PART III - NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

As previously disclosed, InnerWorkings, Inc. (the "Company") is in the process of restating its financial statements for the years ended December 31, 2017, 2016, and 2015, and all interim periods within those years (the "Restated Periods"). The Company is working diligently to prepare and file an amendment to its 2017 Form 10-K (the "10-K/A") reflecting the corrected financial statements for the Restated Periods. Promptly after the filing

of the 10-K/A, the Company expects to file its Quarterly Report on Form 10-Q for the quarter ended March 31, 2018 (the "Form 10-Q"). Due to the extensive work required to complete the 10-K/A with all of the amended and restated information for the Restated Periods, the Company is unable to file the Form 10-Q on or before the prescribed due date of May 10, 2018. The delay could not be eliminated without unreasonable effort or expense.

If answer is no, identify report(s).
- (2)

Yes No

- It is anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?
- (3)

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Initial estimated changes in the Company's results of operations for the

years ended December 31, 2015, 2016 and 2017 were reflected in the Company's Current Report on Form 8-K filed on May 7, 2018. At this time, the Company is unable to give a reasonable estimate of the impact of the results of operations for interim periods within those fiscal years, including the quarter ended March 31, 2017, because the Company requires additional time to complete an analysis of all necessary adjustments and to determine the extent of the corrections that may be required for those interim periods. Promptly following the filing of this Form 12b-25, the Company expects to file its 10-K/A and Form 10-Q, which will include full financial results and a description of the changes from the corresponding period for the prior fiscal year.
