**Item 8.01. Other Events.**

On May 9, 2011, Willbros Group, Inc., a Delaware Corporation (the Company), publicly announced its intention to exit the Canadian cross-country pipeline construction market and liquidate its investment in the related business. The Company believes that the cyclical nature of cross-country pipeline construction activity in Canada, coupled with the increasingly competitive environment for such work, does not provide an atmosphere that will sustain an ongoing revenue stream for the Company with an acceptable return on capital and margins.

The Company will actively seek to sell the Canadian cross-country pipeline construction business or the assets associated with this business, with an expected completion date within one year. Accordingly, all related assets, liabilities and results of operations, which have previously been reported in continuing operations of the Company, will be reported as discontinued operations of the Company subsequent to the period ended March 31, 2011. To the extent any of the Canada cross-country pipeline construction assets are redeployed to other business units, the Company will consider the appropriate classification at that time.

The Company is filing this Current Report on Form 8-K to show the unaudited pro forma impact of the reclassification of the Canadian cross-country pipeline construction net assets and results of operations from continuing operations to discontinued operations on the consolidated balance sheets and consolidated statements of operations included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2010 and Quarterly Report on Form 10-Q for the quarter ended March 31, 2011. The unaudited pro forma financial information is set forth as Exhibit 99 to this Current Report on Form 8-K and is incorporated herein by reference.

This Current Report is being filed solely for the purpose described above. No attempt is being made to reflect subsequent information or events, or to modify or update disclosures in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2010 or Quarterly Report on Form 10-Q for the quarter ended March 31, 2011, except as described above. Accordingly, this Current Report should be read in conjunction with the Annual Report, the Quarterly Report and our other filings.
