit Committee. In the event that an audit or non-audit service requires approval prior to the next scheduled meeting of the Audit Committee, the auditor must contact the Chairman of the Audit Committee to obtain such approval. Any approval will be reported to the Audit Committee at its next scheduled meeting.
