This Amendment No. 3 (this “Amendment”) amends and supplements the Schedule 13D filed by the Reporting Persons on July 13, 2017 (the “Original Schedule 13D”), Amendment No. 1 to Schedule 13D filed by the Reporting Persons on March 30, 2018 (“Amendment No. 1”) and Amendment No. 2 to Schedule 13D filed by the Reporting Persons on June 27, 2018 (together with the Original Schedule 13D and Amendment No. 1, the “Amended Schedule 13D”) with respect to the Class A Common Stock of the Issuer. Capitalized terms used in this Amendment and not otherwise defined have the same meanings ascribed to them in the Amended Schedule 13D. Unless specifically amended hereby, the disclosure set forth in the Amended Schedule 13D remains unchanged.

## Item 2. Identify and Background

Schedules I through V to Item 2 of the Amended Schedule 13D are hereby amended and restated in their entirety as set forth in Schedules I through V attached hereto.

## Item 4. Interest in Securities of the Issuer.

Item 4 of the Amended Schedule 13D is hereby supplemented by adding the following paragraph:

“In furtherance of the foregoing, GE or one or more of its affiliates intends to offer certain shares of Class A Common Stock of BHGE to the public in an underwritten registered secondary offering (the “Secondary Offering”) (such shares of Class A Common Stock to be issued in exchange for an equal number of Paired Interests held by GE) and to sell certain Paired Interests representing an equal number of shares of Class B Common Stock of BHGE and Common Units of BHGE LLC to BHGE and BHGE LLC, subject to completion of the Secondary Offering (the “Repurchase”). Following completion of the Secondary Offering and the Repurchase, GE will own at least 50.1% of the voting power of BHGE and economic interest in BHGE LLC.

## Item 5. Interest in Securities of the Issuer.

Section (a) of Item 5 of the Amended Schedule 13D is hereby amended as follows:

The first paragraph under Section (a) of Item 5 of the Amended Schedule 13D is hereby amended and restated in its entirety as follows:

“(a) Based on the most recent information available, the aggregate number and percentage of the Class A Common Stock (the securities identified pursuant to Item 1 of this Amendment) that are beneficially owned by each of the Reporting Persons as of the date of the Amendment is set forth in boxes (11) and (13) of the cover pages to this Amendment for each of the Reporting Persons, and such information is incorporated herein by reference. The percentages reported herein are calculated based upon, as of November 9, 2018, 687,743,095 shares of Class B Common Stock and 412,188,510 shares of Class A Common Stock outstanding and, assuming the exchange of all Paired Interests into Class A Common Stock, a total of 1,099,931,605 shares of Class A Common Stock on a fully exchanged basis.”

The reference to “12,142” shares of Class A Common Stock held by W. Geoffrey Beattie is hereby deleted and replaced with “12,173”.

---

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Item 6 of the Amended Schedule 13D is hereby supplemented by adding the following:

“On November 13, 2018, GE, BHGE and BHGE LLC entered into a Master Agreement (the “Master Agreement”) and a series of related ancillary agreements (collectively, the “Master Agreement Framework”) designed to further solidify the commercial and technological collaborations between the two companies and to facilitate BHGE’s ability to transition from operating as a controlled company. In particular, the Master Agreement Framework contemplates long-term agreements between BHGE, BHGE LLC and GE on technology, fulfillment and other key areas to provide greater clarity to customers and shareholders. The Master Agreement also obligates BHGE and BHGE LLC to facilitate the Secondary Offering.

GE, BHGE and BHGE LLC also entered into an Equity Repurchase Agreement, dated November 13, 2018 (the “Repurchase Agreement”) pursuant to which BHGE and BHGE LLC have agreed to the Repurchase. The Repurchase Agreement obligates BHGE and BHGE LLC to repurchase 65,000,000 Paired Interests from GE or one or more of its affiliates. In the event that the underwriters of the Secondary Offering do not exercise in full their 30-day option to purchase additional shares of Class A Common Stock from GE or such affiliates in connection with the Secondary Offering, BHGE and BHGE LLC are also obligated under the Repurchase Agreement to repurchase from GE or any such affiliates an additional number of Paired Interests equal to the number of shares of Class A Common Stock not purchased by the underwriters. The number of Paired Interests to be repurchased from GE and its affiliates under the Repurchase Agreement is subject to a maximum aggregate repurchase price of approximately \$1.5 billion.

Pursuant to the Master Agreement, GE and BHGE amended and restated the Stockholders Agreement (the “A&R Stockholders Agreement”) to provide for the following amendments:

The lockup period, which prevented GE from disposing of any shares of Common Stock of BHGE until July 3, 2019, expires on November 12, 2018.

“Trigger Date” means the later of (i) July 3, 2019 and (ii) the first date on which the Reporting Persons cease to beneficially own more than fifty percent (50%) of the voting power of the outstanding Common Stock of BHGE.

GE’s right to designate a majority of directors for nomination to the BHGE Board will continue until the Trigger Date. Following the Trigger Date, for so long as it and its affiliates beneficially own at least 20% of the voting power of BHGE’s outstanding Common Stock, GE will have the right to nominate one director for election to the BHGE Board and will no longer have any right to representation on any Committee of the BHGE Board. If GE and its affiliates do not own at least 20% of the voting power of BHGE’s outstanding Common Stock (the “20% Trigger Date”), GE will not have the right to designate a director for nomination to the BHGE Board.

In the event of a vacancy on the BHGE Board with respect to any director who was not designated by GE, the Governance & Nominating Committee will, until the 20% Trigger Date, fill such vacancy or designate a person for nomination reasonably acceptable to GE.

When GE’s right to nominate directors is reduced upon the Trigger Date or the 20% Trigger Date, any director that has been designated by GE is required to deliver his or her resignation from the BHGE Board for consideration by the Conflicts Committee. However, where GE’s right to nominate directors is reduced upon the Trigger Date (but where that date is not also the 20% Trigger Date), one of GE’s five designees, as determined by GE, shall not be required to tender his or her resignation.

The foregoing summaries of the terms of the Master Agreement, the Repurchase Agreement and the A&R Stockholders Agreement are not complete descriptions thereof and are qualified in their entirety by the full text of

such agreements, which are filed as Exhibit 99.9, Exhibit 99.10 and Exhibit 99.4 hereto, respectively, and incorporated herein by reference.
