UNIONBANCORP, INC. AND CENTRUE FINANCIAL CORPORATION TO
COMBINE IN MERGER OF EQUALS

OTTAWA, IL and FAIRVIEW HEIGHTS, IL, June 30, 2006 - UnionBancorp, Inc. (NASDAQ: UBCD) and Centruue Financial Corporation (NASDAQ: TRUE) announced today that they have signed a definitive agreement to join forces in a merger of equals transaction.

Under the terms of the agreement, Centruue shareholders will receive shares of UnionBancorp common stock, using a fixed exchange ratio of 1.2 shares of UnionBancorp common stock for each share of Centruue common stock outstanding. The combined company will adopt the Centruue name and change its stock market ticker symbol to TRUE. The combined company will be governed by a Board of Directors comprised of ten directors, five from each institution. Current UnionBancorp Chairman of the Board Dennis J. McDonnell will act as Chairman of the combined organization, with Thomas A. Daiber from Centruue filling the role of Chief Executive Officer and Scott A. Yeoman, the current UnionBancorp CEO and President, filling the role of Chief Operating Officer. Kurt R. Stevenson, UnionBancorp's Chief Financial Officer, will continue in that role for the organization post-merger.

The merger is subject to approval by UnionBancorp's and Centruue's stockholders and banking regulators and other customary conditions. The transaction, which is expected to yield approximately \$4 million in annual cost savings, is expected to be completed during the fourth quarter of 2006. In addition to the combined company adopting Centruue Financial Corporation as its name, its banking offices will operate as Centruue Bank. The combined organization will have 36 full-service banking offices, with total assets projected to be approximately \$1.3 billion and total deposits to be approximately \$1.0 billion.

"This merger will create the 41st largest bank in the State of Illinois and is consistent with the vision of Centruue articulated in 2003 to seek acquisition opportunities and merger partners within our geographic footprint, allowing Centruue to strategically expand our banking presence. UnionBancorp, like Centruue, is a quality financial institution with an impressive infrastructure and over a century of service to its markets. There are many similarities between the two companies, which operate in similar Illinois communities and have branches in fast growing metropolitan markets. Both companies have

experienced staff that are empowered to make decisions in order to meet our customers' banking needs at the local level. Union and Centruie both share a common vision for the future and the integration of these two entities seems to be a natural fit," remarked Mr. Daiber, President & Chief Executive Officer of Centruie.

Commenting on the news, Mr. Yeoman stated, "We believe this transaction creates a beneficial situation for all our constituencies. Our customers will enjoy our expanded geographic footprint and the availability of enhanced and more competitive products and services. Our employees will have the opportunity to work for a larger, more vibrant company with more opportunities for advancement, and our shareholders will benefit from significant earnings accretion."
