KANSAS CITY SOUTHERN BOARD OF DIRECTORS
AFFIRM PURSUIT OF ALL LEGAL MEANS TO ENFORCE
PROVISIONS OF TFM ACQUISITION AGREEMENT

The Kansas City Southern (KCS) (NYSE:KSU) Board of Directors today affirmed the company's efforts to pursue all legal means to enforce provisions of the Acquisition Agreement between KCS and Grupo TMM, S.A. (TMM) for TMM's interest in Grupo Transportacion Ferroviaria Mexicana, S.A. de C.V. (GTFM). The KCS Board passed a resolution instructing management to pursue all legal means to enforce the Agreement while also, as required by the Agreement, pursuing direct negotiations with TMM.

"The Board today affirmed its commitment to the NAFTA Rail transaction and in enforcing the Acquisition Agreement as it was agreed to and signed by the parties back in April," said Warren K. Erdman, KCS Vice President - Corporate Affairs.

KCS delivered a notice of dispute to TMM dated August 29, 2003 in accordance with the dispute resolution provisions of the Acquisition Agreement. This initiated a 60-day negotiation period between the parties. If the parties are unable to resolve the disputes within that period of time, KCS intends to initiate a binding arbitration in accordance with the terms of the Acquisition Agreement. KCS maintains that the Acquisition Agreement is still valid and in effect until December 31, 2004. Under that Agreement, TMM and its affiliates are precluded from initiating or participating in any negotiations or discussions with anyone other than KCS for the acquisition or purchase of all or a substantial portion of the assets of GTFM or any equity interest in GTFM. KCS has filed a complaint in the Delaware Court of Chancery seeking a preliminary injunction to preserve the parties' positions while KCS and TMM carry out the dispute resolution provisions in the Acquisition Agreement.

In other action, the KCS Board received a report on capital investments the company is making to improve track and facilities that increase the efficiency of the U.S. railroad and expand its capacity. The report to the KCS Board outlined progress being made on several capital projects including sidings, track capacity improvements, power switches, and other facilities and equipment improvements. It also discussed several operating achievements and the current capital structure of the company. (The full report can be found at KCS' website, www.kcsi.com.)

Also, today, the U.S. Surface Transportation Board issued a decision finding no need to rule on the transfer back to TFM of the 51% interest in Mexrail that KCS acquired on May 9, 2003. The effect of the decision is to allow TFM to reacquire the shares in accordance with the Mexrail Stock Purchase Agreement and KCS will abide by that agreement.
