The first date on which this Proxy Statement and the enclosed form of Proxy are being sent to the shareholders of the Company is on or about March 27, 2003.

1st Constitution Bank is a subsidiary of the Company and is sometimes referred to as the Bank.

Outstanding Securities and Voting Rights

The close of business of the Company (5:00 p.m. Eastern Time) on March 17, 2003, has been fixed by the Board of Directors as the record date and hour for determining shareholders entitled to notice of and to vote at the Annual Meeting (the Record Date). Only shareholders of record as of that date and hour will be entitled to notice of, and to vote at, the Annual Meeting.

On the Record Date, 1,489,367 shares of Common Shares of the Company (Company Common Stock) were issued and outstanding and eligible to be voted at the Annual Meeting. Each share of Company Common Stock is entitled to one vote per share at the Annual Meeting. There are no other outstanding voting securities of the Company other than the Company Common Stock.

If the white proxy card is properly signed by a shareholder and is not revoked, the shares represented thereby will be voted at the Annual Meeting in the manner specified on the proxy, or if no manner is specified with respect to any matter therein, such shares will be voted by the persons designated therein (a) FOR the election of one director named below; (b) FOR the ratification of the selection of KPMG LLP as the Company's independent auditors for the fiscal year ending December 31, 2003; and (c) in connection with the conduct of other business if properly raised, in accordance with the judgment of the person or persons voting the proxy. If the nominee for director is unable to serve or for good cause will not serve, an event that is not anticipated by the Company, the shares represented by the accompanying proxy will be voted for a substitute nominee designated by the Board of Directors. Should any other matters properly come before the Annual Meeting, the persons named as proxies will vote upon such matters according to their discretion, unless the shareholder otherwise specifies in the Proxy.

At the Annual Meeting, the affirmative vote of a plurality of the votes cast is required to elect a director and the affirmative vote of a majority of the votes cast is required to ratify the selection of KPMG LLP as independent auditor of the Company for the 2003 fiscal year. Election inspectors appointed for the meeting will tabulate the votes cast by proxy or in person at the meeting. The election inspectors will determine whether or not a quorum is present. Votes will NOT be considered cast if the shares are not voted for any reason, including an abstention indicated as such on a written proxy or ballot, directions are given in a written proxy to withhold votes, or if the votes are withheld by a broker.

Revocability of Proxies

Any shareholder giving a Proxy has the right to attend and vote at the Annual Meeting in person. A Proxy may be revoked prior to the Annual Meeting by sending written notice of revocation or a duly executed Proxy bearing a later date to the Company at 2650 Route 130 North, Cranbury, New Jersey 08512, Attention: Corporate Secretary. A Proxy may be revoked at the Annual Meeting by filing written notice of such revocation with the Secretary of the Annual Meeting prior to the voting of such Proxy.

Solicitation of Proxies

This proxy solicitation is being made by the Board. The cost of the solicitation will be borne by the Company. In addition to the use of the mails, proxies may be solicited personally or by telephone, facsimile, email, or telegraph by officers, Directors and employees of the Company, who will not be specially compensated for such solicitation activities. The Company may retain a proxy-soliciting firm to assist it in soliciting proxies. If so, the Company would pay the proxy-soliciting firm a fee and reimburse it for certain out-of-pocket expenses. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries for forwarding solicitation materials to the beneficial owners of Common Stock held of record by such persons and the Company will reimburse such persons for their reasonable expenses incurred in forwarding the materials.

ELECTION OF DIRECTORS

The Company's Board of Directors is divided into three separate classes of directors, designated as Class I, Class II, and Class III. The Director in Class I is serving for an initial term of one year which expires at the Annual Meeting; Directors in Class II are serving an initial term of two years which expires in 2004; Directors in Class III are serving for an initial term of three years, which expires in 2005, and in each case until their successors shall be duly elected and qualified. At each annual meeting of shareholders, one class of directors will be elected for terms of three years to succeed those directors in the class whose terms then expire. The only Director nominated for election at the Annual Meeting is the sole Director in Class I Charles S. Crow, III.

Edgar Filing: 1ST CONSTITUTION BANCORP - Form DEF 14A

The number of nominees was determined by the Board of Directors pursuant to the Company's By-Laws. If, for any reason, the nominee becomes unavailable for election or service on the Board, the proxy solicited by the Board will be voted for such substituted nominee as is selected by the Board or the size of the Board may be reduced. The Board believes that the named nominee is available, and, if elected, will be able to serve.

Employment Agreements

The Company entered into a three-year employment agreement with Mr. Mangano, its President and Chief Executive Officer, dated as of April 22, 1999 (the "Employment Agreement"). The term of the employment agreement is subject to automatic one year extensions unless terminated. The Employment Agreement provides for a base salary of \$180,000 per annum or such higher rate as the Board may establish. Pursuant to the Employment Agreement, Mr. Mangano received a base salary of \$240,000 for services provided in 2002. The Employment Agreement provides for: (i) participation by Mr. Mangano in the Company's stock option plans, (ii) the creation of a bonus plan for Mr. Mangano, and (iii) participation in the Company's employee benefit plans. The Employment Agreement may be terminated in the event of the death or disability (as defined in the Employment Agreement) of Mr. Mangano or for just cause (as defined in the Employment Agreement). The Employment Agreement provides for the payment of certain amounts to Mr. Mangano upon a change of control of the Company, as more fully described in such agreement. Mr. Mangano is subject to a covenant not to compete for one year following the termination of his employment with the Company.

Stock Option Plans**(a) Key Employee Plan and 1996 Stock Option Plan**

The Bank's 1990 Employee Stock Option Plan for Key Employees, as amended (the "Key Employee Plan"), was adopted by the Board of the Bank and approved by the shareholders of the Bank in March 1990. The Bank's 1996 Employee Stock Option Plan (the "Stock Option Plan") was adopted by the Board and approved by the shareholders in March 1997. In 1999, as part of the formation of the Company as a holding company for the Bank, the Key Employee Plan and the Stock Option Plan (collectively, the "Option Plans") were each amended so that no further grants may be made thereunder, and each option to purchase one share of Bank Common Stock was converted into an option to purchase one share of Company Common Stock, and such plans were thereafter administered by a committee of the Board of Directors of the Company rather than a committee of the Board of Directors of the Bank.

As of the date of this Proxy Statement, options for 33,901 shares (as adjusted for all stock dividends) were outstanding under the Key Employee Plan, and options for 2,579 shares (as adjusted for all stock dividends) were outstanding under the Stock Option Plan.

(b) Employee Stock Option Plan

The Employee Stock Option and Restricted Stock Plan (the "Plan") was adopted by the Board of the Company and approved by the shareholders in April 2000. Under the Plan, the Company may issue stock options ("Options") for up to 220,500 shares of its Common Stock ("Shares") to eligible employees, independent contractors, agents and consultants of the Company and its subsidiaries, but excluding non-employee directors of the Company, to aid in attracting and retaining employees, independent contractors, agents and consultants, and to closely align their interests with those of shareholders. The Company may also issue shares of Company Common Stock under the Plan (the "Restricted Stock") as a bonus to any employee for such consideration as determined by the committee in accordance with applicable laws.

The Plan is administered by a committee of the Board of the Company, which consists of all members of the Board who are not eligible to receive options under the Plan and who are outside directors. The committee determines the terms of each grant under the Plan. Under the Plan, the option price must equal the fair market value of the Company Common Stock at the time of grant, and the term of any option cannot exceed 10 years from the date of the grant. The number of shares of

Edgar Filing: 1ST CONSTITUTION BANCORP - Form DEF 14A

Company Common Stock covered by the Plan, and the amount and option price for each outstanding option shall be proportionally adjusted for any increase or decrease in the number of issued shares of Company Common Stock resulting from the subdivision or consolidation of shares or the payment of a stock dividend or any other increase or decrease in the number of shares effected without receipt of consideration by the Company.

As of the date of this Proxy Statement, options for 10,378 shares (as adjusted for all stock dividends) were outstanding under the Plan and 9,027 shares of Restricted Stock, subject to vesting based on continued service, have been granted under the Plan.

(c) Directors Plan

The Board has adopted a Directors Stock Option and Restricted Stock Plan for nonemployee directors (the Directors Plan). The Directors Plan provides for options to purchase a total of not more than 57,881 shares of Company Common Stock by nonemployee directors of the Company and its subsidiaries, including the Bank. As of the date of this Proxy Statement, options for 27,812 shares (as adjusted for all stock dividends) were outstanding under the Directors Plan.

The Directors Plan is administered by a committee of the Board of the Company, comprised of two members of the Board who are outside directors, which determines the terms of each grant under such Directors Plan. Under the Directors Plan, the option price must equal the fair market value of the Company Common Stock at the time of grant, and the term of any option cannot exceed 10 years from the date of the grant. The number of shares of Company Common Stock covered by the Directors Plan, and the amount and option price for each outstanding option shall be proportionally adjusted for any increase or decrease in the number of issued shares of Company Common Stock resulting from the subdivision or consolidation of shares or the payment of a stock dividend or any other increase or decrease in the number of shares effected without receipt of consideration by the Company.

Supplemental Executive Retirement Plan

The Company adopted the 1st Constitution Bancorp Supplemental Executive Retirement Plan (the SERP) effective as of September 4, 2002. Under the terms of the SERP, a committee (the Committee) of the Company's Board of Directors is authorized to select executives of the Company and the Bank for participation therein. The current participants who are executive officers are Messrs. Mangano and Reardon.

Under the terms of the SERP, participants earn the right to an annual nonqualified pension benefit to be paid following termination of employment, subject to a vesting schedule. The SERP benefit is generally equal to their final base compensation, multiplied by a multiplier percentage selected for such participant by the Committee. The multiplier percentages for Messrs. Mangano and Reardon are 50% and 25%, respectively. Final base compensation is generally equal to the participant's highest annual rate of base compensation in effect during the twelve month period prior to termination of employment. In the event that a participant terminates employment prior to age 65 (for reasons other than disability, death or change of control (as defined in the SERP)), then the SERP benefit is reduced by five percent (5%) for each full or partial year by which the participant's termination date precedes his or her attainment of age 65.

A participant's SERP benefit is further subject to a vesting schedule. The vesting schedule generally provides that for each full year of service with the Company or the Bank (including years of service prior to the implementation of the SERP), the participant earns ten percent (10%) of vesting credit. For example, a participant who has six full years of service will be 60% vested in his or her SERP benefit. A participant will become fully vested, however, in the event of the occurrence of his or her death or disability while employed by the Company or the Bank, or upon the occurrence of a change of control (as defined in the SERP). A participant will also automatically become fully vested upon attainment of age 65, if employed on that date. Forfeiture of all rights to the SERP benefit would occur upon termination for cause (as defined in the SERP).

In the event that a participant commences receipt of his or her SERP benefit following age 65 (or following a change of control), the participant will be entitled to a lifetime annuity with a 15 year minimum guaranteed payout period, or the actuarial equivalent thereof. For payments commencing prior to age 65 (assuming no change of control), the participant will be entitled to a 15 year guarantee payout (but without a life annuity), or the actuarial equivalent thereof. In the event of termination of employment as a result of disability, the participant will be entitled to his or her SERP benefit commencing at age 65, unreduced for early retirement, in the form of a lifetime annuity with a 15 year minimum guaranteed payout period. For terminations following a change of control, the SERP benefit will be paid at age 65 or at any time following termination of employment (at the election of the participant), with a five percent (5%) reduction for each year (or portion thereof) by which the commencement date precedes the participant's 65th birthday.

Directors' Deferral Plan

The Company adopted the 1st Constitution Bancorp Directors' Deferral Plan (the Directors' Deferral Plan) effective as of September 4, 2002. Under the terms of the Directors' Deferral Plan, members of the Board of Directors of the Company and/or the Bank who are not current employees may voluntarily elect to defer receipt of some or all of the directors' fees and retainer amounts that would otherwise be payable to them.

Amounts that are deferred under the Directors' Deferral Plan will be credited with an interest component calculated in one of two ways. A participating Director must choose which calculation methodology will apply for a given year, and must make the choice prior to the commencement of such year. The first interest rate component is equal to the prime rate, determined as of the first business day of the given calendar year (except for the 2002 year, for which the rate was determined as of the effective date). The second interest rate component is equal to the performance of the Company's common stock during the course of the year (determined by averaging the closing prices of the Company's common stock for each business day during the year), except that for this component there are certain minimum and maximum crediting rates, with such rates being four percent (4%) and twelve percent (12%) respectively.

Amounts paid under the Directors' Deferral Plan will be paid in cash only. Amounts paid under the Directors' Deferral Plan will be paid either in the form of a single lump sum, or in installments over a period of ten years, commencing following termination of service as a Director. The Directors' Deferral Plan also provides for payment in the form of a single lump sum in the event of the death of a Director, and further provides for limited ability to receive payment prior to termination of service in the event of an unforeseeable emergency. Furthermore, in the event of a change of control of the Company (as defined in the Directors' Deferral Plan), the Directors' Deferral Plan will terminate automatically and all amounts credited thereunder will be distributed in the form of single lump sums to the participants or their beneficiaries. During 2002, no Directors of the Company participated in the Directors' Deferral Plan.

Agreement for Consulting Services

The Company entered into an Agreement for Consulting Services (the Agreement) with Edward D. Knapp, as of September 4, 2002, to be effective upon his retirement. Under the terms of the Agreement, the Company has agreed to pay Mr. Knapp an annual sum equal to fifty percent of his highest base salary (including any base salary paid by the Bank) in effect during the final year of his employment with the Company. Under the Agreement, the annual amount will be paid ratably on a monthly basis for a total of ten years, in exchange for Mr. Knapp's agreeing to provide limited consulting services to the senior management team and to the Boards of Directors as requested. In addition, Mr. Knapp has agreed to not compete (as an employee, owner, director or otherwise) with the Company (without consent) during the term of the Agreement. Payments would cease in the event that Mr. Knapp's arrangement were terminated for cause, or if an applicable regulatory agency were to require such termination or cessation or if failure to terminate or cease such payment would subject the Company or its subsidiaries, officers or directors to sanctions.

Mr. Knapp has the authority under the Agreement to defer receipt of payment of the consulting payments that he earns under the Agreement. In addition, in the event that Mr. Knapp were to die prior to the end of the ten year term of the Agreement, then all remaining payments to be made under the Agreement will be discounted to present value (using a current U.S. Treasury rate) and paid to his designated beneficiary.

Executive Life Insurance Agreements

The Bank entered into a life insurance arrangement with several executives in 2002. Under the terms of the individual life insurance agreements (the Agreements), the covered employees obtain current life insurance protection while employed, and cash value accumulates under the underlying policies. In the event that a covered employee terminates employment with the Bank, then coverage and all rights of the employee under the Agreement and the policies ceases, unless the employee had both attained age 60 and completed ten years of service with the Bank (including years of service prior to implementation of the Agreements) at the time of termination of employment, in which case coverage will remain in effect until death. In addition, in the event of a change of control (as defined in the Agreements) prior to termination of employment, coverage will remain in effect until death. Coverage would cease in the event of termination of employment for cause (as defined in the Agreements). The Bank pays all premiums with respect to the policies.

The Bank owns the policies and all cash values thereunder. Upon the death of the covered employee, if the Agreement is still in effect, the death proceeds will be used by the Bank to pay to the insured's beneficiary an amount equal to three times the covered employee's base annual salary (not including bonus or other forms of compensation) in effect at the time of his or her death or retirement, minus amounts payable by reason of any other group term insurance coverage provided by the Bank. The Bank is entitled to all other amounts payable under the policies. During 2002 Messrs. Mangano and Reardon were parties to these agreements.

Directors Insurance Plan

The Company adopted the 1st Constitution Bancorp Directors Insurance Plan (the Directors Insurance Plan) effective as of October 1, 2002. The Directors Insurance Plan covers all individuals who were members of the Board of Directors of the Company or of the Bank (who were not also employees of the Company or the Bank) on the effective date. Thereafter, members of the Board of Directors of the Company or of the Bank shall become participants in the Directors Insurance Plan after completion of ten years of service as a member of the applicable Board of Directors (provided that they are not then employed by the Company or the Bank).

Under the Directors Insurance Plan, a covered individual is provided with term insurance coverage in the amount of one hundred thousand dollars. Coverage will remain in effect even if the individual's service as a member of the Board of Directors ceases.

The Company pays all premiums due under the Directors Insurance Plan, and has all ownership rights to the policies and all cash values thereunder.

The Directors Insurance Plan may be terminated at any time, except that termination may not occur without the consent of an affected Director following a change of control (as defined in the Directors Insurance Plan). The Directors Insurance Plan may be terminated or suspended (in whole or in part) nevertheless at any time if failure to terminate or suspend the Plan would subject the Company, its officers or directors to sanctions by a regulatory agency.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC). Based on a review of the copies of reports furnished to the Company, the Company believes that during the year ended December 31, 2002 all filing requirements applicable to its officers, directors and 10% beneficial owners were met.

Certain Transactions with Management

The Company, through its subsidiary the Bank, has had, and expects in the future to have, banking transactions in the ordinary course of business with its directors and executive officers (and their associates) on substantially the same terms as those prevailing for comparable transactions with others. William M. Rue, a director of the Company and the Bank and a shareholder of the Company, owns 25% of a real estate partnership which is subject to a mortgage in favor of the Bank. All loans by the Bank to such persons (i) were made in the ordinary course of business; (ii) were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons; and (iii) did not involve more than the normal risk of collectibility or present other unfavorable features. As of December 31, 2002, the Bank had total loans and loan commitments outstanding to directors and executive officers and their affiliates of approximately \$3.7 million, or approximately 1.4% of total shareholder's equity at that date.

consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and for issuance of a report thereon. The Committee's responsibility is to monitor and oversee these processes and report its findings to the full Board.

In overseeing the preparation of the Company's financial statements, the Committee met with both management and the Company's independent accountants to review and discuss all financial statements included in reports of the Company prior to their issuance and to discuss significant accounting issues. Management represented to the Committee that all financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Committee's review included discussion with the outside accountants of matters required to be discussed pursuant to *Statement on Auditing Standards No. 61 (Communication with Audit Committees)*.

With respect to the Company's outside accountants, the Committee discussed with KPMG LLP matters relating to its independence, including the disclosures made to the Committee as required by the *Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees)* and whether the additional services provided by KPMG LLP to the Company were compatible with maintaining their independence. The Committee determined that such services were so compatible.

The Committee monitored the scope and adequacy of the Company's internal auditing program, including proposals for adequate staffing and to strengthen internal procedures and controls where appropriate.

On the basis of the foregoing described reviews and discussions, the Committee recommended to the Board of Directors that the Board approve for inclusion of the Company's audited financial statements in the Company's Annual Report in Form 10-KSB for the fiscal year ended December 31, 2002, for filing with the Securities and Exchange Commission.
