Item 3.02. Unregistered Sales of Equity Securities

Kopin Corporation ("Kopin") issued a press release on January 3, 2017, a copy of which is attached as Exhibit 99.1 to this report and incorporated herein by reference, in which Kopin announced that on December 28, 2016 it had entered into a strategic relationship and a common stock purchase agreement with Goertek Inc. ("Goertek"), pursuant to which Kopin has agreed to sell 7,339,000 unregistered shares of its common stock for an aggregate offering price of \$23,851,750 to Goertek. The closing of the sale is subject to standard closing conditions and is scheduled for completion by January 27, 2017. Kopin plans to rely on Section 4(a)(2) of the Securities Act of 1933, as amended, and/or Rule 506 of Regulation D promulgated under the Securities Act, for the sale of the shares, based on the fact that (i) it is a sale to only one purchaser, who as of the date of the common stock purchase agreement, is an "accredited investor (as defined by Rule 501 under the Securities Act), (ii) none of the parties engaged in any general solicitation, directly or indirectly in connection with the sale of the shares, (iii) the shares are restricted from transfer unless registered with the Securities and Exchange Commission, or qualify for an exemption from registration, and (iv) no event within the past six months has occurred that would cause the offering to be integrated with another exempt or registered offering.
