Dear Shareholder:

The Board of Directors and officers of Duke Realty Corporation join me in extending to you a cordial invitation to attend the annual meeting of our shareholders. This meeting will be held on Wednesday, April 30, 2003, at 3:00 p.m. local time, at the Indianapolis Marriott North Hotel, 3645 River Crossing Parkway, Indianapolis, Indiana 46240. We believe that both the shareholders and management of Duke Realty Corporation can gain much through participation at this meeting. Our objective is to make it as informative and interesting as possible.

The formal notice of this annual meeting and the proxy statement appear on the following pages. We hope that you will attend this meeting. WHETHER OR NOT YOU ATTEND, WE URGE YOU TO VOTE BY MAIL, BY TELEPHONE OR ON THE INTERNET IN ORDER TO ENSURE THAT YOUR VOTES ON THE BUSINESS MATTERS OF THE MEETING WILL BE RECORDED.

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

The proxy statement includes five proposals that we believe will significantly strengthen the corporate governance of Duke Realty Corporation. Coupled with other corporate governance changes made during the past year, the Board of Directors believes the adoption of these proposals will help make Duke Realty Corporation's corporate governance standards among the best in the country. Because these proposals require amendments to the articles of incorporation, the approval of at least 80% of our outstanding shares of common stock is required. A NON-VOTE IS EFFECTIVELY A VOTE AGAINST THESE PROPOSALS. THEREFORE, I URGE YOU TO MAKE EVERY EFFORT TO VOTE YOUR PROXY.

We look forward to seeing you on April 30th.

Sincerely,

/s/ THOMAS L. HEFNER

PROXY STATEMENT FOR THE
ANNUAL MEETING OF SHAREHOLDERS

GENERAL INFORMATION

WHY DID I RECEIVE THIS PROXY?

The Board of Directors of Duke Realty Corporation (the "Company") is soliciting proxies to be voted at the annual meeting of shareholders ("Annual Meeting"). The Annual Meeting will be held Wednesday, April 30, 2003, at 3:00 p.m. EST at the Indianapolis Marriott North Hotel, 3645 River Crossing Parkway, Indianapolis, Indiana 46240. This proxy statement summarizes the information you need to know to vote by proxy or in person at the Annual Meeting. You do not need to attend the Annual Meeting in order to vote.

WHO IS ENTITLED TO VOTE?

All shareholders of record as of the close of business on Tuesday, February 25, 2003 (the "Record Date") are entitled to vote at the Annual Meeting.

WHAT IS THE QUORUM FOR THE MEETING?

A quorum at the annual meeting will consist of a majority of the votes entitled to be cast by the holders of all shares of common stock outstanding. No business may be conducted at the meeting if a quorum is not present. As of the Record Date, 135,168,668 shares of common stock were issued and outstanding.

HOW MANY VOTES DO I HAVE?

Each share of common stock outstanding on the Record Date is entitled to one vote on each item submitted to you for consideration.

HOW DO I VOTE?

- By Mail: Vote, sign, date your card and mail it in the postage-paid envelope
- In Person: At the Annual Meeting
- By Telephone: Call toll-free 1-800-776-9437 and follow the instructions. You will be prompted for certain information that can be found on your proxy card.
- Via Internet: Log on to www.investpower.com and follow the on-screen instructions. You will be prompted for certain information that can be found on your proxy card.

HOW DO I VOTE MY SHARES THAT ARE HELD BY MY BROKER?

If you have shares held by a broker, you may instruct your broker to vote

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

your shares by following the instructions that the broker provides to you. Most brokers offer voting by mail, telephone and on the Internet.

-2-

WHAT AM I VOTING ON?

You will be voting on the following proposals:

1. To elect five Directors of the Company;
2. To increase the unaffiliated Director requirement;
3. To de-stagger the Board of Directors;
4. To decrease the shareholder vote threshold with respect to business combinations with substantial shareholders;
5. To decrease the shareholder vote threshold with respect to amending the articles of incorporation;
6. To permit shareholder action by unanimous written consent; and
7. To ratify the appointment by the Board of Directors of KPMG LLP as the Company's independent auditors for the calendar year 2003.

WILL THERE BE ANY OTHER ITEMS OF BUSINESS ON THE AGENDA?

We do not expect any other items of business because the deadline for shareholder proposals and nominations has passed. Nonetheless, in case there is an unforeseen need, your proxy gives discretionary authority to Thomas L. Hefner, Darell E. Zink, Jr. and John R. Gaskin with respect to any other matters that might be brought before the meeting. Those persons intend to vote that proxy in accordance with their best judgment.

HOW MANY VOTES ARE REQUIRED TO ACT ON THE PROPOSALS?

The election of each Director requires the affirmative vote of at least a majority of the common shares present in person or represented by proxy and entitled to vote for the election of Directors. The holder of each outstanding share of common stock is entitled to vote for as many persons as there are Directors to be elected. An abstention, broker non-vote, or direction to withhold authority will result in a nominee receiving fewer votes, but will not be treated as a vote against the nominee.

The affirmative vote of the holders of at least 80% of the outstanding common shares of the Company (the "Common Shares") will be required to approve the five corporate governance proposals (Proposals No. 2 through 6) that require amendments to the articles of incorporation. BECAUSE ABSTENTIONS AND BROKER NON-VOTES WILL HAVE THE SAME EFFECT AS VOTES AGAINST THE PROPOSALS, IT IS IMPORTANT THAT YOU VOTE YOUR PROXY PROMPTLY.

The affirmative vote of the holders of a majority of the Common Shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of KPMG LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the shareholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

WHAT HAPPENS IF I RETURN MY PROXY CARD WITHOUT VOTING ON ALL PROPOSALS?

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

When the proxy is properly executed and returned, the shares it represents will be voted at the Annual Meeting in accordance with your directions. If the signed card is returned with no direction on a proposal, THE PROXY WILL BE VOTED IN FAVOR OF (FOR) THE PROPOSALS SET FORTH in the notice attached to this proxy statement.

WILL ANYONE CONTACT ME REGARDING THIS VOTE?

Due to the 80% vote requirement for the corporate governance proposals, the Company has engaged the Altman Group to assist in contacting shareholders for the purpose of soliciting proxies. No arrangements or contracts have been made with any other solicitors as of the date of this proxy statement, although the

-3-

Company reserves the right to engage additional solicitors if it deems them necessary. Such solicitations may be made by mail, telephone, telegraph, facsimile, email, cable or personal interviews.

WHO HAS PAID FOR THIS PROXY SOLICITATION?

The Company has paid the entire expense of this proxy statement and any additional materials furnished to shareholders. The fees charged by the Altman Group are not expected to exceed \$7,500.

MAY SHAREHOLDERS ASK QUESTIONS AT THE ANNUAL MEETING?

Yes. There will be time allotted at the end of the meeting when Company representatives will answer questions from the floor.

HOW DO I SUBMIT A PROPOSAL FOR THE 2004 ANNUAL MEETING?

If a shareholder wishes to have a proposal considered for inclusion in the proxy statement prior to the 2004 Annual Meeting, he or she must submit the proposal in writing to the Company (attention John R. Gaskin, Secretary) so that it is received by November 14, 2003. Shareholders are also advised to review the Company's by-laws, which contain additional advance notice requirements, including requirements with respect to advance notice of shareholder proposals and Director nominations.

The Board of Directors of the Company will review any shareholder proposals that are timely submitted and will determine whether such proposals meet the criteria for inclusion in the proxy solicitation materials or for consideration at the 2004 Annual Meeting. In addition, the persons named in the proxies retain the discretion to vote proxies on matters of which the Company is not properly notified at its principal executive offices on or before 60 days prior to the Annual Meeting, and also retain such authority under certain other circumstances.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

It means that you have multiple accounts at the transfer agent or with stockbrokers. Please complete and return vote all proxy cards to ensure that all your shares are voted.

WHEN WAS THIS PROXY STATEMENT MAILED?

This proxy statement, the enclosed proxy card and the Annual Report were mailed to shareholders beginning on or about March 14, 2003.

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

HOW DO I RECEIVE FUTURE PROXY MATERIALS ELECTRONICALLY?

If you are a shareholder of record, you may, if you wish, receive future proxy statements and annual reports online. To do so, please log on to www.Investpower.com and click on "Enroll to receive mailings via e-mail". You will need to refer to the company number and the account number on the proxy card. If you later wish to receive the statements and reports by regular mail, this e-mail enrollment may be cancelled.

PROPOSALS TO BE VOTED ON

PROPOSAL NO. 1 -- ELECTION OF DIRECTORS

The Company's Articles of Incorporation (the "Articles") provide that the Board of Directors shall be divided into three classes with each class to be nearly equal in number as possible. The Articles also provide that the three classes of Directors are to have staggered terms, so that the terms of only approximately one-third of the Board will expire at each Annual Meeting of Shareholders and each Director serves a three-year term.

As discussed in Proposal No. 3 below, this Proxy Statement contains a proposal to amend the Articles to de-stagger the Board of Directors and require the annual election of all Board members beginning in 2004.

Five Directors are to be elected at the Annual Meeting. Gary A. Burk, William O. McCoy, James E. Rogers, Jack R. Shaw and Robert J. Woodward, Jr. have been nominated. Mr. Shaw is the only nominee that is not a current member of the Board of Directors. If Proposal No. 3 below is not adopted, these individuals would serve a three-year term. If Proposal No. 3 is adopted, they would serve a one-year term.

If, at the time of the Annual Meeting, any nominee is unable or declines to serve, the discretionary authority provided in the proxy may be exercised to vote for a substitute or substitutes. The Board of Directors has no reason to believe that any substitute nominee or nominees will be required.

The election of each Director requires the affirmative vote of at least a majority of the common shares present in person or represented by proxy and entitled to vote for the election of Directors. The holder of each outstanding share of common stock is entitled to vote for as many persons as there are Directors to be elected. An abstention, broker non-vote, or direction to withhold authority will result in a nominee receiving fewer votes, but will not be treated as a vote against the nominee.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THE ELECTION OF THE NOMINEES.

PROPOSAL NO. 2 -- AMENDMENT TO THE ARTICLES TO INCREASE THE NUMBER OF UNAFFILIATED DIRECTORS

The Company has always believed that maintaining a Board consisting of a substantial number of unaffiliated Directors increases the quality of Board oversight and lessens the possibility of conflicts of interest. As a result, since the Company's inception, the Articles have required that at least a majority of the Board of Directors consist of persons who are not officers or employees of the Company. Proposal No. 2 is an amendment to the Articles to increase this minimum unaffiliated Director requirement from a majority to 75% beginning at the annual meeting of Shareholders in 2005.

The specific text of the proposal is to replace the third paragraph of

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

Section 7.01 of the Articles in its entirety with the following:

"A Director shall be an individual at least twenty-one (21) years of age who is not under legal disability. Prior to the annual meeting of Shareholders in 2005, a majority of the Directors shall at all times be Persons who are Unaffiliated Directors. Commencing with the annual meeting of Shareholders in 2005, at least three-fourths of the Directors shall at all times be Persons who are Unaffiliated Directors. Notwithstanding the preceding two sentences, upon a failure to comply with this requirement because of the resignation, removal or death of a Director who is an Unaffiliated Director, such requirement shall not be applicable for a period of one hundred and eighty (180) days. Nominees to serve as Unaffiliated Directors shall be nominated by the then current Unaffiliated Directors, if any, otherwise by the remaining Directors. Unless otherwise required by law, no Director shall be required to give bond, surety or security in any jurisdiction for the performance of any duties or obligations hereunder. The Directors in their capacity as Directors shall not be required to devote their entire time to the business and affairs of the Corporation."

If the proposed amendment is approved, beginning with the annual meeting of Shareholders in 2005, no more than one-fourth of the Directors could be officers or employees of the Company.

-5-

The affirmative vote of the holders of at least 80% of the outstanding Common Shares will be required to approve Proposal No. 2. For purposes of the vote on Proposal No. 2, abstentions and broker non-votes will have the same effect as votes against the proposal, although they will count toward the presence of a quorum.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE IN FAVOR OF PROPOSAL NO. 2.

PROPOSAL NO. 3 -- AMENDMENT TO THE ARTICLES TO DE-STAGGER THE BOARD OF DIRECTORS

The Articles currently provide that the Board of Directors shall be divided into three classes with each class to be nearly as equal as possible. The Articles also provide that the three classes of Directors are to have staggered terms, so that the terms of only approximately one-third of the Board will expire at each Annual Meeting of Shareholders and each Director serves a three-year term. Proposal No. 3 is an amendment to the Articles to de-stagger the Board and provide for the annual election of all Directors commencing with the 2004 Annual Meeting.

The specific text of the proposal is to replace the second paragraph of Section 7.01 of the Articles in its entirety with the following:

"At each annual meeting beginning at the annual meeting of Shareholders in 2004, all Directors shall be elected to hold office for a term of one year. Directors may be re-elected any number of times. Election of each Director at an annual meeting shall be by the affirmative vote of at least a majority of the Shareholders entitled to vote thereon present in person or by proxy at such meeting. Each Director shall hold office until the election and qualification of his successor. Directors may, but need not, own Shares or other securities of the Corporation."

The Company believes that staggered boards are often viewed as having the effect of insulating directors from being accountable to the corporation's shareholders. A staggered board of directors limits the ability of shareholders to elect all directors on an annual basis, and may discourage proxy contests in

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

which shareholders have an opportunity to vote for a competing slate of nominees. De-staggering the Board could therefore make it more likely that a potential acquiror may offer the Company's shareholders a control premium for their shares. However, if the proposal is approved, the entire Board could be removed in any single year, which could make it more difficult to discourage persons from engaging in proxy contests or otherwise seeking control of the Company on terms that the current Board of Directors does not believe are in the best interest of the Company's shareholders.

Assuming the proposed amendment is approved, the Directors elected at this Annual Meeting will be required to stand for re-election at the 2004 Annual Meeting. Because they were elected at the 2001 Annual Meeting to serve a three-year term expiring at the 2004 Annual Meeting, Geoffrey Button, William Cavanaugh III, Ngairé E. Cuneo, Charles R. Eitel and Darell E. Zink, Jr., will be required to stand for re-election at the 2004 Annual Meeting regardless of whether the proposed amendment is approved. Barrington H. Branch, Thomas L. Hefner, L. Ben Lytle and John W. Nolley, Jr., who were elected at the 2002 Annual Meeting to serve a three-year term expiring at the 2005 Annual Meeting, have nonetheless agreed to stand for re-election at the 2004 Annual Meeting if the proposed amendment is approved.

The affirmative vote of the holders of at least 80% of the outstanding Common Shares will be required to approve Proposal No. 3. For purposes of the vote on Proposal No. 3, abstentions and broker non-votes will have the same effect as votes against the proposal, although they will count toward the presence of a quorum.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE IN FAVOR OF PROPOSAL NO. 3.

-6-

PROPOSAL NO. 4 -- AMENDMENT TO THE ARTICLES DECREASING SHAREHOLDER VOTE THRESHOLD FOR BUSINESS COMBINATIONS WITH SUBSTANTIAL SHAREHOLDERS

The Articles currently require the affirmative vote of at least 80% of the outstanding Common Shares to approve certain specified business combinations with a person who beneficially owns more than 10% of the Company's outstanding Common Shares, which we refer to as a "Substantial Shareholder," notwithstanding the fact that no shareholder vote may be required, or that a lesser percentage may be specified, by Indiana law or the rules of the New York Stock Exchange. Proposal No. 4 is an amendment to the Articles that would reduce this voting threshold to a simple majority of the outstanding Common Shares.

The specific text of the proposal is to replace the first two sentences of Section 9.01 of the Articles in their entirety with the following:

"Except as provided in Section 9.02 hereof, the affirmative vote of the holders of a majority of the issued and outstanding Shares entitled to vote shall be required to approve any Business Combination involving a Substantial Shareholder. Such affirmative vote shall be required for any Business Combination notwithstanding the fact that no vote may be required by law or in any agreement with any national securities exchange or otherwise."

The Articles require the affirmative vote of at least 80% of the outstanding Common Shares for any merger, share exchange or sale of all or substantially all of the Company's assets involving a Substantial Shareholder. Furthermore, certain other transactions with a Substantial Shareholder, including the sale of assets or the issuance of securities having an aggregate fair market value of \$1,000,000, also require the affirmative vote of at least 80% of the outstanding Common Shares, even though a similar transaction with a

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

person who is not a Substantial Shareholder would not require any shareholder vote under Indiana law or the rules of the New York Stock Exchange. Notwithstanding the above, these provisions do not apply in certain circumstances, such as if three-fourths of the continuing Directors approve the transaction or if the Company's shareholders receive per share consideration exceeding certain specified thresholds.

No provision of Indiana law requires more than the affirmative vote of a majority of a corporation's voting stock to approve any matters that require shareholder approval, including mergers, share exchanges or sales of all or substantially all of the Company's assets, unless the corporation's articles of incorporation provide otherwise. As part of its corporate governance initiatives, the Company does not believe that its Articles should contain any super-majority voting requirements, which make it more difficult for shareholders to take action.

If the Company's shareholders approve the proposed amendment, the Company could engage in these specified business combinations with Substantial Shareholders upon the affirmative vote of the holders of a majority, rather than 80%, of the outstanding Common Shares. This means that the holders of fewer Common Shares would be necessary to approve such a transaction, which could be a substantial minority if a Substantial Shareholder owned a significant block of shares. The Articles would nonetheless continue to require shareholder approval of certain transactions with a Substantial Shareholder, including the sale of assets or the issuance of securities having an aggregate fair market value of \$1,000,000, that do not otherwise require any shareholder vote under Indiana law or the rules of the New York Stock Exchange.

The affirmative vote of the holders of at least 80% of the outstanding Common Shares will be required to approve Proposal No. 4. For purposes of the vote on Proposal No. 4, abstentions and broker non-votes will have the same effect as votes against the proposal, although they will count toward the presence of a quorum.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE IN FAVOR OF PROPOSAL NO. 4.

-7-

PROPOSAL NO. 5 -- AMENDMENT TO THE COMPANY'S ARTICLES DECREASING THE SHAREHOLDER VOTE THRESHOLD FOR AMENDING THE ARTICLES

The Articles currently require the affirmative vote of at least 80% of the outstanding Common Shares to approve an amendment to provisions of the Articles dealing with the following matters:

- Number, classes, term of office and qualification of Directors;
- Resignation, removal and death of Directors;
- Vacancies on the Board of Directors;
- Shareholder meetings;
- Business combinations with Substantial Shareholders;
- Refusal to transfer shares, acquisition restriction and other restrictions on rights of shares; and
- Power to amend the bylaws.

Proposal No. 5 is an amendment to the Articles that would reduce this

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

voting threshold to a simple majority of the outstanding Common Shares.

The specific text of the proposal is to replace Article XII of the Articles in its entirety with the following:

"The Corporation reserves the right to amend, alter or repeal any provision contained in these Articles of Incorporation in any manner permitted by Indiana law upon the affirmative vote of the holders of a majority of the issued and outstanding Shares entitled to vote."

As discussed above, as part of the Company's corporate governance initiatives, the Company does not believe that its Articles should contain any super-majority voting requirements, which make it more difficult for shareholders to take action.

If the Company's shareholders approve the proposed amendment, any provision of the Articles could be amended or repealed by the affirmative vote of a majority of the outstanding Common Shares. This means that the Articles could be amended even if the holders of nearly half of the Company's outstanding Common Shares disapprove of the amendment.

The affirmative vote of the holders of at least 80% of the outstanding Common Shares will be required to approve Proposal No. 5. For purposes of the vote on Proposal No. 5, abstentions and broker non-votes will have the same effect as votes against the proposal, although they will count toward the presence of a quorum.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE IN FAVOR OF PROPOSAL NO. 5.

PROPOSAL NO. 6 -- AMENDMENT TO THE ARTICLES PERMITTING SHAREHOLDER ACTION BY UNANIMOUS WRITTEN CONSENT

Under Indiana law, any action required or permitted to be taken at a shareholder meeting may be taken without a meeting if the action is taken by all the shareholders entitled to vote on the matter. However, the Articles currently prohibit shareholders from taking action by written consent in lieu of a meeting. Proposal No. 5 is an amendment to the Articles that would permit shareholder action by unanimous written consent.

The specific text of the proposal is to replace Section 8.03 of the Articles in its entirety with the following:

"Any action required or permitted to be taken by the Shareholders at an annual or special meeting of the Shareholders may be taken without a meeting if the action is taken by all the Shareholders entitled to vote on the action."

The Company's Board of Directors believes that its shareholders should not be prohibited from exercising any right otherwise afforded to shareholders under Indiana law to effect corporate change. The inability of shareholders to take action by written consent could be viewed as restricting the options available to the Company's shareholders to effect any such change.

-8-

If the Company's shareholders approve the proposed amendment, any action required or permitted to be taken at a shareholder meeting could be taken without a meeting upon the unanimous written consent of the shareholders.

The affirmative vote of the holders of at least 80% of the outstanding Common Shares will be required to approve Proposal No. 5. For purposes of the vote on Proposal No. 6, abstentions and broker non-votes will have the same

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

effect as votes against the proposal, although they will count toward the presence of a quorum.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE IN FAVOR OF PROPOSAL NO. 6.

PROPOSAL NO. 7 -- RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors, upon the recommendation of the Audit Committee, has selected KPMG LLP as the Company's independent auditors for the fiscal year ending December 31, 2003 and has further directed that management submit the selection of independent auditors for ratification by the shareholders at the Annual Meeting.

Representatives of KPMG LLP will be present at the Annual Meeting, will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The affirmative vote of the holders of a majority of the Common Shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of KPMG LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the shareholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE IN FAVOR OF PROPOSAL NO. 7.

BOARD COMMITTEES

The Board of Directors has four standing committees, with each committee described below. The members of each committee are also listed below. The members of each of the committees are comprised solely of independent Directors.

AUDIT COMMITTEE

The Audit Committee provides assistance to the Board of Directors in fulfilling its responsibility to the shareholders relating to corporate accounting, reporting practices, the quality and integrity of the financial reports and other operating controls of the Company. The committee also recommends the selection of the independent auditors to the Board of Directors and oversees the auditors' activities. In addition, the committee supervises and assesses the performance of the Company's internal auditing department.

CORPORATE GOVERNANCE COMMITTEE

The purpose of the Corporate Governance Committee is to make recommendations to the Board of Directors regarding corporate governance policies and practices, to recommend criteria for membership on the Board of Directors, to nominate members to the Board of Directors and to make recommendations to the Board of Directors concerning the members, size and responsibilities of each of the Committees. In nominating members to the Board of Directors, the Governance Committee will consider nominees recommended by shareholders. Although the committee's charter does not provide any procedures for

The independent Directors met in non-executive session 4 times in 2002 in addition to the committee meetings noted above. In 2002, all Directors attended at least 75% of the meetings of the Board of Directors, including meetings of the committees of which they were members.

COMPENSATION OF DIRECTORS

The Company does not pay Directors who are also employees of the Company additional pay for their services as Directors. The non-employee Directors are entitled to receive the following compensation:

- 400 shares of Company common stock per quarter,
- \$2,500 for attendance at each meeting of the Board of Directors,
- \$500 for participation in each telephonic meeting of the Board or its committees,
- a \$3,000 annual retainer for committee chairs, and
- a \$2,000 annual retainer for the lead Director.

The Directors are also reimbursed for expenses of attending Board and Committee meetings.

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

Each non-employee Director automatically receives 2,500 stock options and dividend increase units per year pursuant to the Company's 1999 Director's Stock Option and Dividend Increase Unit Plan. These awards have the following terms:

- The grant date is the first day of the Executive Compensation Committee Meeting for any calendar year.
- These awards vest ratably over a 5-year period and generally expire 10 years after the date of grant.
- The exercise price of the options is the closing price of the Company's common stock on the date of grant.
- The value of a dividend increase unit on the date of exercise is equal to the increase in the Company's annualized dividend per common share from the date of grant to the date of exercise divided by the "Dividend Yield". The Dividend Yield is defined as the annualized dividend per common share divided by the market value of one common share on the date of grant.

Newly appointed non-employee Directors are also entitled to a one time grant of 5,000 stock options and dividend increase units.

The non-employee Directors may elect to defer the receipt of their annual cash and stock director fees pursuant to the Company's Directors' Deferred Compensation Plan. The deferred fees and earnings thereon are to be paid to the Directors after they cease to be members of the Board. Deferred fees that are otherwise payable in stock must be invested in a "deferred stock account". Annual cash fees may be deferred in either a deferred stock account or an "interest account."

- **Deferred Stock Account.** This account allows the director, in effect, to invest his or her deferred compensation in Company stock. Funds in this account are credited as hypothetical shares of Company stock based on the market price of the stock at the time the compensation would otherwise have been paid. Dividends on these hypothetical shares are deemed to be paid and reinvested in additional hypothetical shares based upon the market price of the stock on the date the dividends are paid. Actual shares are only issued when a Director ends his or her service.
- **Interest Account.** Amounts in this account earn interest at the prime rate. The rate is adjusted quarterly. The aggregate amount of interest that accrued in 2002 for the participating Directors was \$877.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is composed of six Directors, each of whom is independent as defined by the listing standards of the New York Stock Exchange.

The Audit Committee operates under a written charter approved by the Board of Directors, which is attached hereto as Appendix I. The Committee intends to amend its charter to comply with new rules of the New York Stock Exchange once those rules are approved by the Securities and Exchange Commission and become effective.

Management is responsible for the Company's internal controls and financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Audit Committee met with management and the independent accountants to review and discuss the Company's 2002 consolidated financial statements. The Audit Committee also discussed with the independent accountants the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee received written disclosures from the independent accountants required by Independence Standards Board

-14-

Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants that firm's independence.

Based upon the Audit Committee's discussions with management and the independent accountants, and the Audit Committee's review of the representations of management and the independent accountants, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 to be filed with the Securities and Exchange Commission.

FEES PAID TO INDEPENDENT ACCOUNTANTS

The Company incurred the following fees for services rendered by KPMG LLP, the Company's independent accountants, during 2002:

Audit Fees. The aggregate fees billed by KPMG LLP for professional services rendered in connection with the audit of the Company's annual financial statements for the year ended December 31, 2002, and for the review of the financial statements included in the Company's quarterly reports filed with the Securities and Exchange Commission ("SEC") were \$441,500.

Financial Information Systems Design and Implementation Services. There were no KPMG fees or services related to financial information systems for the year ended December 31, 2002.

All Other Services. In addition to the fees described above, KPMG billed the Company a total of \$148,120 for services rendered in 2002. The components of these fees were: \$131,875 for audit related services, principally consisting of audits of the Company's employee benefit plans, the Company's allocable share of fees paid for audits of certain partnership subsidiaries of the Company and providing consents and comfort letters for certain SEC filings; \$5,500 for accounting related consultation; and \$10,745 for tax advice.

The Audit Committee has determined that the rendering of the non-audit services by KPMG LLP is compatible with maintaining the auditor's independence. In 2002, the Audit Committee adopted a policy which requires the pre-approval of all fees paid to KPMG for non-audit related services. Under that policy, the committee pre-approved the following services:

- Audits of the Company's employee benefit plans in an amount not to exceed

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

\$20,000 per year;

- Tax consulting services in an amount not to exceed \$20,000 per year; and
- Accounting and compensation consulting services in an amount not to exceed \$10,000 per year.

Any services in excess of the pre-approved amounts, or any services not described above, require the pre-approval of the Audit Committee chair, with a review by the Audit Committee at its next scheduled meeting.

COMPENSATION OF EXECUTIVE OFFICERS

REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE

This report contains information regarding the cash and equity compensation of the Company's chief executive officer and the Company's four other most highly compensated executive officers (the "Named Executive Officers").

EXECUTIVE COMPENSATION PHILOSOPHY

The Executive Compensation Committee (the "Compensation Committee") of the Board of Directors makes all decisions about compensation for the Company's executive officers, including the Named Executive Officers. The primary objectives of the Compensation Committee in determining total compensation of the Company's executive officers are (i) to enable the Company to attract and retain high quality executives by providing total compensation opportunities with a combination of compensation elements which are at or above competitive opportunities, and (ii) to align shareholder interests and executive rewards by providing substantial incentive opportunities to be earned by the executives if they meet pay-for-performance standards designed to increase long-term shareholder value. In order to accomplish these objectives, the Compensation Committee established an executive compensation program which provides (i) annual base salaries at or near the market median, (ii) annual incentive opportunities which reward the executives for achieving or surpassing performance goals which represent norms of excellence for the real estate industry, and (iii) long-term incentive opportunities which are directly related to increasing shareholder value.

The Compensation Committee reviews compensation levels for the executive officers of the Company near the beginning of each calendar year. In determining compensation for a specific executive, the Compensation Committee considers many factors including the nature of the executive's job, the executive's job performance, the compensation levels of competitive jobs, and the financial performance of the Company. For executive officers other than the Chief Executive Officer, the Compensation Committee considers the recommendations of the Chief Executive Officer. The Compensation Committee also considers competitive market data compiled from independent sources.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), imposes a limitation on the deductibility of non-performance based compensation in excess of \$1 million paid to certain executive officers. Although the Company's long-term incentive plans have been designed to comply with the performance-based requirements of Section 162(m), not all compensation paid by the Company to its executive officers in 2002 met such requirements. However, the Company did not pay any compensation in 2002 that was not deductible under Section 162(m), and does not anticipate paying any nondeductible compensation in 2003.

BASE SALARIES AND ANNUAL CASH INCENTIVES

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

The base salaries for the Company's executive officers (including the Named Executive Officers) are established after a review by the Compensation Committee of the salaries paid to executive officers of a comparison group of other publicly traded real estate investment trusts. Other factors considered include the individual's experience, performance and level of responsibility.

The Compensation Committee establishes an annual cash incentive target at the beginning of each year for each executive officer. The actual amount paid to an executive is based upon the Compensation Committee's assessment of (i) the Company's overall performance versus goals established by the committee, and (ii) each executive's individual performance, with a higher emphasis on overall Company performance for the most senior executives. The overall Company performance factor is based upon a three-tier measurement system consisting of funds from operations ("FFO") growth per Common Share, return on shareholders' equity and return on real estate investments.

LONG-TERM INCENTIVE OPPORTUNITIES

The amount of long-term incentives awarded to the Company's executive officers (including the Named Executive Officers) on an annual basis is determined at the discretion of the Compensation Committee but is

-16-

based upon the participant's level of responsibility within the Company. The long-term incentive opportunities consist of stock options ("Options"), dividend increase units ("DIUs"), shareholder value plan grants and performance share plan grants.

Stock Option and Dividend Increase Unit Plans: The objectives of the Option and DIU plans are to provide executive officers with long-term incentive opportunities aligned with the shareholder benefits of an increased Common Share value and increased annual dividends. The number of Options and DIUs issued to each executive is determined annually by the Compensation Committee, with one DIU granted for each Option that is granted. The Options and DIUs are for terms of no more than ten years. With certain limited exceptions, awards made under the Option and DIU plans vest 20% per year over a five-year period. The exercise price of the Options may not be less than the fair market value of the Company's Common Shares on the date of grant. The value of each DIU at the date of exercise is equal to the increase in the Company's annualized dividend per Common Share from the date of grant to the date of exercise divided by the "Dividend Yield". The Dividend Yield is defined as the annualized dividend per Common Share divided by the market value of one Common Share on the date of grant.

Shareholder Value Plan: The objective of the shareholder value plan is to provide executive officers with long-term incentive opportunities directly related to providing total shareholder return in excess of the median of independent market indices. The annual shareholder value plan award for each executive is determined by the Compensation Committee. The award vests entirely three years after the date of grant and the amount paid is based upon the Company's total shareholder return for such three year period as compared to independent market indices. The independent market indices used for comparison are the S&P 500 Index and the Equity REIT Total Return Index published by the National Association of Real Estate Investment Trusts ("NAREIT"). The amount of the award payable may range from a low of zero, if both of the rankings of the Company's returns are less than the 50th percentile of both of the indices, to a high of 300% of the award if the rankings of both of the Company's returns are in the 90th percentile or higher of both of the indices, with 100% of the award being payable at the 60th percentile.

Performance Share Plan: The performance share plan provides payments to

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

executive officers based upon the Company's attainment of certain predefined levels of earnings growth. At the beginning of each calendar year, the Compensation Committee sets a targeted earnings growth percentage for the year. Awards vest over a period determined by the Committee based upon the actual earnings growth of the Company in comparison to the targeted growth. Awards are granted at the discretion of the Compensation Committee after considering (i) the participant's position and level of responsibilities within the Company, and (ii) the overall compensation of the executive relative to competitive overall compensation levels for such position. Awards under this plan are not necessarily made on an annual basis. Awards under the plan are made in the form of "performance shares", with each performance share economically equivalent to a Common Share. Upon the retirement of a participant or other event causing a termination of employment, the value of vested performance shares are paid in cash.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

The compensation awarded to Mr. Hefner in 2002 consisted of the same elements as the other Named Executive Officers, including an annual base salary, an annual cash incentive award, and grants under the Company's long-term incentive plans.

Base Salary: Mr. Hefner received a base salary of \$360,000 for 2002. After considering his performance level and experience with the Company, and after reviewing a survey of compensation paid to CEO's of comparable equity based REITs, the Compensation Committee increased Mr. Hefner's base salary to \$415,000 effective in 2003.

Annual Cash Incentive: Mr. Hefner receives an annual cash incentive bonus determined by the Compensation Committee. At the beginning of each calendar year, the Committee establishes a target amount of the award. The amount actually paid is based upon the attainment of certain corporate performance measurements as compared to predetermined targets. These performance measurements include FFO growth per Common Share, return on shareholders' equity and return on real estate investments. For 2002, the

-17-

Company's FFO growth was -5.3% per Common Share, its return on shareholders' equity was 12.7% and its return on real estate investments was 9.8%. Based upon these results versus the pre-determined targets, the Compensation Committee determined that Mr. Hefner was entitled to an annual cash incentive award of \$230,000 for 2002. However, Mr. Hefner elected not to accept the award and therefore received no annual cash incentive award for 2002.

Long-Term Incentive Opportunity Awards: Mr. Hefner is eligible for Option and DIU grants with a value on the date of grant equal to a percentage of his annual base salary. In January 2002, Mr. Hefner received (i) the grant of an option to purchase 21,659 Common Shares at a price of \$23.35 per share, (ii) the grant of 21,659 DIUs with a Dividend Yield of 7.71%, and (iii) the award of a targeted amount of \$73,333 under the Shareholder Value Plan.

Mr. Hefner received a performance share plan grant with a value of \$200,000 in 2000. No awards were made under this plan in 2001 or 2002. The award granted in 2000 contains annual variable vesting provisions, with the amount vested based upon a comparison of actual FFO growth per Common Share to a target established annually by the Compensation Committee. The annual vesting percentages range from 0% to 30%. As of January 1, 2002, Mr. Hefner's award was 42% vested. The FFO growth target established by the Compensation Committee for 2002 was -2%, with a threshold for vesting under this plan of -3%. For 2002, the Company's FFO per Common Share declined by 5.3%. Since the actual FFO growth per Common Share for 2002 was less than the established threshold, no additional

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

vesting of the original award occurred.

In February 2002, Mr. Hefner received a payment of \$70,546 pursuant to a grant under the shareholder value plan made in 1999. In February 2003, Mr. Hefner received a payment of \$195,819 pursuant to a grant under the shareholder value plan made in 2000. The payout percentages of these awards as determined by formulas contained in that plan were 84.66% and 213.62% for the grants made in 1999 and 2000, respectively.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

As noted above, the Compensation Committee is comprised of five non-employee Directors: Messrs. Button, Cavanaugh, Eitel, Lytle, and Rogers. No member of the Compensation Committee is or was formerly an officer or an employee of the Company. No executive officer of the Company serves as a member of the Board of Directors or compensation committee of any entity that has one or more executive officers serving as a member of the Company's Board of Directors, nor has such interlocking relationship existed in the past.

STOCK PURCHASE PLANS

Under two stock purchase plans sponsored by the Company, Directors and senior managers were entitled to purchase Company Common Shares using the proceeds of loans that were guaranteed by the Company. Common Shares were purchased under these plans in 1998 and 1999. The Named Executive Officers and Directors that participated in the plans borrowed the entire purchase price of the shares from a bank and are personally obligated to repay the loans. The Company unconditionally guaranteed the payment and performance obligations of the officers and Directors to the bank. However, each participant is personally liable to the Company for any payments made under the guarantee as a result of any default by a participant on his loan.

-18-

As of December 31, 2002, the amounts of the loans guaranteed by the Company for each Named Executive Officer and Director were as follows:

Mr. Branch.....	\$1,000,000	Mr. McCoy.....	\$ 200,000
Mr. Button.....	2,000,000	Mr. Nelley.....	1,500,000
Mr. Chapman.....	500,000	Mr. Oklak.....	1,250,000
Ms. Cuneo.....	1,500,000	Mr. Rogers.....	1,500,000
Mr. Hefner.....	1,250,000	Mr. Zink.....	1,000,000
Mr. Lytle.....	200,000		

The obligations of the Directors and the Named Executive Officers to repay the Company for any amounts paid under the guarantees are secured by Common Shares that were purchased with the loan proceeds. As of February 18, 2003, 619,443 Common Shares with a value of \$15.7 million served as collateral for the \$11.9 million of loans guaranteed by the Company for the benefit of the Directors and the Named Executive Officers.

EMPLOYMENT AND SEVERANCE AGREEMENTS

The Duke Realty Severance Pay Plan (the "Severance Plan") provides for the payment of severance amounts to certain key Company officers if, within one year following a change in control of the Company, the officer's employment with the Company is terminated by the Company other than "for cause" or if an officer voluntarily terminates his or her employment because of a reduction in the officer's pay or his forced relocation. A "Level One" participant will receive two times the sum of the compensation awarded to such terminated participant for the calendar year preceding the date of termination and a "Level Two" participant will receive an amount equal to his prior year compensation. All of the Named Executive Officers participate in the Severance Plan, and the Compensation Committee has designated each of these participants as eligible for Level One benefits.

In 1999, Weeks Corporation ("Weeks") was merged with and into the Company (the "Merger"). Prior to the Merger, Weeks entered into change of control agreements with certain of its officers. The Company assumed the obligations of Weeks under these agreements on the effective date of the Merger. Under one of these agreements, John W. Nelley, Jr., a Director and officer of the Company, is entitled to receive severance payments based upon a multiple of his current compensation, plus immediate vesting of his stock options, if a) his employment is terminated without cause within two years following a change of control of the Company, or b) his employment is terminated for any reason within one year following a change of control.

(1) Under the Company's dividend increase unit plan, DIUs are granted to key employees. DIUs vest over a five-year period at 20% per year. The value of each DIU at the date of exercise is determined by calculating the Dividend Yield at the date the DIU is granted and dividing the increase in the Company's annualized dividend from the date of grant to the date of exercise by such Dividend Yield. DIUs not exercised within 10 years of the date of grant are forfeited. Distribution of a participant's benefits under the plan will be made in cash. The "in-the-money" value of vested DIUs at December 31, 2002 for these executives was \$926,045 for Mr. Hefner, \$581,916 for Mr. Oklak, \$855,223 for Mr. Burk, \$602,755 for Mr. Chapman, and \$850,057 for Mr. Zink.

(2) Under the Company's shareholder value plan, awards are granted in specified dollar amounts to selected key employees. The specified award is payable to the participant on the third anniversary of the grant of the award. The actual payments under the plan are determined based upon the Company's cumulative total shareholder return for the three-year period beginning on the date of grant as compared to the cumulative total return for the S&P 500 Index and the NAREIT Equity REIT Total Return Index (the "Indices") for the same period. The Company's cumulative total shareholder return is calculated by determining the average per share closing price of the Company's Common Shares for the 30 day period preceding the end of the three year period, increased by an amount that would be realized if all cash dividends paid during the three year period were reinvested in Common Shares of the Company, and comparing this amount to the average per share closing price of the Company's Common Shares for the 30 day period preceding the date of grant. The payment of one-half of the bonus award is adjusted based upon the percentile ranking of the Company's cumulative total shareholder return as compared to each of the Indices for the same period. The payment adjustment may range from zero percent of the amount awarded, if both of the rankings of the Company's returns are less than the 50th percentile of both of the

Indices, to 300 percent of the amount awarded if both of the rankings are in the 90th percentile or higher of both of the Indices, with 100 percent of the award being payable at the 60th percentile. Distribution of a participant's adjusted bonus award at the end of the three-year period after the date of grant will be made in cash.

RELATED PARTY TRANSACTIONS

The Company is the sole general partner of Duke Realty Services Limited Partnership (the "Services Partnership"). The Services Partnership operations are included in the consolidated financial statements of the Company. The Services Partnership was formed in 1993 to provide property management, leasing, construction management and development services to subsidiaries of the Company, to joint ventures partially owned by the Company and to third parties. To ensure that the income from these services did not cause the Company to fail to qualify as a real estate investment trust, a portion of the Services Partnership was acquired by certain officers of the Company upon its formation. Thomas L. Hefner, Darell E. Zink, Jr., and Gary A. Burk (executive officers of the Company) collectively own 49% of Duke Management, Inc. ("DMI"), which owns 90% of the capital interests of the Services Partnership and a profits interest in the Services Partnership that varies from 10% to 90%. The share of net income of the Services Partnership allocated to DMI in 2001 was \$975,934. The Company has an option to acquire DMI's interest in the Services Partnership in exchange for 833,334 Units. As a result of some recent tax law changes, the Company could exercise this option without adversely affecting the Company's qualification as a real estate investment trust. However, the Board of Directors has determined that it is not yet in the best interests of the Company to exercise this option. The Company is required to purchase DMI's interest in the Services Partnership for 833,334 Units upon a change in control of the Company or upon the dissolution of DRLP. DRLP has a \$20.0 million loan to the Services Partnership, which requires interest only payments at 12% through September 2003. The principal balance of this loan is then repayable over a 15-year period with interest at 12% until final maturity in September 2018. Repayment of this loan is guaranteed by DMI. DRLP also provides working capital financing to the Services Partnership at a rate of prime plus 3%.

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

The Services Partnership and the Construction Partnership provide property management, leasing, construction and other tenant related services to properties in which Messrs. Hefner, Zink and Burk have ownership interests (the "Option Properties"). The Company has options to acquire these executive officers' interests in the Option Properties. The options expire in October 2003. In 2002, the Services Partnership and the Construction Partnership received fees totaling \$1,400,398 for services provided to the Option Properties. The fees charged by the Services Partnership and the Construction Partnership for such services are equivalent to those charged to third-party owners for similar services.

-26-

In 1998, the Company purchased two mortgage loans to One North Capitol Company from third party lenders ("ONCC") for a total amount of \$9,400,000. On the date of acquisition, the face amount of the principal and interest on the loans was \$18,940,000. The loans are nonrecourse to ONCC and are secured by mortgages on an office building. Under the terms of the loans, substantially all of the cash flow from ONCC must be paid to the Company as debt service on the loans. Since it is unlikely that ONCC will be able to repay the entire balance of the loans upon their maturity in 2006, the Company, for financial statement purposes, recorded the acquisition of the loans in the same manner as if it had purchased the building. During 2002, ONCC paid interest of \$1,187,247 to the Company. As of December 31, 2002, the outstanding principal amount of the loans plus the accrued but unpaid interest on those loans totaled \$19,450,000. Messrs. Hefner, Zink and Burk collectively own a 10.9% indirect limited partnership interest in ONCC.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's Directors and executive officers, and persons who beneficially own more than 10% of a registered class of the Company's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Shares and other equity securities of the Company. Officers, Directors and greater-than-10%-beneficial owners are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, all Section 16(a) filing requirements applicable to its officers, Directors and greater-than-10% beneficial owners were complied with during the year ended December 31, 2002.

SHAREHOLDER PROPOSALS FOR 2004 ANNUAL MEETING

Proposals of shareholders to be presented at the 2004 annual meeting of stockholders must be received by the Company's secretary prior to November 14, 2003, which is 120 calendar days prior to the anniversary of the mailing of this proxy statement, to be considered for inclusion in the 2004 proxy material. If a shareholder wishes to present a proposal at the 2004 annual meeting, whether or not the proposal is intended to be included in the 2004 proxy material, the bylaws require that the shareholder give advance written notice to the Company's secretary not less than 60 nor more than 90 days prior to the anniversary of the 2003 annual meeting. If a shareholder is permitted to present a proposal at the 2004 annual meeting but the proposal was not included in the 2004 proxy material, the Company believes that its proxy holder would have the discretionary authority granted by the proxy card (and as permitted under SEC rules) to vote on the proposal if the proposal was received after January 28,

2004, which is 45 calendar days prior to the anniversary of the mailing of this proxy statement.

APPENDIX 1

DUKE REALTY CORPORATION AUDIT COMMITTEE CHARTER

ORGANIZATION

There shall be a committee of the board of directors to be known as the audit committee. The audit committee shall be composed of directors who are independent of the management of the corporation and are free of any relationship that, in the opinion of the board of directors, would interfere with their exercise of independent judgment as a committee member.

STATEMENT OF POLICY

The audit committee shall provide assistance to the corporate directors in fulfilling their responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting, reporting practices of the corporation, and the quality and integrity of the financial reports and other operating controls of the corporation. In so doing, it is the responsibility of the audit committee to maintain free and open means of communication between the directors, the independent auditors, the financial management and other employees of the corporation.

RESPONSIBILITIES

Edgar Filing: DUKE REALTY CORP - Form PRE 14A

In carrying out its responsibilities, the audit committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and to ensure to the directors and shareholders that the corporate accounting and reporting practices and other operating controls of the corporation are in accordance with all requirements and are of the highest quality.

In carrying out these responsibilities, the audit committee will:

- Review and recommend to the directors the independent auditors to be selected to audit the financial statements of the corporation and its divisions and subsidiaries.
- Meet with the independent auditors and financial management of the corporation to review the scope of the proposed audit for the current year and the audit procedures to be utilized, and at the conclusion thereof review such audit, including any comments or recommendations of the independent auditors.
- Review with the independent auditors and the corporation's financial and accounting personnel the adequacy and effectiveness of the accounting and financial controls of the corporation, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper.
- Periodically review company policy statements to determine their adherence to the code of conduct adopted by the board of directors and periodically review the code of conduct to determine if any amendments thereto should be considered.
- Review the financial statements contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders. Any changes in accounting principles should be reviewed.
- Provide sufficient opportunity for the independent auditors to meet with the members of the audit committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the corporation's financial, accounting, and auditing personnel, and the cooperation that the independent auditors received during the course of the audit.

1

- Review accounting and financial human resources, and succession planning within the company.
