NOTES TO FINANCIAL STATEMENTS

1. Significant Accounting Policies

The Adams Express Company (the Company) is registered under the Investment Company Act of 1940 as a diversified investment company. The Company is an internally-managed fund whose investment objectives are preservation of capital, the attainment of reasonable income from investments, and an opportunity for capital appreciation.

Security Valuation -- Investments in securities traded on a national security exchange are valued at the last reported sale price on the day of valuation. Over-the-counter and listed securities for which a sale price is not available are valued at the last quoted bid price. Short-term investments (excluding purchased options) are valued at amortized cost. Purchased and written options are valued at the last quoted asked price.

Edgar Filing: ADAMS EXPRESS CO - Form N-CSRS

Affiliated Companies -- Investments in companies 5% or more of whose outstanding voting securities are held by the Company are defined as "Affiliated Companies" in Section 2(a)(3) of the Investment Company Act of 1940.

Security Transactions and Investment Income -- Investment transactions are accounted for on the trade date. Gain or loss on sales of securities and options is determined on the basis of identified cost. Dividend income and distributions to stockholders are recognized on the ex-dividend date, and interest income is recognized on the accrual basis.

2. Federal Income Taxes

The Company's policy is to distribute all of its taxable income to its stockholders in compliance with the requirements of the Internal Revenue Code applicable to regulated investment companies. Therefore, no federal income tax provision is required. For federal income tax purposes, the identified cost of securities at June 30, 2007 was \$1,035,830,629 and net unrealized appreciation aggregated \$476,858,703, of which the related gross unrealized appreciation and depreciation were \$530,588,714 and \$53,730,011, respectively.

Distributions are determined in accordance with income tax regulations which may differ from generally accepted accounting principles. Accordingly, annual reclassifications are made within the Company's capital accounts to reflect income and gains available for distribution under income tax regulations. Any income tax-related interest or penalties would be classified as income tax expense.

Effective June 29, 2007, the Company adopted Financial Accounting Standards Board (FASB) Interpretation No. 48 (FIN 48), Accounting for Uncertainty in Income Taxes, a clarification of FASB Statement No. 109, Accounting for Income Taxes. FIN 48 establishes financial reporting rules regarding recognition and measurement of tax positions taken or expected to be taken on a tax return. The adoption of FIN 48 had no impact on the Company's net assets or results of operations.

3. Investment Transactions

The Company's investment decisions are made by a committee of management, and recommendations to that committee are made by the research staff.

Purchases and sales of portfolio securities, other than options and short-term investments, during the six months ended June 30, 2007 were \$93,154,357 and \$89,051,906, respectively. Options may be written (sold) or purchased by the Company. The Company, as writer of an option, bears the risks of possible illiquidity of the option markets and from movements in security values. The risk associated with purchasing an option is limited to the premium originally paid. A schedule of outstanding option contracts as of June 30, 2007 can be found on page 12.

Transactions in written covered call and collateralized put options during the six months ended June 30, 2007 were as follows:

5. Retirement Plans

The Company's non-contributory qualified defined benefit pension plan covers all employees with at least one year of service. In addition, the Company has a non-contributory nonqualified defined benefit plan which provides eligible employees with retirement benefits to supplement the qualified plan. Benefits are based on length of service and compensation during the last five years of employment.

The funded status of the plans is recognized as an asset (overfunded plan) or a liability (underfunded plan) in the Statement of Assets and Liabilities. Changes in the prior service costs and accumulated actuarial gains and losses are recognized as accumulated other comprehensive income, a component of net assets, in the year in which the changes occur.

The Company's policy is to contribute annually to the plans those amounts that can be deducted for federal income tax purposes, plus additional amounts as the Company deems appropriate in order to provide assets sufficient to meet benefits to be paid to plan participants. During the six months ended June 30, 2007, the Company did not contribute to the plans. The Company does not anticipate making any contribution to the overfunded plan in 2007.

The following table aggregates the components of the plans' net periodic pension cost:

	Six months ended June 30, 2007	Year ended December 31, 2006
Service cost	\$ 243,658	\$ 460,969

Amortization of net loss	81,313	180,764
Deferred asset gain	--	128,119
Net periodic pension cost	\$ 228,695	\$ 485,488

The Company also sponsors a defined contribution plan that covers substantially all employees. For the six months ended June 30, 2007, the Company expensed contributions of \$95,309. The Company does not provide postretirement medical benefits.

6. Equity-Based Compensation

Although the Stock Option Plan of 1985 ("1985 Plan") has been discontinued and no further grants will be made under this plan, unexercised grants of stock

Edgar Filing: ADAMS EXPRESS CO - Form N-CSRS

options and stock appreciation rights granted in 2004 and prior years remain outstanding. The exercise price of the unexercised options and related stock appreciation rights is the fair market value on date of grant, reduced by the per share amount of capital gains paid by the Company during subsequent years. All options and related stock appreciation rights terminate 10 years from date of grant, if not exercised.

A summary of option activity under the 1985 Plan as of June 30, 2007, and changes during the six month period then ended, is presented below:

	Options	Weighted- Average Exercise Price	Weighted- Average Remaining Life (Years)
	-----	-----	-----
Outstanding at December 31, 2006	201,990	\$11.81	4.79

Exercisable at June 30, 2007	80,282	\$12.86	3.25

The options outstanding as of June 30, 2007 are set forth below:

Outstanding at June 30, 2007	146,804	\$12.33	3.97

Compensation cost resulting from stock options and stock appreciation rights granted under the 1985 Plan is based on the intrinsic value of the award, recognized over the award's vesting period, and remeasured at each reporting date through the date of settlement. The total compensation cost recognized for the six months ended June 30, 2007 was \$115,897.

The 2005 Equity Incentive Compensation Plan ("2005 Plan"), adopted at the 2005 Annual Meeting, permits the grant of stock options, restricted stock awards and other stock incentives to key employees and all non-employee directors. The 2005 Plan provides for the issuance of up to 3,413,131 shares of the Company's Common Stock, including both performance and nonperformance-based restricted stock. Performance-based restricted stock awards vest at the end of a specified three year period, with the ultimate number of awards earned contingent on achievement of certain performance targets. If performance targets are not achieved, all or a portion of the performance-based awards are forfeited and become available for future grants. Nonperformance-based restricted stock

Edgar Filing: ADAMS EXPRESS CO - Form N-CSRS

awards vest ratably over a three year period and nonperformance-based restricted stock units (granted to non-employee directors) vest over a one year period. It is the current intention that employee grants will be performance-based. The 2005 Plan provides for accelerated vesting in the event of death or retirement. Non-employee directors also may elect to defer a portion of their cash compensation, with such deferred amount to be paid by delivery of deferred stock units. Outstanding awards are granted at fair market value on grant date. The number of shares of Common Stock which remains available for future grants under the 2005 Plan at June 30, 2007 is 3,289,337 shares.

The Company pays dividends and dividend equivalents on outstanding awards, which are charged to net assets when paid. Dividends and dividend equivalents paid on restricted awards that are later forfeited are reclassified to compensation expense.

A summary of the status of the Company's awards granted under the 2005 Plan as of June 30, 2007, and changes during the six month period then ended, is presented below:

Awards -----	Shares/ Units -----	Weighted Average Grant-Date Fair Value -----
Balance at December 31, 2006	70,493	\$12.92

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Compensation costs resulting from awards granted under the 2005 Plan are based on the fair value of the award on grant date (determined by the average of the high and low price on grant date) and recognized on a straight-line basis over the requisite service period. For those awards with performance conditions, compensation costs are based on the most probable outcome and, if such goals are not met, compensation cost is not recognized and any previously recognized compensation cost is reversed. The total compensation costs for restricted stock granted to employees for the period ending June 30, 2007 were \$209,452. The total compensation costs for restricted stock units granted to non-employee directors for the period ended June 30, 2007 were \$44,876. As of June 30, 2007, there were total unrecognized compensation costs of \$807,143, a component of

Edgar Filing: ADAMS EXPRESS CO - Form N-CSRS

additional capital surplus, related to nonvested equity-based compensation arrangements granted under the 2005 Plan. Those costs are expected to be recognized over a weighted average period of 1.87 years.

7. Officer and Director Compensation

The aggregate remuneration paid during the six months ended June 30, 2007 to officers and directors amounted to \$2,080,502, of which \$185,041 was paid as fees and compensation to directors who were not officers. These amounts represent the taxable income to the Company's officers and directors and therefore differ from the amounts reported in the accompanying Statement of Operations that are recorded and expensed in accordance with generally accepted accounting principles.

8. Portfolio Securities Loaned

The Company makes loans of securities to brokers, secured by cash deposits, U.S. Government securities, or bank letters of credit. The Company accounts for securities lending transactions as secured financing and receives compensation in the form of fees or retains a portion of interest on the investment of any cash received as collateral. The Company also continues to receive interest or dividends on the securities loaned. The loans are secured at all times by collateral of at least 102% of the fair value of the securities loaned plus accrued interest. Gain or loss in the fair value of the securities loaned that may occur during the term of the loan will be for the account of the Company. At June 30, 2007, the Company had securities on loan of \$50,590,515 and held collateral of \$51,790,258, consisting of an investment trust fund which may invest in money market instruments, commercial paper, repurchase agreements, U.S. Treasury Bills, and U.S. agency obligations.

AMENDED AND RESTATED BYLAWS

In June 2007, the Board of Directors of the Company adopted Amended and Restated Bylaws for the Company. Among other changes, the Amended and Restated Bylaws:

- . add procedures and informational requirements governing the calling of a stockholder-requested special meeting of stockholders;
- . add informational requirements and modify the timing for the advance notice of stockholder nominees for the Board of Directors and of other stockholder proposals --stockholders are now generally required to notify the Company in writing of any proposal which they intend to present at an annual meeting of stockholders, including any nominations for director, between 120 and 150 days prior to the first anniversary of the mailing date of the notice for the prior year's annual meeting of stockholders;
- . implement changes to conform to the charter of the Company as recently amended and restated by the stockholders; and
- . include updates to conform to changes in Maryland law and current corporate governance practice.

As a result of the changes to the advance notice bylaws summarized above, the advance notice of Director nominees and any other proposals that a stockholder seeks to bring before the 2008 Annual Meeting but does not seek to have included in the Company's proxy statement and form of proxy for that meeting must be received at the office of the Company no earlier than September 19, 2007, and no later than October 19, 2007. Please note that these dates are different from those that were provided in the Company's proxy statement for the 2007 Annual Meeting, which dates are no longer correct.

The foregoing is only a summary and is qualified in its entirety by reference to the Amended and Restated Bylaws, a copy of which will be filed with the Securities and Exchange Commission as an exhibit to the Company's next report on Form NSAR. The Amended and Restated Bylaws are also available upon written request to the Secretary of the Company.

Item 10. Submission of Matters to a Vote of Security Holders. In June 2007, Registrant's Board of Directors adopted Amended and Restated Bylaws for the Company that, among other changes, make material changes to the procedures by which stockholders may recommend nominees to Registrant's Board of Directors. In general, the changes add informational requirements and modify the timing for the advance notice of stockholder nominees for the Board of Directors and of other stockholder proposals -- stockholders are now generally required to notify the Company in writing of any proposal which they intend to present at an annual meeting of stockholders, including any nominations for director, between 120 and 150 days prior to the first anniversary of the mailing date of the notice for the prior year's annual meeting of stockholders.

The Amended and Restated Bylaws governing the advance notice

requirements for stockholders who wish to recommend Director nominees provide as follows:

Section 2.9. Advance Notice of Stockholder Nominees for Director and Other Stockholder Proposals.

(a) Annual Meetings of Stockholders.

(1) Nominations of individuals for election to the Board of Directors and the proposal of other business to be considered by the stockholders may be made at an annual meeting of stockholders (i) pursuant to the Corporation's notice of meeting, (ii) by or at the direction of the Board of Directors or (iii) by any stockholder of the Corporation who was a stockholder of record both at the time of giving of notice by the stockholder as provided for in this Section 2.9(a) and at the time of the annual meeting, who is entitled to vote at the meeting and who has complied with this Section 2.9(a).

(2) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (iii) of paragraph (a)(1) of this Section 2.9, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation and such other business must otherwise be a proper matter for action by the stockholders. To be timely, a stockholder's notice shall set forth all information required under this Section 2.9 and shall be delivered to the Secretary at the principal executive office of the Corporation not earlier than the 150th day prior to the first anniversary of the Date of Mailing of the Notice (as defined herein) for the preceding year's annual meeting nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the Date of Mailing of the Notice for the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern Time, on the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. The public announcement of a postponement or adjournment of an annual meeting shall not commence a new time period for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth (i) as to each individual whom the stockholder proposes to nominate for election or reelection as a director, (A) the name, age, business address and residence address of such individual, (B) the class, series and number of any shares of stock of the Corporation that are beneficially owned by such individual, (C) the date such shares were acquired and the investment intent of such acquisition, (D) whether such stockholder believes any such individual is, or is not, an "interested person" of the Corporation, as defined in the Investment Company Act of 1940, as amended, and the rules promulgated thereunder (the "Investment Company Act") and information regarding such individual that is sufficient, in the discretion of the Board of Directors or any committee thereof or any authorized officer of the Corporation, to

Edgar Filing: ADAMS EXPRESS CO - Form N-CSRS

make such determination and (E) all other information relating to such individual that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the Exchange Act and the rules thereunder (including such individual's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (ii) as to any other business that the stockholder proposes to bring before the meeting, a description of such business, the reasons for proposing such business at the meeting and any material interest in such business of such stockholder and any Stockholder Associated Person (as defined below), individually or in the aggregate, including any anticipated benefit to the stockholder and the Stockholder Associated Person therefrom; (iii) as to the stockholder giving the notice and any Stockholder Associated Person, (A) the class, series and number of all shares of stock of the Corporation which are owned by such stockholder and by such Stockholder Associated Person, if any, (B) the nominee holder for, and number of, shares owned beneficially but not of record by such stockholder and by any such Stockholder Associated Person, (C) whether and the extent to which any hedging or other transaction or series of transactions has been entered into by or on behalf of, or any other agreement, arrangement or understanding (including any short position or any borrowing or lending of shares) has been made, the effect or intent of which is to mitigate loss to or manage risk of share price changes for, or to increase the voting power of, such stockholder or any such Stockholder Associated Person with respect to any share of stock of the Corporation (collectively, "Hedging Activities") and (D) a general description of whether and the extent to which such stockholder or such Stockholder Associated Person has engaged in Hedging Activities with respect to shares of stock of any other closed-end investment company; (iv) as to the stockholder giving the notice and any Stockholder Associated Person covered by clauses (ii) or (iii) of this paragraph (2) of this Section 2.9(a), the name and address of such stockholder, as they appear on the Corporation's stock ledger and current name and address, if different, and of such Stockholder Associated Person; and (v) to the extent known by the stockholder giving the notice, the name and address of any other stockholder supporting the nominee for election or reelection as a director or the proposal of other business on the date of such stockholder's notice.

(3) Notwithstanding anything in this subsection (a) of this Section 2.9 to the contrary, in the event that the number of directors to be elected to the Board of Directors is increased and there is no public announcement of such action at least 130 days prior to the first anniversary of the date of mailing of the notice of the preceding year's annual meeting, a stockholder's notice required by this Section 2.9(a) shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive office of the Corporation not later than 5:00 p.m., Eastern Time, on the tenth day following the day on which such public

Edgar Filing: ADAMS EXPRESS CO - Form N-CSRS

announcement is first made by the Corporation.

(4) For purposes of this Section 2.9, "Stockholder Associated Person" of any stockholder shall mean (i) any person controlling, directly or indirectly, or acting in concert with, such stockholder (including, without limitation, any person who is a member of a "group" for purposes of Section 13(d) of the Exchange Act, or any successor provision, that includes such stockholder), (ii) any beneficial owner of shares of stock of the Corporation owned of record or beneficially by such stockholder and (iii) any person controlling, controlled by or under common control with such Stockholder Associated Person.

(b) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of individuals for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected (i) pursuant to the Corporation's notice of meeting, (ii) by or at the direction of the Board of Directors or (iii) provided that the Board of Directors has determined that directors shall be elected at such special meeting, by any stockholder of the Corporation who is a stockholder of record both at the time of giving of notice provided for in this Section 2.9 and at the time of the special meeting, who is entitled to vote at the meeting and who complied with the notice procedures set forth in this Section 2.9. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more individuals to the Board of Directors, any such stockholder may nominate an individual or individuals (as the case may be) for election as a director as specified in the Corporation's notice of meeting, if the stockholder's notice required by paragraph (2) of this Section 2.9(a) shall be delivered to the Secretary at the principal executive office of the Corporation not earlier than the 150th day prior to such special meeting and not later than 5:00 p.m., Eastern Time, on the later of the 120th day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. The public announcement of a postponement or adjournment of a special meeting shall not commence a new time period for the giving of a stockholder's notice as described above.

(c) General.

(1) Upon written request by the Secretary or the Board of Directors or any committee thereof, any stockholder proposing a nominee for election as a director or any proposal for other business at a meeting of stockholders shall provide, within five Business Days of delivery of such request (or such other period as may be specified in such request), written verification, satisfactory, in the discretion of the Board of Directors or any committee thereof or any authorized officer of the Corporation, to demonstrate the accuracy of any information submitted by the stockholder pursuant to this Section 2.9. If a stockholder

Edgar Filing: ADAMS EXPRESS CO - Form N-CSRS

fails to provide such written verification within such period, the information as to which written verification was requested may be deemed not to have been provided in accordance with this Section 2.9.

(2) Only such individuals who are nominated in accordance with this Section 2.9 shall be eligible for election by stockholders as directors, and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with this Section 2.9. The chairman of the meeting shall have the power to determine whether a nomination or any other business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with this Section 2.9.

(3) For purposes of this Section 2.9, (a) the "Date of Mailing of the Notice" shall mean the date of the proxy statement for the solicitation of proxies for election of directors and (b) "public announcement" shall mean disclosure (i) in a press release reported by the Dow Jones News Service, Associated Press, Business Wire, PR Newswire or comparable news service or (ii) in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to the Exchange Act or the Investment Company Act.

(4) Notwithstanding the foregoing provisions of this Section 2.9, a stockholder shall also comply with all applicable requirements of state law and of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this Section 2.9. Nothing in this Section 2.9 shall be deemed to affect any right of a stockholder to request inclusion of a proposal in, nor the right of the Corporation to omit a proposal from, the Corporation's proxy statement pursuant to Rule 14a-8 (or any successor provision) under the Exchange Act.

The Amended and Restated Advance Notice Bylaws apply to Registrant's 2008 Annual Meeting, and the advance notice of Director nominees and any other proposals that a stockholder seeks to bring before the 2008 Annual Meeting but does not seek to have included in the Company's proxy statement and form of proxy for that meeting must be received at the office of the Company no earlier than September 19, 2007, and no later than October 19, 2007.
