Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On January 7, 2016, Perseon Corporation (the “Company”) received a notice from the Listing Qualifications Department of The Nasdaq Stock Market (“Nasdaq”) stating that the Company failed to solicit proxies and hold an annual meeting of stockholders within 12 months after its fiscal year ended December 31, 2014, as required by Nasdaq Listing Rules 5620(a) and (b) (collectively, the “Annual Meeting Rule”). The failure to comply with the Annual Meeting Rule relates to the change in the company’s fiscal year end from August 31 to December 31, in that while the Company solicited proxies and held an annual meeting on February 5, 2015 for the fiscal year ended August 31, 2014, the Company did not solicit proxies and hold an annual meeting of stockholders for the transition period ended December 31, 2014. Accordingly, trading in the Company’s common stock and publicly traded warrants (Nasdaq symbols PRSN and PRSNW, respectively) will be suspended at the opening of business on January 19, 2016 and a Form 25-NSE will be filed with the Securities and Exchange Commission, which will remove the Company’s securities from listing and registration on The Nasdaq Stock Market.

While a delisting of the company’s securities will impact stock trading liquidity, the Company does not expect the delisting will have any immediate material impact on its commercial business and its ability to serve its customers.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On December 23, 2015, the board of directors of the Company agreed with Clinton E. Carnell, Jr. that as part of the Company’s plan to materially reduce expenses, Mr. Carnell will no longer receive a salary for his services to the Company as President and Chief Executive Officer. Mr. Carnell remains the Company's Principal Executive Officer.

The Company is continuing to evaluate the strategic options available to it at this time.
