Item 1. Security and Issuer.

This Amendment No. 1 (the Amendment) amends the original Schedule 13D dated November 23, 2005 (the Original Schedule 13D) relating to shares of Class A Common Stock, par value \$0.0003 1/3 (the Class A Common Stock), of Under Armour, Inc., a Maryland corporation (the Issuer). The Issuer's principal executive office is located at 1020 Hull Street, 3rd Floor, Baltimore, MD 21230. Capitalized terms used but not otherwise defined in this Amendment have the meanings ascribed to such terms in the Original Schedule 13D.

Items 3, 4, 5(a), 6 and 7 of the Original Schedule 13D are hereby amended and supplemented to include the following:

Item 3. Source and Amount of Funds or Other Consideration.

This Amendment amends and restates Item 3 of the Original Schedule 13D in its entirety as set forth below:

All of the shares of Class A Common Stock of the Issuer beneficially owned by the Reporting Person were acquired in connection with the Issuer's initial public offering of its Class A Common Stock which closed on November 23, 2005. Prior to the Issuer's initial public offering, the Reporting Person owned 16,200,000 shares of the Issuer's Class A Common Stock.

In connection with the Issuer's initial public offering, the Reporting Person sold 1,000,000 shares of Class A Common Stock in the initial public offering, and exchanged his remaining shares of Class A Common Stock for shares of Class B Common Stock (the Class B Common Stock), on a one-for-one basis. In addition, upon the consummation of the Issuer's initial public offering, the Issuer granted to each full-time employee of the Issuer who had been continuously employed by the Issuer since April 30, 2005, including the Reporting Person, 100 shares of the Issuer's Class A Common Stock.

On June 1, 2006, the Reporting Person sold 1,950,000 shares of Class A Common Stock in a registered public offering.

As a result of these transactions, the Reporting Person beneficially owns 13,250,000 shares of Class B Common Stock and 100 shares of Class A Common Stock. Shares of Class B Common Stock are convertible into shares of Class A Common Stock on a one-for-one basis under certain circumstances, including at the option of the Reporting Person. Accordingly, the Reporting Person is deemed to be the beneficial owner of 13,250,100 shares of the Issuer's Class A Common Stock.

Item 4. Purpose of Transaction.

This Amendment amends Item 4 of the Original Schedule 13D by replacing the third sentence of the second paragraph of Item 4 of the Original Schedule 13D with the following sentence:

As a result, the Reporting Person beneficially owns shares of Class B Common Stock and Class A Common Stock representing approximately 79.5% of the combined voting power of the Issuer.

In addition, this Amendment amends Item 4 of the Original Schedule 13D by replacing the last paragraph of Item 4 of the Original Schedule 13D with the following paragraph:

Pursuant to the terms of a Lock-Up Agreement between the Reporting Person and the underwriters of the public offering of the Issuer's Class A Common Stock, which closed on June 1, 2006 (the Current Lock-Up Agreement), the Reporting Person is restricted from selling any shares of the Issuer's Class A or Class B Common Stock for a period of 90 days beginning May 25, 2006, unless otherwise agreed to in writing by the underwriters.

Item 5. Interest in Securities of the Issuer.

This Amendment amends and restates Item 5(a) of the Original Schedule 13D in its entirety as set forth below:

(a) As of the date of this report, the Reporting Person beneficially owns an aggregate of 13,250,100 shares of Class A Common Stock. As noted above, the number of shares beneficially owned by the Reporting Person includes 13,250,000 shares of Class A Common Stock issuable upon conversion of 13,250,000 shares of Class B Common Stock. The Reporting Person's holdings represent approximately 28% of the Issuer's outstanding common shares (based upon 47,335,594 shares of Class A Common Stock deemed outstanding assuming issuance of the 13,250,000 shares of Class A Common Stock upon conversion of the outstanding shares of Class B Common Stock). Shares beneficially owned by the Reporting Person represent approximately 79.5% of the total voting power of the combined voting classes of the capital stock of the Issuer.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

This Amendment amends and restates Item 6 of the Original Schedule 13D in its entirety as set forth below:

The Reporting Person is entitled to certain rights with respect to the registration of the Issuer's common stock pursuant to a Registration Rights Agreement dated September 30, 2003 (the Registration Rights Agreement) among the Issuer and, among others, the Reporting Person. The Registration Rights Agreement provides for piggyback registration rights pursuant to which the Reporting Person can request registration of their shares when the Issuer registers shares.

The stockholders who are parties to the Registration Rights Agreement have piggyback registration rights which apply when the Issuer registers shares other than pursuant to a Form S-4 or S-8. The Registration Rights Agreement also provides that the number of shares included by any stockholder in an underwritten public offering may be reduced if and to the extent the underwriters for such offering determine that the number of shares to be included in the registration exceeds the number that the underwriters believe they can sell.

The Issuer is required to bear all registration fees and expenses related to the registrations under the Registration Rights Agreement, excluding any transfer taxes relating to the sale of the shares held by the Issuer's existing stockholders, any underwriting discounts or selling commissions and certain expenses that may be necessary to enable the Issuer's existing stockholders to consummate the disposition of shares in certain jurisdictions. The rights of the holders who are parties to the Registration Rights Agreement terminate upon the earlier of five years from the date of the closing of the Issuer's initial public offering or, with respect to any holder who holds less than one percent of the Issuer's outstanding common stock, such time as all of that holder's securities may be sold within a 90-day period in a single transaction under Rule 144 of the Securities Act.

Pursuant to the terms of the Current Lock-Up Agreement, the Reporting Person is restricted from selling any shares of the Issuer's Class A or Class B Common Stock for a period of 90 days beginning May 25, 2006, unless otherwise agreed to in writing by the underwriters. The 90-day restricted period described in the preceding sentence will be automatically extended if: (1) during the last 17 days of the 90-day restricted period the Issuer issues an earnings release or announces material news or a material event; or (2) prior to the expiration of the 90-day restricted period, the Issuer announces that it will release earnings results during the 15-day period beginning on the last day of the 90-day period, in which case the restrictions described in the preceding sentence will continue to apply until the expiration of the 18-day period beginning on the issuance of the earnings release or announcement of the material news or event.

The above description of the Registration Rights Agreement and the Current Lock-Up Agreement does not purport to be a complete description of the rights and obligations under these agreements. The above description is qualified in its entirety by reference to the Registration Rights Agreement, a copy of which was attached as Exhibit 99.1 to the Original Schedule 13D, and the Current Lock-Up Agreement, a copy of which is attached hereto as Exhibit 99.3. Each of the Registration Rights Agreement and the Current Lock-Up Agreement is incorporated by reference herein.
