OUTSTANDING STOCK AND VOTING RIGHTS

Only shareholders of record at the close of business on July 12, 2001 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were issued and outstanding 5,098,820 shares of the Company's common stock, par value \$.01 per share ("Common Stock") and 105,005 shares of the Company's Series A Preferred Stock, par value \$.01 per share ("Preferred Stock"), the only classes of voting securities of the Company. Each share of Common Stock entitles the holder thereof to one vote on each matter submitted to a vote at the Annual Meeting. The holders of the shares of Preferred Stock vote together with holders of Common Stock as one class except that only holders of the Preferred Stock are entitled to vote on the election of the two directors appointed by them pursuant to the terms of the Company's Certificate of Designation relating to the Preferred Stock (the "Series A Directors"). Messrs. Robert L. Burr and Robert M. Zech are the two Series A Directors who have previously been elected by the holders of the Preferred Stock. Each share of Preferred Stock entitles the holder to such number of votes per share on each such action as shall equal the number of shares of Common Stock (including fractions of a share) into which each share of Preferred Stock is then convertible (which is currently approximately 42.105 shares of Common Stock for each share of Preferred Stock, or an aggregate of 4,421,263 votes); provided, however, that each holder of Preferred Stock has irrevocably constituted Kevin J. Zugibe and Stephen P.

Mandracchia, and each of them, as such holder's proxy, with full power of substitution in each of them, in the name, place and stead of such holder, to vote at all meetings of the shareholders of the Company (other than with respect to matters requiring a separate class vote of holders of the Preferred Stock) that number of voting shares of the Company of all classes held by such holder and its affiliates, in the aggregate, as shall exceed twenty-nine percent (29%) of the votes entitled to be cast by all shareholders of the Company.

VOTING PROCEDURES

At the Annual Meeting, Mr. Burr will be elected by a plurality of the votes cast by holders of Preferred Stock in person or represented by proxy at the Annual Meeting, provided a quorum of Preferred Stock is present at the Annual Meeting. All other directors will be elected by a plurality of the votes cast by the holders of Common Stock and Preferred Stock, voting together as one class, in person or represented by proxy at the Annual Meeting, provided a quorum is present at the Annual Meeting. All other matters to be acted upon at the Annual Meeting will be decided by the majority of the votes cast by the holders of the shares of Common Stock and Preferred Stock, voting together as one class, present in person or represented by proxy at the Annual Meeting, provided a quorum is present. For purposes of the election of Mr. Burr by holders of Preferred Stock, a quorum will be present at the Annual Meeting if holders of a majority of the votes represented by holders of the Preferred Stock are present in person or represented by proxy at the Annual Meeting. With respect to all other matters, a quorum will be present at the Annual Meeting if the holders of a majority of the outstanding aggregate votes represented by holders of the Common Stock and Preferred Stock as of the Record Date are present in person or represented by proxy. Votes will be counted and certified by one or more Inspectors of Election who are expected to be employees of Continental Stock Transfer & Trust Company, the Company's transfer agent.

Edgar Filing: HUDSON TECHNOLOGIES INC /NY - Form DEF 14A

In accordance with applicable law, abstentions and "broker non-votes" (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owners or other persons entitled to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will be treated as present for purposes of determining the presence of a quorum. Based upon the Company's understanding of the requirements of the law of the State of New York and the Certificate of Incorporation and By-laws, as amended (the "By-laws"), of the Company, "votes cast" at a meeting of shareholders by the holders of shares entitled to vote are determinative of the outcome of the matter to be voted on. Failures to vote, broker non-votes and abstentions will not be considered "votes cast."

Proxies will be voted in accordance with the instructions thereon. Unless otherwise stated, all shares represented by such proxy will be voted as instructed. Proxies may be revoked as noted above.

PROPOSAL 1

ELECTION OF DIRECTORS

The Company's By-laws provide that the Board of Directors (the "Board") is divided into two classes. Each class is to have a term of two years (the term of each class

2

expiring in successive years) and is to consist, as nearly as possible, of one-half of the number of directors constituting the entire Board. The By-laws provide that the number of directors shall be fixed by the Board of Directors but in any event, shall be no less than seven (7) (subject to decrease by a resolution adopted by the shareholders). In 1999, the Board of Directors was increased to nine members. Two members of the board, Messrs. Burr and Zech, were elected by vote of the Holders of the Company's Series A Preferred Stock at the Company's August 19, 1999 Annual Meeting of Shareholders. In June 2001, the Board of Directors voted to reduce the number of members who constitute the entire board to seven (7) members, effective as of the Annual Meeting of Shareholders to be held in 2001.

At the Annual Meeting, a class of three directors will be elected for a two-year term expiring at the Annual Meeting of Shareholders to be held in 2003. Messrs. Vincent P. Abbatecola, Robert L. Burr and Otto C. Morch are the nominees for election to such positions, except that only the holders of the Preferred Stock are entitled to vote for election of Mr. Burr. Messrs. Stephen P. Mandracchia and Thomas P. Zugibe, whose terms as Board members expire at the Annual Meeting, will not stand for re-election at the Annual Meeting as a result of the Board's determination to reduce the size of the Board from nine (9) to seven (7) members. Messrs. Kevin J. Zugibe, Dominic J. Monetta, Harry C. Schell and Robert M. Zech will not stand for election at the Annual Meeting because their respective terms expire at the Annual Meeting of Shareholders to be held in 2002.

Proxies will be voted for the nominees named below, unless authority is withheld. Should any nominee not be available for election, proxies will be voted for such substitute nominee as may be designated by the Board of Directors. Each of the nominees has indicated to the Board that he will be available.
