INFORMATION TO BE INCLUDED IN THE REPORT

Item 2.05. Costs Associated with Exit or Disposal Activities.

On December 31, 2015, Avon Products, Inc. (the "Company") approved actions primarily consisting of global headcount reductions relating to an information technology infrastructure outsourcing initiative. These actions are expected to be substantially completed by December 31, 2016.

The Company expects to record total charges related to these actions of approximately \$30 million before taxes. Approximately \$20 million of these charges are expected to be recorded in the fourth quarter of 2015, with the majority of the remaining expected charges to be recorded by December 31, 2016.

These charges are expected to be comprised primarily of employee-related costs and professional fees, and substantially all of the charges will result in future cash expenditures. After an initial period of transition, the Company expects to begin to realize savings in 2018 and expects to achieve annualized pre-tax savings of approximately \$10-15 million beginning in 2019.
