### TSMC Common Share Ex-dividend Date July 15th

Dividends include a cash dividend of NT\$ 2.99989241 for each common share and a stock distribution of 4.99982072 shares per 1,000 common shares

Hsinchu, Taiwan, R.O.C. - June 30, 2009 TSMC (TWSE: 2330, NYSE: TSM) today announced that the ex-dividend date for TSMC common shares shall be July 15, 2009. The dividends include a cash dividend of NT\$2.99989241 for each common share and a stock distribution of 4.99982072 shares per 1,000 common shares. The above-mentioned dividends were calculated based on the dividend distribution, as approved by the Company s shareholder meeting on June 10, 2009, and the actual number of common shares outstanding on the record date for the distribution. As a result of the employee stock options exercised between the day the Company s board proposed said dividend distribution, and the record date of the distribution, the total number of outstanding common shares has increased slightly, resulting in a miniscule difference in the per-share dividends from the per-share numbers proposed by the Company s board on February 10, 2009.
