Item 4. The Solicitation or Recommendation.

(a) Solicitation/ Recommendation.

The Board of Trustees ("Board") of the Fund met to consider and discuss the BIGP Offer on September 19, 2007. At that meeting, the Board appointed a special committee (the "Special Committee") of the Board, which is comprised solely of Independent Trustees, to evaluate and assess the terms of the BIGP Offer in consultation with "independent legal counsel" (as defined in Rule 0-1(a)(6) under the Investment Company Act of 1940), the Fund's Independent Chief Compliance Officer, a full-time senior officer appointed by and reporting to the independent Trustees, and such other experts as the Special Committee chooses to engage.

The Special Committee met to consider and discuss the BIGP Offer on September 24, 2007. At that meeting, the Board's independent legal counsel made presentations regarding legal matters pertaining to the BIGP Offer and the Fund's potential responses, including an overview of public filing and other obligations under applicable securities laws. After careful consideration at the September 24th meeting, the Special Committee concluded that (1) the closed-end structure offers the Fund the best platform to achieve its objective, (2) the actions taken by the Board to address the Fund's discount to NAV represent a more favorable long-term solution to narrowing or eliminating the Fund's discount to NAV than the BIGP Offer, (3) the conditions in the BIGP Offer raise substantial doubt regarding BIGP's obligation to consummate the BIGP Offer, (4) the BIGP Offer is, by its nature, coercive, and contains economically disadvantageous terms, and (5) the BIGP Offer contains inadequate information to assess whether BIGP has the financial resources to consummate the BIGP Offer. Accordingly, the Special Committee determined that the BIGP Offer was not in the best interests of shareholders and, therefore, recommended to the Board that the Board recommend that the Fund's shareholders reject the BIGP Offer and not tender their shares to BIGP.

At a meeting held on September 25, 2007, the Board met to receive the recommendation of the Special Committee and to consider and discuss the BIGP Offer and the factors considered by the Special Committee in making its recommendation. At that meeting, the Board, by unanimous vote, determined to recommend that the Fund's shareholders reject the BIGP Offer and not tender their shares to BIGP.

3

The following discussion of the information and factors considered by the Board and the Special Committee is not meant to be exhaustive, but includes material information, factors and analyses considered by the Board and the Special Committee in reaching their respective conclusions and recommendations. The members of the Board and the Special Committee evaluated the various factors listed below in light of their knowledge of the business, financial condition, and prospects of the Fund and based upon the advice of independent legal counsel. In light of the number and variety of factors that the Board and the Special Committee considered, the members of the Board and the Special Committee did not find it practicable to assign relative weights to the foregoing factors. The recommendations of the Board and Special Committee were made after considering the totality of the information and factors involved. In addition, individual members of the Board or the Special Committee may have given

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

different weight to different factors.

(b) Reasons

In reaching the conclusions and in making the recommendation described above, the Board and the Special Committee consulted with its legal advisors and the Fund's Independent Chief Compliance Officer, and considered a number of factors, including, but not limited to those set forth below:

The Fund operates best as a closed-end fund. BIGP has announced that it is making the BIGP Offer to gain influence over management of the Fund and that it seeks a fundamental change in the structure of the Fund - causing the Fund to convert from a closed-end structure to an open-end structure. The Board and the Special Committee believe that BIGP intends to use its higher percentage ownership of the Fund following consummation of the BIGP Offer to effect this change, to the detriment of shareholders of the Fund who invested in the Fund on the basis that it was structured as a closed-end fund, and who wish to remain invested in a closed-end fund.

While conversion to an open-end structure would eliminate any then-existing discount to NAV, it would also have adverse consequences that the closed-end structure of the Fund was designed to prevent. For example, conversion to an open-end structure would mean that the Fund's portfolio managers will no longer be able to cause the Fund's assets to be fully invested in income-generating securities, thereby reducing the Fund's yield. In addition, as a result of restrictions that the Investment Company Act places on leveraging by open-end funds, conversion to an open-end structure would significantly jeopardize the portfolio manager's efforts to seek increased investment return through leverage.

Experience also has shown that professional fund arbitrageurs and certain hedge funds which are current shareholders of the Fund would likely redeem their shares in the Fund immediately upon its conversion to an open-end structure, thereby reducing the Fund's assets - potentially substantially - and causing the Fund's expense ratio to rise significantly. These arbitrageurs are interested solely in short-term gain at the expense of shareholders who wish to hold the Fund's shares as a long-term investment.

4

The Board has taken actions to address the Fund's discount to NAV. The Board regularly considers actions that may be taken to minimize the Fund's discount to NAV and from time to time has authorized the Fund to repurchase its shares in the open market as a means of narrowing the Fund's discount. In 2006, the Board was advised by an independent third party regarding methods by which closed-end funds attempt to manage their discounts. In April 2007, the Board approved a change to the Fund's investment strategy to permit the Fund to invest in higher yielding securities and recommended approval by shareholders of a proposal to allow the use of leverage in the management of the Fund. Shareholders have not yet had the opportunity to consider this proposal as it is proposed for approval at the Fund's annual shareholder meeting scheduled for November 1, 2007. The Board believes that both of these measures may increase the Fund's yield and also result in a narrowing or elimination of the Fund's discount to NAV.

In addition, in July 2007, the Board authorized the adoption of a level distribution plan pursuant to which the Fund now makes monthly distributions at a minimum annual rate of 7.25%. The Fund's first distribution under this plan was declared on September 4, 2007, and will be paid to shareholders of record on September 28, 2007. The Board believes that this plan, upon implementation, may have the effect of narrowing or eliminating the Fund's discount to NAV.

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

The BIGP Offer is excessively conditional. The BIGP Offer is subject to numerous conditions. One important condition ties BIGP's obligation to consummate the offer to the election of four trustee candidates that BIGP has stated that it proposes to nominate at the Fund's shareholder meeting on November 1, 2007 to replace four current members of the Board. Specifically, BIGP is not required to consummate the offer if shareholders do not elect its trustee candidates. However, even if BIGP's candidates are elected, the broadly worded nature of the other conditions in the BIGP Offer make it uncertain that the offer will be consummated. For example, if there occurs "any change, circumstance, event or effect" that "could reasonably be expected to have, in the sole discretion of BIGP, a material adverse effect on the Fund or the value of the Shares or, assuming consummation of the BIGP Offer, on BIGP or any of its affiliates," BIGP could elect not to consummate the offer. The BIGP Offer to Purchase also states that BIGP has the right to declare a condition not satisfied even if the failure to be satisfied was caused by an action or inaction of BIGP. In addition, by tying the tender offer to the election of its trustee candidates, BIGP is inducing shareholders to elect trustee candidates about whom the Fund currently does not have enough information to determine that they are not "interested persons" of the Fund (as defined in the Investment Company Act of 1940), creating uncertainty about compliance with the requirement under regulatory settlements that 75% of the Fund's trustees be comprised of non-interested persons. Because of the broad nature of BIGP's other conditions, as well as the fact that the tender offer closes after the November 1st shareholder meeting, it is possible that BIGP will induce shareholders to vote for its trustee candidates yet not consummate the tender offer.

The BIGP Offer is coercive. The BIGP Offer represents a threat to shareholders because the BIGP Offer is designed to coerce shareholders to participate in the offer on disadvantageous terms. BIGP states that the BIGP Offer is being made to allow BIGP to gain influence over management of the Fund and increase BIGP's voting power to cause the Fund to become an open-ended fund. The BIGP Offer is coercive because it creates an economic incentive for

5

shareholders to tender so that they can avoid (i) being left as minority shareholders of a fund with a shareholder - BIGP - that is seeking to increase its influence and force its agenda upon management and the other shareholders and (ii) facing a radical change in the structure of the Fund. As a result, even shareholders who wish to remain invested in the Fund may feel compelled to participate in the BIGP Offer in order to minimize their investment in the Fund during a period when radical changes are being made to its structure. Further, if the BIGP Offer is over-subscribed, shareholders who had hoped to redeem completely from the Fund will have to remain at least partially invested in the Fund during this period of change.

The BIGP Offer has economically disadvantageous terms. BIGP will assess a \$50 processing fee to each shareholder who tenders. This amount is considerably higher than the amount that the depositary charges to actually process the letter of transmittal submitted by a shareholder who chooses to tender his or her shares. For shareholders who hold shares in multiple names (e.g., John Jones, John and Mary Jones, and John Jones as trustee for Mary Jones), a separate letter of transmittal will be required for each account and the \$50 fee will be charged each time. The \$50 processing fee, when deducted from the proceeds of small account holders (or holders whose tendered shares are reduced if the BIGP Offer is oversubscribed), could significantly reduce the return realized by these shareholders.

Shareholders have inadequate information to evaluate BIGP's financial resources. While BIGP states that the BIGP Offer is not subject to a financing

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

condition, BIGP has not provided adequate information to evaluate its ability to complete the BIGP Offer, other than to state that it will pay the aggregate costs of the BIGP Offer (and any other tender offers it may launch against other companies or funds) using its investment capital. No BIGP financial statements are included as part of the Schedule TO.

In light of the factors described above, each of the Board and the Special Committee has determined that the BIGP Offer is not in the best interests of the Fund's shareholders. Therefore, the Board recommends that shareholders of the Fund reject the BIGP Offer and not tender their shares into the BIGP Offer.

(c) Intent to Tender

To the best knowledge of the Fund, none of its trustees, executive officers, affiliates, or subsidiaries currently intends to tender Common Shares held of record or beneficially by such person for purchase pursuant to the BIGP Offer.

Item 5. Person/Assets Retained, Employed, Compensated or Used.

Members of the Board of the Fund and employees of MFS may make recommendations to the shareholders of the Fund with respect to the BIGP Offer.

Item 6. Interest in Securities of the Subject Company.

During the past 60 days, no transactions with respect to the Common Shares have been effected by the Fund or, to the Fund's knowledge, by any of its executive officers, trustees, affiliates or subsidiaries.

6

Item 7. Purposes of the Transaction and Plans or Proposals.

The Board continually considers all strategic alternatives available to the Fund and, in light of the BIGP Offer, discussions between representatives of the Fund and BIGP have taken place.

The Fund reserves the right to develop and evaluate other alternatives to the BIGP Offer.

BOARD OF TRUSTEES OF MFS GOVERNMENT MARKETS INCOME TRUST
RECOMMENDS THAT SHAREHOLDERS REJECT BIGP'S TENDER OFFER

BOSTON, Massachusetts (September 25, 2007) - The Board of Trustees of MFS Government Markets Income Trust (the "Fund") recommends that the Fund's shareholders reject the offer by Bulldog Investors General Partnership ("BIGP") announced on September 11, 2007 to purchase shares of the Fund. The Board

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

appointed a special committee comprised solely of independent trustees to evaluate and assess the terms of the tender offer.

The Board, upon the recommendation of the special committee, has carefully considered BIGP's tender offer (the "BIGP Offer") and found that it is not in the best interest of shareholders for the following reasons.

- o The Fund operates best as a closed-end fund. BIGP has announced that it is making the BIGP Offer to gain influence over management of the Fund and that it wants to cause the Fund to convert from a closed-end structure to an open-end structure. The Board believes that a conversion to an open-end structure will hurt those shareholders who invested in the Fund on the basis that it was structured as a closed-end fund, and who wish to remain invested in a closed-end fund.

While conversion to an open-end structure would eliminate any then-existing discount to NAV, it would also have adverse consequences that the closed-end structure of the Fund was designed to prevent. For example, conversion to an open-end structure would prevent the Fund's assets from being fully invested in income-generating securities, thereby reducing the Fund's yield. Experience also has shown that professional fund arbitrageurs and certain hedge funds which are current shareholders of the Fund would likely redeem their shares in the Fund immediately upon its conversion to an open-end structure, thereby reducing the Fund's assets - potentially substantially - and causing the Fund's expense ratio to rise significantly. These arbitrageurs are interested solely in short-term gain at the expense of shareholders who wish to hold the Fund's shares as a long-term investment.

The BIGP Offer to Purchase also states that BIGP has the right to declare a condition not satisfied even if the failure to be satisfied was caused by an action or inaction of BIGP. BIGP states that the purpose of the BIGP Offer is for BIGP to gain influence over management of the Fund and increase BIGP's voting power to cause the Fund to become an open-ended fund. The BIGP Offer is coercive because it creates an economic incentive for shareholders to tender in order to avoid (i) being left as minority shareholders a fund with a shareholder - BIGP - that is seeking to increase its influence and force its agenda upon management and other shareholders and (ii) facing a radical change in the structure of the Fund. This amount is as much as five times higher than the amount that the depositary charges to actually process the letter of transmittal submitted by a shareholder who chooses to tender his or her shares. For shareholders who hold shares in multiple names (e.g., John Jones, John and Mary Jones, and John Jones as trustee for Mary Jones), a separate letter of transmittal will be required for each account and the \$50 fee will be charged each time. The \$50 processing fee, when

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

deducted from the proceeds of small account holders (or holders whose tendered shares are reduced if the BIGP Offer is oversubscribed), could significantly reduce the return realized by these shareholders.

- o Shareholders have inadequate information to evaluate BIGP's financial resources. While BIGP states that the BIGP Offer is not subject to a financing condition, BIGP has not provided adequate information to evaluate its ability to complete the BIGP Offer, other than to state that it will pay the aggregate costs of the BIGP Offer (and any other tender offers it may launch against other companies or funds) using its investment capital. No BIGP financial statements are included as part of the Schedule TO.

In light of the factors described above, the Board has determined that the tender offer is not in the best interests of the Fund's shareholders. Therefore, the Board recommends that shareholders of the Fund reject the tender offer and not tender their shares to BIGP.

In connection with the tender offer, the Fund has filed a Solicitation/Recommendation Statement on Schedule 14D-9 with the Securities and Exchange Commission (the "SEC"). Investors and security holders are strongly advised to read the Solicitation/Recommendation Statement because it contains important information about the BIGP Offer. Free copies of the Solicitation/Recommendation Statement are available at www.mfs.com and on the SEC's website at www.sec.gov.

Retirement Benefit Deferral Plan -- Under a Retirement Benefit Deferral Plan, certain Trustees have deferred benefits from a prior retirement plan. The value of the benefits is periodically readjusted as though the Trustee had invested an equivalent amount in Class A shares of other fund(s) designated by such Trustee. The value of the deferred benefits will be paid to the Trustees upon retirement or thereafter. The plan does not obligate a Fund to retain the services of any Trustee or pay any particular level of compensation to any Trustee. The plan is not funded and a Fund's obligation to pay the Trustee's deferred compensation is a general unsecured obligation.

INVESTMENT ADVISORY AGREEMENT

INVESTMENT ADVISORY AGREEMENT, dated this 1st day of January, 2002, by and between MFS GOVERNMENT MARKETS INCOME TRUST, a Massachusetts business trust (the "Trust"), and MASSACHUSETTS FINANCIAL SERVICES COMPANY, a Delaware corporation (the "Adviser").

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

WITNESSETH:

WHEREAS, the Trust is engaged in business as an investment company registered under the Investment Company Act of 1940; and

WHEREAS, the Adviser is willing to provide services to the Trust on the terms and conditions hereinafter set forth;

NOW, THEREFORE, in consideration of the mutual covenants and agreements of the parties hereto as herein set forth, the parties covenant and agree as follows:

Article 1. Duties of the Adviser. (a) The Adviser shall provide the Trust with such investment advice and supervision as the latter may from time to time consider necessary for the proper supervision of its assets. The Adviser shall act as investment adviser to the Trust and as such shall furnish continuously an investment program and shall determine from time to time what securities or other instruments shall be purchased, sold or exchanged and what portion of the assets of the Trust shall be held uninvested, subject always to the restrictions of the Trust's Amended and Restated Declaration of Trust, dated January 1, 2002, and By-Laws, each as amended from time to time (respectively, the "Declaration" and the "By-Laws"), to the provisions of the Investment Company Act of 1940 and the Rules, Regulations and orders thereunder and to the Trust's then-current Prospectus and Statement of Additional Information. The Adviser also shall exercise voting rights, rights to consent to corporate actions and any other rights pertaining to the Trust's portfolio securities in accordance with the Adviser's policies and procedures as presented to the Trustees of the Trust from time to time. Should the Trustees at any time, however, make any definite determination as to the investment policy and notify the Adviser thereof in writing, the Adviser shall be bound by such determination for the period, if any, specified in such notice or until similarly notified that such determination shall be revoked.

(b) The Adviser shall take, on behalf of the Trust, all actions which it deems necessary to implement the investment policies determined as provided above, and in particular to place all orders for the purchase or sale of portfolio securities or other instruments for the Trust's account with brokers or dealers selected by it, and to that end, the Adviser is authorized as the agent of the Trust to give instructions to the Custodian of the Trust as to the deliveries of securities or other instruments and payments of cash for the account of the Trust. In connection with the

1

selection of such brokers or dealers and the placing of such orders, the Adviser is directed to seek for the Trust the best overall price and execution available from responsible brokerage firms, taking account of all factors it deems relevant, including by way of illustration: price; the size of the transaction; the nature of the market for the security; the amount of the commission; the timing and impact of the transaction taking into account market prices and trends; the reputation, experience and financial stability of the broker or dealer involved; and the quality of services rendered by the broker or dealer in other transactions. In fulfilling this requirement, the Adviser shall not be deemed to have acted unlawfully or to have breached any duty, created by this Agreement or otherwise, solely by reason of its having caused the Trust to pay a broker or dealer an amount of commission for effecting a securities transaction in excess of the amount of commission another broker or dealer would have charged for effecting that transaction, if the Adviser determined in good faith that such amount of commission was reasonable in relation to the value of the brokerage and research services provided by such broker or dealer, viewed in

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

terms of either that particular transaction or the Adviser's overall responsibilities with respect to the Trust and to other clients of the Adviser as to which the Adviser exercises investment discretion. Subject to seeking the best price and execution as described above, and in accordance with applicable rules and regulations, the Adviser also is authorized to consider sales of shares of the Trust or of other funds or accounts of the Adviser as a factor in the selection of brokers and dealers.

(c) The Adviser may from time to time enter into sub-investment advisory agreements with respect to the Trust with one or more investment advisers with such terms and conditions as the Adviser may determine, provided that such sub-investment advisory agreements have been approved in accordance with applicable provisions of the Investment Company Act of 1940 and any rules, regulations or orders of the Securities and Exchange Commission thereunder. Subject to the provisions of Article 6, the Adviser shall not be liable for any error of judgment or mistake of law by any sub-adviser or for any loss arising out of any investment made by any sub-adviser or for any act or omission in the execution and management of the Trust by any sub-adviser.

Article 2. Allocation of Charges and Expenses. (a) The Adviser shall furnish at its own expense investment advisory and administrative services, office space, equipment and clerical personnel necessary for servicing the investments of the Trust and maintaining its organization, and investment advisory facilities and executive and supervisory personnel for managing the investments and effecting the portfolio transactions of the Trust. The Adviser shall arrange, if desired by the Trust, for directors, officers and employees of the Adviser to serve as Trustees, officers or agents of the Trust if duly elected or appointed to such positions and subject to their individual consent and to any limitations imposed by law.

(b) It is understood that the Trust will pay all of its own expenses incurred in its operations and the offering of its shares, unless specifically provided otherwise in this Agreement or except to the extent that the Adviser agrees in a written instrument executed by the Adviser (specifically referring to this Article 2(b)) to assume or otherwise pay for specified expenses of the Trust, including, without limitation: compensation of Trustees "not affiliated" with the Adviser; governmental fees; interest charges; taxes; membership dues in the Investment Company Institute allocable to the Trust; fees and expenses of independent auditors, of legal counsel, and of any transfer agent, registrar or dividend disbursing agent of the Trust;

2

expenses of repurchasing and redeeming shares and servicing shareholder accounts; expenses of preparing, printing and mailing stock certificates, shareholder reports, notices, proxy statements and reports to governmental officers and commissions; brokerage and other expenses connected with the execution, recording and settlement of portfolio security transactions; insurance premiums; fees and expenses of the custodian for all services to the Trust, including safekeeping of funds and securities and maintaining required books and accounts; expenses of calculating the net asset value of shares of the Trust; organizational and start up costs; such non-recurring or extraordinary expenses as may arise, including those relating to actions, suits or proceedings to which the Trust is a party or otherwise may have an exposure, and the legal obligation which the Trust may have to indemnify the Trust's Trustees and officers with respect thereto; and expenses relating to the issuance, registration and qualification of shares of the Trust and the preparation, printing and mailing of prospectuses for such purposes (except to the extent that any Distribution Agreement to which the Trust is a party provides that another party is to pay some or all of such expenses).

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

(c) The payment or assumption by the Adviser of any expenses of the Trust that the Adviser is not obligated by this Agreement or otherwise to pay or assume shall not obligate the Adviser to pay or assume the same or any similar expenses of the Trust on any subsequent occasion.

Article 3. Compensation of the Adviser. For the services to be rendered and the facilities provided, the Trust shall pay to the Adviser an investment advisory fee computed and paid monthly as set forth in Appendix A attached hereto. If the Adviser shall serve for less than the whole of any period specified in this Article 3, the compensation paid to the Adviser will be prorated.

Article 4. Additional Services. Should the Trust have occasion to request the Adviser or its affiliates to perform administrative or other additional services not herein contemplated or to request the Adviser or its affiliates to arrange for the services of others, the Adviser or its affiliates will act for the Trust upon request to the best of its ability, with compensation for the services to be agreed upon with respect to each such occasion as it arises. No such agreement for additional services shall expand, reduce or otherwise alter the obligations of the Adviser, or the compensation that the Adviser is due, under this Agreement.

Article 5. Covenants of the Adviser. The Adviser agrees that it will not deal with itself, or with the Trustees of the Trust or the Trust's distributor, if any, as principals in making purchases or sales of securities or other property for the account of the Trust, except as permitted by the Investment Company Act of 1940 and any rules, regulations or orders of the Securities and Exchange Commission thereunder, will not take a long or short position in the shares of the Trust except as permitted by the applicable law, and will comply with all other provisions of the Declaration and the By-Laws and the then-current Prospectus and Statement of Additional Information of the Trust relative to the Adviser and its directors and officers.

Article 6. Limitation of Liability of the Adviser. The Adviser shall not be liable for any error of judgment or mistake of law or for any loss arising out of any investment or for any act or omission in the execution and management of the Trust, except for willful misfeasance,

3

bad faith, gross negligence or reckless disregard of its duties and obligations hereunder. As used in this Article 6, the term "Adviser" shall include directors, officers and employees of the Adviser as well as that corporation itself.

Article 7. Activities of the Adviser. (a) The Trust acknowledges that the services of the Adviser are not exclusive, the Adviser being free to render investment advisory and/or other services to others. The Trust further acknowledges that it is possible that, based on their investment objectives and policies, certain funds or accounts managed by the Adviser or its affiliates may at times take investment positions or engage in investment techniques which are contrary to positions taken or techniques engaged in on behalf of the Trust. Notwithstanding the foregoing, the Adviser will at all times endeavor to treat all of its clients in a fair and equitable manner.

(b) The Trust acknowledges that whenever the Trust and one or more other funds or accounts advised by the Adviser have available monies for investment, investments suitable and appropriate for each shall be allocated in a manner believed by the Adviser to be fair and equitable to each entity. Similarly, opportunities to sell securities or other investments shall be allocated in a manner believed by the Adviser to be fair and equitable to each

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

entity. The Trust acknowledges that in some instances this may adversely affect the size of the position that may be acquired or disposed of for the Trust.

(c) It is understood that the Trustees, officers and shareholders of the Trust are or may be or become interested in the Adviser, as directors, officers, employees, or otherwise and that directors, officers and employees of the Adviser are or may become similarly interested in the Trust, and that the Adviser may be or become interested in the Trust as a shareholder or otherwise.

Article 8. MFS Name. The Trust acknowledges that the names "Massachusetts Financial Services," "MFS" or any derivatives thereof or logos associated with those names (collectively, the "MFS Marks") are the valuable property of the Adviser and its affiliates. The Adviser grants the Trust a non-exclusive and non-transferable right and sub-license to use the MFS Marks only so long as the Adviser serves as investment adviser to the Trust. The Trust agrees that if the Adviser for any reason no longer serves as investment adviser to the Trust, and the Adviser so requests, the Trust promptly shall cease to use the MFS Marks and promptly shall amend its registration statement to delete any references to the MFS Marks. The Trust acknowledges that the Adviser may permit other clients to use the MFS Marks in their names or other material. For purposes of this Article, the Trust shall be deemed to have taken the required action "promptly" if such action is taken within 90 days of the Adviser no longer serving as the investment adviser to the Trust, or from the date of the Adviser's request, as the case may be.

Article 9. Duration, Termination and Amendment of this Agreement. (a) This Agreement shall become effective with respect to the Trust on the date first written above. Thereafter, this Agreement will remain in effect with respect to the Trust for a period of two years from the date first written above, on which date it will terminate for the Trust unless its continuance is "specifically approved at least annually" (i) by the vote of a majority of the Trustees of the Trust who are not "interested persons" of the Trust or of the Adviser at a meeting

4

specifically called for the purpose of voting on such approval, and (ii) by the Board of Trustees of the Trust, or by "vote of a majority of the outstanding voting securities" of the Trust.

(b) This Agreement may be terminated as to the Trust at any time without the payment of any penalty by the Trustees or by "vote of a majority of the outstanding voting securities" of the Trust, or by the Adviser, in each case on not more than sixty days' nor less than thirty days' written notice to the other party. This Agreement shall automatically terminate in the event of its "assignment".

(c) This Agreement may be amended with respect to the Trust only if such amendment is in writing signed by or on behalf of the Trust and the Adviser and is approved by "vote of a majority of the outstanding voting securities" of the Trust (if such shareholder approval is required by the Investment Company Act of 1940).

Article 10. Scope of Trust's Obligations. A copy of the Trust's Declaration of Trust is on file with the Secretary of State of The Commonwealth of Massachusetts. The Adviser acknowledges that the obligations of or arising out of this Agreement are not binding upon any of the Trust's Trustees, officers, employees, agents or shareholders individually, but are binding solely upon the assets and property of the Trust.

Article 11. Definitions and Interpretations. The terms "specifically

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

approved at least annually," "vote of a majority of the outstanding voting securities," "assignment," "affiliated person," and "interested person," when used in this Agreement, shall have the respective meanings specified, and shall be construed in a manner consistent with, the Investment Company Act of 1940 and the rules and regulations promulgated thereunder. Any question of interpretation of any term or provision of this Agreement having a counterpart in or otherwise derived from a term or provision of the Investment Company Act of 1940, the Investment Advisers Act of 1940, the Securities Act of 1933, or the Securities Exchange Act of 1934 (collectively, the "Federal Securities Acts") shall be resolved by reference to such term or provision of the Federal Securities Acts and to interpretations thereof, if any, by United States federal courts or, in the absence of any controlling decisions of any such court, by rules or regulations of the Securities and Exchange Commission. Where the effect of a requirement of the Federal Securities Acts reflected in any provision of this Agreement is revised by rule or regulation of the Securities and Exchange Commission, such provisions shall be deemed to incorporate the effect of such rule or regulation.

Article 12. Record Keeping. The Adviser will maintain records in a form acceptable to the Trust and in compliance with the rules and regulations of the Securities and Exchange Commission, including but not limited to records required to be maintained by Section 31(a) of the Investment Company Act of 1940 and the rules thereunder, which at all times will be the property of the Trust and will be available for inspection and use by the Trust.

Article 13. Miscellaneous. (a) This Agreement contains the entire understanding and agreement of the parties with respect to the subject matter hereof.

5

(b) Headings in this Agreement are for ease of reference only and shall not constitute a part of the Agreement.

(c) Should any portion of this Agreement for any reason be held void in law or equity, the remainder of the Agreement shall be construed to the extent possible as if such voided portion had never been contained herein.

(d) This Agreement shall be governed by the laws of the Commonwealth of Massachusetts, without giving effect to the choice of laws provisions thereof, except that questions of interpretation shall be resolved in accordance with the provisions of Article 11 above.

6

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and delivered in their names and on their behalf by the undersigned officers thereunto duly authorized, all as of the day and year first above written. The undersigned officer of the Trust has executed this Agreement not individually, but as an officer under the Declaration and the obligations of this Agreement are not binding upon any of the Trustees, officers or shareholders of the Trust, individually, but bind only the trust estate.

CLOSED-END FUND OVERSIGHT AGREEMENT

CLOSED-END FUND OVERSIGHT AGREEMENT effective the 1st day of January 1, 2007, by and among MFS Service Center, Inc., a Delaware corporation (the "Administrator"), and each of the closed-end funds identified from time to time on Exhibit A hereto (each a "Fund" and collectively the "Funds").

W I T N E S S E T H:

WHEREAS, the Funds have engaged Computershare Trust Company, N.A. ("Computershare") as the sole transfer agent for the Funds pursuant to that certain Transfer Agency and Service Agreement dated as of December 18, 2006 by and among the Funds, Computershare and Computershare Shareholder Services, Inc. ("CSS") (the "TA Agreement") pursuant to which Computershare provides transfer agency services to the Funds and CSS acts as the agent for the Funds' dividend reinvestment plans;

WHEREAS, the Funds desire to retain the Administrator to provide oversight services with respect to the performance by Computershare and CSS of their respective obligations to the Funds under the TA Agreement in the manner and on the terms and conditions hereinafter set forth;

NOW THEREFORE, in consideration of the mutual covenants and agreements of the parties hereto and hereinafter set forth, the parties covenant and agree as follows:

1. Oversight Services. The Administrator shall, at its expense (subject to

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

Sections 2 and 3 hereof), and subject always to the control of the trustees, directors or other governing body of the Funds (referred to herein as "Trustees"), oversee the performance by Computershare and CSS of their respective obligations to the Funds under the TA Agreement (the "Oversight Services"). Exhibit B hereto lists the Oversight Services to be provided by the Administrator hereunder. If there occurs a material change in the level of oversight required by the Funds in the future necessitating a material increase or decrease the types or quantities of Oversight Services required by the Funds, the Funds and the Administrator shall negotiate in good faith an adjustment to the Oversight Fee payable under Section 5 hereof.

2. Responsibility for Charges and Expenses. During the term of this Agreement, the Administrator will pay all expenses incurred by it in connection with its obligations under this Agreement, except such expenses as are assumed by the Funds under this Agreement and any expenses that are paid by the Funds or by a party other than the Funds on behalf of the Funds under the terms of any other agreement to which the Funds are a party or a third-party beneficiary. The Administrator assumes and shall pay for maintaining its staff and personnel and shall, at its own expense, provide the equipment, office space, and facilities necessary to perform its obligations under this Agreement.

3. Services Provided by Third Parties. It is acknowledged and agreed that the Funds shall remain obligated to bear all costs incurred by the Funds pursuant to the TA Agreement (including all per account fees and out-of-pocket expenses) and that the Administrator shall not be obligated for any such costs.

4. Maintenance of Books and Records. It is acknowledged and agreed that (a) the Administrator shall have no obligation to preserve for each Fund that is registered as an investment company with the Securities and Exchange Commission (the "SEC") any records required to be maintained as prescribed by the rules and regulations of the SEC and (b) such record keeping obligations are the sole responsibility of Computershare and CSS pursuant to the terms of the TA Agreement.

1

5. Oversight Fee. Each Fund shall pay the Administrator a fee as agreed to from time to time and as set forth in Exhibit C hereto (the "Oversight Fee"). The Oversight Fee shall be accrued on the first day of each calendar month and shall be paid monthly to the Administrator on the second to last business day of each calendar month. If this Agreement becomes effective or terminates before the end of any calendar month, the Oversight Fee for the period from the effective date to the end of such calendar month or from the beginning of such calendar month to the date of termination, as the case may be, shall be prorated according to the proportion which such period bears to the full month in which such effectiveness or termination occurs.

6. Non-Exclusivity. The services of the Administrator to the Funds hereunder are not to be deemed exclusive and the Administrator shall be free to render similar services to others.

7. Standard of Care. Neither the Administrator, nor any of its directors, officers, stockholders, agents or employees, shall be liable or responsible to any Fund or its shareholders for any error of judgment, mistake of law or any loss arising out of any act or omission in the performance by the Administrator of its duties under this Agreement, except for liability resulting from (a) willful misfeasance, (b) bad faith, (c) gross negligence, or (d) reckless disregard by the Administrator of its obligations and duties under this Agreement.

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

8. Term, Termination, Amendment and Assignment. This Agreement shall begin on the date first written above and shall continue indefinitely with respect to each Fund until terminated as follows:

(i) the Agreement may be terminated at any time, without payment of any penalty, by the Trustees of the Fund upon sixty (60) days' written notice to the Administrator;

(ii) the Agreement may be terminated by the Administrator with respect to any Fund at any time upon sixty (60) days' written notice to the Fund; and

(iii) if the Trustees of the Fund, including a majority of the Independent Trustees, do not specifically approve at least annually the continuance of this Agreement, then this Agreement shall automatically terminate at the close of business on the anniversary of its execution, or upon the expiration of one year from the effective date of the last such continuance, whichever is later.

This Agreement may be amended at any time by a written agreement executed by each party hereto and may be assigned with respect to any Fund only with the written consent of the Fund and the Administrator.

9. Miscellaneous.

- a. Captions. The captions in this Agreement are included for convenience of reference only and in no way define or delineate any of the provisions hereof or otherwise affect their construction or effect.
- b. Governing Law. The provisions of this Agreement shall be construed and interpreted in accordance with the domestic substantive laws of The Commonwealth of Massachusetts, without giving effect to any conflicts or choice of laws rule or provision that would result in the application of the domestic substantive laws of any other jurisdiction.
- c. Counterparts. This Agreement may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
- d. Joinder of Funds. In the event that additional funds are created or acquired from time to time which desire to retain the Administrator to provide them with Oversight Services pursuant to this Agreement, the Administrator and the additional fund may jointly amend Schedule A hereto to add the additional fund, and the additional fund shall thereafter be deemed a "Fund" for all

2

purposes of this Agreement. The consent of the other parties to this Agreement shall not be required to amend Schedule A hereto.

- e. Scope of Fund's Obligations. A copy of the Declaration of Trust of each Fund (or trust of which the Fund is a series) organized as a Massachusetts business trust (each a "Trust"), is on file with the Secretary of State of The Commonwealth of Massachusetts. The Administrator

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

acknowledges that the obligations of or arising out of this Agreement are not binding upon any of a Trust's Trustees, officers, employees, agents or shareholders individually, but are binding solely upon the assets and property of the Trust in accordance with its proportionate interest thereunder and hereunder. If this Agreement is executed by a Trust on behalf of one or more series of the Trust, the Administrator further acknowledges that the assets and liabilities of each series of the Trust are separate and distinct and that the obligations of or arising out of this Agreement are binding solely upon the assets or property of the series on whose behalf the Trust has executed this Agreement. The Administrator also agrees that the obligations of each Fund hereunder shall be separate and not joint nor joint and several, in accordance with its proportionate interest hereunder, and agrees not to proceed (by way of claim, set-off or otherwise) against any Fund for the obligations of another Fund.

3

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by their respective officers thereunto duly authorized and their respective corporate seals to be hereunto affiliated, as of the date first written above.

MASTER ADMINISTRATIVE SERVICES AGREEMENT

MASTER ADMINISTRATIVE SERVICES AGREEMENT initially dated the 1st day of March, 1997, and as amended and restated on this 1st day of August, 2006, by and among Massachusetts Financial Services Company, a Delaware corporation (the "Administrator"), and each of the funds (or trusts acting on behalf of their series) identified from time to time on Exhibit A hereto (each a "Fund" and collectively the "Funds").

W I T N E S S E T H:

WHEREAS, the Funds have entered into Investment Advisory Agreements with the Administrator (the "Advisory Agreements") pursuant to which the Administrator provides investment advisory services to the Funds;

WHEREAS, the Funds desire to retain the Administrator to render the legal, financial administration and other administrative services required by the Funds

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

in the manner and on the terms and conditions hereinafter set forth;

NOW THEREFORE, in consideration of the mutual covenants and agreements of the parties hereto and hereinafter set forth, the parties covenant and agree as follows:

1. Administrative Services. The Administrator shall, at its expense (subject to Sections 2 and 3 hereof), and subject always to the control of the trustees, directors or other governing body of the Funds (referred to herein as "Trustees"), manage, supervise and conduct all of the day-to-day and ordinary course non-investment related affairs and business of the Funds and matters incidental thereto not required to be provided by the Administrator under the Advisory Agreements (together "Administrative Services"). Exhibit B hereto lists various categories of Administrative Services to be provided by the Administrator hereunder, it being understood that such list is not exhaustive and that the Funds may require Administrative Services in addition to those specified or referenced in Exhibit B. If there occurs a material change in the laws, rules or regulations governing the Funds or related Fund policies that materially increase or decrease the types or quantities of Administrative Services required by the Funds, the Funds and the Administrator shall negotiate in good faith an adjustment to the Administrative Fee payable under Section 5 hereof. In the performance of its duties, the Administrator will comply with the provisions of the Declaration of Trust and Bylaws of each Fund and applicable law, and shall comply with such compliance and other policies and procedures as the Trustees may adopt, approve or determine from time to time.

2. Responsibility for Charges and Expenses. During the term of this Agreement, the Administrator will pay all expenses incurred by it in connection with its obligations under this Agreement, except such expenses as are assumed by the Funds under this Agreement and any expenses that are paid by the Funds or by a party other than the Funds on behalf of the Funds under the terms of any other agreement to which the Funds are a party or a third-party beneficiary. The Administrator further agrees to pay or cause its affiliates to pay all salaries, fees, and expenses of any officer or Trustee of the Funds who is an officer, director, or employee of the Administrator or an affiliate of the Administrator. The Administrator assumes and shall pay for maintaining its staff and personnel and shall, at its own expense, provide the equipment, office space, and facilities necessary to perform its obligations under this Agreement. The Administrator shall not, under the terms of this Agreement, bear the categories of expenses listed on Exhibit C hereto (although the Administrator or an affiliate may bear certain of these expenses under one or more other agreements).

3. Administrative Services Provided by Third Parties. It is acknowledged and agreed that the Funds will require and bear the costs of administrative services to be provided by third parties in addition to Administrative Services which the Administrator is required to provide or procure at its own expense under this Agreement, such as legal services to be provided by legal counsel to the Funds and the Trustees who are not "interested persons" (as defined in the Investment Company Act of 1940) of the Funds ("Independent Trustees"), and services to be provided

2

to the Funds by independent accountants or other auditors or consultants which would otherwise constitute Administrative Services ("Separate Third Party Services"). It is further acknowledged and agreed that, from time to time, due to resource constraints or otherwise, the Administrator may cause or arrange for third parties to provide Administrative Services that the Administrator is required to provide or procure at its own expense under this Agreement (e.g., the use of outside legal counsel to draft routine Fund proxy statements or

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

prospectuses) ("Outsourced Third Party Services"). Subject to any policies or procedures that are adopted by the Funds, the Administrator shall pay for the costs of any Outsourced Third Party Service unless it obtains the approval of the Trustees (or a committee or other delegate of the Trustees) for the Funds to bear some or all of such costs prior to causing or arranging for the Outsourced Third Party Service to be provided to the Funds. The parties recognize that there may be circumstances in which it is unclear as to whether a particular administrative service provided by a third party constitutes a Separate Third Party Service or an Outsourced Third Party Service. Subject to any policies or procedures that are adopted by the Funds, the Administrator shall use its best efforts to identify and bring such circumstances to the attention of the Trustees, in which case the Trustees shall, in good faith, determine whether the particular service constitutes a Separate Third Party Service or an Outsourced Third Party Service for purposes of this Agreement. (1)

4. Maintenance of Books and Records. With respect to the provision of Administrative Services, the Administrator will preserve for each Fund that is registered as an investment company with the Securities and Exchange Commission (the "SEC") all records required to be maintained as prescribed by the rules and regulations of the SEC in the manner and for the time periods prescribed by such rules. The Administrator agrees that all such records shall be the property and under the control of each Fund for which they are maintained and shall be made available, within five business days of any request therefore, to the Fund's Trustees or independent accountants during regular business hours at the Administrator's offices. In the event of termination of this Agreement for any reason, all such records shall be returned, without charge, promptly to the appropriate Fund, free from any claim or retention of rights by the Administrator, except that the Administrator may retain copies of such records.

5. Administrative Fee. Each Fund shall pay the Administrator a fee as agreed to from time to time and as set forth in Exhibit D hereto (the "Administrative Fee"). The Administrative Fee shall be accrued for each calendar day and the sum of the daily fee accruals shall be paid monthly to the Administrator on the second to last business day of each calendar month. If this Agreement becomes effective or terminates before the end of any calendar month, the Administrative Fee for the period from the effective date to the end of such calendar month or from the beginning of such calendar month to the date of termination, as the case may be, shall be prorated according to the proportion which such period bears to the full month in which such effectiveness or termination occurs.

6. Non-Exclusivity. The services of the Administrator to the Funds hereunder are not to be deemed exclusive and the Administrator shall be free to render similar services to others.

7. Standard of Care. Neither the Administrator, nor any of its directors, officers, stockholders, agents or employees, shall be liable or responsible to any Fund or its shareholders for any error of judgment, mistake of law or any loss arising out of any act or omission in the performance by the Administrator of its duties under this Agreement, except for liability resulting from (a) willful misfeasance, (b) bad faith, (c) gross negligence, or (d) reckless disregard by the Administrator of its obligations and duties under this Agreement.

8. Term, Termination, Amendment and Assignment. This Agreement shall begin on the date first written above and shall continue indefinitely with respect to each Fund until terminated as follows:

(i) the Agreement may be terminated at any time, without payment of any penalty, by the Trustees of the Fund upon sixty (60) days' written notice to the Administrator;

(1) The Funds/Trustees and the Administrator may from time to time develop

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

written policies designed to delineate various administrative services and responsibilities to be provided by third party service providers to the Funds or the Independent Trustees (for which the Funds bear the associated expenses), on the one hand, and those to be provided by the Administrator at its own expense, on the other, as well as procedures to be followed by the Administrator in utilizing third party service providers on behalf of the Funds. In this regard, reference is made to the document entitled "Role of Ropes & Gray LLP as Counsel to the MFS Funds and the Independent Trustees," as it may be amended from time to time.

3

(ii) the Agreement may be terminated by the Administrator with respect to any Fund at any time upon sixty (60) days' written notice to the Fund; and

(iii) if the Trustees of the Fund, including a majority of the Independent Trustees, do not specifically approve at least annually the continuance of this Agreement, then this Agreement shall automatically terminate at the close of business on the anniversary of its execution, or upon the expiration of one year from the effective date of the last such continuance, whichever is later.

This Agreement may be amended at any time by a written agreement executed by each party hereto and may be assigned with respect to any Fund only with the written consent of the Fund and the Administrator.

9. Miscellaneous.

- a. Captions. The captions in this Agreement are included for convenience of reference only and in no way define or delineate any of the provisions hereof or otherwise affect their construction or effect.
- b. Governing Law. The provisions of this Agreement shall be construed and interpreted in accordance with the domestic substantive laws of The Commonwealth of Massachusetts, without giving effect to any conflicts or choice of laws rule or provision that would result in the application of the domestic substantive laws of any other jurisdiction.
- c. Counterparts. This Agreement may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
- d. Joinder of Funds. In the event that additional funds are created from time to time which desire to retain the Administrator to provide them with Administrative Services pursuant to this Agreement, the Administrator and the additional fund may jointly amend Schedule A hereto to add the additional fund, and the additional fund shall thereafter be deemed a "Fund" for all purposes of this Agreement. The consent of the other parties to this Agreement shall not be required to amend Schedule A hereto.
- e. Scope of Fund's Obligations. A copy of the Declaration of Trust of each Fund (or trust of which the Fund is a series) organized as a Massachusetts business trust (each a "Trust"), is on file with the Secretary of State of The Commonwealth of Massachusetts. The Administrator

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

acknowledges that the obligations of or arising out of this Agreement are not binding upon any of a Trust's Trustees, officers, employees, agents or shareholders individually, but are binding solely upon the assets and property of the Trust in accordance with its proportionate interest thereunder and hereunder. If this Agreement is executed by a Trust on behalf of one or more series of the Trust, the Administrator further acknowledges that the assets and liabilities of each series of the Trust are separate and distinct and that the obligations of or arising out of this Agreement are binding solely upon the assets or property of the series on whose behalf the Trust has executed this Agreement. The Administrator also agrees that the obligations of each Fund hereunder shall be several and not joint nor joint and several, in accordance with its proportionate interest hereunder, and agrees not to proceed (by way of claim, set-off or otherwise) against any Fund for the obligations of another Fund.

4

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by their respective officers thereunto duly authorized and their respective corporate seals to be hereunto affiliated, as of the date first written above.

Exhibit (e) (5)

FIDELITY BOND CLAIM AGREEMENT

THIS MASTER FIDELITY BOND CLAIM AGREEMENT dated November 1, 1993, as amended and restated June 12, 2002, by and among (i) each of the funds listed from time to time in Exhibit A (collectively, the "Funds" or "Fund Parties") and (ii) Massachusetts Financial Services Company ("MFS"), MFS Service Center, Inc. ("MFSC"), MFS Fund Distributors, Inc. ("MFD"), MFS Heritage Trust Company, MFS Institutional Advisors, Inc., MFS International Ltd., MFS Holdings Australia Pty Ltd., and MFS Retirement Services, Inc. (collectively, the "MFS Parties").

WHEREAS, MFS or certain other MFS Parties act as investment adviser to all of the Funds and certain other clients, MFD acts as distributor for certain

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

of the Funds and MFSC acts as the transfer and shareholder servicing agent for certain of the Funds; and from time to time hereafter each may act in the same capacities with respect to other clients including other investment companies;

WHEREAS, all the parties hereto are named insureds under broker's blanket bonds issued by National Union Insurance Company/Federal Insurance Company ("National Union"), by Chubb & Sons Insurance Company ("Chubb"), by Gulf Insurance Company ("Gulf") and by ICI Mutual Insurance Company ("ICI"), and/or such other insurance companies as from time to time may insure parties hereto as such bonds may be amended and/or restated from time to time (collectively the "Bonds");

WHEREAS, the parties desire to establish (i) the criteria by which the premium for the Bonds shall be allocated among the parties, (ii) the basis on which additional investment companies for which MFS, or any subsidiary thereof, may hereafter act as investment adviser and/or for which MFD may act as distributor, and additional affiliates of MFS may from time to time be added as named insureds under the Bonds and (iii) the criteria by which losses in excess of the face amounts of the Bonds shall be allocated among the parties.

NOW THEREFORE, it is agreed as follows:

1. Each of the Funds shall pay a portion of each premium which shall be determined as of a specified date (the "Date") which is the same date for all Fund Parties by calculating the proportion which the minimum amount of fidelity bond coverage required for such Fund (calculated in accordance with Rule 17g-1 under the Investment Company Act of 1940, as amended, ("Rule 17g-1")) bears to the total amount of coverage provided for under the Bonds and applying said proportion to the total annual premium. The amount remaining after calculating the portions of the premium to be paid by the Funds shall be paid by MFS or such MFS Parties as MFS shall determine.
2. If National Union, Chubb, Gulf and/or ICI (or such other insurers as from time to time may insure the parties hereto) are willing without additional premium until the next renewal date to add, as an insured under any of the Bonds, (i) any investment company permitted to be included on the Bonds pursuant to Rule 17g-1 for which MFS (or any subsidiary thereof) may act as investment adviser and/or for which MFD may act as distributor, or (ii) any affiliate of MFS permitted to be included on the Bonds pursuant to Rule 17g-1, the parties hereto agree (a) that such addition may be made, (b) that such investment company shall become a party to this Agreement and be included within the terms "Funds" and "Fund Parties" and (c) that such affiliate shall become a party to this Agreement and be included within the term "MFS Parties."
3. In the event that the claims of loss of two or more insureds under the Bonds are so related that the insurer is entitled to assert that the claims must be aggregated with the result that the claims exceed the face amount of the Bonds but the total amount payable on such claims is limited to the face amount of the Bonds, the following rules for determining, as among such insureds, the priority of satisfaction of the claims under the Bonds shall apply:
 - A. All claims of Funds which have been duly proved and established under the Bonds shall be satisfied in full before satisfaction of any claims of MFS or other MFS Parties, if any.

- B. If the claims of Funds which have been duly proved and established

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

under the Bonds exceed the face amount of the Bonds, the insurance proceeds shall be applied to those claims in the following manner:

- (i) first, the insurance proceeds shall be applied to the claim of each Fund up to its respective minimum fidelity bond requirement as determined pursuant to paragraph one above with respect to the Funds; and
 - (ii) the remaining amount of insurance proceeds then shall be applied to the unsatisfied claims of the Funds in proportion to their respective minimum fidelity bond requirements as determined pursuant to paragraph one above with respect to the Funds.
- C. If after giving effect to Paragraph A there remains a portion of the insurance under the Bonds available for the satisfaction of claims of MFS or other MFS Parties, if any, which have been duly proved and established under the Bonds, such remainder shall be applied as MFS shall determine.

4. This Agreement hereby supercedes all prior or contemporaneous agreements among the parties hereto (or any two or more of them) (which other agreements may include other parties) relating to the subject matter hereof.

5. The Agreement shall be governed by and construed in accordance with the laws of The Commonwealth of Massachusetts.

6. Exhibit A hereto may be amended from time to time to reflect the changes in the funds insured under the Bonds.

7. A copy of the Declaration of Trust of each Fund is on file with the Secretary of State of The Commonwealth of Massachusetts. Each party hereto acknowledges that the obligations of or arising out of this Agreement are not binding upon any of the Fund's Trustees, officers, employees, agents or shareholders individually, but are binding solely upon the assets and property of the Fund. If this Agreement is executed by the Fund on behalf of one or more series of the Fund, each party hereto further acknowledges that the assets and liabilities of each series are separate and distinct and that the obligations of or arising out of this Agreement concerning a series are binding solely upon the assets or property of such series and not upon the assets or property of any other series.

8. This Agreement may be amended or modified only with the prior written consent of the parties hereto.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and delivered in their names and on their behalf by the undersigned officers thereunto duly authorized, all as of the day and year first above written.

FORM OF INDEMNIFICATION AGREEMENT

This Indemnification Agreement (this "Agreement") is made as of January 24, 2006 by and between (i) each investment company listed on Appendix A hereto, as the same may be amended from time to time, acting on behalf of itself and each of its portfolio series whether existing on the date hereof or subsequently established (the "Funds") and (ii) the trustee of the Funds whose name is set forth on the signature page (the "Trustee").

WHEREAS, the Trustee is a trustee of the Funds, and the Funds wish the

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

Trustee to continue to serve in that capacity;

WHEREAS, the declarations of trust of the Funds do not limit any rights to indemnification that the Trustee may be entitled to by contract or otherwise under law; and

WHEREAS, to induce the Trustee to continue to provide services to the Funds as a trustee of the Funds and to provide the Trustee with contractual assurance that indemnification will be available to the Trustee, the Funds desire to provide the Trustee with protection against personal liability and delineate certain procedural aspects relating to indemnification and advancement of expenses, as more fully set forth herein.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual agreements set forth herein, the parties hereby agree as set forth below.

Item 11. Definitions. For purposes of this Agreement, the following terms shall have the following meanings:

"Disabling Conduct" shall mean the Trustee's willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his or her office.

"Expenses" shall include without limitation all judgments, penalties, fines, amounts paid in settlement or compromise, prohibited transaction excise taxes, liabilities, losses, interest, expenses of investigation, attorneys' fees, retainers, court costs, transcript costs, fees of experts and witnesses, expenses of preparing for and attending depositions and other proceedings, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees and all other costs, disbursements or expenses of the type customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, investigating or acting as a witness in a Proceeding.

"Final Adjudication" shall mean a final adjudication by court order or judgment of the court or other body before which a matter is pending, from which no further right of appeal or review exists.

"Non-Party Trustee" shall mean a trustee of a Fund who is not (i) an "interested person" of such Fund as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended, (ii) a party to the Proceeding with respect to which indemnification or advances are sought or (iii) a

1

party to any other Proceeding based on the same or similar grounds that is then or has been pending.

The term "Proceeding" shall include without limitation any threatened, pending or completed claim, demand, discovery request, request for testimony or information, action, suit, arbitration, alternative dispute mechanism, investigation, hearing or other proceeding, including any appeal from any of the foregoing, whether civil, criminal, administrative or investigative and, except as otherwise provided herein, shall also include any proceeding brought by or in the right of any Fund and any proceeding brought by a Trustee against any Fund.

The Trustee's "service to a relevant Fund" or "service to such Fund" shall include without limitation the Trustee's service as a trustee or advisory trustee of the Fund and his or her service at the request of the Fund as a trustee, director, officer, employee, agent or representative of another corporation, partnership, joint venture, trust, employee benefit plan or other

enterprise.

"Special Counsel" shall mean a law firm, or a member of a law firm, that is experienced in matters of investment company law and neither at the time of designation is, nor in the five years immediately preceding such designation was, retained to represent (i) the relevant Fund or the Trustee (except that a majority of the Non-Party Trustees may determine, in their sole discretion, that any prior representation of the Fund or Trustee shall not disqualify such law firm or a member of a law firm from representation if the prior representation is not related to the issue in dispute) or (ii) any other party to the Proceeding (or any party reasonably expected to become a party to the Proceeding) giving rise to a claim for indemnification or advancements hereunder. Notwithstanding the foregoing, however, the term "Special Counsel" shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the relevant Fund or the Trustee in an action to determine the Trustee's rights pursuant to this Agreement, regardless of when the Trustee's act or failure to act occurred.

Item 12. Indemnification. Each of the Funds severally shall indemnify and hold harmless the Trustee against any and all Expenses actually incurred or paid by the Trustee in any Proceeding in connection with the Trustee's service to the relevant Fund, subject to the provisions of the following sentence and the provisions of Section 3 and paragraph (h) of Section 6 of this Agreement, provided that in any Proceeding initiated by the Trustee, other than one instituted pursuant to Section 6(d) or 6(f), the initiation of the Proceeding by the Trustee was approved in advance by a majority of the Non-Party Trustees. The Trustee shall be indemnified pursuant to this Section 2 against any and all Expenses unless (i) the Trustee is subject to such Expenses by reason of the Trustee's not having acted in good faith in the reasonable belief that his or her action was in the best interests of the Fund or (ii) the Trustee is liable to the Fund or its shareholders by reason of the Trustee's Disabling Conduct, and with respect to each of (i) and (ii), there has been a Final Adjudication in an adjudication on the merits in the relevant Proceeding that the Trustee's conduct fell within (i) or (ii).

Item 13. Advancement of Expenses. Expenses, including counsel fees incurred by the Trustee (but excluding amounts paid in satisfaction of judgments, in compromise or as fines or penalties), shall be paid from time to time by the Fund in advance of Final Adjudication of a Proceeding in connection with the Trustee's service to a Fund, upon receipt by the Fund of an

2

undertaking by or on behalf of the Trustee to repay amounts so paid to the Fund if it is ultimately determined that the Trustee is not entitled to indemnification of such Expenses under this Agreement, provided, that (a) the Trustee shall provide security for his or her undertaking, (b) the Fund shall be insured against losses arising by reason of the Trustee's failure to fulfill his or her undertaking (it being understood that the Fund shall not be required to obtain such insurance), or (c) a majority of the Non-Party Trustees (provided that a majority of such Non-Party Trustees then in office act on the matter), or Special Counsel in a written opinion shall determine, based on a review of readily available facts (but not a full trial-type inquiry), that there is reason to believe the Trustee ultimately will be entitled to indemnification.

Item 14. Presumptions. For purposes of the determination or opinion referred to in clause (c) of Section 3 or clauses (y) (i) or (y) (ii) of subsection (h) of Section 6 of this Agreement, the Non-Party Trustees or Special Counsel, as the case may be, shall be entitled to rely upon a rebuttable presumption that the Trustee has not engaged in Disabling Conduct.

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

Item 15. Witness Expenses. To the extent the Trustee is, by reason of the Trustee's service to the relevant Fund, a witness for any reason in any Proceeding to which such Trustee is not a party, such Trustee shall be indemnified against any and all Expenses actually incurred by or on behalf of such Trustee in connection therewith.

Item 16. Procedure for Determination of Entitlement to Indemnification and Advancements. A request by the Trustee for indemnification or advancement of Expenses shall be made in writing and shall be accompanied by such relevant documentation and information as is reasonably available to the Trustee. The Secretary of the relevant Fund shall promptly advise the trustees of such Fund of such request.

Methods of Determination. Upon the Trustee's request for indemnification or advancement of Expenses, a determination with respect to the Trustee's entitlement thereto shall be made in a manner consistent with the terms of this Agreement, unless (in the case of advancements) the relevant Fund and the Trustee shall have received written confirmation in reasonably acceptable form that such Fund is insured against losses arising by reason of any lawful advancements and that the insurer will pay the Expenses of the Trustee in a reasonably prompt manner, in which case no determination shall be required. The Trustee shall cooperate with the person or persons making such determination, including without limitation providing to such person or persons upon reasonable advance request any documentation or information that is not privileged or otherwise protected from disclosure and is reasonably available to the Trustee and reasonably necessary to such determination. Any failure by the Trustee to cooperate with the person or persons making such determination shall extend as necessary and appropriate the period or periods described in paragraph (c) of this Section 6 regarding determinations deemed to have been made. Any Expenses incurred by the Trustee in so cooperating shall be borne by such Fund, irrespective of the determination as to the Trustee's entitlement to indemnification or advancement of Expenses.

Special Counsel. If the determination of entitlement to indemnification or advancement of Expenses is to be made by Special Counsel, the Special Counsel shall be selected by a majority of the Non-Party Trustees of the relevant Fund (or, if there are no Non-Party Trustees with respect to the matter in question, by a majority of the Trustees of the Fund who are not

3

"interested persons" of the Fund, as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "Independent Trustees")), and such Fund shall give written notice to the Trustee advising the Trustee of the identity of the Special Counsel selected. The Trustee may, within five (5) days after receipt of such written notice, deliver to such Fund a written objection to such selection. Such objection may be asserted only on the ground that the Special Counsel so selected does not meet the requirements set forth in Section 1 and shall set forth with particularity the factual basis of such assertion. The Non-Party Trustees (or Independent Trustees, as the case may be) of such Fund shall determine the merits of the objection and, in their discretion, either determine that the proposed Special Counsel shall, despite the objection, act as such hereunder or select another Special Counsel who shall act as such hereunder.

If within fourteen (14) days after submission by the Trustee of a written request for indemnification or advancement of Expenses no such Special Counsel shall have been finally selected as provided in the previous paragraph, then either the relevant Fund or the Trustee may petition an appropriate court of the Commonwealth of Massachusetts or any other court of competent

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

jurisdiction for the appointment as Special Counsel of a person selected by the court or by such other person as the court shall designate, and the person so appointed shall act as Special Counsel.

The relevant Fund shall pay all reasonable fees and Expenses charged or incurred by Special Counsel in connection with his, her or its determinations pursuant to this Agreement and shall pay all reasonable fees and Expenses incident to the procedures described in this paragraph, regardless of the manner in which such Special Counsel was selected or appointed.

Failure to Make Timely Determination. Subject to paragraph (a) of this Section 6, if the person or persons empowered or selected to determine whether the Trustee is entitled to indemnification or advancement of Expenses (other than determinations that are made or to be made by a court) shall not have made such determination within thirty (30) days after receipt by the relevant Fund of the request therefor, the requisite determination of entitlement to indemnification or advancement of Expenses shall be deemed to have been made, and the Trustee shall be entitled to such indemnification or advancement, absent (i) an intentional misstatement by the Trustee of a material fact, or an intentional omission of a material fact necessary to make the Trustee's statement not materially misleading, in connection with the request for indemnification or advancement of Expenses, (ii) a prohibition of such indemnification or advancements under applicable law or the relevant Fund's declaration of trust or by-laws, (iii) a requirement under the Investment Company Act of 1940, as amended, for insurance or security, which has not been satisfied, or (iv) a subsequent Final Adjudication or, in a matter disposed of without a Final Adjudication, determination pursuant to subsection (h) of Section 6, that the Trustee is not entitled to indemnification under this Agreement; provided, however, that such period may be extended for a reasonable period of time, not to exceed an additional thirty (30) days, if the person or persons making the determination in good faith require such additional time to obtain or evaluate documentation or information relating thereto. Any assertion under clauses (i), (ii), or (iii) of this Section 6(c) shall be made in writing, specify the basis for the assertion, and be delivered to the Trustee within thirty (30) days after receipt by the relevant Fund of the request for indemnification or advancement of Expenses (or any extension of such period provided under this Section 6(c)). The Trustee shall be entitled to adjudication of such assertion in an

4

appropriate court of the Commonwealth of Massachusetts or any other court of competent jurisdiction.

Payment upon Determination of Entitlement. If a determination is made pursuant to Section 2 or Section 3 (or is deemed to be made pursuant to paragraph (c) of this Section 6 and, in the case of advancement of Expenses, the other conditions are satisfied) that the Trustee is entitled to indemnification or advancement of Expenses, payment of any indemnification amounts or advancements owing to the Trustee shall be made within ten (10) days after such determination (and, in the case of advancements of further Expenses, within ten (10) days after submission of supporting information, including the required undertaking and evidence of any required security). If such payment is not made when due, the Trustee shall be entitled to adjudication of the Trustee's entitlement to such indemnification or advancements in an appropriate court of the Commonwealth of Massachusetts or any other court of competent jurisdiction. The Trustee shall commence any proceeding seeking adjudication within 60 days following the date on which he or she first has the right to commence such proceeding pursuant to this paragraph (d). In any such proceeding, the relevant Fund shall be bound by the determination that the Trustee is entitled to indemnification or advancements, absent (i) an intentional misstatement by the Trustee of a material fact, or an intentional omission of a material fact necessary to make his or her statement

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

not materially misleading, in connection with the request for indemnification or advancements, (ii) a prohibition of such indemnification or advancements under applicable law or (iii) a requirement under the Investment Company Act of 1940, as amended, for insurance or security, which has not been satisfied.

Appeal of Adverse Determination. If a determination is made that the Trustee is not entitled to indemnification or advancements (other than determinations that are made by a court), the Trustee shall be entitled to adjudication of such matter in an appropriate court of the Commonwealth of Massachusetts or any other court of competent jurisdiction. Alternatively, the Trustee, at his or her option, may seek an award in arbitration to be conducted by a single arbitrator pursuant to the rules of the American Arbitration Association. The Trustee shall commence such proceeding or arbitration within 60 days following the date on which the adverse determination is made. Any such judicial proceeding or arbitration shall be conducted in all respects as a de novo trial or arbitration on the merits, and the Trustee shall not be prejudiced by reason of such prior adverse determination.

Expenses of Appeal. If the Trustee seeks arbitration or a judicial adjudication to determine or enforce his or her rights under, or to recover damages for breach of, the indemnification or Expense advancement provisions of this Agreement, the Trustee shall be entitled to recover from the relevant Fund, and shall be indemnified by such Fund against, any and all Expenses actually incurred by the Trustee in such arbitration or judicial adjudication, but only if the Trustee prevails therein. If it shall be determined in such arbitration or judicial adjudication that the Trustee is entitled to receive part but not all of the indemnification or advancement of Expenses sought, the expenses incurred by the Trustee in connection with such arbitration or judicial adjudication shall be appropriately prorated.

Validity of Agreement. In any arbitration or judicial proceeding commenced pursuant to this Section 4, the relevant Fund shall be precluded from asserting that the procedures and presumptions set forth in this Agreement are not valid, binding and enforceable against such

5

Fund and shall stipulate in any such court or before any such arbitrator that such Fund is bound by all the provisions of this Agreement.

Lack of Adjudication. Notwithstanding any provision herein to the contrary, as to any matter disposed of (whether by compromise payment, pursuant to a consent decree or otherwise) without a Final Adjudication in an adjudication on the merits by a court, or by any other body before which the Proceeding was brought, that the Trustee either (a) did not act in good faith in the reasonable belief that the Trustee's action was in the best interests of the Fund or (b) is liable to the Fund or its shareholders by reason of Disabling Conduct, indemnification shall be provided if there has been (x) a determination that the Trustee did not engage in Disabling Conduct by the court or other body approving any settlement or other disposition of the matter or (y) there has been a reasonable determination, based upon a review of readily available facts (but not a full trial-type inquiry), that the Trustee acted in good faith in the reasonable belief that the Trustee's action was in the best interests of the Fund and is not liable to the Fund or its shareholders by reason of Disabling Conduct, by (i) the vote of a majority of the Non-Party Trustees (provided that a majority of such Non-Party Trustees then in office act on the matter) or (ii) Special Counsel in a written opinion.

Item 17. General Provisions.

Non-Exclusive Rights. The provisions for indemnification of, and advancement of

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

Expenses to, the Trustee set forth in this Agreement shall not be deemed exclusive of any other rights to which the Trustee may otherwise be entitled, including any other rights to be indemnified or have Expenses advanced by the relevant Fund. The relevant Fund shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder if and to the extent that the Trustee has otherwise actually received such payment under any insurance policy, contract, agreement or otherwise, if such payment is not recoverable from the Trustee.

Continuation of Provisions. This Agreement shall be binding upon all successors of each Fund, including without limitation any transferee of all or substantially all assets of a Fund and any successor by merger, consolidation or operation of law and shall inure to the benefit of the Trustee's spouse, heirs, assigns, devisees, executors, administrators and legal representatives. The provisions of this Agreement shall continue with respect to a Fund until the later of (i) ten (10) years after the Trustee has ceased to provide any service to such Fund and (ii) the final termination of all Proceedings in respect of which the Trustee has asserted, is entitled to assert or has been granted rights of indemnification or advancement of Expenses hereunder and of any proceeding commenced by the Trustee pursuant to Section 4 relating thereto. No amendment of the applicable declaration of trust or by-laws of a Fund shall limit or eliminate the right of the Trustee to indemnification and advancement of Expenses set forth in this Agreement.

Selection of Counsel. The relevant Fund shall be entitled to assume the defense of any Proceeding for which the Trustee seeks indemnification or advancement of Expenses under this Agreement. However, counsel selected by the Trustee shall conduct the defense of the Trustee to the extent reasonably determined by such counsel to be necessary to protect the interests of the Trustee, and the relevant Fund shall indemnify the Trustee therefor to the extent otherwise permitted under this Agreement, if (i) the Trustee reasonably determines that there may be a conflict in the Proceeding between the positions of the Trustee and the positions of such Fund or

6

the other parties to the Proceeding that are indemnified by such Fund and not represented by separate counsel, or the Trustee otherwise reasonably concludes that representation of both the Trustee, such Fund and such other parties by the same counsel would not be appropriate, or (2) the Proceeding involves the Trustee but neither the relevant Fund nor any such other party who is indemnified by the Fund and the Trustee reasonably withholds consent to being represented by counsel selected by such Fund. If the relevant Fund shall not have elected to assume the defense of any such Proceeding for the Trustee within thirty (30) days after receiving written notice thereof from the Trustee, such Fund shall be deemed to have waived any right it might otherwise have to assume such defense. If the relevant Fund does not assume or conduct the defense of any Proceeding, the Trustee shall not consent to a settlement or any other disposition not involving a Final Adjudication without the prior written consent of the Fund.

D&O Insurance. To the extent any Fund maintains an insurance policy or policies providing liability insurance to its trustees or its trustees who are not "interested persons" of the Fund as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended, the Trustee shall be covered by such policy or policies at all times when serving as a member of the Board, in accordance with its or their terms, to the maximum extent of the coverage available for any similarly situated trustee of such Fund. For a period of six (6) years after the Trustee has ceased to serve as a member of the Board and to the extent insurance as provided in the previous sentence does not continue to cover the Trustee even though he is no longer serving as a member of the Board,

Edgar Filing: MFS GOVERNMENT MARKETS INCOME TRUST - Form SC 14D9

such Fund shall purchase and maintain in effect, through "tail" or other appropriate coverage, one or more policies of insurance on behalf of the Trustee to the maximum extent of the coverage provided to then serving trustees of such Fund, unless the purchase of such insurance by the Fund is not permitted by applicable law, including for these purposes any fiduciary duties applicable to the persons then constituting the trustees of such Fund, such insurance is not generally available, or in the reasonable business judgment of the persons then constituting the Board, the premium for such insurance is substantially disproportionate to the amount of coverage afforded.

Subrogation. In the event of any payment by any Fund pursuant to this Agreement, such Fund shall be subrogated to the extent of such payment to all of the rights of recovery of the Trustee, who shall, upon reasonable written request by such Fund and at such Fund's expense, execute all such documents and take all such reasonable actions as are necessary to enable such Fund to enforce such rights. Nothing in this Agreement shall be deemed to diminish or otherwise restrict the right of such Fund or the Trustee to proceed or collect against any insurers or to give such insurers any rights against such Fund under or with respect to this Agreement, including without limitation any right to be subrogated to the Trustee's rights hereunder, unless otherwise expressly agreed to by such Fund in writing, and the obligation of such insurers to such Fund and the Trustee shall not be deemed to be reduced or impaired in any respect by virtue of the provisions of this Agreement.

Notice of Proceedings. The Trustee shall promptly notify the relevant Fund in writing upon being served with any summons, citation, subpoena, complaint, indictment, information or other document relating to any Proceeding that may be subject to indemnification or advancement of Expenses pursuant to this Agreement, but no delay in providing such notice shall in any way limit or affect the Trustee's rights or the relevant Fund's obligations under this Agreement.
