## Item 5.03. Amendment to Bylaws

Effective as of November 30, 2007, Article VI, Sections 1, 2, 4 and 5, of the Bylaws of Granite Construction Incorporated are amended by resolution of Granite s Board of Directors. The new provisions provide for the issuance of uncertificated shares, allowing Granite to participate in the Direct Registration System currently administered by The Depository Trust Company (DRS). The DRS provides investors with the option of registering securities in their names without the issuance of physical certificates and allows shareholders to electronically transfer securities to and from broker/dealers in order to effect transactions with less risk, lower costs and elimination of the delays associated with transferring physical certificates.
