INDEPENDENT AUDITORS' REPORT

Administrators
Ionics Section 401(k) Stock Savings Plan
Watertown, Massachusetts

We have audited the accompanying statements of net assets available for benefits of the Ionics Section 401(k) Stock Savings Plan (the Plan) as of December 31, 2003 and 2002, and the related statement of changes in net assets available for benefits for the year ended December 31, 2003. These financial statements are the responsibility of the plan administrator. Our responsibility is to express an opinion on these financial statements and schedules based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Edgar Filing: IONICS INC - Form 11-K

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2003 and 2002 and the changes in its net assets available for benefits for the year ended December 31, 2003, in conformity with generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

IONICS SECTION 401(k) STOCK SAVINGS PLAN NOTES TO FINANCIAL STATEMENTS

A. Description of Plan

The following description of the Ionics, Incorporated and domestic subsidiaries ("Company") 401(k) Plan (Plan) provides only general information. Participations should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General. The Plan is a defined contribution plan covering all permanent employees of the Company working at least 20 hours per week. Employees become eligible to participate effective as of the first day of the month coincident with or next following the employee's date of hire.
2. Contributions. Each year, participants may contribute up to 12 percent of pre-tax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. During 2003, the investment options were changed with some funds being replaced and other funds added, bringing mutual funds offered from seven to eleven. Company stock is also offered as an option. The Company contributes 50% of the first 6 percent of base compensation that a participant contributes to the Company stock portion of the Plan. The matching Company contribution is invested directly in Ionics, Incorporated common stock. Contributions are subject to certain limitations.
3. Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings. Allocations are based on total investment earnings and average participant investment balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Vesting. Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service ranging from 33 1/3% after two years to 100% after four years.
5. Participant Loans. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of \$50,000 or 50 percent of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest rates that are commensurate with local prevailing rates as determined by the Plan administrator.
6. Payment of Benefits. On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over the life expectancy of the Participant (or the joint life expectancy of the Participant and spouse or beneficiary).
7. Plan Expenses. The Plan provides that the Company shall pay all expenses of the Plan and its administration.

B. Summary of Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investment of the Plan in Ionics, Incorporated Common Stock is stated at the last sales price on December 31 as reported on the New York Stock Exchange. Shares of mutual funds are valued at the Net Asset Value of shares held by the Plan at year-end.

Purchase and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

G. Tax Status

The Plan was amended and restated effective on January 1, 2002 and further amended on November 18, 2002 and December 23, 2002. The Internal Revenue Service has determined and informed the Company by a letter dated April 20, 2004, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Management believes that the Plan is currently being operated in compliance with the requirements of the IRC.
