Dear Castle Stockholder:

You are cordially invited to attend A. M. Castle & Co.'s 2006 annual meeting of stockholders, which will be held on Thursday, April 27, 2006, beginning at 10:00 a.m., Central Daylight Savings Time, at our offices at 3400 North Wolf Road, Franklin Park, Illinois 60131.

At the meeting we will report to you on current business conditions and recent developments at Castle. Our new President & CEO, Michael Goldberg, looks forward to meeting you and discussing his vision for Castle. Members of the Board of Directors and many of our executives will be present to discuss the affairs of Castle with you.

Whether or not you plan to attend the annual meeting, it is important that you sign, date and return your proxy as soon as possible. If you do attend the annual meeting and wish to vote in person, your proxy will then be revoked at your request so that you can vote personally. Therefore, I urge you to return your proxy even if you currently plan to be with us for the annual meeting.

I look forward, with other members of management, to the opportunity of meeting you on April 27th.

Sincerely,

G. Thomas McKane

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON

APRIL 27, 2006

The Board of Directors of A. M. Castle & Co. ("Castle") is soliciting the enclosed proxy for use at Castle's 2006 annual meeting of stockholders. Any proxy given pursuant to this solicitation may be revoked by the stockholder at any time before it is voted at the annual meeting by notifying the Corporate Secretary of Castle in writing or by attending the annual meeting and notifying the Corporate Secretary of Castle at the annual meeting, although mere attendance at the annual meeting will not automatically revoke a proxy. Holders of shares of Castle's common stock, and Series A Cumulative Convertible Preferred stock, on a converted basis, are entitled to one vote per share on all matters to come before the annual meeting. As of the close of business on March 1, 2006, the record date for determining the stockholders entitled to notice of and to vote at the annual meeting, there were 16,631,067 outstanding shares of Castle's common stock and, on a converted basis, 1,793,722 shares of Series A Preferred stock.

All of the expenses involved in preparing, assembling and mailing this proxy statement and the material enclosed herewith will be paid by Castle, including, upon request, expenses incurred by brokerage houses and fiduciaries in forwarding proxies and proxy statements to their principals. The original solicitation of proxies by mail may be supplemented by telephone, telegraph, facsimile, written and personal solicitation by officers, directors and employees of Castle; however, no additional compensation will be paid to those individuals for these activities.

Castle's annual report to stockholders for the year ended December 31, 2005 is enclosed with this proxy statement. Castle is first mailing this proxy statement and the enclosed proxy to stockholders on or about March 31, 2006.

PROPOSAL ONE: ELECTION OF DIRECTORS

Ten directors, constituting the entire Board of Directors, will be elected at the annual meeting. Proxies received by the Board of Directors will be voted for the election of the nominees named below, unless otherwise specified. If any of the nominees unexpectedly becomes unavailable for election, votes will be cast pursuant to authority granted by the enclosed proxy for another person designated by the Board of Directors. The persons elected as directors will serve a term of one year until the 2007 annual meeting of stockholders and until their successors are elected and qualify.

Quorum

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of common stock and Series A Cumulative Convertible Preferred Stock entitled to vote at the annual meeting is necessary to constitute a quorum at the annual meeting. Shares that are present and entitled to vote on any of the proposals to be considered at the annual meeting will be considered to be present at the annual meeting for purposes of establishing the presence or absence of a quorum for the transaction of business. Proxies marked as Abstaining (including proxies in which a broker indicates on the enclosed proxy that it does not have discretionary authority as to certain shares to vote on a particular proposal, but otherwise has authority to vote at the annual meeting), those shares will also be considered as present for purposes of determining the presence or absence of a quorum at the annual meeting.

Vote Required

Each holder of record of shares who is entitled to vote may cast one vote per share or, in the case of Series A Cumulative Convertible Preferred shares, per converted share held on all matters properly submitted for the vote of our stockholders at the annual meeting. The affirmative vote of a majority of the shares present at the annual meeting will be required to approve each of the proposals to be considered at the annual meeting.

Shares that are present and entitled to vote, but which withhold their votes or abstain from voting on a proposal, will have the effect of votes against the proposal. If a broker indicates on the enclosed proxy that it does not have discretionary authority as to certain shares to vote on a particular proposal, those shares will not be considered as votes cast with respect to the proposal, but will be considered as present for all other purposes.

If any nominee for director fails to receive the affirmative vote of a plurality of the shares at the annual meeting, the majority of the directors then in office will be entitled under our certificate of incorporation and bylaws to fill the resulting vacancy in the board of directors. Each director chosen in this manner will hold office for a term expiring at our next annual meeting of stockholders.

All shares entitled to vote and represented by properly executed proxies received and not revoked prior to the annual meeting will be voted at the annual meeting in accordance with the instructions indicated on those proxies. If no instructions are indicated on a properly executed proxy, the shares represented by that proxy will be voted as recommended by the board of directors.

If any other matters are properly presented at the annual meeting for consideration, including, among other things, consideration of a motion to adjourn the annual meeting to another time or place, the persons named in the enclosed form of proxy will have discretion to votes on those matters in accordance with their best judgment to the same extent as the person signing the proxy would be entitled to vote. It is not currently anticipated that any other matters will be raised at the annual meeting.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. A proxy may be revoked by filing with A. M. Castle & Co.'s Corporate Secretary, at or before taking of the vote at the annual meeting, a written notice of revocation or a duly executed proxy, in either case later dated than the prior proxy relating to the same shares. A proxy may also be revoked by attending the annual meeting and voting in person, although attendance at the annual meeting will not itself revoke a proxy. Any written notice of revocation or subsequent proxy should be sent so as to be delivered to A. M. Castle & Co. 3400 N. Wolf Road, Franklin Park, Illinois 60131, Attention: Corporate Secretary, or hand delivered to the Corporate Secretary, at or before the taking of the vote at the annual meeting.

MEETINGS AND COMMITTEES OF THE BOARD

The Board of Directors has three standing committees: the Audit Committee, Governance Committee, and Human Resources Committee.

The Audit Committee is comprised of four directors, none of whom are employed by Castle. All of the members of the Audit Committee, Messrs. McCartney, Anderson, Donahoe and Puth, are considered

Table of Contents

independent and are qualified as a financial expert as those terms are defined in Item 401 of Regulation S-K and the American Stock Exchange's listing standards. The Audit Committee is charged with the engagement of Castle's independent auditors, consulting with the independent auditors, reviewing the results of internal audits and the audit report of the independent auditors engaged by Castle and meets on a regular basis with management to review and discuss financial matters. Further, the Audit Committee is empowered to make independent investigations and inquiries into all financial reporting, financial controls, or other financial matters of Castle as it deems necessary. The Audit Committee meets at least four times a year. The Board of Directors has adopted a written charter for the Audit Committee, which further describes the duties and responsibilities of the Audit Committee. A copy of the Audit Committee charter was attached as an Appendix to Castle's 2004 proxy statement. The Audit Committee's report to stockholders is provided below under Audit Committee's Report to Stockholders.

The Human Resources Committee, comprised of five directors, reviews and recommends compensation with respect to Castle's officers and directs the operation of the 2000 Restricted Stock and Stock Option Plan, the 2004 Restricted Stock, Stock Option and Equity Compensation Plan and other compensation benefits granted to various officers. The Board of Directors has delegated to the Human Resources Committee oversight responsibilities for investment strategies of Castle's pension plan investments. The Human Resources Committee is also charged with making recommendations to the Board of Directors concerning institution, continuation or discontinuation of benefit compensation plans and programs for officers and succession planning for officers and key managers. The Human Resources Committee's report to stockholders on executive compensation is provided below under Human Resources Committee's Report to Stockholders .

The Governance Committee was established by the Board in 2002. It is comprised of three Directors, all of whom are considered independent as defined in the American Stock Exchange's listing standard and the regulations under the Securities Exchange Act of 1934. The Committee monitors, reviews, and recommends to the Board of Directors matters relating to Board operations such as appropriate size, composition, and organizational structure. The Board of Directors has adopted a written charter for the Governance Committee which further describes the duties and responsibilities of the Governance Committee and was attached as an Appendix to Castle's 2004 proxy statement.

The Governance Committee has established a Code of Ethics for both the Board and senior management, which has been adopted by the Board of Directors and was attached as an Appendix to Castle's 2004 proxy statement. The Committee has adopted the following principles upon which candidates would be evaluated:

Integrity and compliance with the Company's Code of Ethics

Relevant experience

Absence of any conflict or potential conflict of interest with the Company and its stockholders.

The Governance Committee will consider candidates suggested by stockholders applying the principles described above. Any stockholder who wishes to recommend individuals for nomination to the Board of Directors is invited to do so in writing, to our Corporate Secretary and include:

A statement that the writer is a stockholder and is proposing a candidate for consideration by the Governance Committee

The name of and contact information for the candidate

A statement of the candidate's business and educational background

A statement detailing any relationship between the candidate and any customer, supplier or competitor of Castle

Table of Contents

Detailed information about any relationship or understanding between the proposing stockholder and the candidate

A statement that the candidate is willing to be considered and willing to serve as a Director if nominated and elected

When seeking candidates for Director, the Governance Committee may solicit suggestions from incumbent Directors, management or others. The committee, at their discretion, may also contract with executive search firms. After conducting an initial evaluation of a candidate, the Governance Committee will interview that candidate if it believes the candidate might be suitable to be a Director. The committee may also ask the candidate to meet with management. If the Governance Committee believes a candidate would be a valuable addition to the Board, it will recommend to the full Board that candidate's election.

During 2005, the Board of Directors held six total meetings, which included its four regularly scheduled quarterly meetings. Also, there were six meetings of the Audit Committee, three meetings of the Governance Committee and four meetings of the Human Resources Committee during 2005. All the directors attended at least 75 percent or more of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings of any committee on which they served during 2005. The Board of Directors has determined that a majority of its members, Messrs. Anderson, Donahoe, Hall, Hamada, McCartney, Puth, and Simpson, are independent under the American Stock Exchange's listing standards.

Director Attendance at Annual Meeting

Castle typically schedules its quarterly board meeting in conjunction with the Annual Meeting of Stockholders and expects that our Directors and Director nominees will attend, absent a valid reason. Last year all Directors attended our Annual Meeting.

Board Communication

The Audit Committee has established an electronic communication method on Castle's website (<http://www.amcastle.com>) entitled "Board Communications" which provides for electronic communication, either anonymously or identified, with the Audit Committee. Stockholders may also communicate with the Board of Directors or Audit Committee by writing to:

A. M. Castle & Co.
Board Communication or Audit Committee
3400 N. Wolf Road
Franklin Park, Illinois 60131
Attn: Corporate Secretary

All communications are distributed to the Lead Director or other members of the Board of Directors as appropriate depending on the facts and circumstances outlined in the communication received. For example, if any complaints regarding accounting, internal accounting control and auditing matters are received, they will be forwarded by the Secretary to the Chairman of the Audit Committee for review, while matters relating to governance will be forwarded to the Chairman of the Governance Committee for review.

AUDIT COMMITTEE'S REPORT TO STOCKHOLDERS

The duties and responsibilities of the Audit Committee of the Board of Directors are outlined in the Audit Committee's charter, which was attached as an Appendix to the 2004 proxy statement and includes the selection and engagement of independent auditors for Castle. The Audit Committee also ascertains the independence and

competence of the independent auditors. Prior to making its decision, the Audit Committee reviewed with the independent auditor all relationships between the independent auditor, its related entities and Castle and its subsidiaries. In performing this function, the Audit Committee evaluated the written disclosures received from the independent auditor, such as the letter from the independent auditor required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and

Table of Contents

engaged in discussions with the independent auditor, including as to whether the provision of non-audit services referred to below is compatible with maintaining their independence.

The Audit Committee met over the past year with management to review and monitor the Company's progress in complying with Section 404 of the Sarbanes-Oxley Act relating to the adequacy, reliability and effectiveness of Castle's internal controls on financial reporting.

The Audit Committee met throughout and after the close of the fiscal year with the independent auditor and management and reviewed and discussed the results of the annual audit, proposed improvements in accounting practices of Castle and the results and proposed plan of Castle's internal audit process. The Audit Committee further discussed with the independent auditor all matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards AU380).

As a result of the discussions with the independent auditor and management and the Audit Committee's review and discussion of the fiscal year-end financial statements and in reliance on the information furnished by management, Castle's internal auditors and the independent auditor, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended December 31, 2005 be included in Castle's Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities Exchange Commission.

The Audit Committee supervises investigations into matters which may be requested or, in the Audit Committee's opinion, are appropriate relating to the financial reporting and controls of Castle as well as any other matter which may fall within the scope of the Audit Committee's responsibilities or as may from time to time be assigned to the Audit Committee by the Board of Directors.

The Audit Committee:

John McCartney, Chairman
Brian P. Anderson
Thomas A. Donahoe
John W. Puth

The Audit Committee has not made any decision with respect to the engagement of auditors for examination of the consolidated financial statements and other records of Castle for the fiscal year ending December 31, 2006. The Committee is reviewing proposals for this audit work. Each year the Audit Committee reviews and approves in advance the scope of the annual audit by Castle's independent auditor. The Audit Committee also approves all non-audit professional services by the independent auditor. The Audit Committee approved the non-audit services and considered the possible effect on the auditors' independence prior to those services being performed.

During 2005, Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu and their respective affiliates (collectively referred to as "Deloitte & Touche") examined the financial statements of Castle and its subsidiaries, including those contained in the annual report to stockholders, and consulted on annual and quarterly reports filed with the SEC and others for the year 2005.

As in past years, representatives of Deloitte & Touche are expected to be present at the annual meeting with the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions from stockholders.

Table of Contents

Audit Fees

The aggregate fees billed by Deloitte & Touche for Castle's 2005 annual financial statements and the review of its 2005 quarterly financial statements in Form 10-Q were \$1,234,737. The aggregate fees billed by Deloitte & Touche for audit of Castle's 2004 annual financial statements and related quarterly financial statements were \$1,199,907.

Audit Related Fees

In 2005 Deloitte & Touche billed Castle \$2,400 for work performed related to the Company's response to an SEC comment letter. In 2004 Castle was billed \$12,500 by Deloitte & Touche for related audit services.

Tax Fees

Castle did not incur any fees to Deloitte & Touche during 2004 or 2005 for professional services with respect to tax compliance, tax advice or tax planning.

All Other Fees

Castle did not incur any fees to Deloitte & Touche during 2004 or 2005 for any other services.

RELATED PARTY TRANSACTIONS

On November 22, 2002, the Company concluded a sale of 12,000 shares of newly created Series A Cumulative Convertible Preferred Stock (the Series A Preferred) for an aggregate purchase price of \$12,000,000. Castle sold the Series A Preferred in a private placement to a number of current shareholders mainly comprising W.B. & Co., an Illinois partnership. The Series A Preferred stock has an initial conversion price of \$6.69 per share of common stock. The Series A Preferred is entitled to a quarterly dividend equal to the greater of 8% per annum or the total dividends declared and paid on the common stock calculated on a converted basis each year. Castle agreed in connection with the sale to register the common stock when converted under the Securities Act of 1933 and have it listed on the stock exchanges over which Castle stock is traded. The common stock ownership reported in this proxy is calculated and shown as if the Series A Preferred was converted to common stock. The 12,000 shares of Series A Preferred would convert at \$6.69 a share into 1,793,722 shares of common stock.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Castle's executive officers and directors and beneficial owners of more than 10% of Castle's common stock to file initial reports of ownership and reports of changes in ownership of Castle's common stock with the Securities and Exchange Commission and to furnish Castle with a copy of those reports. Based solely on a review of the copies of these forms furnished to Castle and written representations from Castle's executive officers and directors and stockholders, all officers met Section 16(a) filing requirements with respect to any trades made in 2005.

DIRECTOR S COMPENSATION

Directors who are not officers of Castle or of a subsidiary of Castle receive an annual retainer of \$30,000 and \$1,500 for each meeting of the Board of Directors. Members of the Human Resources Committee and the Governance Committee receive \$1,000 for each committee meeting that they attend and members of the Audit Committee receive \$2,000 for each committee meeting they attend. The Chairman of the Human Resources Committee and the Governance Committee receive an additional retainer of \$5,000 annually. The Chairman of the Audit Committee receives an additional retainer of \$7,500 annually. The Lead Director receives an additional retainer of \$5,000 annually. Directors are also reimbursed for travel expenses incurred to attend meetings.

Under the Director's Deferred Compensation Plan, directors who are not officers of Castle have the option to defer payments of the retainer and meeting fees in either a stock equivalent unit account or an interest account. Fees held in the interest account are credited with interest at the rate of six percent per year compounded annually. Fees deferred in the stock equivalent accounts are divided by Castle's common stock price on the 15th day after the meeting for which payment is made to yield a number of stock equivalent units. The stock equivalent account is credited on the dividend payment date with stock equivalent units equal to the product of the declared dividend per share multiplied by the number of stock equivalent units in the director's account on the record date of the dividend. Disbursement of the interest account and the stock equivalent unit account can be made only upon a director's resignation, retirement or death. If payment from the stock equivalent unit account is made in shares of Castle's common stock, it will be made as of the date of the request or termination event, whichever occurs last.

Under the 2004 Restricted Stock, Stock Option and Equity Compensation Plan, non-employee directors are granted an option to purchase 7,500 shares of Castle's common stock on the first business day in June of each year at a price equal to the closing price of Castle's common stock as reported by the American Stock Exchange and/or Chicago

Stock Exchange for that date or, if no trade occurred on that date, the next preceding date for which there was a reported sale. The option expires ten years after the date on which it is granted. The option also expires upon the outside director's termination of service from the Board of Directors, unless it is due to death, disability or retirement, in which case the option may be exercised for a period of one year. On June 1, 2005 options were granted to all outside Directors in the amount of 7,500 shares at an

Table of Contents

exercise price of \$14.22 which was the closing stock price on the American Stock Exchange on June 1, 2005. Messrs. Anderson and Donahoe were awarded a stock option of 7,500 shares each at an exercise price of \$15.49 on August 4, 2005 after their appointment as Directors.

Commencing in June 2006, Restricted Stock will be granted to all outside (non-employee) directors in lieu of stock options which will be discontinued. Each outside director will receive Restricted Stock in the equivalent amount of \$50,000 valued at the Company's closing stock price on June 1st or the first business day thereafter if June 1st falls on a weekend. The restriction lapses after one year at which time the stock is fully vested.

HUMAN RESOURCES COMMITTEE'S REPORT TO STOCKHOLDERS

The executive compensation program is administered by the Human Resources Committee of the Board of Directors, which is comprised of the individuals listed below with responsibilities for all compensation matters for Castle's senior management. The Human Resources Committee has overall responsibility to review and recommend broad-based compensation plans to the Board of Directors and annual compensation, including salary, cash bonus programs, long-term incentive plans and executive benefits for Castle's officers. In addition, the Human Resources Committee has been charged by the Board of Directors with oversight responsibilities for the Company's pension plans and 401(K) profit sharing plan.

The Human Resources Committee and Castle's management are committed to the principle that remuneration should be commensurate with performance and the attainment of pre-determined financial and strategic objectives, while at the same time externally competitive in order to attract and keep highly qualified personnel. In carrying out this objective, the compensation for executives is broken down into three categories: base compensation, short-term incentive compensation and long-term incentive compensation.

Base Compensation

The base salary is targeted in the middle of the range of base salaries paid by companies of comparable size. In establishing base salaries, the Human Resources Committee utilizes outside consultants and industrial surveys to assure that the base salaries are proper and externally competitive. In 2005, after examination and discussion by the independent members of the Board of Directors, the base salary of Mr. McKane, who is Castle's Chairman and was Chief Executive Officer, was set at \$520,000 per annum based on Mr. McKane's salary history, professional experience, Castle's performance during 2004 and surveys of base salaries paid by companies of comparable size to their chief executive officers.

Short-Term Incentive Compensation

Castle's Management Incentive Plan provides short-term incentive compensation opportunities. The Management Incentive Plan pays annual cash incentives upon achievement of short-term financial objectives which are set by the Board of Directors. Each year, the Board of Directors reviews and approves the business plan developed by management. Incentive compensation, which is an integral part of Castle's compensation plan, is targeted to award a payout of 50% of an individual incentive opportunity upon meeting the profit goals in the approved business plan. Incentive payouts are prorated from a maximum which is above and a minimum which is below the business plan profit goals based upon performance. The maximum incentive opportunity is determined for each individual and, based on specific job title, can range from 40% to 125% of base compensation. Total incentive opportunity is based in part on the performance of the business segment for which the executive officer is responsible and in part on Castle as a whole. There are two components of Mr. McKane's and other corporate officers' incentives: working capital utilization and earnings, relative to the approved business plan. Under the plan, if the minimum established objectives

are not met, no incentive compensation is paid. For 2005, the business plan profit goals were exceeded and the maximum payout was made based upon return on the working capital and earnings.

Table of Contents

Long-Term Incentive Compensation

Castle's long-term incentive compensation for executive officers consists of restricted stock and stock options granted under the 2000 Restricted Stock and Stock Option Plan and Performance Based Stock Plan established under the 2004 Restricted Stock, Stock Option and Equity Compensation Plan.

Stock Options

Stock options are granted at an exercise price equal to the average closing price of Castle's common stock for the ten (10) day period preceding the date of the grant. Each stock option becomes exercisable over a three-year period, with 1/3 becoming exercisable after each year. Each stock option expires ten years after the date of grant. The Human Resources Committee has, in the past, granted stock options to officers each year and to other senior management and key employees every other year (even-numbered years).

In 2005 no stock options were granted. The Human Resources Committee granted stock options in prior years as reflected in the tables that follow this report. The number of options granted by the Human Resources Committee to Mr. McKane and other officers reflects competitive industry practice as reported and analyzed by independent industrial surveys, based on position, responsibilities and performance of the recipient.

Performance Stock

In 2005 the Board of Directors established a long term incentive performance based stock compensation which is intended to replace stock options. Under this program, Performance Share payouts in the form of Company common stock, under the 2004 Restricted Stock, Stock Option and Equity Compensation Plan are based upon the achievement of predetermined targeted Return on Total Capital and targeted Cumulative Net Earnings over a three year period (2005, 2006, and 2007). Individuals are granted a number of shares based upon achieving targeted goals. The number of shares awarded to the individual at the end of the three year period rises to a maximum of 2 times targeted shares granted or falls to zero shares depending on the accumulative Company performance at the end of the three year period. Award of shares is based 70% of granted shares determined by the Accumulated Net Earnings attainment and 30% of the granted shares determined by the Return on Total Capital attainment. The Board of Directors set the target on Return on Total Capital at 14% with maximum payout at 16% and minimum payout at 12% below which no stock will be awarded on that portion of the grant. The target set for Cumulative Net Earnings was 71.7 million dollars with a maximum payout at 100.4 million dollars and minimum payout at 59.1 million dollars below which no stock will be awarded on that portion of the grant. Maximum payout is an award of stock in the amount of 2 times the granted shares and minimum payout is an award of 10% of granted shares.

If an individual leaves the Company due to retirement, death or disability, the individual receives a pro-rata portion of any award made at the end of the performance period based upon the length of time actively employed during the performance period. The Board may grant shares to a new employee who joins the Company during the performance period under conditions they deem appropriate.

The pension benefits shown in the table above are determined by the remuneration, which is the average of the highest cash compensation paid (approximately base salary plus bonus as shown in the Summary Compensation Table) for any five consecutive years of service prior to retirement. Pensions are paid as a straight-life annuity and are subject to reduction for a joint and survivor benefit, if elected by the participant. The amounts shown in the table above are prior to reduction for social security benefits. Benefits are reduced based on one-half of the social security benefits for the individual attributable to the working period with Castle. The current fully accredited years of service for Messrs. McKane, Hooks, Boik, Garrett, and Herron under the plan are 5, 33, 2, 7, and 35 years respectively.

Change in Control Agreements

The change in control agreements between Castle and Messrs. Hooks and Boik require two events to occur before any payments are required. Upon the occurrence of the two events (the "double trigger"), this agreement provides for a lump sum, based on total compensation paid over the twelve-month period prior to the occurrence of the change in control event, to be paid upon the executive officer's termination of employment. The amount paid under the agreement cannot exceed 2.99 times his total average annual compensation over the prior five years. The agreements provide that, if the lump sum exceeds 2.99 times the prior year compensation due to an acceleration of vesting and exercise of previously granted stock options, the amount paid will be increased to cover the amount of any excise tax which may be levied on the amount paid.

The change in control event set forth in the agreements is either (1) a change in ownership, direct or indirect, in excess of 25% of Castle's outstanding shares by a group or person who did not own that amount of shares on January 25, 1996; (2) the occurrence of any transaction relating to Castle required to be described pursuant to the requirements of Item 5.01 of Form 8-K under the Securities Exchange Act of 1934; or (3) any change in the compositions of the Board of Directors over a two-year period that results in the directors at the beginning of that period not constituting a majority of the Board of Directors at the end of that period, excluding any new directors who are elected by or by recommendation of the then present majority of the Board of Directors.

The executive officer's right to payment arises if, within 24 months after the change in control event, (1) the duties or responsibilities of the executive officer are substantially changed or reduced, the executive officer is transferred or relocated or the compensation rate of the executive officer is reduced and the executive

Table of Contents

officer terminates his/her employment; or (2) the executive officer is discharged for any reason other than cause, death or disability.

In addition to the change in control agreement both Messrs. Hooks and Boik have an executive agreement relating to termination without cause in connection with the engagement of a new President and CEO of the Company.

Mr. Boik's agreement provides for a termination benefit of one year's base salary plus one year of health benefits and one year's use of the Company car if termination occurs without cause. All benefits would cease if Mr. Boik obtains new employment prior to the end of the one year period.

Mr. Hooks' agreement provides that upon termination without cause or due to a substantial reduction in pay or responsibilities or relocation outside the Chicago area, he would receive one year's base salary, a pay out of management incentive compensation at the higher of target or actual pay out for the year of termination, and a pro-rata pay out of the long term incentive compensation at the higher of target or actual pay out. In addition, he would have the use of the Company car and health benefits for one year. The use of the Company car and health benefits paid would terminate if employment was found prior to the end of the one year period.

Mr. Boik's agreement terminates on September 1, 2008. Mr. Hooks' agreement terminates on February 1, 2008.

Table of Contents**FIVE-YEAR STOCKHOLDER RETURN COMPARISON**

The SEC requires Castle to include in this proxy statement a line graph comparing the yearly percentage change in the cumulative total stockholder return on Castle's common stock to those of the S&P 500 Stock Index and either a published industry group index consisting of metal service centers or specialty metal distributors, or a peer group. Since there is no published index and there are now five competitors of Castle which are publicly held and have been actively traded on a national exchange for a period of more than one year, the Board of Directors has selected a peer group which includes those five competitors. This is a change from last year's peer group which included a durable goods manufacturer with comparable market capitalization. Both groups are shown and a list of these companies follows the graph below.

OTHER MATTERS

The Board of Directors does not know of any matters to be presented at the annual meeting other than the matters set forth in the notice and described in this proxy statement. However, if any other matters properly come before the annual meeting, it is intended that the holders of the proxies will vote on those matters in their discretion.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders may be householding our proxy materials. A single proxy statement may be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker directly or direct your written request to: Corporate Secretary, A. M. Castle & Co., 3400 North Wolf Road, Franklin Park, Illinois 60131. Stockholders who currently receive multiple copies of their proxy statement at their address and would like to request householding of their communications should contact their broker.

STOCKHOLDER PROPOSALS

In order for proposals by stockholders to be considered for inclusion in Castle's proxy statement and form of proxy for Castle's 2007 annual meeting of stockholders, Maryland Law and the Company's Bylaws, and SEC and Stock Exchange rules require that any stockholder who proposes a nominee for election as a director or any other matter for consideration at a meeting of stockholders provide notice of the nomination or proposal to Castle not later than 120 days before the anniversary of the date of the prior year's annual meeting. Under the Rules of the Securities Exchange Commission the deadline for submitting stockholder proposals is December 2, 2006 for nomination or proposals to be presented at Castle's 2007 annual meeting of stockholders.
