SELLING STOCKHOLDERS

The table below supplements or amends the information in the table appearing under the heading Selling Stockholders beginning on page S-21 of the Prospectus (as previously supplemented), by adding the information below with respect to selling stockholders not previously listed in the Prospectus or in any amendments or supplements thereto. The following table contains information as of October 20, 2008 with respect to the selling stockholders listed below and the principal amount of Common Stock beneficially owned by such selling stockholders that may be offered using this Prospectus. The information is based on information provided to us by or on behalf of the selling stockholders, and we have not independently verified this information. Information concerning the selling stockholders may change from time to time and, if necessary, we will amend or supplement the Prospectus accordingly.

Except as otherwise indicated, we believe that the selling stockholders have sole voting and investment power with respect to all shares of Common Stock shown as beneficially owned by them. In addition, all of the selling stockholders beneficially own less than 1% of our Common Stock outstanding. Except as indicated, none of such selling stockholders has held any position or office or had a material relationship with Nuance or any of its affiliates within the past three years other than as a result of the ownership of our Common Stock.
