7. Mandatory Prepayment. The Maker shall be obliged to prepay the whole or such lesser part of the Note as the Holder may require in case:

7.1.1 a Ship is sold, on or before the date on which the sale is completed by delivery of that Ship to the buyer; or

7.1.2 a Ship becomes a Total Loss on the date falling 90 days after the Total Loss Date;

provided that any amount to be prepaid under this Section 7 shall be made following the mandatory prepayment made under the Partnership Loan Agreement.

8. Guarantee. This Note is secured by, inter alia, an irrevocable and unconditional guarantee of even date herewith executed by Emperor, for the due and punctual payment when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise of all the Maker's obligations under or in connection with this Note.

9. Mortgages and Other Collateral. This Note is secured by, inter alia, (i) the Championship Mortgage, (ii) the other Championship Finance Documents, (iii) the Partnership Mortgage, and (iv) the other Partnership Finance Documents.

5

10. Conversion.

10.1 Conversion. The Holder may by notice in writing to the Maker elect at any time to convert the whole or any part of the then remaining Repayment Instalments or the Balloon Instalment or the principal amount of this Note into a number of fully paid and nonassessable shares of the Maker Common Stock (the "Conversion Shares") equal to the amount of the remaining Repayment Instalments and Balloon Instalment being converted divided by a conversion price equal to \$0.90 per share, as such conversion price may be adjusted pursuant to the terms hereof or by any other conversion price to be agreed in writing between the Maker and the Holder (the "Conversion Price").

10.2 Conversion Procedure. Before the Holder converts this Note into shares of the Maker Common Stock, it shall surrender this Note at the office of the Maker and shall give written notice by mail, postage prepaid, to the Maker as set forth in Section 16 below, of the election to convert the same pursuant to Section 10.1, and the amount of the Note being converted, if less than all. The Maker shall, as soon as practicable thereafter but in any case no later than five (5) days after the date of the Holder's notice under Section 10.1, deliver to the Holder such number of shares of Maker Common Stock as applicable based on the applicable Conversion Price.

10.3 Mechanics and Effect of Conversion. No fractional shares of the Maker Common Stock shall be issued upon conversion of this Note. In lieu of the Maker issuing any fractional shares to the Holder upon the conversion of this Note, the number of shares of the Maker Common Stock issued upon the conversion of this Note shall be rounded up to the nearest whole share.

11. Conversion Price Adjustments.

11.1 Adjustments for Stock Splits and Subdivisions. In the event that the Maker should at any time or from time to time after the date of issuance hereof fix a record date for the effectuation of a split or subdivision of the outstanding shares of the Maker Common Stock or the determination of holders of the Maker Common Stock entitled to receive a dividend or other distribution payable in additional shares of the Maker Common Stock or other securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly, additional shares of the Maker Common Stock (hereinafter referred to as "Common Stock Equivalents") without payment of any consideration by such holder for the additional shares of the Maker Common Stock or the Common Stock Equivalents (including the additional shares of the Maker Common Stock issuable upon conversion or exercise thereof), then, as of such record date (or the date of such dividend distribution, split or subdivision if no record date is fixed), the Conversion Price of this Note shall be appropriately decreased so that the number of shares of the Maker Common Stock issuable upon conversion of this Note shall be increased in proportion to such increase of outstanding shares.

11.2 Adjustments for Reverse Stock Splits. If the number of shares of the Maker Common Stock outstanding at any time after the date hereof is decreased by a combination of the outstanding shares of the Maker Common Stock, then, following the record date of such combination, the Conversion Price for this Note shall be appropriately increased so that the number of shares of the Maker Common Stock issuable on conversion hereof shall be decreased in proportion to such decrease in outstanding shares.

11.3 Notices of Record Date, etc. In the event of:

11.3.1 Any taking by the Maker of a record of the holders of any class of securities of the Maker for the purpose of determining the holders thereof who are entitled to receive any dividend or other distribution, or any right to subscribe for, purchase or otherwise acquire any shares of stock of any class or any other securities or property, or to receive any other right; or

11.3.2 Any capital reorganization of the Maker, any reclassification or recapitalization of the capital stock of the Maker or any transfer of all or substantially all of the assets of the Maker to any other person or any consolidation or merger involving the Maker; or

11.3.3 Any voluntary or involuntary dissolution, liquidation or winding-up of the Maker; the Maker will mail to the holder of this Note at least five (5) business days prior to the earliest date specified therein, a notice specifying:

11.3.3.1 The date on which any such record is to be taken for the purpose of such dividend, distribution or right, and the amount and character of such dividend, distribution or right; and

11.3.3.2 The date on which any such reorganization, reclassification, transfer, consolidation, merger, dissolution, liquidation or winding-up is expected to become effective and the record date for determining stockholders entitled to vote thereon.

12. Reservation of Stock Issuable Upon Conversion. The Maker shall at all times reserve and keep available out of its authorized but unissued shares of the Maker Common Stock solely for the purpose of effecting the conversion of this Note under Section 10.2 such number of its shares of the Maker Common Stock as shall from time to time be sufficient to effect the conversion of the Note under Section 10.2; and if at any time the number of authorized but unissued shares of the Maker Common Stock shall not be sufficient to effect the conversion of the entire outstanding principal amount of this Note under Section 10.2, in addition to such other remedies as shall be available to the Holder of this Note, the Maker will use its respective best efforts to take such corporate action as may, in the opinion of its respective counsel, be necessary to increase its authorized but unissued shares of the Maker Common Stock to such number of shares as shall be sufficient for such purposes.

13. Registration Rights. The Holder shall be entitled to the registration rights set forth in that certain Registration Rights Agreement of even date herewith entered into among the Maker and the Holder.

14. Assignment. The rights and obligations of the Maker and the Holder under this Note shall be binding upon and benefit the successors and assigns of the parties. This Note may not be assigned or transferred by the parties except in accordance with the terms hereof.

15. Amendment. Any provision of this Note may be amended or modified upon the written consent of the Maker and the Holder.

16. Notices. 18. Usury. This Note is hereby expressly limited so that in no event whatsoever, whether by reason of acceleration of maturity of the loan evidenced hereby or otherwise, shall the amount paid or agreed to be paid to the Holder hereunder for the loan, use, forbearance or detention of money exceed that permissible under applicable law. If at any time the performance of any provision of this Note or of any other agreement or instrument entered into in connection with this Note involves a payment exceeding the limit of the interest that may be validly charged for the loan, use, forbearance or detention of money under applicable law, then automatically and retroactively, ipso facto, the obligation to be performed shall be reduced to such limit, it being the specific intent of the Maker and the Holder that all payments under this Note are to be credited first to interest as permitted by law, but not in excess of (i) the agreed rate of interest set forth herein or therein or (ii) that permitted by law, whichever is the lesser, and the balance toward the reduction of principal. The provisions of this Section 18 shall never be superseded or waived and shall control every other provision of this Note and all other agreements and instruments between the Maker and the Holder entered into in connection with this Note.

19. Collection Costs. The Maker shall pay the Holder all costs it may incur in connection with the collection of amounts due under this Note, including but not limited to attorneys' fees, whether incurred prior to the filing of a legal action, during arbitration, during enforcement, or in bankruptcy.

20. Governing Law; Consent to Jurisdiction. This Note shall be governed by and construed in accordance with the internal laws of the State of New York (without reference to the conflicts of law provisions thereof). Any and all disputes hereunder shall be referred by the parties hereto to three arbitrators, each party to appoint one arbitrator and the two so appointed shall appoint the third who shall act as chairman of such panel of arbitrators. Upon receipt by one party of the nomination in writing of such other party's arbitrator, that party shall appoint its arbitrator within ten days, failing which the decision of the single arbitrator appointed shall apply. The two arbitrators so appointed shall appoint the third arbitrator within ten days, failing which the third arbitrator shall be appointed by the President of the London Maritime Arbitrators Association ("LMAA") at the time within twenty one days of the two arbitrators being appointed. The arbitration shall be conducted in accordance with the terms of the LMAA then in effect. The parties agree that any tribunal constituted under this Agreement shall have the power to order consolidation of proceedings or concurrent hearings in relation to any and all disputes arising out of or in connection with this Note or the other documents contemplated thereby, which involve common questions of fact or law, and to make any orders ancillary to the same, including, without limitation, any orders relating to the procedures to be followed by the parties in any such consolidated proceedings or concurrent hearings. Consolidated disputes are to be heard by a maximum of three arbitrators, each party to have the right to appoint one arbitrator. In case a dispute arises as to whether consolidation is appropriate (including without limitation conflicting orders of relevant tribunals) and/or as to the constitution of the tribunal for any such consolidated proceedings, each party shall have the right to apply to the President for the time being of the LMAA for final determination of the consolidation of the proceedings and/or constitution of such tribunal.

WHEREAS, each of the parties hereto wishes to amend the repayment schedule of the Promissory Note and, in exchange for this Amendment No. 2, the repayment shall be guaranteed and secured by the Guarantee (as hereinafter defined); and

NOW THEREFORE, in consideration of the foregoing and for other consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereto intending to be legally bound hereby agree as follows:

AGREEMENT

WHEREAS, each of the parties hereto wishes to amend the repayment schedule of the Promissory Note and, in exchange for this Amendment No. 9, the repayment shall be guaranteed and secured by the Guarantee (as hereinafter defined); and

NOW THEREFORE, in consideration of the foregoing and for other consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereto intending to be legally bound hereby agree as follows:

AGREEMENT

1. In Section 1 of the Promissory Note, new definitions of "Emperor", "Guarantee", "Material Adverse Effect" and "Related Finance Agreement" are hereby inserted in the correct alphabetical order:

2. Following the insertion of the definitions of "Emperor", "Guarantee", "Material Adverse Effect" and "Related Finance Agreement" in Section 1 of the Promissory Note, the definitions of Holder, Maturity Date, Note, Reduction Date, and Revolving Advances are hereby renumbered to "1.6. Holder", "1.8 Maturity Date", "1.9 Note", 1.10 Reduction Date" and "1.12 Revolving Advances".

3. In Section 1 of the Promissory Note, the definitions of "Applicable Limit", "Maturity Date" and "Reduction Date" are hereby deleted in their entirety and replaced with the following:

"1.1 "Applicable Limit" means the maximum principal amount available for drawing hereunder at any relevant time and being on the date hereof twenty one million one hundred sixty five thousand Dollars (\$21,165,000) and being reduced by three million three hundred thousand Dollars (\$3,300,000) on the first Reduction Date."

4. Section 3 of the Promissory Note is hereby deleted in its entirety and instead the following is inserted:

"3. Interest. The Maker shall pay interest on the outstanding principal amount of this Note at the rate equal to the sum of (a) 5% per annum and (b) the three (3) month London Interbank Offered Rate for deposits in Dollars determined at or about 11.00 a.m. (London time) two (2) business days prior to the first day of each interest period (the "Interest Rate"). Each interest period shall be of three (3) months each commencing on the initial Drawdown Date. Each interest payment shall be made on the end of the respective interest period. In case the date of each interest payment is not a business day, the respective interest shall be payable on the next following business day. All interest payable under this Note shall accrue from day to day and be calculated on the basis of actual days elapsed and a 360-day year. Notwithstanding the above, the last interest period shall end on the Maturity. In the event of a failure by the Maker to pay any amount on the date on which such amount is due and payable pursuant to this Note and irrespective of any notice by the Holder or any other person to the Maker in respect of such failure, the Maker shall pay interest on such amount on demand from the date of such default up to the date of actual payment at the per annum rate which is the aggregate of: (a) two point fifty per cent (2.50%); and (b) the Interest Rate."

4.3 The institution by the Maker of proceedings to be adjudicated as bankrupt or insolvent, or the consent by it to institution of bankruptcy or insolvency proceedings against it or the filing by it of a petition or answer or consent seeking reorganization or release under the federal Bankruptcy Act, or any other applicable federal or state law, or the consent by it to the filing of any such petition or the appointment of a receiver, liquidator, assignee, trustee or other similar official of the Maker, or of any substantial part of their respective property, or the making by it of an assignment for the benefit of creditors, or the taking of corporate action by the Maker in furtherance of any such action; or

4.4 If, within thirty (30) days after the commencement of an action against the Maker seeking any bankruptcy, insolvency, reorganization, liquidation, dissolution or similar relief under any present or future statute, law or regulation, such action shall not have been resolved in favor of the Maker, as the case may be, or all orders or proceedings thereunder affecting the operations or the business of the Maker, as the case may be, stayed, or if the stay of any such order or proceeding shall thereafter be set aside, or if, within sixty (60) days after the appointment without the consent or acquiescence of the Maker, as the case may be, of any trustee, receiver or liquidator of the Maker or of all or any substantial part of the respective properties of the Maker, such appointment shall not have been vacated; or

4.5 The Maker or any of its subsidiaries shall default in the payment when due (subject to any applicable grace period), whether by acceleration or otherwise, of any material indebtedness thereof involving the borrowing of money or the extension of credit in excess of \$750,000, or a default shall occur in the performance or observance of any obligation or condition with respect to such indebtedness if the effect of such default is to accelerate the maturity of any such indebtedness, or such default shall continue un-remedied for any applicable period of time sufficient to permit the holder or holders of such indebtedness, or any trustee or agent for such holders, to cause such indebtedness to become due and payable prior to its expressed maturity; or

4.6 The failure to pay principal, interest or any other sums under this Note to the Holder on the due date therefor as provided herein, or, to issue and deliver shares of the Maker's common stock, par value \$0.0001 per share (the "Maker Common Stock"), in accordance with Section 7 hereof."

The Company shall not file the Registration Statement or any such Prospectus or any amendments or supplements thereto to which the Holder of a majority of the Registrable Securities shall reasonably object in good faith; provided, however, that any period of time which the Registration Statement is delayed due to such objection will be added to the Filing Date and the Effectiveness Date.

- (b) (i) Prepare and file with the Commission such amendments, including post-effective amendments, to the Registration Statement and the Prospectus used in connection therewith as may be necessary to keep the Registration Statement continuously effective as to the Registrable Securities for the Effectiveness Period; (ii) cause the related Prospectus to be amended or supplemented by any required Prospectus supplement, and as so supplemented or amended to be filed pursuant to Rule 424; (iii) respond as promptly as reasonably possible to any comments received from the Commission with respect to the Registration Statement or any amendment thereto; and (iv) comply in all material respects with the provisions of the Securities Act and the Exchange Act with respect to the disposition of all Registrable Securities covered by the Registration Statement in accordance with the intended methods of disposition by the Holder thereof set forth in the Registration Statement as so amended or in such Prospectus as so supplemented.
- (c) Notify the Holder of Registrable Securities to be sold as promptly as reasonably possible (and, in the case of (i)(A) below, not less than two (2) Business Days prior to such filing) and (if requested by any such Person) confirm such notice in writing promptly following the day (i) (A) when a Prospectus or any Prospectus supplement or post-effective amendment to the Registration Statement is proposed to be filed; (B) when the Commission notifies the Company whether there will be a "review" of the Registration Statement and whenever the Commission comments in writing on the Registration Statement (the Company shall upon request provide true and complete copies thereof and all written responses thereto as promptly as reasonably possible to the Holder who so requests provided such requesting Holder agree to keep such information confidential until it is publicly disclosed); and (C) with respect to the Registration Statement or any post-effective amendment, when the same has become effective; (ii) of any request by the Commission or any other Federal or state governmental authority during the period of effectiveness of the Registration Statement for amendments or supplements to the Registration Statement or Prospectus or for additional information; (iii) of the issuance by the Commission or any other federal or state governmental authority of any stop order suspending the effectiveness of the Registration Statement covering any or all of the Registrable Securities or the initiation of any Proceedings for that purpose; (iv) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction, or the initiation or threatening of any Proceeding for such purpose, and (v) of the occurrence of any event or passage of time that makes the financial statements included in the Registration Statement ineligible for inclusion therein or any statement made in the Registration Statement or Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires any revisions to the Registration Statement, Prospectus or other documents so that, in the case of the Registration Statement or the Prospectus, as the case may be, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (provided that such Holder of Registrable Securities agrees to keep such information confidential until it is publicly disclosed).
- (d) Use its best efforts to avoid the issuance of, or, if issued, obtain the withdrawal of (i) any order suspending the effectiveness of the Registration Statement, or (ii) any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction, at the earliest practicable moment.
- (e) To the extent requested by such Holder, furnish to each Holder, without charge, at least one conformed copy of the Registration Statement and each amendment thereto, including financial statements and schedules, all documents incorporated or deemed to be incorporated therein by reference, and all exhibits (including those previously furnished or incorporated by reference) promptly after the filing of such documents with the Commission.
- (f) Promptly deliver to each Holder, without charge, as many copies of the Prospectus or Prospectuses (including each form of prospectus) and each amendment or supplement thereto as such Persons may reasonably request in connection with resales by the Holder of Registrable Securities. The Company hereby consents to the use of such Prospectus and each amendment or supplement thereto by each of the selling Holder in connection with the offering and sale of the Registrable Securities covered by such Prospectus and any amendment or supplement thereto, except after the giving of any notice pursuant to Section 3(c).

(g) Use its best efforts to register or qualify or cooperate with the selling Holder in connection with the registration or qualification (or exemption from the Registration or qualification) of such Registrable Securities for the resale by the Holder under the securities or Blue Sky laws of such jurisdictions within the United States as any Holder reasonably requests in writing, to keep each of the registration or qualification (or exemption therefrom) effective during the Effectiveness Period and to do any and all other acts or things reasonably necessary to enable the disposition in such jurisdictions of the Registrable Securities covered by the Registration Statement; provided, that the Company shall not be required to qualify generally to do business in any jurisdiction where it is not then so qualified, subject the Company to any material tax in any such jurisdiction where it is not then so subject or file a general consent to service of process in any such jurisdiction.

(h) If requested by the Holder, cooperate with the Holder to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be delivered to a transferee pursuant to the Registration Statement, which certificates shall be free, of all restrictive legends, and to enable such Registrable Securities to be in such denominations and registered in such names as any such Holder may request.

(i) Upon the occurrence of any event contemplated by Section 3(c)(v), as promptly as reasonably possible, prepare a supplement or amendment, including a post-effective amendment, to the Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, and file any other required document so that, as thereafter delivered, neither the Registration Statement nor such Prospectus will contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(j) Use best efforts to make available to its security holders no later than the Availability Date (as defined below), an earning statement covering a period of at least twelve (12) months, beginning after the effective date of the Registration Statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act, including Rule 158 promulgated thereunder. For the purpose of this subsection, "Availability Date" shall mean the 45th day following the end of the fourth fiscal quarter after the fiscal quarter that includes the effective date of the Registration Statement, except that, if such fourth fiscal quarter is the last quarter of the Company's fiscal year, "Availability Date" means the 90th day after the end of such fourth fiscal quarter.

(k) Comply with all applicable rules and regulations of the Commission and use its reasonable best efforts to cause all Registrable Securities to be listed for trading on a Trading Market, if the Company is then listed on a Trading Market.

The Company may require each selling Holder to furnish to the Company a certified statement as to the number of shares of Common Stock beneficially owned by such Holder and the person thereof that has voting and dispositive control over the Shares, for purposes of disclosure in the "Selling Stockholder" table in the Registration Statement.

4. Registration Expenses. All fees and expenses incident to the performance of or compliance with this Agreement by the Company shall be borne by the Company whether or not any Registrable Securities are sold pursuant to the Registration Statement. The fees and expenses referred to in the foregoing sentence shall include, without limitation, (i) all registration and filing fees (including, without limitation, fees and expenses (A) with respect to filings required to be made with the Trading Market on which the Common Stock is then listed for trading, and (B) for compliance with applicable state securities or Blue Sky laws), (ii) printing expenses (including, without limitation, expenses of printing certificates for Registrable Securities and of printing prospectuses if the printing of prospectuses is reasonably requested by the Holder of a majority of the Registrable Securities included in the Registration Statement), (iii) messenger, telephone and delivery expenses, (iv) fees and disbursements of counsel for the Company, (v) Securities Act liability insurance, if the Company so desires such insurance, (vi) "road show" expenses and (vii) fees and expenses of all other Persons retained by the Company in connection with the consummation of the transactions contemplated by this Agreement. In addition, the Company shall be responsible for all of its internal and accounting expenses incurred in connection with the consummation of the transactions contemplated by this Agreement (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties and all fees and expenses of the Company's certified public accountants), the expense of the preparation of all financial statements and any audit or review thereof by the Company's accountants, including in

connection with their rendering a "cold comfort" letter to the underwriters, if requested, and the fees and expenses incurred in connection with the listing of the Registrable Securities on any securities exchange as required hereunder. In no event shall the Company be responsible for any broker, underwriter or similar commissions or any legal fees or other costs of the Holder.

6

5. Indemnification.

(a) Indemnification by the Company. The Company shall, notwithstanding any termination of this Agreement, indemnify and hold harmless each Holder, the officers, directors, agents and employees of each of them, each Person who controls any such Holder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act), and the officers, directors, agents and employees of each such controlling Person, to the fullest extent permitted by applicable law, from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, reasonable attorneys' fees) and expenses (collectively, "Losses"), as incurred, to the extent arising out of or relating to any untrue or alleged untrue statement of a material fact contained in the Registration Statement, any Prospectus or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading, or any violation or alleged violation by the Company of the Securities Act, Exchange Act or any state securities law, or any rule or regulation thereunder, except to the extent, but only to the extent, that (1) such untrue statements or omissions are based solely upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein, or to the extent that such information relates to such Holder or such Holder's proposed method of distribution of Registrable Securities as set forth in the section of the Registration Statement substantially similar to Annex A hereto or any changes to such section that are expressly approved in writing by such Holder expressly for use in the Registration Statement, such Prospectus or such form of Prospectus or in any amendment or supplement thereto, or (2) in the case of an occurrence of an event of the type specified in Section 3(c)(ii)-(v), the use by such Holder of an outdated or defective Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by such Holder of the Advice contemplated in Section 6(b).

(b) Indemnification by Holder. Each Holder shall, severally and not jointly, indemnify and hold harmless the Company, its officers, directors, agents and employees, each Person who controls the Company (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act), and the officers, directors, agents and employees of each such controlling Person, to the fullest extent permitted by applicable law, from and against any and all Losses, as incurred, to the extent arising out of or based upon: (1) such Holder's failure to comply with the prospectus delivery requirements of the Securities Act or (2) any untrue or alleged untrue statement of a material fact contained in the Registration Statement, any Prospectus or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading to the extent, but only to the extent, that such untrue statement or omission is contained in any information so furnished in writing by such Holder to the Company specifically for inclusion in the Registration Statement or such Prospectus expressly for use therein; provided, that each Holder's obligation to indemnify such indemnified parties shall only be to the extent of the net proceeds received by such Holder in the offering to which the Registration Statement relates, or to the extent that such information relates to such Holder or such Holder's proposed method of distribution of Registrable Securities as set forth in the section of the Registration Statement substantially similar to Annex A hereto or any changes to such section that are expressly approved in writing by such Holder expressly for use in the Registration Statement, such Prospectus or such form of Prospectus or in any amendment or supplement thereto, or (3) in the case of an occurrence of an event of the type specified in Section 3(c)(ii)-(v), the use by such Holder of an outdated or defective Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by such Holder of the Advice contemplated in Section 6(b).

(c) Conduct of Indemnification Proceedings. If any Proceeding shall be brought or asserted against any Person entitled to indemnity hereunder (an "Indemnified Party"), such Indemnified Party shall promptly notify the Person from whom indemnity is sought (the "Indemnifying Party") in writing, and the Indemnifying Party shall have the right to assume the defense thereof, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of all fees and expenses incurred in connection with defense thereof; provided, that the failure of any Indemnified Party to give such notice shall not relieve the Indemnifying Party of its obligations or liabilities pursuant to this Agreement, except (and only) to the extent that it shall be finally determined by a court of competent jurisdiction (which determination is not subject to appeal or further review) that such failure shall have prejudiced the Indemnifying Party.

An Indemnified Party shall have the right to employ separate counsel in any such Proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Parties unless: (1) the Indemnifying Party has agreed in writing to pay such fees and expenses; (2) the Indemnifying Party shall have failed promptly to assume the defense of such Proceeding and to employ counsel reasonably satisfactory to such Indemnified Party in any such Proceeding; or (3) the named parties to any such Proceeding (including any impleaded parties) include both such Indemnified Party and the Indemnifying Party, and such Indemnified Party shall have been advised by counsel that a conflict of interest is reasonably likely to exist if the same counsel were to represent such Indemnified Party and the Indemnifying Party (in which case, if such Indemnified Party notifies the Indemnifying Party in writing that it elects to employ separate counsel at the expense of the Indemnifying Party, the Indemnifying Party shall not have the right to assume the defense thereof and the reasonable fees and expenses of no more than one separate counsel (the Indemnified Party's counsel who first notifies the Company of such obligation) shall be at the expense of the Indemnifying Party). The Indemnifying Party shall not be liable for any settlement of any such Proceeding effected without its written consent. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any pending Proceeding in respect of which any Indemnified Party is a party, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such Proceeding.

All reasonable fees and expenses of the Indemnified Party (including reasonable fees and expenses to the extent incurred in connection with investigating or preparing to defend such Proceeding in a manner not inconsistent with this Section) shall be paid to the Indemnified Party, as incurred, within ten (10) Business Days of written notice thereof to the Indemnifying Party; provided, that the Indemnified Party shall promptly reimburse the Indemnifying Party for that portion of such fees and expenses applicable to such actions for which such Indemnified Party is not entitled to indemnification hereunder, determined based upon the relative faults of the parties.

(d) Contribution. If a claim for indemnification under Section 5(a) or 5(b) is unavailable to an Indemnified Party (by reason of public policy or otherwise), then each Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses, in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and Indemnified Party in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact, has been taken or made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission. The amount paid or payable by a party as a result of any Losses shall be deemed to include, subject to the limitations set forth in Section 5(c), any reasonable attorneys' or other reasonable fees or expenses incurred by such party in connection with any Proceeding to the extent such party would have been indemnified for such fees or expenses if the indemnification provided for in this Section was available to such party in accordance with its terms.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 5(d) were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this Section 5(d), no Holder shall be required to contribute, in the aggregate, any amount in excess of the amount by which the proceeds actually received by such Holder from the sale of the Registrable Securities subject to the Proceeding exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission, except in the case of fraud by such Holder. The indemnity and contribution agreements contained in this Section are in addition to any liability that the Indemnifying Parties may have to the Indemnified Parties.

6. Miscellaneous.

(a) Compliance. Each Holder covenants and agrees that it will comply with the prospectus delivery requirements of the Securities Act as applicable to it in connection with sales of Registrable Securities pursuant to the Registration Statement.

(b) Discontinued Disposition. Each Holder agrees by its acquisition of such Registrable Securities that, upon receipt of a notice from the Company of the occurrence of any event of the kind described in Section 3(c), such Holder will forthwith discontinue disposition of such Registrable Securities under the Registration Statement until such Holder's receipt of the copies of the supplemented Prospectus and/or amended Registration Statement or until it is advised in writing (the "Advice") by the Company that the use of the applicable Prospectus may be resumed, and, in either case, has received copies of any additional or supplemental filings that are incorporated or deemed to be incorporated by reference in such Prospectus or Registration Statement. In the event of a discontinued disposition under this Section 6(b), the Company will use its reasonable best efforts to ensure that the use of the Prospectus may be resumed as promptly as is practicable and to provide copies of the supplemented Prospectus and/or amended Registration Statement or the Advice as soon as possible in order to enable each Holder to resume dispositions of the Registrable Securities. The Company may provide appropriate stop orders to enforce the provisions of this paragraph.

(c) Amendments in Writing. No amendment, modification, waiver, termination or discharge of any provision of this Agreement, or any consent to any departure by the Company and any Holder of the then outstanding Registrable Securities from any provision hereof, shall in any event be effective unless the same shall be in writing and signed by the Company and at least a majority of the Holder of the then outstanding Registrable Securities, and each such amendment, modification, waiver, termination or discharge shall be effective only in the specific instance and for the specific purpose for which given. No provision of this Agreement shall be varied, contradicted or explained by any oral agreement, course of dealing or performance or any other matter not set forth in an agreement in writing and signed by the Company and at least a majority of the Holder of the then outstanding Registrable Securities.

(d) Termination of Prior Registration Rights Agreements. The Company and the Investor have entered into Registration Rights Agreements dated December 19, 2014, March 12, 2015 and September 7, 2015 (the "Prior Registration Rights Agreements"). The Company and the Investor hereby agree that the Prior Registration Rights Agreements, and all the rights, obligations and restrictions thereunder, shall terminate in their entirety as of the date hereof, shall be of no further force or effect and no provision contained therein shall survive such termination, and neither the Company nor the Investor shall have any further obligation whatsoever to the other with respect to the Prior Registration Rights Agreements; provided, however, that the terms and provisions of the Prior Registration Rights Agreements relating to indemnification shall survive such termination.

(e) Suspension of Trading. At any time after the Registrable Securities are covered by an effective Registration Statement, the Company may deliver to the Holder of such Registrable Securities a certificate (the "Suspension Certificate") approved by the Chief Executive Officer of the Company and signed by an officer of the Company stating that the effectiveness of and sales of Registrable Securities under the Registration Statement would:

- (i) materially interfere with any transaction that would require the Company to prepare financial statements under the Securities Act that the Company would otherwise not be required to prepare in order to comply with its obligations under the Exchange Act, or
- (ii) require public disclosure of any transaction of the type discussed in Section 6(e)(i) prior to the time such disclosure might otherwise be required.

After the delivery of a Suspension Certificate by Holder of Registrable Securities, the Company may, in its discretion, require such Holder of Registrable Securities to refrain from selling or otherwise transferring or disposing of any Registrable Securities or other Company securities then held by such Holder for a specified period of time that is customary under the circumstances (not to exceed thirty (30) days). Notwithstanding the foregoing sentence, the Company shall be permitted to cause Holder of Registrable Securities to so refrain from selling or otherwise transferring or disposing of any Registrable Securities or other securities of the Company on only one occasion during each twelve (12) consecutive month period that the Registration Statement remains effective. The Company may impose stop transfer instructions to enforce any required agreement of the Holder under this Section 6(e).

(f) Termination. This Agreement shall terminate and be of no further force or effect when there shall no longer be any Registrable Securities issuable or outstanding.

(g) Notices. All notices, requests, consents and other communications under this Agreement shall be in writing and shall be deemed delivered (i) on the date of transmission when delivered via facsimile prior to 5:00 p.m. (New York City time) on a Business Day, (ii) one Business Day after transmission when delivered via facsimile later than 5:00 p.m. (New York City time) on any date and earlier than 11:59 p.m. (New York City time) on such date, (iii) upon delivery when delivered personally, (iv) three (3) days after being sent by registered or certified mail, return receipt requested, postage prepaid, or (v) one (1) Business Day after being sent via a reputable nationwide overnight courier service guaranteeing next business day delivery, in each case to the intended recipient as set forth below:

(k) Cumulative Remedies. All remedies, either under this Agreement or by law, afforded to the parties hereto, shall be cumulative and not alternative.

ANNEX A

Plan of Distribution

The shares covered by this prospectus may be offered and sold from time to time by the selling stockholders. The term "selling stockholder" includes pledgees, donees, transferees or other successors in interest selling shares received after the date of this prospectus from each selling stockholder as a pledge, gift, partnership distribution or other sale in any privately negotiated transaction, or non-sale related transfer. The number of shares beneficially owned by a selling stockholder will decrease as and when it effects any such transfers. The plan of distribution for the selling stockholders' shares sold hereunder will otherwise remain unchanged, except that the transferees, pledgees, donees or other successors will be selling stockholders hereunder. To the extent required, we may amend and supplement this prospectus from time to time to describe a specific plan of distribution.

The selling stockholders will act independently of us in making decisions with respect to the timing, manner and size of each sale. The selling stockholders may make these sales at prices and under terms then prevailing or at prices related to the then current market price. The selling stockholders may also make sales in negotiated transactions. The selling stockholders may offer their shares from time to time pursuant to one or more of the following methods:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- one or more block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- public or privately negotiated transactions;
 - on the New York Stock Exchange, American Stock Exchange, NASDAQ Global Market or NASDAQ Capital Market (or through the facilities of any national securities exchange or U.S. inter-dealer quotation system of a registered national securities association, on which the shares are then listed, admitted to unlisted trading privileges or included for quotation);
- through underwriters, brokers or dealers (who may act as agents or principals) or directly to one or more purchasers;
- to cover short sales;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

In connection with distributions of the shares or otherwise, the selling stockholders may:

- enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the shares in the course of hedging the positions they assume;
 - sell the shares short and redeliver the shares to close out such short positions;
 - enter into option or other transactions with broker-dealers or other financial institutions which require the delivery to them of shares offered by this prospectus, which they may in turn resell; and
 - pledge shares to a broker-dealer or other financial institution, which, upon a default, they may in turn resell.
-

In addition to the foregoing methods, the selling stockholders may offer their shares from time to time in transactions involving principals or brokers not otherwise contemplated above, in a combination of such methods or described above or any other lawful methods. The selling stockholders may also transfer, donate or assign their shares to lenders, family members and others and each of such persons will be deemed to be a selling stockholder for purposes of this prospectus. The selling stockholders or their successors in interest may from time to time pledge or grant a security interest in some or all of the shares of common stock, and if the selling stockholders default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock from time to time under this prospectus; provided however in the event of a pledge or then default on a secured obligation by the selling stockholder, in order for the shares to be sold under this registration statement, unless permitted by law, we must distribute a prospectus supplement and/or amendment to this registration statement amending the list of selling stockholders to include the pledgee, secured party or other successors in interest of the selling stockholder under this prospectus.

The selling stockholders may also sell their shares pursuant to Rule 144 under the Securities Act, which permits limited resale of shares purchased in a private placement subject to the satisfaction of certain conditions, including, among other things, the availability of certain current public information concerning the issuer, the resale occurring following the required holding period under Rule 144 and the number of shares being sold during any three-month period not exceeding certain limitations in certain circumstances.

Sales through brokers may be made by any method of trading authorized by any stock exchange or market on which the shares may be listed or quoted, including block trading in negotiated transactions. Without limiting the foregoing, such brokers may act as dealers by purchasing any or all of the shares covered by this prospectus, either as agents for others or as principals for their own accounts, and reselling such shares pursuant to this prospectus. The selling stockholders may effect such transactions directly, or indirectly through underwriters, broker-dealers or agents acting on their behalf. In effecting sales, broker-dealers or agents engaged by the selling stockholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling stockholders, in amounts to be negotiated immediately prior to the sale (which compensation as to a particular broker-dealer might be in excess of customary commissions for routine market transactions).

In offering the shares covered by this prospectus, the selling stockholders, and any broker-dealers and any other participating broker-dealers who execute sales for the selling stockholders, may be deemed to be "underwriters" within the meaning of the Securities Act in connection with these sales. Any profits realized by the selling stockholders and the compensation of such broker-dealers may be deemed to be underwriting discounts and commissions.

The Company is required to pay all fees and expenses incident to the registration of the shares other than broker fees and commissions.

The Company has agreed to indemnify the selling stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.
