Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On December 4, 2009, the Board of Directors (the Board) of Digi International Inc. (the Company) amended the *Digi International Inc. 2000 Omnibus Stock Plan* as Amended and Restated as of November 27, 2006, as approved by stockholders on January 22, 2007 (the Plan). The Plan was amended to include a fungible shares plan whereby awards other than stock options or stock appreciation rights will be counted against the maximum share limitation under the Plan as 1.30 shares for every one share granted. Previously, all awards were counted against the maximum share limitation as one share for every one share granted. Options and stock appreciation rights will continue to be treated in this manner (i.e. one-for-one).

The Board also amended the Plan s forfeiture provision. Previously, an award could be conditioned upon a participant s agreement that in the event of certain occurrences, which could include a participant s competition with, unauthorized disclosure of confidential information of, or violation of the applicable business ethics policy or business policy of the Company or any of its affiliates, the awards paid to the participant within six months prior to the termination of employment of the participant (or their economic value) could be subject to forfeiture. This provision has now been amended to give the Company greater flexibility with respect to when and how awards made after December 4, 2009 must be forfeited.

The Plan was also amended to cap the term of any award granted under the Plan at a maximum of 10 years.

The Board made various other amendments which are not effective unless and until these amendments are approved by the Company s stockholders at the January 25, 2010 Annual Meeting of Stockholders (or any adjournment thereof). The description of the amendments set forth above and the plan attached hereto do not include these additional amendments.

The descriptions of the amendments to the Plan do not purport to be complete and are qualified in their entirety by reference to the Plan, which is filed as Exhibit 10.1 to this report and incorporated by reference herein.

Item 9.01 Financial Statements and Exhibits.
