On June 16, 2008, Robert Willett, age 41, joined Cognex Corporation (the Company) as Executive Vice President and President of the Company's Modular Vision Systems Division (MVSD). As President of MVSD, Mr. Willett will oversee the largest operating division of the Company.

Prior to joining the Company, from 2007 to 2008, Mr. Willett was previously Group Vice President of Business Development and Innovation for the Product Identification Business Group of Danaher Corporation (Danaher). Prior to that, from 2003 to 2007, Mr. Willett was President of Videojet Technologies, a large subsidiary of Danaher and a market leader in coding and marking products (Videojet). Mr. Willett joined Danaher after serving as CEO of Willett International Ltd., a global coding and marking company that he sold to Danaher in 2003, and which was merged into Videojet.

The Company has entered into an Employment Agreement with Mr. Willett, which provides him initially with an annual base salary of \$225,000 and a bonus target of \$150,000 (with a maximum bonus potential of \$300,000), as well as reimbursement by the Company of certain relocation expenses. Also, in connection with his appointment as an executive officer of the Company, the Compensation Committee of the Board of Directors granted Mr. Willett options to purchase 350,000 shares of the Company's common stock. These options consist of four grants as follows: (1) an option to purchase 200,000 shares which vests in four equal annual installments commencing on the first anniversary of the start date of his employment with the Company (the Start Date); (2) an option to purchase 50,000 shares that vests in one installment on the fifth anniversary of the Start Date; (3) an option to purchase 50,000 shares which vests in one installment on the sixth anniversary of the Start Date; and (4) an option to purchase 50,000 shares that vests in equal monthly installments over the first 48 months of his employment. The exercise price for each of the four option grants is \$27.13, the closing price of the Company's common stock on June 17, 2008, the date of grant. Under the terms of the Employment Agreement, these option grants are subject to accelerated vesting under certain circumstances following a Change of Control (as defined in the Employment Agreement) of the Company. The foregoing summary is qualified by the complete terms and conditions of the Employment Agreement, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.
