The Option Plans are administered by the Compensation Committee, which may delegate its authority to administer the Option Plans to the

Compensation Subcommittee in order to be consistent with the provisions of Section 16 of the Securities Exchange Act of 1934 and the rules and regulations thereunder and Section 162(m) of the Code and the treasury regulations thereunder. See Report on Executive Compensation Deductibility of Compensation. Under the Option Plans, all full-time employees selected by the Compensation Committee will be eligible to receive options. The Compensation Committee is authorized to determine the terms and conditions of all option grants, subject to the limitations that the option price per share under the Option Plans may not be less than the fair market value of a share of common stock on the date of grant and that the term of an option may not be longer than ten years. Payment of the option price may be made in the discretion of the Compensation Committee in cash or common stock or a combination thereof. Options granted under the Option Plans are not transferable except by will or the laws of descent and distribution and are exercisable during the optionee's life only by the optionee. In the event of a change in control (as defined in the Option Plans), the Compensation Committee may take any action it deems appropriate with respect to outstanding options.

The Option Plans may be amended or terminated by the Compensation Committee from time to time to the extent deemed appropriate; provided, however, that no amendment shall be made (i) which would impair the rights of an optionee without such optionee's consent or (ii) in the case of the Original Plan, which would increase the number of shares reserved for issuance under such Plan or change the class of employee eligible to participate in such Plan absent stockholder approval.

Stock Plan for Outside Directors

The Company's Board of Directors has adopted, and the Company's stockholders have approved, the Hibbett Sporting Goods, Inc. Stock Plan for Outside Directors (the Director Plan), which provides for awards of nonqualified options to directors of the Company who are not employees of the Company, Saunders Karp & Megrue, L.P., or any affiliate of either of them (Eligible Directors). The purpose of the Director Plan is to promote the interests of the Company and its stockholders by increasing the proprietary interest of Eligible Directors in the growth and performance of the Company.

Pursuant to the Director Plan, each Eligible Director will be granted an option to purchase 7,500 shares of common stock upon his/her initial election to the Board. On the last day of each fiscal year of the Company (commencing in fiscal year 1998), each Eligible Director shall be granted an additional option for 3,750 shares of common stock; provided that any person elected as an Eligible Director during a fiscal year will be granted an option for a prorated portion of 3,750 shares on the last day of the fiscal year during which such person was elected. Each option will (i) vest immediately and (ii) expire on the earlier of the tenth anniversary of the grant date or one year from the date on which an optionee ceases to be an Eligible Director. The exercise price per share of common stock will be 100% of the fair market value per share on the grant date.

The maximum number of shares of common stock in respect of which options may be granted under the Director Plan is 175,000. Shares of common stock subject to options that are forfeited, terminated or canceled will again be available for awards. The shares of common stock to be delivered under the Director Plan will be made available from the authorized but unissued shares of common stock or from treasury shares. The number and class of shares available under the Director Plan and/or subject to outstanding options may be adjusted by the Board to prevent dilution or enlargement of rights in the event of various changes in the capitalization of the Company.

Employee Stock Purchase Plan

The Company's Board has adopted, and the Company's stockholders have approved, the Hibbett Sporting Goods, Inc. Employee Stock Purchase Plan (the Employee Stock Purchase Plan). Under the Employee Stock Purchase Plan, a maximum of 112,500 shares of common stock may be purchased from the Company by the employees through payroll withholding pursuant to a series of quarterly offerings. The Employee Stock Purchase Plan is established pursuant to the provisions of Section 423 of the Code. All full-time employees who have completed one year of

Edgar Filing: HIBBETT SPORTING GOODS INC - Form DEF 14A

service, except for employees who own common stock of the Company or options on such stock which represent more than 5% of the common stock of the Company, are eligible to participate. The Employee Stock Purchase Plan is administered by the Compensation Committee. The Compensation Committee has discretion to administer, interpret and construe any and all provisions of the Employee Stock Purchase Plan. The Compensation Committee's determinations will be conclusive. In the event of certain corporate transactions or events affecting the common stock or structure of the Company, the Compensation Committee may make certain adjustments set forth in the Employee Stock Purchase Plan. The Board may amend, alter or terminate the Plan at any time; provided that stockholder approval must generally be obtained for any change that would require stockholder approval under any regulatory or tax requirement that the Board

deems desirable to comply with or obtain relief under and subject to the requirement that no rights under an outstanding option may be impaired by such action without the consent of the holder thereof. The purchase price of the common stock will be 85% of the fair market value of the common stock on the date of the offering, commencement or termination, whichever is lower. The shares of common stock, which may be purchased pursuant to the Employee Stock Purchase Plan will be made available from authorized but unissued shares of common stock or from treasury shares. No employee will be granted any right to purchase common stock with a value in excess of \$25,000 per year.

REPORT ON EXECUTIVE COMPENSATION

Compensation Committee

The Compensation Committee was established by the Board of Directors on January 10, 1997, to oversee the Company's compensation program for the officers of the Company. The Compensation Committee is comprised of Messrs. Anderson, Chairman of the Committee, Compton, Kirkland and Megrue. The primary function of the Compensation Committee is to make recommendations and reports to the Board of Directors with respect to salaries, bonuses and other compensation to be paid to the Company's officers and to administer all plans relating to the compensation of such officers. The Board of Directors has established a separate Compensation Subcommittee, comprised of Messrs. Anderson, Compton, and Kirkland, each of whom are non-employee directors within the meaning set forth in Rule 16b-3 under the Exchange Act and outside directors within the meaning set forth in Section 162(m) of the Code and the treasury regulations thereunder, for the purpose of taking certain actions relating to the compensation of one or more of the Company's executives in order to be consistent with the provisions of these regulations.

Compensation Policy

The Company's total compensation structure is comprised of annual base salary, annual cash bonus payments, and long term equity-based compensation granted pursuant to the Option Plans. The Company's overall compensation program has been designed to attract and retain key executives and to provide appropriate incentives to these executives to maximize the Company's long term financial results for the benefit of the stockholders. A significant portion of the executive compensation package is comprised of equity-based compensation in order to align the interests of management with those of the stockholders. Individual compensation levels are based not only upon the relative success of the Company, but also upon the duties and responsibilities assumed by each officer, individual performance, and their attainment of individual and business unit goals.

Base Salary. The salary levels for the Company's executive officers for the fiscal year ended February 1, 2003, including the salary of Mr. Newsome as President and Chief Executive Officer of the Company, are based upon individual performance and responsibility, as well as the salary levels paid by other similarly situated sporting goods and specialty retail companies. Based upon a review of similarly situated full-line sporting goods and specialty retail companies, the base salary levels approved by the Board of Directors are generally lower than the average salary levels of such companies.

Cash Bonuses. The Company's cash bonus program is designed to provide short-term incentive compensation to the Company's officers based upon pre-established performance goals for both the Company and each officer. The Compensation Subcommittee determines the amounts of annual bonus awards for each officer based upon Company and individual performance. For the fiscal year ended February 1, 2003, the Compensation Subcommittee approved the payment of cash bonuses to executive officers of the Company, which bonuses ranged from approximately 15% of annual base salary to approximately 69% of annual base salary and were based upon the standards described above, with certain emphasis on individual contribution to the success of the Company during the year and on the performance of those aspects of the Company's business for which each officer has responsibility.

Stock Options. The Option Plans provide for grants of stock options to the Company's key employees. The payment of equity-based compensation to the Company's officers under the Option Plans is designed to focus their attention on the enhancement of stockholder value. During fiscal 2003, options to purchase a total of 137,675 shares of the Company's common stock at an average exercise price of \$22.10 were granted under the 1996 Plan to 112 employees, including a grant of 81,000 options to a total of five executive officers. Options granted under the

Edgar Filing: HIBBETT SPORTING GOODS INC - Form DEF 14A

1996 Plan vest over a five-year period, in equal installments, beginning on the first anniversary of the grant date. The awards granted to the Company's officers in fiscal year 2003 represent the Company's desire to align the interests of these individuals with the interests of the Company's stockholders and to provide incentives to these individuals to enhance the Company's growth and success. The size of the awards to individual executive officers was determined by the Compensation Subcommittee based upon a subjective assessment of each officer's performance and individual contribution to the Company, his or her position and level of responsibility, and other factors.

Compensation of the President and Chief Executive Officer. The Compensation Committee reviews and approves the compensation of Michael J. Newsome, the Company's President and Chief Executive Officer. For the fiscal year ended February 1, 2003, Mr. Newsome earned compensation comprised of each of the components of the Company's executive compensation program described above. In evaluating the compensation of Mr. Newsome, the Compensation Committee considered not only the salaries of the presidents and chief executive officers of other sporting goods and specialty retail companies, but also the importance of Mr. Newsome's influence on the continued financial growth and success of the Company in the future. The Compensation Committee believes that compensation under the various plans, both for Mr. Newsome and for the other executive officers, brings the total potential compensation to appropriate levels relative to their positions and levels of responsibility.

Deductibility of Compensation

Section 162(m) of the Code imposes a limitation on the deductibility of nonperformance-based compensation in excess of \$1 million paid to executive officers. The Compensation Committee does not believe that the limitations on deductibility imposed by Section 162(m) will be implicated by the Company's executive compensation program during fiscal year 2004, and the Compensation Committee believes it will be able to manage the Company's executive compensation program in a manner which will preserve federal income tax deductions for the foreseeable future.

OTHER INFORMATION RELATING TO DIRECTORS, NOMINEES AND EXECUTIVE OFFICERS

Certain Relationships And Related Transactions

The Company believes that the terms of each transaction described below are comparable to, or more favorable to, the Company than the terms that would have been obtained in an arms length transaction with an unaffiliated party.

On November 1, 1995, the Company entered into an advisory agreement with Saunders Karp & Megrue, L.P. (SKM), a limited partnership the general partner of which is SKM Partners L.P., which is also the general partner of each of the Funds. Pursuant to the advisory agreement SKM has agreed to provide certain financial advisory services to the Company. In consideration for these services, SKM is entitled to receive an annual fee of \$200,000, payable quarterly in advance. The Company also has agreed to indemnify SKM for certain losses arising out of the provision of advisory services and to reimburse certain of SKM's out-of-pocket expenses. During fiscal 2003, the Company filed an S-3 on behalf of this stockholder. Approximately \$248,000 will be reimbursed to the Company for expenses incurred with the filing.

The Company has entered into a sublease agreement (Sublease Agreement) with Books-A-Million, Inc. (Books-A-Million), a book retailer in the southeastern United States, whose chief executive officer, Clyde B. Anderson, is on the Company's Board of Directors, pursuant to which the Company will sublease certain real estate from Books-A-Million in Florence, Alabama for one of its stores. The term of the Sublease Agreement expires in June 2008. Under the Sublease Agreement, the Company will make annual lease payments to Books-A-Million of approximately \$191,000.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee are Clyde B. Anderson, H. Ray Compton, Carl Kirkland and John F. Megrue. No present or former officer of the Company or its subsidiaries serves as a member of the Compensation Committee. During fiscal year 2003, there were no interlocking relationships between any executive officers of the Company and any entity whose directors or executive officers serve on the Company's Board of Directors and/or Compensation Committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that executive officers and directors of the Company file reports of stock ownership and changes in ownership with the Securities and Exchange Commission on Form 3 (initial statement of ownership), Form 4 (monthly report), and Form 5 (annual report). Based solely upon a review of copies of such reports, the Company believes that Section 16(a) filing requirements applicable to its officers and directors were complied with during said fiscal year ended February 1, 2003, except for a Form 3 for Ralph T. Parks, and a Form 4 for Clyde B. Anderson, which were inadvertently filed late.

AUDIT COMMITTEE REPORT

The Audit Committee of the Company's Board of Directors is comprised of independent directors as required by the listing standards of the Nasdaq Stock Exchange. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors, a copy of which is included in this Proxy Statement.

The role of the Audit Committee is to oversee the Company's financial reporting process on behalf of the Board of Directors. Management of the Company has the primary responsibility for the Company's financial statements as well as the Company's financial reporting process, principles and internal controls. The independent auditors are responsible for performing an audit of the Company's financial statements and expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed the audited financial statements of the Company as of and for the year ended February 1, 2003 with management and the independent auditors. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as currently in effect. In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as currently in effect, and it has discussed with the auditors their independence from the Company. The Audit Committee has also considered whether the independent auditor's provision of non-audit services to the Company is compatible with maintaining the auditor's independence.

The members of the Audit Committee are not engaged in the accounting or auditing profession and, consequently, are not experts in matters involving auditing or accounting. In the performance of their oversight function, the members of the Audit Committee necessarily relied upon

Edgar Filing: HIBBETT SPORTING GOODS INC - Form DEF 14A

the information, opinions, reports and statements presented to them by management of the Company and by the independent auditors. As a result, the Audit Committee's oversight and the review and discussions referred to above do not assure that management has maintained adequate financial reporting processes, principles and internal controls, that the Company's financial statements are accurate, that the audit of such financial statements has been conducted in accordance with generally accepted auditing standards or that the Company's auditors meet the applicable standards for auditor independence.

Based on the reports and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended February 1, 2003 for filing with the Securities and Exchange Commission.

PROPOSAL NUMBER 1

ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides that the number of directors constituting the Board of Directors shall be such number, not more than nine or less than six, as is established from time to time by resolution of the Board of Directors pursuant to the Bylaws. As noted above, the Board of Directors currently consists of eight directors who are divided into three classes, designated Class I, Class II and Class III. Messrs. Fletcher and Megrue are designated as Class I directors, Messrs. Kirkland, Newsome and Saunders are designated as Class II directors, and Messrs. Anderson, Compton and Parks are designated as Class III directors. The Class I directors' terms will expire at the close of the Annual Meeting in 2003, while the Class II directors will continue to serve until the annual stockholder meeting in 2004, and the Class III directors will serve until the annual stockholder meeting in 2005.

The Board of Directors proposes the re-election of F. Barron Fletcher, III and John F. Megrue as Class I directors, to hold office for a term of three years, expiring at the close of the annual meeting of stockholders to be held in 2006 and until their successors are elected and qualified. Proxies may not be voted for a greater number of persons than the nominees named herein.

If the nominee becomes unavailable for election, which is not anticipated, the directors' proxies will vote for the election of such other person as the Board of Directors may recommend unless the Board reduces the number of directors.

The Board recommends that the stockholders vote FOR the nominees.

PROPOSAL NUMBER 2

APPROVAL TO AMEND AND RESTATE CERTIFICATE OF INCORPORATION

TO INCREASE THE NUMBER OF AUTHORIZED SHARES

The Board recommends that the stockholders approve an amendment to Section IV of the Certificate of Incorporation, which will increase from 12,000,000 to 50,000,000 the number of shares of Common Stock that the Company may issue.

The Board of Directors believes that it is in the best interest of the Company and its stockholders to have additional Common Stock authorized that would be available for issuance for general corporate purposes, including raising capital to support business expansion, stock splits, stock dividends, acquisitions or other developments which might make the issuance of additional Common Stock desirable. If approval of an increase in the Company's authorized Common Stock is postponed until a specific need arises, the delay and expense incident to obtaining approval of the stockholders at that time could impair the Company's ability to meet its objectives. If an increase in the Company's authorized Common Stock is approved, no further action or approval by the stockholders would be necessary prior to the issuance of the additional shares unless applicable laws or regulations or the rules of any stock exchange on which the Company's securities may then be listed required such action or approval. As of April 22, 2003, there were 10,170,687 shares of Common Stock outstanding. In addition, we have granted 582,930 options to purchase our common stock pursuant to our stock option plans and have reserved an additional 317,374 shares of common stock for issuance upon the exercise of additional options that may be granted pursuant to our stock option plans.

The holders of any of the additional shares of Common Stock issued in the future would have the same rights and privileges as the holders of the shares of Common Stock currently authorized and outstanding. Those rights do not include preemptive rights with respect to the future issuance of any additional shares.

The amendment authorizing the increase in the authorized shares of Common Stock will amend Section IV of the Company's Certificate of Incorporation.

The Board recommends that stockholders vote FOR the proposal.

OTHER BUSINESS

The Company's Board of Directors knows of no other matters to be brought before the meeting other than as described in this Proxy Statement. However, if any other proper matters are brought before the meeting, the persons named in the enclosed proxy, or in the event no person is named, Michael J. Newsome and John F. Megrue, will vote in accordance with their best judgment on such matters.

GENERAL INFORMATION ABOUT VOTING

The election of each nominee for Director under Proposal 1 and the approval of the amendment to the Certificate of Incorporation under Proposal 2 each requires the affirmative vote of the holders of a majority of the shares of the Company's common stock represented at the meeting, in person or by proxy, and entitled to vote on the matter. Abstentions, votes withheld and, unless a broker's authority to vote on a particular matter is limited, shares held in street name that are not voted are counted in determining the votes present at a meeting and entitled to vote, such as for quorum purposes. However, a share that is held in street name that is not voted because the broker's authority to vote on that matter is limited and the broker did not receive a direction on how to vote the share on that matter from the beneficial owner (a broker non-vote) is not considered entitled to vote and is thus not calculated as a vote cast at the meeting (either for or against the proposal). For both Proposal 1 and Proposal 2, there cannot be any broker non-votes as a broker's authority to vote on such matters is not limited. Therefore, any abstention or vote withheld (including any abstention or vote withheld by a broker with respect to shares held in street name) will have the same effect as a vote against the proposal.

If no specification is made on a properly executed proxy form, the proxies will vote for the election of each of the nominees for Director (Proposal 1) and in favor of the amendment to the Certificate of Incorporation to increase the number of authorized shares of Common Stock to 50,000,000 (Proposal 2).

SUBMISSION OF STOCKHOLDER PROPOSALS FOR THE 2004

ANNUAL MEETING OF STOCKHOLDERS

In accordance with Rule 14a-8 under the Exchange Act, in order for a proposal by a stockholder of the Company to be eligible to be included in the Proxy Statement and proxy form for the next annual meeting of stockholders in 2004, the proposal must be received by the Company at its executive offices, 451 Industrial Lane, Birmingham, Alabama 35211, on or before January 13, 2004. If a stockholder desires to bring before the Company's 2004 annual meeting of stockholders that is not a proposal submitted to the Company for inclusion in the proxy statement in accordance with Rule 14a-8 under the Exchange Act, notice of the proposal must be received by the Company at least 45 days before the date in 2004 that corresponds to the date of mailing of this Proxy Statement in order for such notice to be considered timely for purposes of Rule 14a-4 (c) under the Exchange Act. We expect to mail this Proxy Statement beginning on or about May 12, 2003, in which case the Company would have to receive such notice by March 28, 2004 for it to be considered timely under Rule 14a-4 (c).

SOLICITATION OF PROXIES

The cost of this solicitation of proxies will be borne by the Company. In addition to solicitation by mail, directors, officers and other employees of the Company may solicit proxies personally or by telephone or other means of communication. The Company will request certain banking

Edgar Filing: HIBBETT SPORTING GOODS INC - Form DEF 14A

institutions, brokerage firms, custodians, trustees, nominees, and fiduciaries to forward solicitation material to the beneficial owners of shares of the Company held of record by such persons, and the Company will reimburse reasonable forwarding expenses.

The exhibits to the Form 10-K will be furnished upon request and payment of the cost of reproduction. Such written request should be directed to the Company at its address stated herein.

Supplement to
Proxy Statement Pursuant to Section 14(a) of the
Securities Exchange Act of 1934 of
Hibbett Sporting Goods, Inc.

The purpose of this supplement is to provide the following additional information regarding our independent public accounts which we previously disclosed in our current report on Form 8-K filed on June 26, 2002:

As recommended by the Audit Committee, Hibbett's Board of Directors dismissed Arthur Andersen LLP (Andersen) as its independent public accountants and notified Andersen of such dismissal on May 9, 2002. As recommended by the Audit Committee, Hibbett's Board of Directors selected KPMG LLP to serve as Hibbett's independent public accountants for its fiscal year ending February 1, 2003 on May 9, 2002.

During Hibbett's two most recent fiscal years ended February 2, 2002, the subsequent interim period ended May 4, 2002, and through May 9, 2002 there were no disagreements between Hibbett and Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Andersen's satisfaction, would have caused Andersen to make reference to the subject matter of the disagreement in connection with its reports. Andersen's reports on Hibbett's consolidated financial statements for each of the fiscal years ended 2002 and 2001, did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

Andersen's report on Hibbett's consolidated financial statements for the year ended February 2, 2002, dated March 13, 2002, was issued on an unqualified basis in conjunction with the filing of Hibbett's Annual Report on Form 10-K/A for the year ended February 2, 2002, filed May 3, 2002.

No reportable events described under Item 304(a)(1)(v) of Regulation S-K occurred within Hibbett's two most recent fiscal years, the subsequent interim period ended May 4, 2002 and through May 9, 2002.

During Hibbett's two most recent fiscal years ended February 2, 2002, the subsequent interim period ended May 4, 2002 and through May 9, 2002, Hibbett did not consult with KPMG LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.
