(1) Of the total shares of common stock listed as owned by the selling stockholders, a total of 250,000 shares are held in an escrow account to secure indemnification obligations of the former stockholders of DataChannel to us. It is expected that these shares (less any shares that may be distributed from the escrow account to us in satisfaction of indemnification claims) will be released from escrow and distributed to the selling stockholders on December 14, 2002. The number of shares indicated as owned by each selling stockholder includes those shares (representing approximately 10% of the number of shares listed as beneficially owned by each selling stockholder) which such selling stockholder is entitled to received upon distribution of these shares from the escrow account.

(2) We do not know when or in what amounts a selling stockholder may offer shares for sale. The selling stockholders might not sell any or all of the shares offered by this prospectus. Because the selling stockholders may offer all or some of the shares pursuant to this offering, and because there are currently no agreements, arrangements or understandings with respect to the sale of any of the shares, we cannot estimate the number of the shares that will be held by the selling stockholder after completion of the offering. However, for purposes of this table, we have assumed that, after completion of the offering, none of the shares covered by this prospectus will be held by the selling stockholders.

(10) Brobeck, Phleger & Harrison LLP transferred to certain individuals and entities 1,114 of the shares of Netegrity common stock owned by Brobeck, Phleger & Harrison LLP. Of the 4,300 remaining shares held by Brobeck, Phleger & Harrison LLP, 541 are held in the escrow account. None of the 1,114 shares of Netegrity common stock transferred by Brobeck, Phleger & Harrison LLP are held in the escrow account.

None of the selling stockholders has held any position or office with, or has
