PROXY STATEMENT

GENERAL INFORMATION

Edgar Filing: SCIENTIFIC GAMES CORP - Form DEF 14A

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the "Board") of Scientific Games Corporation, a Delaware corporation (the "Company"), of proxies to be voted at the Annual Meeting of Stockholders to be held on Tuesday, September 10, 2002, at 10:00 a.m. at the Metropolitan Club, 1 East 60th Street, New York, New York, and any adjournment thereof (the "Annual Meeting"), for the purposes set forth in the Notice of Annual Meeting of Stockholders. It is expected that this Proxy Statement and enclosed form of proxy will be mailed to stockholders commencing on or about August 13, 2002. The annual report of the Company for the fiscal year ended December 31, 2001, including the text of the Company's Annual Report on Form 10-K, as amended, is also being mailed to the Company's stockholders with this Proxy Statement.

Stockholders Entitled to Vote

All holders of the Company's Class A Common Stock, \$.01 par value per share (the "Common Stock"), and the Company's Series A Convertible Preferred Stock, \$1.00 par value per share (the "Preferred Stock"), at the close of business on August 1, 2002, the record date for the Annual Meeting, will be entitled to vote at the Annual Meeting. At the close of business on August 1, 2002, a total of 57,450,425 shares of Common Stock and a total of 1,256,115 shares of Preferred Stock were outstanding. All stockholders, voting as a single class, will be able to vote for the election of six directors, the amendment to the Restated Certificate of Incorporation, the adoption of the 2002 Employee Stock Purchase Plan and the ratification of the appointment of the independent accountants. With respect to these matters, each outstanding share of Common Stock is entitled to one vote and each outstanding share of Preferred Stock, participating on an "as-converted" basis, is entitled to 100/5.10 or approximately 20 votes. In addition, the holders of the Preferred Stock, voting as a separate class, are entitled to elect four directors (the "Preferred Directors"). With respect to the election of the Preferred Directors, each outstanding share of Preferred Stock is entitled to one vote.

Voting Procedures

If you are the record holder of your shares, you can vote in person at the Annual Meeting or by proxy in one of the following three ways:

1. Mail: To vote by mail, sign, date and return your proxy card in the enclosed postage-paid envelope. If you vote by mail and return a signed proxy card but do not give voting instructions, the shares represented by that proxy will be voted FOR the election of the nominees for director named in this Proxy Statement, FOR adoption of the amendment to the Company's Restated Certificate of Incorporation, FOR adoption of the Company's 2002 Employee Stock Purchase Plan and FOR ratification of the appointment of KPMG LLP as independent accountants.

1

2. Telephone: To vote by telephone, call 1-800-proxies. You will need to provide the control number printed on your proxy card and follow the instructions on your card and the voice prompts.
3. Internet: To vote over the Internet, access the website "www.voteproxy.com". You will need to provide the control number printed on your proxy card and follow the instructions on your card and the website.

If you vote by telephone or over the Internet, do not return your proxy card.

If you are not the record holder of your shares (i.e., they are held in the name of a bank, broker or nominee), you will receive instructions from the holder of record that you must follow in order for your shares to be voted.

Changing Your Vote

A proxy may be revoked at any time prior to its being voted by delivering written notice to the Secretary of the Company, by delivering a properly executed later-dated proxy (including by telephone or Internet), or by voting in person at the Annual Meeting.

Required Vote

The presence, in person or by proxy, of the stockholders of a majority of the shares of Common Stock and Preferred Stock (on an "as-converted" basis) outstanding and entitled to vote constitutes a quorum for the transaction of business at the Annual Meeting. With respect to the election of the Preferred Directors, as to which only holders of shares of Preferred Stock are entitled to vote, the presence of a majority of the shares of Preferred Stock constitutes a quorum. Abstentions and broker "non-votes" are included in determining whether a quorum is present. A

Edgar Filing: SCIENTIFIC GAMES CORP - Form DEF 14A

broker "non-vote" occurs when a broker or nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power on that item and has not received instructions from the beneficial owner.

Assuming a quorum is present, the six directors other than the Preferred Directors will be elected by a plurality of the votes of the holders of the Common Stock and the Preferred Stock cast in person or by proxy at the Annual Meeting, and the four Preferred Directors will be elected by the votes of the holders of the Preferred Stock, voting as a separate class, at the Annual Meeting. Abstentions and broker "non-votes" are not counted for purposes of the election of directors.

Approval of any matter other than the election of directors requires the affirmative vote of a majority of the votes of the holders of the Common Stock and Preferred Stock entitled to be cast in person or by proxy at the Annual Meeting, and the amendment to the Restated Certificate of Incorporation also requires the affirmative vote of a majority of the votes of the holders of the Preferred Stock, voting as a separate class, at the Annual Meeting. With respect to the amendment to the Restated Certificate of Incorporation, the adoption of the 2002 Employee Stock Purchase Plan and ratification of the appointment of the independent accountants, abstentions are considered to be shares present and entitled to be cast and will have the effect of a negative vote on the matter, and broker "non-votes" are not counted as shares eligible to vote and will have no effect on the outcome of the matter.

The Board of Directors has four Committees: the Audit Committee, the Compensation Committee, the Executive Committee and the Nominating Committee. The holders of the Preferred Stock have the right to have one of their director designees serve on each Committee of the Board.

The Audit Committee of the Board currently consists of Larry J. Lawrence (Chairman), Rosario Bifulco, Colin J. O'Brien and Sir Brian G. Wolfson. The Audit Committee recommends engagement of the Company's independent accountants and is charged with the responsibility of overseeing the financial reporting process of the Company. The Audit Committee also oversees the Company's compliance program. The Audit Committee operates under a written charter adopted by the Board, a copy of which was included as Appendix A to last year's proxy statement. Any stockholder wishing to propose a nominee should submit a recommendation in writing to the Company's Secretary at least 120 days before the mailing date for proxy material applicable to the annual meeting for which such nomination is proposed for submission, indicating the nominee's qualifications and other relevant biographical information and providing confirmation of the nominee's consent to serve as a director. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who beneficially own more than ten percent of the Company's Common Stock, to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission ("SEC"). Based solely on its review of the copies of the reports that the directors, officers and ten percent holders filed with the SEC and on the representations made by the Company's officers and directors, the Company believes that all filing requirements applicable to its officers, directors and ten percent holders were complied with during the two-month transition period ended December 31, 2000 and during fiscal 2001, except that Peter A. Cohen filed two late Forms 4 (with respect to the sale of shares held by Ramius Securities, LLC in December 2000 and the sale of shares held by the Peconic Fund Ltd. in February 2001) and Alan J. Zakon filed one late Form 4 (with respect to the cashless exercise of a warrant in December 2001).

(1)

Beneficial ownership as reported in the above table has been determined in accordance with Rule 13d-3 under the Securities Exchange Act of 1934. Owners of options, warrants, the Preferred Stock or other convertible securities exercisable or convertible within 60 days of July 15, 2002 are deemed to be the beneficial owners of the securities which may be acquired. The percentage of outstanding securities reported reflects the assumption that only the person whose ownership is being reported has exercised or converted his options, warrants or Preferred Stock. Pursuant to the Certificate of Designations governing the Preferred Stock,

7

each share of Preferred Stock is convertible into the number of shares of Common Stock calculated by dividing \$100 (the liquidation preference) by the "conversion price" (as defined), which would have been \$5.10 had the conversion occurred on July 15, 2002, and, as such, the number of shares reported in this table as issuable upon conversion of the Preferred Stock is based on such calculation. The "conversion price" is subject to upward adjustment to \$5.56 and downward adjustment to \$4.63, based on the performance of the Common Stock on the 30 trading days preceding the date of conversion.

(2)

Includes (a) 6,769 shares and (b) 21,844,764 shares issuable upon conversion of Preferred Stock held by Cirmatica Gaming, S.A. ("Cirmatica"), representing 27.56% of the outstanding Common Stock. Also includes (a) 1,310,568 shares issuable upon conversion of Preferred Stock held by Olivetti International S.A. - (2) The amounts reported as restricted stock awards were calculated by multiplying the number of units of the Company's Performance Accelerated Restricted Stock (or "PARS") granted on May 25, 2001 to the Named Executive Officer by \$4.30, the closing price of the Company's Common Stock on the grant date. Supplemental Executive Retirement Plan

The Company adopted a Supplemental Executive Retirement Plan, or "SERP," as of September 2000, in order to provide supplemental retirement benefits for senior executives of the Company. The SERP provides for retirement benefits according to a formula based on each participant's years of service with the Company and average rate of compensation.

Payments under the SERP will commence upon a participant's termination of employment with the Company after reaching the age of at least 55 and having at least 10 years of full-time employment with the Company. The annual retirement benefit will be an amount equal to 3% of the participant's average compensation for the three highest consecutive calendar years in the last ten years before termination of employment,

multiplied by the participant's years of full-time employment with the Company up to a maximum of 15 years. Accordingly, the maximum annual payment under the SERP would be 45% of a participant's highest average annual compensation. A participant may receive a total of 15 annual payments in that amount, or may elect to receive the discounted present value of those 15 annual payments in equal installments over a period of 5 or 10 years or in a single lump sum. The date for payment of benefits may be accelerated in the event of a participant's death or total permanent disability, and certain additional provisions will apply in the event of a change of control of the Company. A participant whose highest average annual compensation is \$500,000 and who is credited with at least 15 years of full-time employment with the Company would receive 15 annual payments of \$225,000 under the SERP. If their highest average compensation were based on compensation through December 31, 2001, the Named Executive Officers who are participants in the SERP would be expected to receive annual retirement benefits for 15 years in the following estimated amounts assuming their retirement after at least 15 years of service with the Company: Mr. Weil, \$575,000; Mr. Schloss, \$183,000; Mr. Laird, \$146,500; and Mr. Huntley, \$154,500. These amounts would be subject to an offset for Social Security benefits. Messrs. Weil, Schloss, Laird and Huntley have 11, 9, 5 and 28 years of credited service, respectively, under the SERP.

Deferred Compensation Plan

During fiscal 1998, the Board adopted a non-qualified deferred compensation plan, and established a grantor trust to assist it in meeting its obligations under the plan. The deferred compensation plan, as amended, enables eligible employees to defer receipt of up to 100% of the bonus which may be payable under the Company's management incentive compensation program and, commencing as of July 1, 2002,

11

up to 50% of their base salary. The plan also enables the Company's non-employee directors to defer receipt of up to 100% of the fees which may be payable for director services. Accounts are maintained for each of the participants, who elect to have their accounts mirror the performance of investment options that the Company may offer from time to time. It is intended that amounts deferred under the plan will not be subject to any federal and, in most cases, state and local income taxes until participants receive payment from the plan. Unless participants elect to extend a deferral period, deferrals and related earnings will be paid as soon as practicable following the end of the deferral period. Accounts may be distributed prior to that date if a participant leaves the Company, dies or becomes disabled, if there is a change in control, if the Company terminates the plan or, under extremely limited circumstances, in the event of an "unforeseeable emergency". As of December 31, 2001, none of the Company's directors or Named Executive Officers, other than Mr. Weil, was a participant in the plan. Mr. Weil elected to defer his entire fiscal 1998 bonus, a portion of his fiscal 2000 bonus and his entire fiscal 2001 bonus into the plan; such compensation is held in a self-directed deferred compensation account.

Employee Agreements

A. Lorne Weil. Mr. Weil serves as Chairman of the Board and Chief Executive Officer pursuant to an employment agreement dated as of November 1, 2000, which provides for an annual base salary of \$750,000 (subject to increases on each January 1 to reflect increases in the Consumer Price Index for the Greater New York area), participation in the SERP, the opportunity to earn annually up to 100% of his base salary as incentive compensation pursuant to the terms of the Company's management incentive compensation program, and a term of employment ending December 31, 2004. The term of employment extends automatically for an additional year on December 31, 2004 and on each succeeding December 31 thereafter unless either party serves written notice upon the other party six months prior to the date upon which such extension would become effective. In the event Mr. Weil's employment is terminated by the Company without Cause (which includes the Company's election not to extend the term), or by Mr. Weil for Good Reason (which includes Mr. Weil's election not to extend the term due to the failure of the parties to agree to the terms of his continued employment), or by reason of Total Disability (as such capitalized terms are defined in Mr. Weil's employment agreement), Mr. Weil will be entitled to receive the following: (a) cash severance in a lump sum equal to three times the sum of his then current base salary and the higher of the average annual incentive compensation paid for the prior three years and the amount payable upon achievement of maximum performance targets for the year of termination; (b) a lump sum cash payment equal to the cash value of all payments and benefits to which Mr. Weil would have been entitled under the SERP upon termination, or if he had 15 years of service with the Company, whichever is greater (the "SERP Payment"); (c) a pro rata annual incentive amount for the year of termination; (d) stock options will become fully vested and exercisable at the date of termination, and any options which were granted on or after November 1, 1997 (the effective date of his prior employment agreement) or, if previously granted, were not "in the money" on such effective date, will remain exercisable until the scheduled expiration date of such options; (e) full vesting and settlement of all deferred stock held at termination; (f) continued participation in certain employee benefit plans for a period of three years after termination other than due to Total Disability, in which case the period shall be until age 65, and if such plans do not allow continuation, receive payment in lieu of such benefits; and (g) a payment to Mr. Weil to fund any excise tax that may be imposed under Section 4999 of the Internal Revenue Code with respect to payments made in connection with a change in control, as well as an amount to fund any income taxes payable with respect to such payment by the Company. If Mr. Weil's employment terminates due to retirement or death, Mr. Weil will be entitled to receive the following: (a) the SERP Payment; (b) a pro rata annual incentive amount for the year of termination; (c) stock options will become fully vested and exercisable at the date of termination, and any options which were granted on or after November 1, 1997 (the effective date of his prior employment agreement) will be exercisable until the earlier of three years and the scheduled expiration date of such options; and (d) full vesting and settlement of all

deferred stock held at termination.

DeWayne E. Laird. By letter dated January 11, 2001, the Company entered into an agreement with Mr. Laird, the Company's Vice President and Chief Financial Officer, pursuant to which his annual base salary was increased to \$250,000 (subject to annual increases in accordance with the Consumer Price Index for Philadelphia, Pennsylvania). The terms, which will be memorialized in a formal employment agreement, include participation in the SERP and a term of employment ending August 31, 2003. If Mr. Laird's employment is terminated without cause within two years of a Change in Control (as defined in the Change in Control Agreement discussed below), he will be entitled to receive, in lieu of any payment under said agreement, a cash payment in an amount equal to three times the sum of his annual base salary on the date of termination and the higher of the average incentive compensation paid to him for the three prior years, and the amount payable to him upon achievement of the target level of performance for the year of termination.

Martin E. Schloss. By letter dated January 11, 2001, the Company entered into an agreement with Mr. Schloss, the Company's Vice President, General Counsel and Secretary, pursuant to which his annual base salary was increased to \$300,000 (subject to annual increases in accordance with the Consumer Price Index for New York, New York). The terms, which will be memorialized in a formal employment agreement, include participation in the SERP and a term of employment ending August 31, 2003. If Mr. Schloss's employment is terminated without cause within two years of a Change in Control (as defined in the Change in Control Agreement discussed below), he will be entitled to receive, in lieu of any payment under said agreement, a cash payment in an amount equal to three times the sum of his annual base salary on the date of termination and the higher of the average incentive compensation paid to him for the three prior years, and the amount payable to him upon achievement of the target level of performance for the year of termination.

Employment and Severance Benefits Agreements. As of September 6, 2000, Scientific Games International, Inc., a subsidiary of the Company, entered into an employment and severance benefits agreement with each of Messrs. William J. Huntley and Clifford O. Bickell, pursuant to which they serve as Systems Division President and Printed Products Division President, respectively, of Scientific Games International and its subsidiaries. Each agreement provides for an annual base salary of \$275,000 (subject to annual increases in the percentage generally provided to the Company's executive officers), a transportation allowance of \$16,000, a term of employment ending September 5, 2003, and an opportunity to receive an annual cash bonus and an annual grant of stock options in amounts commensurate with, and based on substantially the same criteria as, those awarded to executive officers of the Company. Such agreements also provide that if the executive's employment is terminated without cause or in the event of a constructive termination that occurs on or before the second anniversary of the agreement, he will be entitled to receive a sum each month for a period of two years after termination equal to one-twelfth of the highest annual rate of base salary plus bonus paid during the twenty-four month period preceding the date of termination; and if such a termination occurs during the third year of the agreement, he will be entitled to receive the aforesaid monthly severance payment for a period of one year. (Had such a termination occurred on or before September 5, 2001, the first anniversary of the agreement, he would have been entitled to receive the aforesaid monthly sum for a period of three years.) If such a termination occurs, the executive will also be entitled to receive a pro rata bonus for the year of termination and to continue participation in certain employee benefit plans for a period of time not to exceed the applicable period in which severance is being paid, and if such plans do not allow continuation and the Company is unable to obtain substantially similar benefits, he would be entitled to receive a payment in lieu of such benefits. If the executive's employment is terminated due to disability, he will be entitled to receive a pro rata bonus for the year of termination and to continue to receive all disability, life and medical insurance benefits for a period of twelve months as well as his base salary for such period (to the extent payments under the Company's disability plan do not cover 100% of base salary); and in the event of the executive's death, his beneficiary will be paid a lump sum payment equal to six months of base salary and a pro rata bonus for the year of termination.

13

Change in Control Agreements. The Company entered into a Change in Control Agreement with each of Messrs. DeWayne E. Laird, Martin E. Schloss and William J. Huntley as of November 1, 1997. Each of the Change in Control Agreements has a term ending on October 31, 2002, which extends automatically for an additional year on October 31, 2002 and on each succeeding October 31 thereafter unless either party serves written notice upon the other party six months prior to the date upon which such extension would become effective. Pursuant to the agreements, if the Company terminates the employment of any of these executives without Cause, or the executive terminates his employment for Good Reason, at the time of or within two years following a Change in Control (as such capitalized terms are defined in the agreements), such executive will be entitled to receive the following: (a) cash severance in a lump sum equal to two times the sum of his then current base salary and the higher of the average annual incentive compensation paid to him for the three prior years, and the amount payable to him upon achievement of the target level of performance for the year of termination; (b) a pro rata annual incentive amount for the year of termination; (c) stock options will become fully vested and exercisable at the date of termination, and any options which were granted on or after November 1, 1997 (the effective date of the agreement) or, if previously granted, were not "in the money" on such effective date, will remain exercisable until the earlier of 36 months after termination and the scheduled expiration date of such options; (d) full vesting and settlement of

Edgar Filing: SCIENTIFIC GAMES CORP - Form DEF 14A

all deferred stock held at termination; and (e) continue participation in certain employee benefit plans until the earliest of 18 months, the date equivalent benefits are provided by a subsequent employer, and age 65, and if such plans do not allow continuation, to receive payment in lieu of such benefits. The agreements also provide that if the executive's employment with the Company is terminated without Cause and he is not entitled to the severance described above, he will be entitled to receive a lump sum cash payment equal to his then current base salary.

Directors' Compensation

Directors who are not employees of the Company receive the following compensation:

- (1) an annual cash retainer of \$30,000;
- (2) an additional annual cash retainer of \$50,000 for members of the Executive Committee;
- (3) an additional annual cash retainer of \$15,000 for Committee Chairmen;
- (4) meeting fees of \$1,000 for each Board meeting attended in person and for each Committee meeting attended in person that is held on a day other than one on which a Board meeting is held (except for Executive Committee meetings, which carry no meeting fees); and \$500 for each meeting attended by telephone conference call and for each Committee meeting attended in person if held on the same day as a Board meeting; and
- (5) an annual grant of restricted stock in an amount equal to the lesser of (x) 10,000 shares and (y) that number of shares having a value of \$30,000 on the date of grant. The restrictions on these awards lapse in three equal installments, one-third of the total on each of the first, second and third anniversaries of the date of grant, or in full if the director ceases to serve as a director due to death, disability, retirement at or after the age of 65, the failure to be renominated or reelected, or in the event of a change in control.

In addition, upon joining the Board directors are granted a stock option to purchase 50,000 shares at a price equal to the fair market value of the Company's Common Stock on the date of grant. Such options become exercisable in four equal installments, one-quarter of the total on each of the first, second, third and fourth anniversaries of the date of grant, and expire on the tenth anniversary of the date of grant.

Directors who serve on the Company's Compliance Committee also receive fees for attending meetings thereof at the rates described above for attending meetings held by Committees of the Board.

Certain Relationships and Related Transactions

In connection with our public offering of 14,375,000 shares of Common Stock in June 2002, we issued pro rata to the holders of the Series A Preferred Stock, a new series of preferred stock that has certain voting rights that, together with the voting rights of the Series A Preferred Stock, effectively reduce the aggregate ownership of Series A Preferred Stock (on an "as-converted" basis) that the holders are required to maintain in order to elect directors of the Company. The threshold for electing four directors was reduced from 25% to 22.5% and the threshold for electing three directors was reduced from 20% to 17.5%. The 10% and 5% thresholds for electing two directors and one director, respectively, remain in effect. The new series of preferred stock does not pay dividends and has a liquidation preference of no more than \$2,000 in the aggregate. In addition, we agreed to permit Cirmatica Gaming, S.A., the holder of a majority of the Series A Preferred Stock, subject to certain limitations, to select a representative to attend all meetings of, and participate in discussions of matters brought to, both the Board of Directors and the Executive Committee of the Board of Directors.

The Company is part of a consortium which includes Lottomatica S.p.A. (the parent company of Cirmatica Gaming, S.A.) that has been awarded a contract to be the exclusive operator for instant tickets in Italy. This award has been protested and is being reviewed in the Italian courts. If the award is ratified, we expect to enter into a contract, which initially would provide for the printing of tickets and the installation of a new centralized system, along with a full complement of cooperative services.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board of Directors currently consists of Alan J. Zakon (Chairman), Rosario Bifulco and Larry J. Lawrence. Luciano La Noce, who resigned from the Board in June 2002, served on the Committee throughout fiscal 2001.

None of the members of the Compensation Committee is or has been an officer or employee of the Company or a subsidiary of the Company or has had any relationship or transaction with the Company requiring disclosure under this item.

No executive officer of the Company serves as a member of the board of directors or compensation committee of any entity which has one or more executive officers serving as a member of our Board or Compensation Committee.

15

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors administers the Company's executive compensation program. The Committee's responsibilities include approving awards under the Company's incentive compensation and stock option plans, approving the compensation of the Company's executives and making recommendations to the Board of Directors with regard to the adoption of new employee benefit plans and new executive compensation plans. The Committee is comprised of three members of the Board of Directors who are not officers or employees of the Company.

Compensation Components and Philosophy

The principal components of the Company's compensation program consist of base salaries, performance-based bonuses and stock options. The Company's compensation program is designed to provide executives with compensation that is competitive with other companies, reward executives based on Company and individual performance and to align management and stockholder interests by providing incentive compensation through stock option awards and performance-based bonuses.

Executive Officer Compensation

Base salaries for the Company's executives other than the Chief Executive Officer, as well as changes in such salaries, are based upon recommendations by the Chief Executive Officer and other senior managers and reviewed on an annual basis in conjunction with the Company's budget for the upcoming fiscal year, taking into account such factors as competitive industry salaries, a subjective assessment of the nature of the position and the contribution and experience of the executive and the length of the executive's service.

The Company's management incentive compensation program (the "MICP"), which was established in fiscal 1996, provides annual bonus opportunities for the Company's key executive personnel based on three criteria: (1) the Company's overall financial performance relative to the budget for a given fiscal year as approved by the Board of Directors, (2) the financial performance of individual business units of the Company for executives directly involved with the operation of those units, and (3) a qualitative assessment by the Committee of individual performance not directly measurable by financial results pursuant to recommendations made by the Chief Executive Officer and other senior managers in the Company. The purpose of the MICP is to reward employees who have made significant contributions to the Company's achievement of its objectives and to provide an incentive for further contributions. The financial performance of the Company and its business units is principally measured under the MICP by the attainment of "EBITDA" (Earnings Before Interest, Taxes, Depreciation and Amortization) targets established for the year. If the financial performance targets are met or exceeded, participants will be eligible to receive year-end cash bonuses based on a percentage of their base salaries, subject to adjustment by the Committee after consideration of various objective and subjective factors. Potential payments under the MICP during fiscal 2001 ranged from 25% to 50% of base salary for participants other than the Chief Executive Officer, with each of Messrs. DeWayne E. Laird, Martin E. Schloss, William J. Huntley and Clifford O. Bickell having the opportunity to earn a bonus in an amount equal to 50% of base salary. In awarding bonuses for fiscal 2001, the Company considered the achievement by the Company and its business units of financial performance targets as well as various strategic objectives during the fiscal year which significantly strengthened and expanded the Company's businesses, including the following:

The integration of Scientific Games Holdings Corp. and Autotote Corporation, which has enabled the Company to achieve substantial cost reduction and increased marketplace effectiveness.

The award of new instant ticket and/or Cooperative Service contracts in Italy, Norway, Ohio and South Carolina, as well as contract renewals or extensions in six US states.

16

The award of on-line lottery equipment or service contracts in South Carolina, Jamaica, Ontario and Atlantic Canada, together with the simultaneous start-up of the Maine and Iowa lotteries in July 2001.

The commercial launch of our business-to-business account wagering platform "Trackplay" that has been adopted by a number of leading operators in the US and abroad.

The re-signing of several pari-mutuel customers including Woodbine Entertainment and the Atlantic City Casinos, as well as the award of the Turf Paradise totalizator contract.

Successful restructuring of our pari-mutuel operations in Germany, France and the Netherlands resulting in significant profit improvements.

While base salary and the annual incentive compensation components are tied to employee responsibility and the Company's financial performance and progress in achieving strategic goals, the purpose of stock option grants is to align stockholder and employee interests by providing a component of compensation tied directly to the performance of the Company's stock price. In January 2001, the Committee granted each of the Named Executive Officers and other participants in the MICP stock options to purchase the number of shares equal to approximately 50% of the maximum cash incentive award payable to such executive for fiscal 2001, divided by the fair market value of the Company's Common Stock on the date of grant.

CEO Compensation

The Company and Mr. Weil entered into a new employment agreement as of November 1, 2000, which provides for an annual base salary of \$750,000, a term of employment ending December 31, 2004 and participation in the SERP. Mr. Weil's employment agreement also provides him with the opportunity to earn annually up to 100% of his base salary as incentive compensation pursuant to the terms of the Company's MICP. Mr. Weil received his maximum incentive award for the fiscal year ended December 31, 2001 and for the two-month transition period ended December 31, 2000, as a result of the Company and Mr. Weil having achieved the financial and performance objectives referred to above. (For additional information relating to Mr. Weil's employment agreement, see "Employee Agreements".)

Deductibility of Executive Compensation

The Company expects that the compensation paid to executive officers during fiscal 2001 will qualify for income tax deductibility under Section 162(m) of the Internal Revenue Code. In addition, the Company has a general policy of awarding stock options to its executive officers only pursuant to plans that the Company believes will satisfy the requirements of Section 162(m).

The following graph compares the cumulative total stockholder return over the sixty-two month period from October 31, 1996 through December 31, 2001 on (a) the Company's Common Stock, (b) the Nasdaq National Market ("Nasdaq"), on which the Company's shares of Common Stock commenced trading as of January 29, 2002, having previously traded on the American Stock Exchange Market Value Index ("Amex"), (c) Amex and (d) a peer group index of companies that provide services similar to those of the Company, consisting of International Lottery and Totalisator Systems, Inc., Churchill Downs, Inc. and GTECH Holdings Corp. (the "Peer Group Index"). The Company elected to use a peer group index rather than a published industry or line-of-business index because the Company is not aware of any such published index of companies which, in terms of their businesses, are as comparable to the Company as those included in the peer group index. The peer group companies have been weighted based upon their relative market capitalization each year. The graph assumes that \$100 was invested on October 31, 1996 in the Company's Common Stock, the Nasdaq, Amex and the Peer Group Index and that all dividends were reinvested. The Company changed its fiscal year-end from an October 31 year-end to a calendar year-end, beginning with the year ended December 31, 2001, so that the measurement period for the performance graph covers the fiscal years ended October 31, 1997, 1998, 1999 and 2000, the two-month transition period ended December 31, 2000 and the last completed fiscal year ended December 31, 2001.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors currently consists of Larry J. Lawrence (Chairman), Rosario Bifulco, Colin J. O'Brien and Sir Brian G. Wolfson. Messrs. Lawrence, O'Brien and Wolfson are independent as defined in Rule 4200(a)(14) of the National Association of Securities Dealers' ("NASD") listing standards. Mr. Bifulco, who was designated as a director by the holders of the Company's Preferred Stock,

Edgar Filing: SCIENTIFIC GAMES CORP - Form DEF 14A

is employed by Lottomatica S.p.A., which may be deemed to be an affiliate of the Company by virtue of its ownership of Cirmatica Gaming S.A., our largest stockholder. In accordance with NASD Rule 4350(d)(2)(B), Mr. Bifulco was appointed to the Audit Committee upon the determination by the Board of Directors that his membership is in the best interests of the Company and its stockholders due to his experience in corporate finance.

The Audit Committee's specific responsibilities are set forth in its charter, a copy of which was filed as Appendix A to the Proxy Statement for the 2001 Annual Meeting of Stockholders, which was filed with the Securities and Exchange Commission on March 28, 2001.

As required by the charter, the Committee reviewed the Company's financial statements for the fiscal year ended December 31, 2001 and met with management and KPMG LLP, the independent accountants, to discuss the financial statements. The Committee also discussed with representatives of KPMG LLP the matters required to be discussed by Statement on Auditing Standards 61, *Communication with Audit Committees*.

The Committee received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and discussed with KPMG LLP its independence from the Company. The Committee also considered whether the provision of non-audit services by KPMG LLP is compatible with its maintaining auditor independence.

Based on these reviews and discussions and in reliance thereon, the Committee recommended to the Board of Directors that the audited financial statements for the Company be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2001 for filing with the Securities and Exchange Commission.

PROPOSAL 2

AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE AGGREGATE NUMBER OF SHARES OF CAPITAL STOCK AUTHORIZED TO BE ISSUED BY THE COMPANY FROM 102,000,000 SHARES (2,000,000 SHARES OF PREFERRED STOCK AND 100,000,000 SHARES OF COMMON STOCK) TO 202,000,000 SHARES (2,000,000 SHARES OF PREFERRED STOCK AND 200,000,000 SHARES OF COMMON STOCK)

Introduction

Edgar Filing: SCIENTIFIC GAMES CORP - Form DEF 14A

The Board of Directors has determined that it is advisable and in the best interests of the Company to increase the Company's authorized capital stock from 102,000,000 shares to 202,000,000 shares.

The Company's Restated Certificate of Incorporation, as currently in effect (the "Certificate of Incorporation"), authorizes the Company to issue up to One Hundred Two Million (102,000,000) shares of capital stock: Two Million (2,000,000) shares of preferred stock (the "Preferred Stock"), par value \$1.00 per share, including 1,600,000 authorized shares of Series A Convertible Preferred Stock and 2,000 authorized shares of Series B Preferred Stock; and One Hundred Million (100,000,000) shares of common stock (the "Common Stock"), including 99,300,000 authorized shares of Class A Common Stock, par value \$.01 per share (the "Class A Common"), and 700,000 shares of Class B Nonvoting Common Stock, par value \$.01 per share. The Board of Directors on July 25, 2002, adopted a resolution proposing that the Certificate of Incorporation be amended to increase the authorized number of shares of capital stock to Two Hundred Two Million (202,000,000) shares, of which Two Million (2,000,000) shares will be Preferred Stock and Two Hundred Million (200,000,000) shares will be Common Stock, including 199,300,000 shares of Class A Common Stock, subject to approval of the amendment by the Company's stockholders.

Current Use of Shares

As of August 9, 2002, the Company has approximately 57,452,900 shares of Common Stock outstanding, approximately 24,629,700 shares reserved for conversion of the Company's outstanding Series A Convertible Preferred Stock, approximately 1,083,800 shares reserved for exercise of the Company's warrants, and approximately 10,965,800 shares reserved for issuance under the Company's stock option plans, of which, currently, approximately 9,011,900 shares are covered by outstanding options and approximately 1,953,900 shares are available for grant or purchase. The Company has also reserved 1,000,000 shares for issuance under the Company's 2002 Employee Stock Purchase Plan, subject to stockholder approval. Based upon the foregoing number of outstanding and reserved shares of Common Stock, the Company currently has approximately 4,867,800 shares remaining available for other purposes.

Proposed Amendment to Restated Certificate of Incorporation

The Board of Directors has adopted resolutions setting forth (i) the proposed amendment to the first paragraph of Article Fourth of the Certificate of Incorporation (the "Amendment"); (ii) the advisability of the Amendment; and (iii) a call for submission of the Amendment for approval by the Company's stockholders at the Annual Meeting.

The following is the text of the first paragraph of Article Fourth of the Certificate of Incorporation, as proposed to be amended:

"The total number of shares of all stock which the Corporation shall have authority to issue is 202,000,000 shares, consisting of: (i) 199,300,000 shares of Class A Common Stock, par value of \$.01 per share (herein called the "Class A Common Stock"); (ii) 700,000 shares of Class B Nonvoting Common Stock, par value \$.01 per share

20

(herein called the "Class B Common Stock"); and (iii) 2,000,000 shares, \$1.00 par value, as designated Preferred Stock. All cross references in each subdivision of this ARTICLE FOURTH refer to other paragraphs in such subdivision unless otherwise indicated."

Purpose and Effect of the Proposed Amendment

The Board of Directors believes it is in the Company's best interest to increase the number of shares of Common Stock that the Company is authorized to issue in order to provide flexibility to issue Common Stock for corporate action in the future, such as to adopt additional employee benefits plans or reserve additional shares for issuance under such plans and to make acquisitions through the use of stock. The Board of Directors believes that the currently available unissued shares do not provide sufficient flexibility for corporate action in the future. The Board of Directors has no immediate plans, understandings, agreements, or commitments to issue any of the shares of additional Common Stock being authorized. The proposed increase would avoid repeated separate amendments to the Certificate of Incorporation and the delay and expense of holding special meetings of the stockholders to approve such amendments.

No additional action or authorization by the Company's Common stockholders would be necessary prior to the issuance of such additional shares, unless required by applicable law, regulatory authorities or the rules of the Nasdaq National Market or any other stock exchange or national securities association trading system on which the Common Stock may then be listed or quoted. The Company reserves the right to seek a further increase in authorized shares from time to time in the future as considered appropriate by the Board of Directors.

Under the Certificate of Incorporation, only the holders of the Company's Series A Convertible Preferred Stock have preemptive rights with respect to the Common Stock. Thus, should the Board of Directors elect to issue additional shares of Common Stock, existing holders of the

Edgar Filing: SCIENTIFIC GAMES CORP - Form DEF 14A

Common Stock would not have any preferential rights to purchase such shares. In addition, if the Board of Directors elects to issue additional shares of Common Stock, such issuance could have a dilutive effect on the earnings per share and book value per share and on the voting power of current holders of Common Stock.

The affirmative vote of the holders of a majority of the outstanding shares of the Company's Class A Common Stock and Series A Convertible Preferred Stock entitled to vote, voting together as a single class on an "as-converted" basis, and the affirmative vote of the holders of a majority of the outstanding shares of the Series A Convertible Preferred Stock entitled to vote, voting as a separate class, are required to approve the amendment to the Certificate of Incorporation to effect the proposed increase in our authorized shares.

PROPOSAL 3

APPROVAL OF THE SCIENTIFIC GAMES CORPORATION 2002 EMPLOYEE STOCK PURCHASE PLAN AND THE RESERVATION OF SHARES FOR ISSUANCE THEREUNDER

The Board of Directors adopted the Scientific Games Corporation 2002 Employee Stock Purchase Plan (the "ESPP") on April 25, 2002, and reserved One Million (1,000,000) shares of the Company's Class A Common Stock ("Common Stock") for issuance under the ESPP, subject to stockholder approval.

At the Annual Meeting, the Company's stockholders are being asked to approve the ESPP and the Board's reservation of shares of Common Stock under the ESPP for the purpose of qualifying such shares for special tax treatment under Section 423 of the Internal Revenue Code of 1986, as amended (the "Code").

Summary of the ESPP

General. The purpose of the ESPP is to provide eligible employees of the Company and its designated subsidiaries with an opportunity to purchase shares of the Company's Common Stock by means of voluntary, systematic payroll deductions. The Board of Directors believes that the ESPP will assist the Company in attracting and retaining employees and provide additional incentives for employees to contribute to the prosperity of the Company.

Administration. The ESPP is administered by the Compensation Committee of the Board. The Compensation Committee has full power to interpret the ESPP and the decisions of the Compensation Committee are final and binding upon all participants. In the event the Compensation Committee is no longer responsible for administering the ESPP, the Board of Directors will be responsible for administering the ESPP.

Participation in the Offering. During the term of the ESPP, offerings under the ESPP will begin on each January 1 and July 1 and extend for six months thereafter (an "Option Period"). If the ESPP is approved at the Annual Meeting, the Company anticipates implementing the first Option Period under the ESPP as of January 1, 2003. To participate in the ESPP, each eligible employee must authorize payroll deductions pursuant to the ESPP. Such payroll deductions may not exceed, for an Option Period, 15% of a participant's compensation for the two calendar quarters immediately preceding the first day of the Option Period and are also subject to the limitations discussed below. Each participant who has elected to participate is automatically granted an option to purchase shares of Common Stock as of the first day of the Option Period. The option is exercised on the last day of each Option Period to the extent of the payroll deductions accumulated during such Option Period, except that the option expires upon termination of employment if that occurs prior to the exercise date.

Eligibility. An employee who has been employed by the Company (or a designated subsidiary of the Company) for at least one year, and has a customary work schedule of at least 20 hours per week, is eligible to participate in the ESPP. However, no employee is eligible to participate in the ESPP to the extent that, immediately after the grant, the employee would own 5% or more of the total combined voting power or value of all classes of stock of the Company or a subsidiary of the Company, and no employee's rights to purchase shares of Common Stock pursuant to the ESPP may accrue at a rate that exceeds \$25,000 per calendar year. An eligible employee may become a participant in the ESPP by filing, prior to the beginning of the Option Period, a payroll deduction authorization form authorizing the Company to withhold automatically a percentage of his or her compensation during the Option Period. Once an employee becomes a participant for an Option Period, he or she will automatically remain a participant for succeeding Option Periods until he or she changes or revokes his or her payroll deduction authorization in writing or becomes ineligible to participate in the ESPP. As of August 9, 2002, approximately 1,350 of the Company's employees, including

four executive officers, were eligible to participate in the ESPP.

Purchase Price, Shares Purchased. The purchase price of the Common Stock issued pursuant to the exercise of an option under the ESPP will equal 85% of the fair market value of the Common Stock on (i) the first day of the Option Period, or (ii) the last day of the Option Period, whichever is less. On August 9, 2002, the closing price per share of the Company's Common Stock was \$6.25. The number of whole shares of Common Stock a participant purchases in each Option Period is determined by dividing the total amount of payroll deductions withheld from the participant's compensation during that Option Period by the purchase price.

Termination of Employment. Termination of a participant's employment for any reason, including death, immediately cancels his or her option and participation in the ESPP. In such event, the payroll deductions credited to the participant's account will be returned without interest to him or her or, in the case of death, to the person or persons entitled to those deductions and he or she will have no further rights under the ESPP.

Adjustments Upon Changes in Capitalization, Merger or Sale of Assets. In the event that the Company's Common Stock is changed by reason of any stock split, stock dividend, combination, recapitalization or other similar change in the Company's capital structure effected without the receipt of consideration, appropriate proportional adjustments may be made in the number of shares of stock subject to the ESPP, the number of shares of stock to be purchased pursuant to an option and the price per share of Common Stock covered by an option. Any such adjustment will be made by the Compensation Committee, whose determination will be conclusive and binding.

Amendment and Termination of the ESPP. The Board may terminate or amend the ESPP at any time, except that it may not increase the number of shares subject to the ESPP other than as described in the ESPP. The ESPP will continue until all stock reserved for purposes of the ESPP has been purchased, unless otherwise terminated earlier by the Board.

Withdrawal. A participant may withdraw from the ESPP at any time during an Option Period by giving written notice to the Company of his or her election to withdraw. Upon such withdrawal, the participant shall cease to be a participant, such option shall be deemed cancelled in its entirety, and the balance in his or her withholding account will be returned to him or her as soon as practicable.

New Plan Benefits. Because benefits under the ESPP will depend upon employees' elections to participate and the fair market value of the Company's Common Stock at various future dates, it is not possible to determine the benefits that will be received by executive officers and other employees if the ESPP is approved by the shareholders. Non-employee directors are not eligible to participate in the ESPP.

Federal Income Tax Consequences

If the Company's shareholders approve this proposal, the ESPP, and the right of participants to make purchases thereunder, should qualify under the provisions of Sections 421 and 423 of the Code. Under these provisions, no income will be taxable to a participant until the shares purchased under the ESPP are sold or otherwise disposed of. Upon a sale or other disposition of the shares, the participant will generally be subject to tax, and the amount of the tax will depend upon the holding period. If the shares are sold or otherwise disposed of more than two years from the first day of the applicable Option Period and more than one year from the date of transfer of the shares to the participant, then the participant generally will recognize ordinary income equal to the lesser of (i) the excess of the fair market value of the shares at the time of such sale or disposition over the purchase price, or (ii) an amount equal to 15% of the fair market value of the shares as of the first day of the Option Period. Any additional gain should be treated as long-term capital gain. If the shares are sold or otherwise disposed of before the expiration of this holding period, the participant will recognize ordinary income generally equal to the excess of the fair market value of the shares on the date the shares are purchased over the purchase price. Any additional gain or loss on such sale or disposition will be long-term or short-term capital gain or loss, depending on the holding

period. The Company is not entitled to a deduction for amounts taxed as ordinary income or capital gain to a participant except to the extent ordinary income is recognized by participants upon a sale or disposition of shares prior to the expiration of the holding period described above. In all other cases, no deduction is allowed to the Company.

Edgar Filing: SCIENTIFIC GAMES CORP - Form DEF 14A

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION ON THE PARTICIPANT AND THE COMPANY WITH RESPECT TO THE SHARES PURCHASED UNDER THE ESPP. IT DOES NOT PURPORT TO BE COMPLETE AND DOES NOT DISCUSS THE TAX CONSEQUENCES ARISING IN THE CONTEXT OF A PARTICIPANT'S DEATH OR THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE PARTICIPANT'S INCOME OR GAIN MAY BE TAXABLE.

Plan Category	(a) Number of securities to be issued upon exercise of outstanding options, warrants and rights	(b) Weighted-average exercise price of outstanding options, warrants and rights	(c) Number of Securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))

Total:	12,013,852	\$ 2.95	2,243,296

As of December 31, 2001, the equity compensation plans of the Company not submitted for stockholder approval consisted of certain stock options granted in 1992 and 1993, warrants issued in 1991, 1992, 1995 and 2000, and the Company's 1995 Equity Incentive Plan, which was originally adopted by the Board of Directors in May 1995.

Stock Options Granted in 1992 and 1993. The Company granted stock options to members of management pursuant to arrangements approved by the Board of Directors in 1992 and 1993. The options permit the holders to purchase an aggregate of 1,215,000 shares of Common Stock at exercise prices ranging between \$2.34 and \$13.50 per share, and each such option is scheduled to expire on the tenth anniversary of its date of grant.

Warrants Issued in 1991. The Company issued warrants in October 1991 to holders of the Company's subordinated debentures outstanding as of such date in connection with an amendment to the debentures. The warrants, as amended in November 1998, permit the holders to purchase an aggregate of 1,805,707 shares of Common Stock at an exercise price of \$1.6875 per share and are scheduled to expire in October 2002.

Warrants Issued in 1992. The Company issued warrants in October 1992 to lenders of the Company in connection with an amendment to a credit agreement. The warrants permit the holders to purchase an aggregate of 146,793 shares of Class B Common Stock at an exercise price of \$3.83 per share and are scheduled to expire in October 2003.

Edgar Filing: SCIENTIFIC GAMES CORP - Form DEF 14A

Warrants Issued in 1995. The Company issued warrants in September 1995 to lenders of the Company in connection with an amendment to a credit agreement. The warrants, as amended in April 2000, permit the holders to purchase an aggregate of 43,036 shares of Common Stock at an exercise price of \$3.32 per share and are scheduled to expire in April 2003.

Warrant Issued in 2000. The Company issued a warrant in October 2000 to a financial advisor for services related to the acquisition of Scientific Games Holdings Corp. The warrant permits the holder to purchase an aggregate of 250,000 shares of Common Stock at an exercise price of \$3.58 per share and is scheduled to expire in October 2004.

The 1995 Equity Incentive Plan. The Company's 1995 Equity Incentive Plan, as amended (the "1995 Plan"), authorizes grants of non-qualified stock options, deferred stock and other stock-related awards to employees who are not executive officers or directors of the Company. As of December 31, 2001, 3,374,640 shares were subject to outstanding awards under the 1995 Plan and 43,113 shares remained available for grant under the 1995 Plan. The 1995 Plan is administered by the Compensation Committee, which is authorized to select the participants, determine the type and number of awards to be granted and the number of shares of Common Stock to which awards will relate, specify times at which awards will be exercisable, set other terms and conditions of such awards, interpret and specify rules and regulations relating to the 1995 Plan, and make all other determinations that may be necessary or advisable for the administration of the 1995 Plan. The Committee's practice has been to award stock options which vest in four annual installments (one-quarter of the total on each of the first, second, third and fourth anniversaries of the grant date), have an exercise price equal to the fair market value of the Company's Common Stock on the date of grant, and expire on the tenth anniversary of the date of grant. The Committee may, in its discretion, accelerate the exercisability, the lapsing of restrictions, or the expiration of deferral or vesting periods of any award, and such accelerated exercisability, lapse, expiration and vesting shall occur automatically in the event of a consolidation or merger of the Company or a sale of substantially all of the Company's assets. The Board may amend or terminate the 1995 Plan without stockholder approval, but no amendment or termination of the 1995 Plan may adversely affect any award previously granted under the 1995 Plan without the consent of the holder. Unless earlier terminated by the Board, the 1995 Plan will terminate at such time as no shares remain available for issuance under the 1995 Plan and the Company has no further rights or obligations with respect to outstanding awards under the 1995 Plan.

PROPOSAL 4

APPOINTMENT OF INDEPENDENT ACCOUNTANTS

The Board has appointed KPMG LLP as independent accountants for the Company to examine the Company's financial statements for the current fiscal year ending December 31, 2002 and recommends that the stockholders of the Company ratify that appointment. KPMG LLP has served as the Company's independent accountants for all fiscal years since 1982. Representatives of KPMG LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

The persons named on the enclosed proxy card intend to vote each proxy for ratification of the appointment of KPMG LLP unless such proxy specifies otherwise. If the appointment is not ratified by stockholders, the Board is not obligated to appoint other independent accountants, but the Board will give consideration to such unfavorable vote.

THE BOARD RECOMMENDS A VOTE "FOR" THIS PROPOSAL

25

OTHER MATTERS

The Company is not aware of any matter other than those described in this Proxy Statement that will be acted upon at the Annual Meeting. In the event that any other matter properly comes before the meeting for a vote of stockholders, the persons named as proxies in the enclosed form of proxy will vote in accordance with their best judgment on such other matter.

Expenses in connection with the solicitation of proxies will be paid by the Company. Proxies are being solicited primarily by mail, but, in addition, officers and regular employees of the Company who will receive no extra compensation for their services may solicit proxies in person or by telephone or telegram. The Company also has retained D.F. King & Co., Inc. to assist in soliciting proxies at a fee of \$4,000 plus reimbursement of reasonable out-of-pocket costs and expenses.

STOCKHOLDER PROPOSALS FOR THE NEXT ANNUAL MEETING

Edgar Filing: SCIENTIFIC GAMES CORP - Form DEF 14A

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, if a stockholder wants to submit a proposal for inclusion in the Company's proxy materials for the next annual meeting of stockholders, it must be received at the Company's principal executive offices, 750 Lexington Avenue, 25th Floor, New York, New York 10022, Attention: Secretary, not later than April 15, 2003. If the Board changes the date of next year's annual meeting by more than 30 days, the Board will, in a timely manner, inform stockholders of such change and the effect of such change on the deadlines given above by including a notice under Item 5 in the Company's earliest possible quarterly report on Form 10-Q, or if that is impracticable, by any means reasonably calculated to inform the stockholders.

Your cooperation in giving this matter your immediate attention and in returning your proxy promptly will be appreciated.

The Committee's decisions will be final and binding. At the request of the Committee, the Company may appoint a "Plan Administrator" to carry out the ministerial functions necessary to implement the decisions and actions of the Committee with respect to any offering under the Plan.

SECTION 4. STOCK

Under the Plan, there is available an aggregate of 1,000,000 shares of Stock (subject to adjustment as provided in Section 17) for sale pursuant to the exercise of Options granted under the Plan to Eligible Employees. The Stock to be delivered upon exercise of Options under the Plan may be either shares of authorized but unissued Stock or shares of reacquired Stock, as the Board of Directors may determine. With respect to the offering applicable to an Option Period, the Committee will specify the number of shares to be made available and such other terms and conditions not inconsistent with the Plan as may, in the opinion of the Committee, be necessary or appropriate; *provided, however*, that absent action by the Committee, the maximum number of shares then available for purchase under the Plan shall be offered in each Option Period. All shares included in any offering under the Plan in excess of the total number of shares for which Options are granted hereunder and all shares with respect to which Options granted hereunder which are not exercised or are cancelled or deemed to be cancelled as provided herein shall continue to be reserved for the Plan and shall be available for inclusion in any subsequent offering under the Plan.

SECTION 5. ELIGIBLE EMPLOYEES

- (a) Except as otherwise provided below, each individual who is an employee of the Company or a Subsidiary, who has a customary working schedule of at least twenty (20) hours per week, and who has been an employee of the Company or a Subsidiary for at least one year will be eligible to participate in the Plan.

- (b) Any employee who, immediately after the grant of an Option, would own or be considered to own (in accordance with the provisions of Sections 423 and 424(d) of the Code) stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or a subsidiary of the Company will not be eligible to receive an Option pursuant to the Plan.
- (c) The Plan will be operated in compliance with the limitations on purchases of stock contained in Section 423(b)(8) of the Code.

SECTION 6. OPTION PERIODS; METHOD OF PARTICIPATION

- (a) Unless the Board of Directors determines otherwise, an offering of shares under the Plan shall be made with respect to each Option Period during which the Plan remains in effect. Each Option Period shall be of six-months duration. Each Option Period shall commence on either January 1 or July 1 of the calendar year.
- (b) Each person who will be an Eligible Employee on the first day of an Option Period may elect to participate in the Plan by executing and delivering, within a reasonable time frame prior to the first day of the Option Period as specified by the Committee, a payroll deduction authorization form in accordance with Section 7. Such employee will thereby become a participant ("*Participant*") in the Plan for that Option Period and each subsequent Option Period unless he or she withdraws from participation in the Plan in accordance with Section 12.

A-2

SECTION 7. PAYROLL DEDUCTION AMOUNTS AND PROCEDURES

- (a) The payroll deduction authorization form completed by the Participant will request withholding by means of payroll deductions from Compensation payable during the applicable Option Period at a rate, expressed as a whole percentage, of not less than 1%, except as provided in Section 7(b), nor more than 15% of his or her Compensation for the two calendar quarters immediately preceding the first day of such Option Period (the "*Specified Percentage*"). The amount equal to the Specified Percentage of the Participant's Compensation for the two preceding calendar quarters will be withheld from the Participant's Compensation in installments over the term of the Option Period (one installment each pay period during the Option Period, with the installments to be as nearly equal as is practicable, subject to adjustment resulting from a change in the Specified Percentage as permitted in Section 7(b) below). Such withheld amounts will be credited to a withholding account for the Participant. The Participant's payroll deduction authorization will remain in effect until amended in writing by the Participant in accordance with Section 7(b) or Section 7(c), or until the Participant withdraws from the Plan in accordance with Section 12.
- (b) As of the April 1 or October 1 which marks the first day of the second three months of any Option Period, a Participant may, subject to the provisions set forth elsewhere in this Plan, elect either to increase or decrease by one or more whole percentages (including a reduction to zero) the Specified Percentage of his or her payroll deductions for the current Option Period by delivering written notice to the Company of such election within a reasonable time period before such April 1 or October 1 date, as applicable, as specified by the Committee; provided, however, that an increase in the Specified Percentage will not increase the maximum number of shares for which the Participant may exercise the Option granted for such Option Period as determined under Section 8 of this Plan. The change in the Specified Percentage will take place as of the applicable date or as soon thereafter as practicable, as determined by the Company, and will remain in effect for the subsequent Option Period unless amended in accordance with Section 7(c) or the Participant withdraws from the Plan. A reduction in future payroll deductions to zero will not be treated as an election to withdraw from the Plan for the current Option Period unless the Participant affirmatively elects to withdraw in writing as provided by Section 12(a) of this Plan; however, a reduction to zero will be treated as an election by the Participant to withdraw from the Plan with respect to subsequent Option Periods.
- (c) A Participant may increase or reduce (but not below 1%) the Specified Percentage of his or her payroll deduction authorization for a future Option Period by written notice delivered to the Company, within a reasonable time period specified by the Committee, prior to the first day of the Option Period as to which the change is to be effective.

SECTION 8. GRANT OF OPTIONS

Edgar Filing: SCIENTIFIC GAMES CORP - Form DEF 14A

Each person who is a Participant on the first day of an Option Period will as of such day be granted an Option for such Option Period. Such Option will be for the number of whole shares of Stock to be determined by dividing (i) an amount equal to 15% of such Participant's Compensation for the two calendar quarters immediately preceding the first day of the Option Period by (ii) 85% of the fair market value of a share of the Stock as of the first day of the Option Period and disregarding any fractional interest.

In the event the total maximum number of shares for which Options would otherwise be granted in accordance with this Section 8 under any offering hereunder exceeds the number of shares offered or available under the Plan, the Company shall reduce the maximum number of shares for which Participants may be granted Options to allot the shares available in such manner as it shall determine, but generally pro rata, and shall grant Options to purchase only for such reduced number of shares. In such event, the payroll deductions to be made pursuant to the authorizations therefor shall be reduced accordingly

A-3

(without regard to the otherwise applicable minimum contributions) and the Company shall give written notice of such reduction to each Participant affected thereby.

Notwithstanding the foregoing, no Participant may be granted an Option to purchase shares under the Plan which permits his or her right to purchase Stock under the Plan and all other stock option plans of the Company pursuant to Section 423 of the Code to accrue at a rate which exceeds in any one calendar year \$25,000 of the fair market value of such Stock (determined as of the first day of the applicable Option Period).

SECTION 9. PURCHASE PRICE

The purchase price of Stock issued pursuant to the exercise of an Option will be 85% of the fair market value of the Stock at (a) the time of grant of the Option, or (b) the time at which the Option is deemed exercised, whichever is less. Unless the Board of Directors determines otherwise in good faith, fair market value on any given day will mean the Closing Price of the Stock on such day (or, if there was no Closing Price on such day, the latest day prior thereto on which there was a Closing Price). A good faith determination by the Board of Directors as to fair market value shall be final and binding. The purchase price for shares purchased pursuant to the Plan will be payable only by means of payroll deductions as provided herein.

SECTION 10. EXERCISE OF OPTIONS

- (a) Each employee who is a Participant in the Plan on the last day of an Option Period will be deemed on such day to have exercised, to the extent of such Participant's withholding, the Option granted to him or her for that Option Period. The exercise shall be for the purchase of the maximum number of whole shares of Stock subject to the Option which can be purchased with the entire withholding amount in the Participant's account, but not to exceed the number of shares determined under Section 8. In the event that the amount of the Participant's withholding is in excess of the total purchase price of the Stock so issued, the balance of the account shall be returned to the Participant, provided, that if such excess amount is less than the purchase price of one share of Stock, such excess amount shall be retained by the Company in the Participant's withholding account and shall be available for application toward the purchase price of shares of Stock in a subsequent Option Period. The entire balance of the Participant's withholding account following the final Option Period shall be returned to the Participant.
- (b) As promptly as practicable after the end of the Option Period, the Company will deliver the shares purchased upon exercise of the Option to a brokerage firm, as may be designated by the Committee from time to time, which will hold shares in individual accounts established for the benefit of each Participant. The brokerage account may be in the name of the Participant or, if such Participant so indicates on the appropriate form, in the Participant's name jointly with another person, with right of survivorship.
- (c) Notwithstanding anything herein to the contrary, the obligation of the Company to issue and deliver shares of Stock under the Plan is subject to the approval required of any governmental authority in connection with the authorization, issuance, sale or transfer of said shares of Stock, to any requirements of any national securities exchange applicable thereto, and to compliance by the Company with other applicable legal requirements in effect from time to time, including without limitation any applicable tax withholding requirements.

SECTION 11. USE OF FUNDS; NO FRACTIONAL SHARE INTERESTS

- (a) All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose and the Company shall not be obligated to segregate such payroll deductions; *provided, however*, that the Company may elect, at its sole discretion, to segregate such

A-4

payroll deductions for the benefit of Participants. Until paid over to the applicable Participant or used to purchase shares of Stock as provided hereunder, the amount of each Participant's payroll deductions in connection with any applicable offering shall represent an indebtedness of the Company to such Participant.

- (b) No interest will be payable on withholding accounts; *provided, however*, that the Company may elect, at its sole discretion, to pay interest on such withholding accounts on a non-discriminatory basis at a market rate of interest calculated pursuant to procedures established by the Company, all as determined in good faith by the Committee in its sole discretion.
- (c) No fractional shares or fractional share interests will be issued or credited to a Participant's account under this Plan.

SECTION 12. WITHDRAWAL AND CANCELLATION

- (a) A Participant who holds an Option under the Plan may at any time prior to exercise thereof under Section 10 withdraw from participation in the Plan by written notice delivered to the Company. Upon such withdrawal, the Participant shall cease to be a Participant, such Option shall be deemed cancelled in its entirety, and the balance in his or her withholding account will be returned to him or her as soon as practicable.
- (b) If a Participant reduces to zero his or her future payroll deductions with respect to the then current Option Period pursuant to Section 7(b), the Participant shall continue to be a Participant for such Option Period unless the Participant elects by notice in writing to the Company to withdraw from participation in the Plan as provided in Section 12(a). The Participant's reduction to zero, however, will be treated as an election by the Participant to withdraw from the Plan with respect to subsequent Option Periods.
- (c) Any Participant who withdraws from participation in the Plan as provided herein may, as of the beginning of a subsequent Option Period, again become a Participant in accordance with Section 6 of this Plan.
- (d) If a Participant's payroll deduction terminates for any reason not otherwise provided for in this Section 12, the Participant will be deemed to have withdrawn from participation in the Plan and his or her Option shall be cancelled in its entirety, and the balance in his or her withholding account will be returned to him or her as soon as practicable.

SECTION 13. TERMINATION OF EMPLOYMENT

Subject to Section 14, upon the termination of a Participant's service with the Company or a Subsidiary for any reason, such person will cease to be a Participant, and any Option held by such Participant under the Plan will be deemed cancelled, the balance of his or her withholding account will be returned to him or her, and such person will have no further rights under the Plan.

SECTION 14. DESIGNATION OF BENEFICIARY; DEATH OF PARTICIPANT

- (a) A Participant may file a written designation of a beneficiary who is to receive any shares of Stock and cash to the Participant's credit under the Plan in the event of such Participant's death prior to delivery to him or her of any such shares and cash. Such designation of beneficiary may be changed by the Participant at any time by written notice. Upon the death of a Participant and upon receipt by the Company of proof of the identity and existence at the Participant's death of a beneficiary validly designated by the Participant under the Plan, the Company shall deliver such shares and cash to such beneficiary. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such Participant's death, the Company shall deliver such shares and cash to the executor or administrator of the estate of the Participant, or if no

such executor or administrator has been appointed (to the actual knowledge of the Company) the Company shall deliver such shares and cash to the applicable court having jurisdiction over the administration of such estate. No designated beneficiary shall, prior to the death of the Participant by whom he or she has been designated, acquire any interest in the shares or cash credited to the Participant under the Plan.

- (b) In the event of the death of a Participant, any Option held by the Participant at such time shall be deemed to be immediately canceled and any cash and/or Stock credited to the Participant under the Plan will be delivered to his or her designated beneficiary or, in the absence of a living designated beneficiary, his or her estate as soon as practicable after the end of the current Option Period.

SECTION 15. PARTICIPANT'S RIGHTS NOT TRANSFERABLE

All Participants will have the same rights and privileges under the Plan; *provided*, that the use of Compensation (which varies among Eligible Employees) as the basis for determining the number of shares for which an Eligible Employee electing to participate in an offering under the Plan may be granted an Option shall not be construed to create a difference in such rights and privileges so long as each Eligible Employee has the right to elect the same percentage of his Compensation as a payroll deduction under Section 7. Each Participant's rights and privileges with respect to any Option may be exercisable during the Participant's lifetime only by him or her, and may not be sold, pledged, assigned, or transferred in any manner. In the event any Participant violates the terms of this Section, any Option held by such Participant may be terminated by the Company and, upon return to the Participant of the balance of his or her withholding account, all his or her rights under the Plan will terminate.

SECTION 16. EMPLOYMENT RIGHTS AND STOCKHOLDER RIGHTS

- (a) Nothing contained in the provisions of the Plan will be construed to give to any employee the right to be retained in the employ of the Company or a Subsidiary or to interfere with the right of the Company or a Subsidiary to discharge any employee at any time. The loss of existing or potential profit in Options will not constitute an element of damages in the event of termination of employment for any reason, even if the termination is in violation of an obligation to the Participant.
- (b) An Eligible Employee shall have no rights as a stockholder with respect to shares subject to an Option issued hereunder until such Option has been exercised and shares issued in accordance with the terms of the Plan.

SECTION 17. CHANGE IN CAPITALIZATION

In the event of any change in the outstanding Stock of the Company by reason of a stock dividend, spin-off, recapitalization, merger, consolidation, reorganization, or other capital change, after the effective date of this Plan, the aggregate number of shares available under the Plan, the number of shares under Options granted but not exercised, and the Option price will be appropriately adjusted in the manner determined by the Committee, in its sole discretion.

SECTION 18. AMENDMENT AND TERMINATION OF PLAN

- (a) The Company reserves the right at any time or times to amend the Plan to any extent and in any manner it may deem advisable by proper action of the Board of Directors; *provided, however*, that any amendment relating to the aggregate number of shares which may be issued under the Plan (other than an adjustment provided for in Section 17 of this Plan) or to the employees (or class of employees) eligible to receive Options under the Plan will have no force or effect unless it is approved by the shareholders of the Company within twelve months of its adoption; and *provided further*, that no such amendment shall make any change in any Option theretofore granted which would adversely affect the rights of any Participant without the express written consent of such Participant.

Edgar Filing: SCIENTIFIC GAMES CORP - Form DEF 14A

The Plan shall terminate: (i) automatically when all the Stock reserved for the purposes of the Plan has been purchased or (ii) as of the conclusion of any Option Period, as the Board, acting in its sole discretion prior to the last day of such Option Period, shall specify.

SECTION 19. GOVERNMENTAL APPROVALS OR CONSENTS

The Board of Directors may make such changes in the Plan and include such terms in any offering under the Plan as may be necessary or desirable, in the opinion of counsel, so that the Plan will comply with the rules and regulations of any governmental authority and so that Eligible Employees participating in the Plan will be eligible for tax benefits under the Code or the laws of any state.

SECTION 20. COSTS AND EXPENSES

No brokerage commissions or fees shall be charged by the Company in connection with the purchase of shares of Stock by Participants under the Plan. All costs and expenses incurred in administering the Plan shall be borne by the Company.

SECTION 21. APPROVAL OF SHAREHOLDERS

The Plan is subject to the approval of the shareholders of the Company, which approval must be secured within twelve (12) months after the date the Plan is adopted by the Board of Directors.

IN WITNESS WHEREOF, the Company has caused this Plan to be executed on its behalf the _____ day of _____, 2002.
