Item 5. Other Events.

Daleen Technologies, Inc. (the "Company") reports that it has received payment from Allegiance Telecom, Inc. ("Allegiance"), the Company's largest outsourcing services customer, for a portion of amounts due to the Company for services performed prior to the filing by Allegiance on May 14, 2003 for relief under Chapter 11 of the U.S. Bankruptcy Code. The Company also received from Allegiance, on a timely basis, payment for post-petition services provided by the Company. Since the Allegiance filing, the Company has continued to provide outsourcing services to Allegiance in the ordinary course of business between the parties. While the Company anticipates that it will continue to do business with Allegiance while it restructures its operations, there can be no assurance that this business relationship will continue during the course of the Chapter 11 proceedings. If Allegiance ceases to do business with the Company and the Company fails to obtain additional financing or fails to engage in one or more strategic alternatives, it may have a material adverse effect on the Company's
