- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

ITEM 8.01. OTHER EVENTS.

As part of its regular quarter-end review, the Fund's Valuation Committee made determinations regarding the fair values of the Fund's investments that resulted in an aggregate net increase of approximately \$17.4 million or \$0.73 per share, effective October 31, 2011. The fair values of the following portfolio companies were adjusted: MVC Automotive Group B.V., NPWT Co., Octagon High Income Cayman Fund Ltd., Ohio Medical Corporation, SHL Group Limited, Security Holdings B.V., SGDA Europe B.V., SIA Tekers Invest, Summit Research Labs, Inc., Velocitius B.V., and Vestal Manufacturing Enterprises, Inc.

Consistent with the Fund's valuation procedures and ASC 820, the Valuation Committee took into account many factors, including the performance of its portfolio companies, as well as the impact of changes in market multiples within certain sectors and fluctuations in currency valuations.

Although the Fund has made no change to when it discloses its net asset value, the Fund is considering whether to adjust the timing of its net asset value disclosure to be consistent with the general practice of its peer group.

The Fund's estimated net asset value as of October 31, 2011 is approximately \$17.54 per share. The estimated net asset value is unaudited and subject to change.

---

SIGNATURES
