product pursuant to its license agreement with Research Frontiers.

Further information regarding this new product line, including how to order from Raytheon, pricing, product specifications, and other product details, as well as a copy of Raytheon's press release and Research Frontiers' press release (both of which are included herewith as exhibits), is available on the Company's website at <http://www.SmartGlass.com>. Raytheon's press release and additional information is also available from Raytheon Aircraft Company and InspecTech Aero Service at [raytheon web site] and at <http://www.switchablefilm.com>.

The press release may include statements that may constitute "forward-looking" statements as referenced in the Private Securities Litigation Reform Act of 1995. Those statements usually contain words such as "believe", "estimate", "project", "intend", "expect", or similar expressions. Any forward-looking statements are made by the Company in good faith, pursuant to the safe-harbor provisions of the Act. These forward-looking statements reflect management's current views and projections regarding economic conditions, industry environments and Company performance. Factors, which could significantly change results, include but are not limited to: sales performance, expense levels, competitive activity, interest rates, changes in the Company's financial condition and several business factors. Additional information regarding these and other factors may be included in the Company's quarterly 10-Q and 10K filings and other public documents, copies of which are available from the Company on request. By making these forward-looking statements, the Company undertakes no obligation to update these statements for revisions or changes after the date of the press release.

The information in this Form 8-K shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall they be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference in such filing.
