REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Participants and Plan Administrator of the  
Ensco Savings Plan

We have audited the accompanying statements of net assets available for benefits of the Ensco Savings Plan (the "Plan") as of December 31, 2016 and 2015, and the related statements of changes in net assets available for benefits for the years then ended. The Plan's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. Our audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Ensco Savings Plan as of December 31, 2016 and 2015, and the changes in its net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

The supplemental information in the accompanying schedule of Form 5500, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2016 has been subjected to audit procedures performed in conjunction with the audit of the Plan's financial statements. The supplemental schedule is the responsibility of the Plan's management. Our audit procedures included determining whether the supplemental schedule reconciles to the financial statements or the underlying accounting and other records, as applicable and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information in the accompanying schedule, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. In our opinion, the supplemental information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole.

ENSCO SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS

1. PLAN ORGANIZATION AND DESCRIPTION

The Ensco Savings Plan (the “Plan”) is a defined contribution plan available to employees (“Eligible Employees”) of Ensco plc and subsidiary companies (the “Company” or “Ensco”). ENSCO International Incorporated, a wholly-owned subsidiary of the Company, is the Plan Sponsor. The Plan was established to provide a retirement benefit for eligible employees through Company annual discretionary contributions and matching contributions based on eligible employee contributions and to promote and encourage eligible employees to provide additional security and income for their retirement through a systematic savings program. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Participation

Eligible Employees of the Company may participate in the Plan upon meeting certain age requirements, except for those employees, if any, who are covered by a collective bargaining agreement with retirement benefits that are subject to good faith bargaining between the Company and the employee representative (unless the agreement requires inclusion in the Plan), contract employees and certain non-resident employees.

Eligible Employees participate in the discretionary contribution feature of the Plan after completing at least 90 days of continuous full-time employment if they are employed at calendar year-end or reach the normal retirement age during the calendar year. All employer contributions are at the discretion of the Company’s Board of Directors as disclosed below.

Contributions

Participants in the Plan (“Plan Participants”) may elect to make contributions to the Plan through salary deferrals (“Savings Contributions”), which qualify for tax deferral under Section 401(k) of the Internal Revenue Code (the “Code”). Under the Plan, Savings Contributions are limited to 50% (15%, or such lesser percentage established by the Administrator, for highly compensated Plan Participants) of the participant’s compensation, subject to the annual dollar limitation set forth in Section 402(g) of the Code (\$18,000 for the years ended December 31, 2016 and 2015). Plan Participants who have attained age 50 before the close of the Plan year are eligible to make catch-up contributions. An individual’s total catch-up contributions during 2016 and 2015 could not exceed \$6,000. Plan Participants may elect to increase, decrease or suspend their Savings Contributions within certain limits, as defined in the Plan document. Under certain circumstances, Plan Participants may make contributions to the Plan in the form of rollover contributions (“Rollover Contributions”).

At the discretion of its Board of Directors, the Company may make contributions to the Plan (“Matching Contributions”) in the form of a stated dollar amount or in the form of a matching percentage of Savings Contributions. For the years ended December 31, 2016 and 2015, the Company made Matching Contributions to active participant Eligible Employee accounts in the amount of 100% of the first 5% of eligible compensation.

Total Matching Contributions, net of forfeitures of \$1.1 million and \$3.1 million, for the years ended December 31, 2016 and 2015 were \$9.3 million and \$12.7 million, respectively.

Also at the discretion of the Board of Directors, following the close of a fiscal year, the Company may also make a contribution of 5% of each Plan Participant's base salary during the plan year ("5% Contributions"). The 5%

Contributions totaled \$9.3 million and \$13.6 million, net of forfeitures of \$450,000 and \$1.0 million, during the years ended December 31, 2016 and 2015, respectively.

Statutory limits on the sum of a participant's annual Savings Contributions, Matching Contributions and 5% Contributions were the lesser of \$53,000 (\$59,000 including catch-up contributions) for 2016 and 2015, or 100% of the Plan Participant's compensation.

#### Plan Administration

T. Rowe Price Trust Company ("T. Rowe Price") serves as the asset custodian, recordkeeper and investment manager for the Plan's trust fund and executes all investment actions at the discretion of Plan Participants.

#### Vesting

A Plan Participant's Matching Contribution account balance and the 5% Contribution account balance become vested and nonforfeitable upon the completion of years of service with the Company, as follows:

Completed years of service	Vested percentage
Less than one year	0%
One year	33%
Two years	67%
Three or more years	100%

A Plan Participant shall become fully vested in his or her Matching Contribution account balance and 5% Contribution account balance upon certain events, including death or disability, attaining the age of 65 or a full termination of the Plan. A Plan Participant's Savings Contribution account balance and Rollover Contribution account balance are fully vested at all times.

The non-vested portion of Matching Contribution account balances and 5% Contribution account balances of terminated Plan Participants are forfeited to the Plan and may be used to reduce the amount of employer contributions. The Plan used forfeitures of approximately \$1.6 million and \$4.1 million, to reduce a portion of the Company's Matching Contributions and 5% Contributions during the years ended December 31, 2016 and 2015, respectively.

#### Distributions

Distributions of a Plan Participant's Savings Contribution account, Rollover Contribution account and the vested portion of a participant's Matching Contribution account and 5% Contribution account are made at the request of the participant. As of December 31, 2016 and 2015, distributions of approximately \$103,000 and \$420,000, respectively, were requested by Plan Participants but had not yet been paid.

#### Hardship Withdrawals

Should a Plan Participant experience a hardship, he or she may elect to withdraw all or part of his or her vested account balance from the Plan. In order to qualify for a hardship withdrawal, the participant must first obtain all in-service distributions and/or loans available from this Plan and all other plans of the employer. All cases of hardship must be presented in writing to, and approved by, the Plan Recordkeeper. Additional supporting documentation from Plan Participants to substantiate any case of hardship may be required before making a determination. The Plan Recordkeeper may, at its discretion, approve all or part of the withdrawal request. Participants that elect to make hardship withdrawals are suspended for six months from making contributions to the Plan. Hardship withdrawals are recorded as distributions in the period in which they are disbursed.

## Investments

The Plan allows participants to direct all contributions among a number of different investment funds managed or held by T. Rowe Price, including Ensco plc Class A Ordinary Shares (the “Ensco Fund”). The Plan limits the portion of a participant’s aggregate account balance that may be invested in the Ensco Fund to 25%. The daily value of each investment unit is determined by dividing the total fair market value of all assets in each fund by the total number of units in that fund. Investment income, certain administrative fees and net appreciation (depreciation) of the fair value of investments are allocated to each Plan Participant’s account based on the change in unit value for each investment fund in which the participant has an account balance.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Method of Accounting

The Plan’s financial statements are prepared on the accrual basis of accounting.

The Plan’s investments in mutual funds are stated at fair value using quoted market prices. The Plan’s investment in the Ensco Fund is stated at fair value using the quoted market price of the Company’s stock. The Plan’s investments in the T. Rowe Price Active Retirement Trust Funds, the T. Rowe Price Stable Value Common Trust Fund and the Blackrock Collective Investment Funds are stated at fair value based on the net asset values of shares owned in the funds.

The Plan’s T. Rowe Price Stable Value Common Trust Fund invests in investment contracts through a collective trust. This fund’s investments meet the fully benefit-responsive investment contract criteria and therefore the underlying investment and related transactions are reported at contract value. The T.Rowe Price Stable Value Common Trust Fund’s net asset value is therefore computed on a contract value basis. This net asset value represents the Plan’s fair value as the net asset value is the basis upon which the Plan transacts with the fund.

The T. Rowe Price Active Retirement Trust Funds and the BlackRock Collective Investment Funds (the “Collective Trust Funds”) are operated by T. Rowe Price and Blackrock Institutional Trust Company, N.A., respectively, and are structured as a trust of trusts whereby the underlying trusts invest directly in securities. The investment objectives are to invest over time in a diversified portfolio of underlying trusts that represent various asset classes and sectors to provide stability of principal and to deliver consistent returns to participants.

Purchases and sales of mutual funds, the Ensco Fund and the Collective Trust Funds are recorded on a trade-date basis. Interest is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

The Plan presents in the statements of changes in net assets available for benefits the net appreciation/(depreciation) in the fair value of its investments, which consists of the realized gains and/or losses and the unrealized appreciation/(depreciation) on those investments.

### Distributions

Distributions of benefits to participants are recorded when paid.

## Notes Receivable from Participants

Approved loans to eligible participants are granted from the Plan Participants' vested accounts. The interest rate is a fixed rate determined monthly and interest income is recorded on the accrual basis. All loans must be secured with an irrevocable pledge assignment. Loan payments are generally made through participant payroll deductions. Loans may not exceed the limitations listed in the Plan document, which are the lesser of 50% of the Plan Participant's vested balance or \$50,000 less the highest outstanding loan balance in the previous 12 months. The Plan allows no more than two outstanding loans at a time to any one participant.

Loan payments to participants are recorded when paid. As of December 31, 2016 and December 31, 2015, loans of approximately \$65,000 and \$40,000, respectively, were requested by Plan participants but had not yet been paid.

## Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles ("U.S. GAAP") requires the Company to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Such estimates and assumptions are subject to inherent uncertainties, which may result in actual amounts differing from reported amounts.

## 3. FAIR VALUE MEASUREMENTS

The following fair value hierarchy table categorizes information regarding the Plan's net assets measured at fair value on a recurring basis as of December 31, 2016 and 2015:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
As of December 31, 2016				
Mutual funds	\$29,877,481	\$—	\$	—\$29,877,481
Ensco Fund	22,205,139	—	—	22,205,139
Common collective trust funds		282,208,114		282,208,114
Total Investments at fair value in hierarchy	52,082,620	282,208,114	—	334,290,734
Investments measured at net asset value <sup>(1)</sup> :				
Stable Value Common Trust Fund				88,513,028
Investments at fair value	\$52,082,620	\$282,208,114	\$	—\$422,803,762
As of December 31, 2015				
Mutual funds	\$159,971,380	\$—	\$	—\$159,971,380
Ensco Fund	20,341,750	—	—	20,341,750
Common collective trust funds		170,726,680		170,726,680
Total Investments at fair value in hierarchy	180,313,130	170,726,680	—	351,039,810
Investments measured at net asset value <sup>(1)</sup> :				
Stable Value Common Trust Fund				99,852,288
Investments at fair value	\$180,313,130	\$170,726,680	\$	—\$450,892,098

Certain investments that were measured at net asset value per share have not been classified in the fair value (1) hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the statements of net assets available for benefits.

#### 4. ADMINISTRATIVE FEES

Fees paid by the participants for investment management, qualified administrative expenses and loan origination services amounted to \$578,785 and \$136,102 for the years ended December 31, 2016 and 2015, respectively. Plan expenses are paid through certain percentages of returns generated by the investment funds elected by participants. Loan origination fees are paid directly by participants.

#### 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8

---

## 6. TAX STATUS

The IRS has determined and informed the Company by letter dated November 6, 2015 that the Plan and related trust are designed in accordance with applicable sections of the Code. Therefore, management believes that the Plan is designed and operated in compliance with the applicable requirements of the Code, the Plan is qualified and the related trust is tax-exempt.

The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and concluded that, as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

## 7. PARTY-IN-INTEREST TRANSACTIONS

Our Plan investments include shares of mutual funds and common collective trust funds managed by T. Rowe Price, the trustee as defined by the Plan, and, therefore, transactions in those investments qualify as party-in-interest transactions.

Transactions in Company shares held by the Plan in the Ensco Fund as an investment and approved loans to eligible participants also qualify as party-in-interest transactions.

## 8. RISKS AND UNCERTAINTIES

The Plan invests in investment options that are exposed to various risks including interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of the investments will occur in the near-term and that such changes could materially affect Plan Participants' account balances and the amounts reported in the statement of net assets available for benefits.
