Item 2.02 Results of Operations and Financial Condition.

On February 25, 2016, BioMarin Pharmaceutical Inc. (the “Company”) announced financial results for its fourth quarter and year ended December 31, 2015. The Company’s press release issued on February 25, 2016 is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

In its press release the Company included net income (loss) for the three and twelve months ended December 31, 2015 and 2014 and financial guidance for the year ending December 31, 2016, both as determined in accordance with U.S. Generally Accepted Accounting Principles (GAAP), except for non-GAAP net loss, which is determined on a non-GAAP basis. In the press release, the non-GAAP net loss is based on GAAP net income (loss) before interest, taxes, depreciation and amortization and further adjusted to also exclude certain non-cash stock compensation expense, non-cash contingent consideration expense and certain other specified items. The reconciliation of the non-GAAP financial measures to the comparable GAAP financial measures is included in the press release attached hereto as Exhibit 99.1.

The Company believes this non-GAAP information is useful to investors, taken in conjunction with the Company’s GAAP information, because it provides additional information regarding the performance of the Company’s core ongoing business, namely the commercial sales of Naglazyme, Vimizim, Kuvan, Aldurazyme and Firdapse and development of its pipeline products. By providing information about both the overall GAAP financial performance and the non-GAAP measures that focus on continuing operations, the Company believes that the additional information enhances investors’ overall understanding of the Company’s business and prospects for the future. Further, the Company uses both GAAP and non-GAAP results and expectations internally for its operating, budgeting and financial planning purposes.

The information in this Form 8-K shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities under that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filing.
